The amendment adds a new class of liquor license which provides for “the sale of beer and wine only on the premises designated therein for consumption by the drink on such premises only” and in conjunction with the licensee's operation of a restaurant on the premises. The amendment also establishes a \$2,000 fee for the Class Q license.

**It is our recommendation:** that the Ordinance be approved.

**7. RESOLUTIONS**

**A. Prevailing Wage Rate for Public Works Employees**

Enclosed is a Resolution that the Village is required to approve each June. A schedule of these rates is included as an attachment to the Resolution.

**It is our recommendation:** that the Resolution be adopted.

**8. CONSIDERATIONS**

**A. Reimbursement for Mayor – Attend ICSC Conference**

On Sunday, May 20, through Tuesday, May 22, Mayor Grasso attended the three-day 2012 International Council of Shopping Centers Annual Convention in Las Vegas. Mayor Grasso worked the “Choose DuPage” booth on Monday, May 21, and Tuesday, May 22, from about 11:00 a.m. to 1:00 p.m. each day, where information from several communities throughout DuPage County, including Burr Ridge, was available (see attached). Mayor Grasso took the opportunity to visit several retailer booths and to discuss restaurant and entertainment opportunities that exist in Burr Ridge. During the evening hours, he met with Scott Rolston, of MidAmerica/Opus, and several other

developers to discuss what is happening on the positive side of the retail/entertainment market.

Expenses for this event totaled \$1,124.95. The FY 12-13 Budget includes \$1,000 for special events/training for the Mayor. Although most of his expenditures would normally be considered reimbursable, what Mayor Grasso didn't realize was that the Village has a long-standing reimbursement policy for elected and appointed officials, which requires all out-of-state conferences to be approved by the Village Board in advance (see attached).

Mayor Grasso has asked that this item be placed on the agenda to discuss possible reimbursement for some, if not all, of his expenses associated with his attendance at the ICSC Convention.

Board direction is requested.

**B. Community Survey Question & Answer**

This is an item that has been on the agenda for the past several months and, as a result, all of the community-asked questions that were generated through the recent Community Survey have been addressed. Therefore, this will be the last installment of this issue, unless a significant issue of community concern comes up and needs to be addressed by the Board in a public forum. As always, after the Board meeting, the questions and answers are placed on our website.

**C. Resignation Letter – Vincent Monaco**

Enclosed please find a letter from Part-Time Laborer Vince Monaco tendering his resignation from the Village's employ effective June 20, 2012.

**It is our recommendation:** that Vince Monaco's resignation letter be received and filed.

**D. Hire Part-Time Laborer to Replace Vincent Monaco**

Agenda Item 8C is a letter from Vincent Monaco tendering his resignation from the position of part-time Laborer with the Public Works Department, effective June 20, 2012. Both Public Works Director Paul May and I are recommending that this position be filled as soon as possible.

**It is our recommendation:** that the Public Works Director be authorized to hire a replacement part-time Laborer to fill the vacancy created by the resignation of Vincent Monaco.

**E. Approval of Vendor List**

Enclosed is the Vendor List in the amount of \$237,158.12 for all funds, plus \$198,118.91 for payroll, for a grand total of \$435,277.03.

Motion was made by Trustee Manieri and seconded by Trustee Grela to reconsider Ordinance A-834-13-12 granting a special use pursuant to the Village of Burr Ridge Zoning Ordinance for an outside sidewalk seating area for an existing restaurant (Z-11-2012; 324 Burr Ridge Parkway – Capri Ristorante).

Regular Meeting  
Mayor and Board of Trustees, Village of Burr Ridge  
June 11, 2012

**DISCUSSION CONCERNING RESULTS OF THE SAIA NOISE STUDY** Village Administrator Steve Stricker introduced David Kwasiborski of ECS Midwest, LLC to provide the results of the noise study conducted at the Saia facility.

Mr. Kwasiborski described the operations at the Saia facility and noted that the focus of the noise study consisted of investigation of the noise complaints due to the drops and truck noises. The focus of the noise study was to measure the impulse noises at the facility.

Mr. Kwasiborski discussed the equipment used in the testing and noted that the test occurred primarily between the hours of 7 pm and 7 am on three consecutive nights between April 30 to May 3. He showed the locations of the three testing stations where the noise levels were measured and stated that a technician was on-site throughout the duration of the test logging the noises as they occurred. Mr. Kwasiborski discussed the table documenting the measured sound level recordings throughout the duration of the test and noted that virtually all of the noises measured exceeded the Village's noise standards. He stated that the noises were the loudest between 12:00 am and 2:30 am.

