

SPECIAL MEETING
MAYOR AND BOARD OF TRUSTEES
VILLAGE OF BURR RIDGE

November 4, 2020

CALL TO ORDER The Special Meeting of the Mayor and Board of Trustees of November 4, 2020, was held in the Meeting Room of the Village Hall, 7660 County Line Road, Burr Ridge, Illinois and called to order at 7:00 p.m. by Mayor Gary Grasso.

PLEDGE OF ALLEGIANCE Mayor Grasso led the Pledge of Allegiance.

ROLL CALL was taken by the Deputy Village Clerk and the results denoted the following present: Trustees Franzese, Schiappa, Paveza, Snyder, Mital, Mottl, and Mayor Grasso.

In addition, present in the Board Room were Village Administrator Doug Pollock, Assistant Village Administrator Evan Walter, Police Chief John Madden, and Village Attorney Mike Durkin.

Point of order was called by Trustee Mottl asking how they could have a meeting if it was not posted 48 hours in advance. Village Attorney Mike Durkin explained that the email alleging this had to do with the meeting not being posted on the website. Mr. Durkin advised that per the Open Meetings Act, not posting on the website 48 hours in advance does not invalidate the meeting. Mr. Durkin stated that the amendment to the agenda to add an item afterwards was not posted 48 hours in advance so that item was removed and the original agenda is what is being used. Trustee Mottl called another point of order and asked where the agenda was posted. Village Administrator Doug Pollock advised that the newspapers were notified along with the agenda being posted at the Village Hall.

CONSIDERATION OF RESOLUTION RATIFYING DIRECTIVE OF THE MAYOR THAT TRUSTEE ZACHARY MOTTL CEASE COMMUNICATING WITH VILLAGE STAFF AND REQUIRING THAT ALL COMMUNICATION BY TRUSTEE MOTTL BE DIRECTED TO MAYOR GRASSO

Motion was made by Trustee Snyder and seconded by Trustee Mital.

Mayor Grasso asked if there was any discussion. Trustee Mottl wanted to know what authority the Village has to make this resolution and where in the Illinois Municipal Code does it allow this. Mayor Grasso stated the basis for the resolution is in the language of the resolution. Mayor Grasso went on to review all the events that have taken place since last November when Trustee Mottl was first censored.

Special Meeting
Mayor and Board of Trustees, Village of Burr Ridge
November 4, 2020

Mayor Grasso stated that Trustee Mottl has continued to make verbal accusations against the staff, trustees, police and the mayor. None of these accusations was supported by fact. All these have led the Village and Board to adopting its first Code of Conduct. Since then, Trustee Mottl has been censored three more times and expelled from one meeting. Mayor Grasso added that the Trustees went as far as sending a letter to the Burr Ridge Patch over Trustee Mottl's actions and demanding his resignation, which Trustee Mottl refused. Mayor Grasso stated that this is not about cutting Trustee Mottl out of the process but finding someone who can deal with him. Mayor Grasso added that Trustee Mottl questioned why this policy has never been passed in a resolution. Now it is in front of the board and counsel has not stated that there is anything illegal about the resolution. Mayor Grasso stated that he had received several emails against the resolution (Exhibit B). They came from Ms. Hamilton, Mr. & Mrs. Lambert, Ms. Davis, Mr. & Mrs. Raymond and Mrs. Gilinsky. Mayor Grasso went on to state that if one of these residents wanted to be the intermediary between Trustee Mottl and the staff, the trustees and the mayor, he was all for it. Trustees Snyder and Franzese volunteered to be available to listen to the closed session minutes with Trustee Mottl so that the Mayor would not have to.

Mayor Grasso read the amendment to the resolution to add Trustee Franzese and/or Trustee Snyder into Section 3 as alternatives to the Mayor.

