BURR RIDGE
PUBLIC WORKS

# M E M O

**To:** Street and Pathway Committee

**From:** David Preissig, P.E., Director of Public Works & Village Engineer

**Subject:** Summary of Agenda Items for the January 13, 2025 Committee Meeting

## 1) CALL TO ORDER

## 2) ROLL CALL

## 3) APPROVAL OF NOVEMBER 13, 2023 MINUTES

Please see minutes in *Attachment A* for consideration.

## 4) YEAR-END SUMMARY OF THE 2024 STREET AND PATHWAY PROGRAM

The Capital Improvement Program contracts completed in FY2025 are listed below:

| 2024 Road Program (FY2025) | Final Cost | Budget |
|---|---|---|
| Resurfacing, Patching, Curb and Sidewalk Repairs | $ 610,104 | $ 669,660 |
| Crack Sealing Contract | $ 58,637 | $ 60,000 |
| Pavement Marking Program | $ 22,844 | $ 20,000 |
| Material Testing Services | $ 5,162 | $ 15,000 |
| **Total Road Program** | **$ 696,747** | **$ 764,660** |
| **83rd Street Resurfacing (RBI+MFT)** | | |
| Resurfacing | $ 1,028,336 | $ 998,000 |
| Construction Engineering | $ 74,257 | $ 60,000 |
| **Total 83rd Street** | **$ 1,102,593** | **$ 1,058,000** |
| **79th St. Pedestrian Project ($138k Cook Co grant)** | | |
| Construction | *$ 561,862 | $ 646,000 |
| Construction Engineering * | *$ 39,470 | $ 41,470 |
| Landscaping (Spring 2025) | *$ 45,000 | $ 49,000 |
| **Total 79th Street Pedestrian Project** | ***$ 646,332** | ***$ 736,470** |
| **Capital Improvement Program Project TOTALS** | ***$2,445,672** | ***$2,559,130** |
| | *$113,458 under budget* | |

*** estimates only because project is not yet completed**

## 5) CONSIDERATION OF THE 2025 ROAD PROGRAM RECOMMENDATION

The FY2026 Capital Improvement budget will fund the Road Program through transfers from the General Fund and the maximum amount permitted from the Hotel/Motel Fund. The Village's allotment of Motor Fuel Tax (MFT) revenue will primarily fund eligible, annual roadway maintenance expenditures, such as salt purchases and maintenance contracts, while also transferring a corresponding amount from the General Fund towards a small portion of the Road Program. The Village saves time in developing the Road Program and achieves lower bids from contractors by avoiding the reviews and contractor restrictions imposed by the State that must accompany an MFT-funded project.

Staff has developed the annual Road Program utilizing the pavement's age, Pavement Condition Rating (PCR), and also considering anticipating upcoming private development or Village utility improvements. The Street Rating Survey each roadway's PCR and is included in *Attachment B.* The 5-year schedule with a sustainable budget amount is included for discussion in *Attachment C.*

***Proposed 2025 Road Program***

The proposed 2025 Road Program for consideration by the Committee includes the following:

- Forest Hill Road - 79th Street to Burr Oak Lane
- Woodgate Drive
- Enclave Drive and Enclave Court
- Drew Avenue – south of 91st Street
- Norris Drive

Additionally, the contract includes annual pavement maintenance expenditures including patching, crack sealing, and pavement marking as well as quality assurance with material testing.

**ACTION:** The Street and Pathway Committee direct staff to prepare plans and resolutions to advance the proposed FY2026 Road Program in the estimated amount of $599,100 as described herein.

## 6) DISCUSSION OF FY2026 PATHWAY PROJECTS

As previously prioritized by the Pathway Commission, the replacement of deteriorated asphalt pathways continues in FY2026 on Lincolnshire Drive and in FY2027 along 91st Street. This year's project on Lincolnshire Drive, mostly funded through the Business District, includes a more conspicuous pedestrian crossing at its intersection with Burr Ridge Parkway.

A summary of sidewalk and pathway projects as proposed in the Five-Year Capital Investment Plan (CIP) is listed below:

| Location | Budget Year | Est. Cost |
|---|---|---|
| Lincolnshire Drive Sidewalk Improvements * | FY2026 | $ 250,000 |
| Madison Street at I-55 Sidewalk and Retaining Wall | FY2028 | $ 175,000 |
| 91st Street Pathway & Bridge Replacement | FY2028 | $ 435,000 |
| County Line Road Pathway | FY2030 | $ 250,000 |
| Burr Ridge Parkway, McClintock Drive * | Future | $ 340,000 |
| Remaining Asphalt Paths (81st St., Park Ave.) | Future | $ 60,000 |
| **Total** | | **$ 1,510,000** |

*Eligible for Business Development District funding.

As recommended by the prior Pathway Commission, staff will continue to prioritize the replacement of asphalt pathways as well as the maintenance and modernization of existing pedestrian facilities. Connectivity of sidewalk gaps would then commence in future budget years as funds become available.