Trustee Paveza commented that station 2, which is the furthest away from the facility, registered the loudest noises. Mr. Kwasiborski explained that although station 2 is further, there are no trees to buffer the sound as at the other stations.

Trustee Grela noted that the noise levels are significant given the distance from the source that they were measured at. Trustee Grela inquired if the noise levels would change with different weather conditions and Mr. Kwasiborski stated they would be approximately the same.

In response to Trustee Ruzak's inquiry regarding the Village noise standard, Mr. Kwasiborski confirmed it is 45 dBA. Trustee Ruzak asked what the DuPage County standard is and Mr. Kwasiborski responded that he was uncertain. Trustee Ruzak inquired if the presence of a tree buffer near station 2 would reduce the noise level and Mr. Kwasiborski stated that trees would lower the sound levels.

Trustee Paveza inquired if there were results for the sound levels during the day and Mr. Kwasiborski replied there were not. Mr. Stricker added that the monitoring was scheduled based upon homeowner complaints for time and location.

Trustee Sodikoff inquired if there were state regulations with regard to noise levels and Mr. Kwasiborski replied that there are guidelines but the state does not enforce those guidelines.

Steve Less of Chestnut Hills stated that as expected, the noise issues do exist and the homeowners realize that the situation cannot be corrected immediately. Mr. Less suggested making Saia representatives aware of the findings and pursuing the matter with the Illinois Pollution Control Board.

Regular Meeting  
Mayor and Board of Trustees, Village of Burr Ridge  
June 11, 2012

Mayor Grasso thanked Mr. Kwasiborski for his report and stated that the Board will continue discussion of this item.

**CONTINUED CONSIDERATION OF SPACE NEEDS COMMITTEE  
RECOMMENDATION TO AWARD CONTRACT FOR RENOVATION OF VILLAGE  
HALL BOARD AND CONFERENCE ROOMS**

Village Administrator Steve Stricker stated that this agenda item was tabled from the May 29, 2012 Board Meeting in order to provide the details of the proposal for the renovation of the Board and Conference Rooms. Mr. Stricker gave an overview of the renovation plans, project estimates, and project financing for the Board.

Josephine Goetz of Interior Environments Incorporated explained that the bid includes all components of the renovation except draperies, furniture, and nameplates.

Mayor Grasso inquired if the climate is still favorable for the renovation to proceed now versus delaying for the future. Ms. Goetz responded that pricing is currently favorable but contractors plan to increase their fees in the near future and stated it would be advisable to proceed now rather than waiting.

In response to Trustee Paveza's question regarding the bids, Ms. Goetz explained that the Audio / Visual estimate is separate from the Board and Conference Room bid but advised that they be renovated simultaneously.

Trustee Manieri inquired about the cost difference if the Audio Visual is renovated and delaying the Board and Conference rooms. Ms. Goetz responded that she was not certain but estimated that it would be approximately \$10,000 additional due to re-work.

Trustee Ruzak inquired about completion time of the renovation and Ms. Goetz responded the timeline schedules the completion in late August or early September.

Trustee Grela added that with the reduced scope and favorable bids, he feels it is advisable to move forward with the Audio Visual combined with the Board and Conference Rooms. He feels it is prudent to take advantage of pricing and avoid future re-work, since the cost is covered by bond forfeiture rather than tax dollars.

Motion was made by Trustee Grela and seconded by Trustee Ruzak to award contracts to JC Anderson, Elmhurst, IL in the amount of \$135,634 to provide General Contractor services for both the Village Hall Board Room and Conference Room Renovation, including additional lighting, and to AVLET, Inc., Wheaton, IL in the amount of \$51,886 for AV equipment installation for both the Board Room and Conference Room.

Trustee Manieri inquired about the total bond forfeiture amount available and in response, Mr. Stricker stated it is approximately \$750,000 and \$500,000 of that was allocated for Village Hall

Regular Meeting

renovation. Trustee Manieri asked if there would be funds remaining after the Audio Visual, Board, and Conference Room Renovation and Mr. Stricker stated that there would be funds remaining.

On Roll Call, Vote Was:

AYES: 5 – Trustees Grela, Ruzak, Sodikoff, Wott & Paveza

NAYS: 1 – Trustee Manieri

ABSENT: 0 – None

There being five affirmative votes, the motion carried.