Trustee Mottl disagreed with Mayor Grasso's review of events and stated he has not been provided with all the information he has requested. He cited the legal bills he had requested via FOIA and how it is now under review with the Attorney General's Office for being deficient. In regards to the closed session minutes, Trustee Mottl stated that a recording clerk or official can be present and it doesn't have to be a trustee or the mayor. Trustee Mottl added that this is also under review by the Attorney General's Office. Trustee Mottl brought up where he called Village Administrator Doug Pollock and Finance Director Jerry Sapp incompetent/insubordinate and said he believed that due to the information that was or was not provided him. Trustee Mottl apologized for those comments as he was given bad information and that he had given the board some of those messages tonight. Trustee Mottl cautioned the board to not let Mayor Grasso usurp their authority.

Discussion followed on how Trustee Mottl treats staff and makes baseless accusations. Trustee Paveza said he has been approached by staff asking if there is anything they can do about the way Trustee Mottl treats the staff. Trustee Schiappa said he appreciated Trustee Mottl's initial behavior that evening but is also aware that staff is uncomfortable working with him. Trustee Snyder stated the drama that is involved is tiring, and that due to all of Trustee Mottl's interruptions, name-calling, baseless accusations, resulting in multiple censorship and one expulsion, he is for the resolution.

Trustee Mital stated that Trustee Mottl repeatedly says that he is going to behave cordially and then he goes back to interrupting, slandering and disruptive behavior. Trustee Mital added that the staff is employed by the village and it is the Board's job to make sure they feel safe. Trustee Mital feels that the main purpose of Trustee Mottl's behavior is to disrupt meetings.

Special Meeting
Mayor and Board of Trustees, Village of Burr Ridge
November 4, 2020

Village Attorney Mike Durkin responded to Trustee Mottl's earlier comments about a review before the Attorney General's Office for legal bills, saying that the reason why Trustee Mottl only received invoices through August is because that was all the Village had received at that time. The August bills were sent out in late September and the September bills had not yet been received by the village at the time the October 15 response was sent. Mr. Durkin went on to say that now the Village has to compensate his firm to respond to this request for review. Mayor Grasso added that as soon as he got the request for legal bills, he passed it to staff where it was being complied as quickly as possible. Within days, Trustee Mottl was putting in a FOIA request for the same thing. Mayor Grasso stated staff worked as fast as they could and gave Trustee Mottl a spreadsheet with a breakdown. Mayor Grasso advised that everything Trustee Mottl has requested, he has forwarded on to staff. Mayor Grasso stated that he has never tried to control the information and copies in the trustees on Trustee Mottl's requests. Mayor Grasso talked about Trustee Mottl's behavior at the board meetings and how combative, interruptive and an overall impediment he is to the meetings, with Trustee Mottl continuing to attack and when he does not get his way, he interrupts and insults. Trustee Mottl makes accusations and then never backs them up. Mayor Grasso stated he does not want to deal with Trustee Mottl and will take any suggestions or other options.

Discussion continued about who can sit with Trustee Mottl so that he can listen to the closed session meeting minutes. Trustee Mottl feels that the village staff won't deal with him because Mayor Grasso told them not to work with him. Trustee Mottl feels like he is being gaslighted and that the Mayor has turned the staff against him. Mayor Grasso advised Village Administrator Pollock and Assistant Village Administrator Walter that if they want to deal with Trustee Mottl, that are more than welcome to but he has never told them that they could not. Mr. Pollock said that what he told Trustee Mottl the day he came in was that he was not following the board's protocol that was set up in January. Mr. Pollock stated he works for the entire Board and when the Board tells him to do something, he follows it. Mr. Pollock said that several staff members approached him saying that they were very concerned about Trustee Mottl's behavior and worried about their safety. Trustee Mottl asked for the names of the staff members who had made these statements; none were given. Trustee Franzese brought up how Trustee Mottl treats staff, having harassed, demeaned, called them names, and threatened staff with their jobs. Trustee Franzese stated that Trustee Mottl has lost the privilege to work directly with the staff. No staff member should have to come to work and deal with the harassment and that his behavior has created a hostile work environment. Trustee Franzese stated the purpose of this resolution is so that only one member has to deal with Trustee Mottl's antics. Trustee Mottl disagreed with Trustee Franzese about calling names and threatening staff. Trustee Mottl said he will take his concerns, accusations, and facts elsewhere and it will be investigated. Trustee Mottl stated that no one can take him out except the voters in an election and he will not get a fair hearing out of this board. Trustee Snyder stated that Trustee Mottl has not provided one piece of proof against 10-20 accusations raised, and that meetings are much easier when Trustee Mottl is not here. Trustee Franzese read several emails from Trustee Mottl where Trustee Mottl called the staff names and threatens them. Trustee Franzese stated that if Trustee Mottl worked for his company, he would have been fired for this behavior.