## 7) OTHER CONSIDERATIONS

***Attachments:***

A. Street Policy Committee Meeting Minutes of November 13, 2023

B. 2023 Street Rating Survey (Updated only with completed or proposed project years)

C. Proposed 5-Year Road Program for FY2026 – FY2030

Attachment A

# MINUTES

## STREET AND PATHWAY COMMITTEE

**Burr Ridge Village Hall - Board Room**
**7660 S. County Line Road, Burr Ridge**

**Monday, November 13, 2023**

## CALL TO ORDER

Mayor Grasso called the meeting to order at 5:30 p.m.

## ROLL CALL

Present: Mayor Grasso, Trustee Al Paveza, Trustee Guy Franzese, Trustee Tony Schiappa and Member Patricia Liss

Absent: Todd Davis – traveling and sent comments via email

Also Present: Village Administrator Evan Walter, Public Works Director/Village Engineer David Preissig, Community Development Director Janine Farrell, and Development Engineer James Miedema

## APPROVAL OF January 9, 2023, MINUTES

Trustee Franzese made a **motion** to approve the minutes of January 9, 2023. The motion was **seconded** by Trustee Paveza and **approved** by a vote of 5-0.

## YEAR-END SUMMARY OF THE 2023 CAPITAL PROGRAM

Public Works Director/Village Engineer David Preissig introduced Jim Miedema, Development Engineer, to present the year end summary of the Capital Project Fund for FY23. The total FY23 Road Program costs were $880,272, $88,065 under budget. Savings were realized by the ability to use locally funded contracting, rather than Motor Fuel Tax funding. This allowed the project to be let early in the season and provided much more competitive bids. The work was performed by Schroeder Asphalt Services and included the added benefit of trip hazards being repaired on Royal Drive, enhanced crowning of the roadway, as well as repair work of ADA ramps.

## 2023 BIENNIAL STREET SURVEY

Director Preissig provided a presentation on the results of the Street Condition Survey and discussed the need to perform crack sealing and patching on an ongoing basis to keep the pavement in good condition. Director Preissig went on further to explain the assessment that utilizes a pavement condition rating (PCR) process by which roadway segments are evaluated on 13 visible distress factors to calculate one value that summarizes its pavement condition. Visual slides were presented as examples of locations with varied PCR scores indicating needs for improvement.

## FY2025 CAPITAL FUNDING

Director Preissig explained the proposed Road Program projected expenditure of $1.5 million will be offset using approximately $700,000 in RBI funds. Village Administrator Walter added additional explanation of funding sources like Motor Fuel Tax (MFT) and Rebuild Illinois (RBI) programs which allow the Village to utilize the budget to get the most advantageous pricing and keep things moving forward.

## CONSIDERATION OF THE 2024 ROAD PROGRAM RECOMMENDATION

Director Preissig presented the 2024 Road Program recommendation to the Committee, and explained how the recommendations were composed, through primarily the **P**avement **C**ondition **R**ating (PCR) tabulations and street ratings from the 2023 Street Rating Survey. Director Preissig stated that staff is committed to providing a balanced, nominal budget while ensuring sustainable pavement conditions on the Village's street network, which incorporates a proactive pavement maintenance strategy. The proposed 2024 Road Program presented for consideration by Director Preissig to the Committee included the following Burr Ridge roadways and preventative maintenance measures:

**Arrowhead Farm Subdivision**
- Arrowhead Farm Drive
- Chippewa Court
- Navajo Court
- Omaha Drive
- Seneca Drive

**Cambridge Estates Subdivision**
- Cambridge Dr
- Camelot Dr
- Carlisle Ct
- Charleston Dr
- Kimberly Ct

**Forest Edge Subdivision**
- Forest Edge Dr
- Forest Edge Ct

**83rd Street (RBI-funded)**

**Miscellaneous Maintenance**
- Patching (various streets as needed)
- Crack Sealing
- Pavement Marking Replacement
- Material Quality Assurance Testing

A **motion** to recommend approval of the 2024 Road Program as submitted by staff was made by Trustee Franzese. Trustee Schiappa **seconded** the motion. The motion was **approved** by a vote of 5-0.

## DISCUSSION OF 2024 PATHWAY PROJECTS

Director Preissig presented information for the proposed replacement of the pathways on 79$^{th}$ Street, south side asphalt replacement, and north side new construction. Flashing beacons will also be installed near Woodside Lane. He advised the Committee that future funding for sidewalks will be prioritized for removal and replacement of asphalt pathways that are deteriorated.

## OTHER CONSIDERATIONS

There was an open discussion regarding pathways now being combined with streets and overviewing projects where the work can be done in tandem with another project, such as water main breaks and road projects.

## ADJOURNMENT

There was no public comment. There being no further business, a **motion** was made by Trustee Franzese to adjourn the meeting. The motion was **seconded** by Trustee Paveza and **approved** by a vote of 5-0. The meeting was adjourned at 6:15 p.m.

Respectfully submitted,

David Preissig, P.E.
Public Works Director/Village Engineer