Mayor Grasso thanked the Space Needs Committee and Ms. Goetz for their efforts thus far in the renovation project.

**PLAN COMMISSION RECOMMENDATION TO APPROVE SIGN ORDINANCE  
AMENDMENT (S-02-2012: SIDEWALK SIGNS IN RETAIL BUSINESS DISTRICTS)**

Community Development Director Doug Pollock stated that the Board authorized the Plan Commission to consider amendments to the Sign Ordinance related to sidewalk signs in retail districts. Mr. Pollock explained that the issue affects mainly County Line Square and the Village Center and addresses portable sidewalk signs used to advertise daily specials and sales.

Mr. Pollock stated that the Plan Commission wanted to ensure that the signs used were consistent with Burr Ridge standards and recommends that sidewalk signs be designated as conditional signs in Business Districts. The Plan Commission suggests an amendment to the sign Ordinance that would require the shopping center or business owner to come before the Plan Commission with a sign plan for approval based upon standards dictating that the total area not exceed 9 square feet with no more than 4.5 square feet of sign copy. Mr. Pollock added that the Plan Commission did not want to allow signs with changeable copy although the owner of County Line Square notified Mr. Pollock that changeable copy is needed there.

In response to Mayor Grasso's request for clarification on the sign approval process, Mr. Pollock explained that a business or center must obtain approval for the types of signs that would be used in their area.

Trustee Grela stated he has seen hand-written signs in other communities and does not find them offensive and generally they can be attractive and artistic.

Plan Commissioner Chris Cronin explained that the concern of the Plan Commission was to limit the number of signs and to apply consistency to the signs.

The Board reviewed slides of signs Mr. Pollock provided that have been used by businesses in the Village and discussed alternatives with regard to the Village businesses.

Regular Meeting  
Mayor and Board of Trustees, Village of Burr Ridge  
June 11, 2012

Motion was made by Trustee Grela and seconded by Trustee Ruzak to remand the Consideration of Plan Commission Recommendation to Approve Sign Ordinance Amendment (S-02-2012: Sidewalk Signs in Retail Business Districts) to the Plan Commission.

On voice vote, the motion carried.

**COMMUNITY SURVEY QUESTION & ANSWER** Mayor Grasso addressed the following question:

- Can the Village provide leaf pickup?  
This has been discussed by Boards over the years but the Village has not offered a program because it is prohibitively expensive. Residents can dispose of leaves through residential composting or mulching lawn movers, which are more environmentally friendly and economical. The Village does assist residents with brush pickup in April and October.

**OTHER CONSIDERATIONS** Trustee Manieri noted that the Madison Street viaduct under I-55 has no lighting and suggested notifying IDOT.

Trustee Manieri stated that a business has removed trees from their property and questioned the governing of that action due to the resulting soil erosion. In response, Village Administrator Steve Stricker stated it is not permissible to remove more than four trees without Village Approval. Trustee Manieri stated he would discuss this with Community Development Director Doug Pollock.

**AUDIENCE** There were none at this time.

**REPORTS AND COMMUNICATIONS FROM VILLAGE OFFICIALS** Mayor Grasso noted that Public Works Director Paul May is celebrating his fifth anniversary with the Village and his work is greatly appreciated.

Mayor Grasso stated the first concert was well attended and he received positive feedback on the event. On Saturday, June 16<sup>th</sup>, the car show will be held in the Village Center from 4 to 8 pm. Also, the Farmer's Market begins on Thursday and the 5K race is on Saturday, June 23<sup>rd</sup>. There will be road closures along Burr Ridge Parkway and County Line Road from 8am to 9am for the race.

**ADJOURNMENT** Motion was made by Trustee Grela and seconded by Trustee Manieri that the Regular Meeting of June 11, 2012 be adjourned to Closed Session to discuss:

## Explanations

### COOK COUNTY

The following list is considered as those days for which holiday rates of wages for work performed apply: New Years Day, Memorial Day, Fourth of July, Labor Day, Thanksgiving Day, Christmas Day and Veterans Day in some classifications/counties. Generally, any of these holidays which fall on a Sunday is celebrated on the following Monday. This then makes work performed on that Monday payable at the appropriate overtime rate for holiday pay. Common practice in a given local may alter certain days of celebration. If in doubt, please check with IDOL.