TO BE READ INTO THE RECORD AND MADE A PART OF THE MINUTES

Dear Board, Mayor and Administrator:

We realize that whatever votes are taken tonight will be of no force and effect because of the violation of the Open Meetings Act requirement to post the agenda on the Village's website 48 hours ahead. We will put our comments into the record this evening and please input the same comments again when the vote is retaken after the legally required 48 hour agenda posting.

As for Agenda paragraph 2A please provide the legal basis for such a restriction on a sitting Trustee's powers to legislate. As Burr Ridge is not a home rule community the village's powers are limited by the state which is commonly known as the Dillon Rule. I find nothing in the Illinois statutes or IL Constitution granting the Board the power to limit the duties of a Trustee. As residents we oppose the passage of 2A as the Board has no such authority. Even if such authority was granted by the state, we see no advantage to the residents to limit a Trustee's research as that is how a Trustee would ensure he is fulfilling his fiduciary duty to prevent an abuse of power and/or misuse of tax money by the Village.

As for Agenda paragraph 5 it appears that the Village's rush to replace experienced and aging employees with what the Mayor labeled as younger employees has opened the door to litigation and a raise for the Mayor both at taxpayer's expense. We oppose throwing our dedicated staff under the bus just to increase the Mayor's salary. We were served well by Village Manager Steve Stricker until 6/30/17 and in order to fill his shoes with a competent experienced replacement the Village will need to offer adequate compensation, not decrease the compensation to pad the Mayor's salary.

Thank you for reading the above remarks into the record.

Below is my statement to be read into the official record. Thank you. Betsy Levy

Oh boy, Burr Ridge. For a lovely little village, a small special place, we certainly have a multitude of challenges as of late, and I'm not even talking about the pandemic. I will speak to five:

1. The Mayor's Salary Increase Proposal

When my husband was a Burr Ridge Village Trustee in the second half of the 1970s, development in Burr Ridge was beginning to explode – booming and busy - with subdivision and office complex proposals coming before the Board constantly. Careful analyses and regulations by the then Village "President" and Trustees resulted in the foundation of the community we enjoy today.

The Trustees volunteered their time and expertise, while the Village President worked 'round the clock (in off hours from his regular job) for next to nothing – something like \$50/month. I realize this was years ago, but even back then, \$50 was just a token, a token of appreciation, and maybe to help offset some Village President-related expenses.

There was no paid Village Manager then, no paid person in charge of Business Development. There was just minimal-paid staff that did a ton and did it well. And there was a Village President and a Village Board of Trustees who got involved because they wanted to, not because of a paycheck.

2. Advisory Referendum

Village Trustee Anita Mital suggested the question of BR Mayor Salary Increase be put on the April ballot in the form of an Advisory Referendum. But when the Board moved to discuss further at the November 9th Board meeting and then take a vote, the motion neglected to mention that entire Advisory Referendum idea.

3. The Gary Grasso / Zach Mottl Situation

I have no doubt that both Gary and Zach each mean well, that they each have honorable intentions, and that they each are working for the good of the Village. They are just coming at that those goals from different directions and they butt their hard-headed heads on occasion. On many occasions.

That being said, here is what I wish: I wish Zach would temper down some of his bold and brash statements; I wish Gary would stop trying to censor everything that Zach says. So I oppose Resolution 2A. I also wish the Trustees weren't put in the position of having to take sides.

This all brings me to #4:

4. Apathy

I wish the community of Burr Ridge took a little more interest in what was going on within it. Apathy, "Let someone else do it," does not bode well for any of us in the long run. We're all busy with our lives, but we need to start paying more attention.

This brings me to #5:

5. Communication

Burr Ridge has no good means of communication. There are some things in place – the Burr Ridge Briefs a few times a year, the Mayor's Covid updates, catching channel 6.

