Notice: MOORING FEE MUST BE PAID BEFORE MOORING IS SET IN HARBOR.

Moorings that remained set over the winter must be paid by June 20th or shall be removed at owners expense. It is the mooring owners responsibility to remove their mooring for the winter months. Moorings left in and drift due to ice or debris into the navigable channel will be subject to dropping to the bottom or removal at the owners expense. Moorings unused for one year either in tidal area or waterway must be removed by owner.