TRUCK DRIVERS (WEST) - That part of the county West of Barrington Road.

### EXPLANATION OF CLASSES

ASBESTOS - MECHANICAL - removal of asbestos material from mechanical systems, such as pipes, ducts, and boilers, where the mechanical systems are to remain.

Generally, any of these holidays which fall on a Sunday is celebrated on the following Monday. This then makes work performed on that Monday payable at the appropriate overtime rate for holiday pay. The Honorable Gary Grasso, Mayor  
Village of Burr Ridge  
7660 County Line Road  
Burr Ridge, IL 60527

Dear Mayor Grasso,

Last month Choose DuPage helped eleven municipalities have an increased presence at the International Council of Shopping Center (ICSC) RECon show. This trade show, lasting three days, was attended by over 33,000 people with over 1,000 exhibitors in multiple industries, such as real estate, government, retail, construction and development. RECon is one of the largest industry conventions.

The municipalities that accompanied Choose DuPage were: Bensenville, Burr Ridge, Downers Grove, Hanover Park, Itasca, Lisle, Lombard, Naperville, Oak Brook, Villa Park and Wood Dale. Numerous other municipalities from the State attended such as Glenwood and Arlington Heights.

Municipalities had the benefit of using the Choose DuPage booth to conduct meetings. When the municipalities helped staff the booth they met the other attendees that visited the booth. Images are available by visiting Choose DuPage's Facebook page at <https://www.facebook.com/choosedupage>. Municipalities were responsible for their own travel and lodging expenses, and in most cases, the show attendance fee. In 2012 advance registration for RECon was \$490 for ICSC members. Hotel and airfare prices can vary on location and booking time. ICSC does work with a travel agency to secure low hotel rates.

We hope to have additional municipalities participate at the RECon show in 2013. This is a wonderful opportunity for municipalities to meet and network with the retail industry and Choose DuPage is happy to partner with the DuPage County communities.

Please contact me with questions at 630-955-2089 or [gbedalov@choosedupage.com](mailto:gbedalov@choosedupage.com). I hope you will join us at ICSC RECon in 2013!

Sincerely,

## **Mayor & Village Board Q&A**

Common Themes & Questions Posed by Survey Respondents  
2011 Community Survey

### **JUNE 25, 2012 BOARD MEETING**

#### **I never see a squad car in my neighborhood. Can the Village increase patrols?**

While you may miss the squad car driving by from time to time, the Burr Ridge Police Department is in your neighborhood regularly. The Police Department of the Village of Burr Ridge divides the Village into four areas, called "patrol beats" covering approximately 7.5 square miles. The beats here in Burr Ridge are relatively large areas. Officers are required to patrol these areas over an eight-hour shift. In addition to their regular patrol duties, officers also respond to calls for service in their beat, patrol school zones when children are arriving and departing, write reports, conduct criminal investigations and process arrestees.

In 2011, officers conducted 2,273 business checks, 331 residential premise checks, and contacted 270 Burr Ridge residents to notify them that their garage doors were left open in the early morning hours. This preventative measure helps reduce crimes of opportunity, such as thefts and burglaries. Burr Ridge officers issued 402 overnight parking violations in 2011. These are two examples of proactive measures that officers ARE conducting in your neighborhoods.

When specific problems are brought to the attention of the Police Department, you may see a greater concentration of officers in your neighborhood. Examples are complaints of speeding autos, stop sign violations, etc.

Don't ever be afraid to dial 9-1-1 if you have any concerns that require attention. You can also call the police department at (630) 323-8181 to request to speak with an officer, Deputy Chief or Chief of Police.

451 Commerce Street  
Burr Ridge, IL 60527

Dear Paul,

The purpose of this letter is to announce my resignation from the Village of Burr Ridge Department of Public Works, effective June 20, 2012.

This was not an easy decision to make, on my part. Thank you for the support and the opportunities that you have provided me during the last year. I have enjoyed my position with the water and sewer division. I feel privileged to have been part of such a professional team and will miss all my colleagues.

I have accepted a full time position as Maintenance Worker I for the Village of Westchester Department of Public Works. This opportunity gives me the chance to grow professionally. While I have enjoyed very much working under your direction, I find now that I have an opportunity to further develop my career in areas that are more in line with my long-term goals.

I wish you and the department the best of success in the future.

If I can be of any assistance during this transition, please let me know. I would be glad to help however I can.

Sincerely,