One would think/hope that the Patch and/or Nextdoor would be helpful. And they are, to an extent. Everyone doesn't receive Patch updates. I used to. I keep trying to resubscribe. Unsuccessfully. And then Nextdoor. Things can disappear or get relegated to the bottom of the queue.

Gary's letter about a salary increase that he sent to every BR household worked. That really generated a lot of comments on Nextdoor - lots more than the Nextdoor post/Patch article about tonight's secret Board meeting. But sending letters through the mail every time there's new information is pretty impractical. I guess nothing's perfect.

Dear Zach,

I strongly oppose Resolution 2A. You were elected by the people of Burr Ridge to the position of trustee. You should not be silenced by the mayor or any other elected official for that matter.

I would like my comments to be made as part of the official meeting record.

I also strongly oppose the salary increase for the mayor at this time.

2. RESOLUTIONS A. Consideration of Resolution Ratifying Directive of the Mayor that Trustee Zachary Mottl Cease Communicating with Village Staff and Requiring that all Communication by Trustee Mottl be Directed to Mayor Grasso

I oppose both the resolution and the directive of the mayor. The village is intended to be governed by the Board of Trustees, not the Mayor. Requiring that all communication with village staff be directed to the Mayor gives too much power to the mayor without public oversight and oversight by the duly elected Board of Trustees. In addition, any questions or concerns about the Mayor's actions in his office as those actions relate to the administration of the village or his interactions with village staff would then be stifled and covered up from public scrutiny.

For example, when I brought up concerns last May regarding Mayor Grasso's misuse of the emergency alert system in a way that generated alert fatigue, I naturally wanted to understand how that system had been deployed. The most relevant person to speak with was the Chief of Police (a salaried position) as he had set the system up. Less than half an hour after I spoke with the Chief of Police, Mayor Grasso sent a text saying that any communications should be addressed to him personally. This is an intimidation tactic as well as a restriction of communication. It seems that Mayor Grasso is taking the same tactic regarding Trustee Mottl's communications with the staff. It gives the appearance that Mayor Grasso only wants his perspective of events to be heard and wants to ensure that the staff's perspectives of their actions and of interactions they have had with Mr. Grasso are not shared with the public or with the duly elected Trustees who are charged with oversight of the village. We must have transparency!

Based on the letter sent by the Burr Ridge Finance Director, Mr. Sapp, to the Burr Ridge Board of Trustees and Mayor, it appears that Mr. Grasso's actions and his own interactions with staff have been quite disturbing to the staff.

Staff appointments and personnel changes should be determined by the Board of Trustees with full public disclosure and discussion in public meetings, rather than ad hoc secret meetings called by the Mayor. It is of great concern that this secret meeting with a secret agenda is being held without the attendance of the full board of trustees and indeed, specifically excluding one of the duly elected trustees, and that it appears that staff issues which were on the agenda for the public meeting on October 26th were postponed without justification to be discussed and decided at such a secret meeting.

I neglected to ask that my email become part of the official record of the November 4 Board meeting regarding Resolution 2A, so I am asking here and re-sending my email below. Thank you.

Dear Mayor Grasso and Village Trustees:

I write to express my outrage at Resolution 2A to be taken up at the November 4 Village Board meeting reading as follows:

“RESOLUTION 2A. Consideration of Resolution Ratifying Directive of the Mayor that Trustee Zachary Mottl Cease Communicating with Village Staff and Requiring that all Communication by Trustee Mottl be Directed to Mayor Grasso.”

Whether or not you agree with Trustee Mottl’s tactics or demeanor at Village Board meetings, he is a duly-elected official of the Village of Burr Ridge and as such has a right (duty, in fact) to communicate with village staff when necessary to do the business of the village. Mayor Grasso’s directive is clearly trying to muzzle Trustee Mottl.

I stand vehemently opposed to this resolution.

By the way, as a point of order, I point out to you that the agenda for this meeting, by rule, should have been posted 48 hours before the November 4 meeting. It was not; it was posted on the village’s website this morning, November 3. Therefore, by rule, the agenda is invalid and any actions taken thereto are invalid, as well.

Respectfully yours,

Patricia Davis
