VILLAGE OF BURR RIDGE – AGENDA MAYOR & BOARD OF TRUSTEES VILLAGE HALL – BOARD ROOM

Monday, September 12, 2022 - 7:00 P.M.

1. CALL TO ORDER & PLEDGE OF ALLEGIANCE

2. ROLL CALL

3. PRESENTATIONS AND PUBLIC HEARINGS

4. CONSENT AGENDA

All items listed with an asterisk are considered routine by the Board and will be enacted by one motion. There will be no separate discussion of these items unless a Board member or citizen requests, in which event the item will be removed from the Consent Agenda, discussed, opened for public comment, and voted upon during this meeting.

5. MINUTES

- A. <u>* Approval of Regular Board Meeting of August 8, 2022</u>
- B. <u>* Receive and File Economic Development Committee Meeting of August 3, 2022</u>
- C. <u>* Receive and File Plan Commission Meeting of August 15, 2022</u>

6. ORDINANCES

- A. <u>* Approval of an Ordinance Granting an Amendment to PUD Ordinance # A-834-24-15 to Permit a Gas Station Development, a Special Use for an Automobile Gasoline Sale Station with Convenience Food Store, Packaged Liquor, and Tobacco Sales, a Special Use for Hours of Operation Exceeding 7:00AM to 10:00PM. Permitting 24-Hour Operation, and a Special Use for an Outside Sales Display Accessory to a Special Use (Z-10-2022: 9115 Kingery Highway Thornton's LLC)</u>
- B. <u>* Approval of an Ordinance Granting a Variation from Section XI.C.9.C.2 of the Zoning Ordinance to Permit an Average Foot Candle Light Level of 4.39 Exceeding the 1.0 Permitted and a Uniformity Ratio of 4.39 to 1 Exceeding the 4 to 1 Permitted (Z-10-2022: 9115 Kingery Highway Thornton's LLC)</u>

Public Comment Procedures: Public comments will be accepted in written or statement form prior to or during the meeting. Written public comments shall identify whether the comment is intended to address a specific agenda item or is intended for general public comment under Section 9 – Public Comment. Public comments may also be made during the meeting when discussing specific items on the agenda. Any person seeking to address the Board on topics not on the agenda may do so during Section 9 – Public Comment.

- C. * Approval of an Ordinance Granting Variations from Sections 55.06.A.1, 55.06.A.2, 55.06.A.4.A, and 55.06.A.4.B of the Sign Ordinance to Permit Ground and Wall Signs in Excess of 100 sq. ft. of Area Measuring 155 sq. ft., more than One Wall Sign per Street Frontage for a Total of Three, a Free-standing Gasoline Pricing Sign, and to Exceed the Maximum Sign Face Square Footage for a Gasoline Pricing Sign from 20 sq. ft. to 49.8 sq. ft. and 40 sq. ft. to 99.6 sq. ft. (Z-10-2022: 9115 Kingery Highway – Thornton's LLC)
- **D.** <u>* Approval of an Ordinance Granting a Conditional Sign Approval for a Sign with</u> <u>Six Colors Exceeding the Three Colors Permitted (Z-10-2022: 9115 Kingery</u> <u>Highway – Thornton's LLC)</u>
- E. <u>* Approval of an Ordinance Denying a Variation from the Burr Ridge Zoning</u> Ordinance to Permit a Detached Accessory Building within the Corner Side Yard Area and within the Corner Side Yard Setback from 30 ft. to 10 ft. (V-03-2022: 10S675 Glenn Drive – Rohan)
- F. <u>* Approval of an Ordinance Authorizing the Sale by Online Auction of Personal</u> <u>Property Owned by the Village of Burr Ridge (Public Works and Police Vehicles)</u>

7. **RESOLUTIONS**

- A. <u>* Approval of a Resolution Regarding the Need for Confidentiality of Closed</u> Session Minutes
- B. <u>* Approval of a Resolution Providing for a Lease Agreement Between the Village</u> of Burr Ridge and the Willowbrook/Burr Ridge Chamber of Commerce and Industry

8. CONSIDERATIONS

- A. Discussion of Migrant Stay in the Village
- **B.** <u>Consideration of Award of Contract for the Construction of a New Pathway on</u> <u>Garfield Avenue and the Replacement of an Existing Pathway on Kraml Drive to</u> <u>Triggi Construction of West Chicago in the Amount of \$441,275</u>
- C. <u>Presentation of FY2022 Audit, Police Pension Actuarial Valuation and Final Budget</u> <u>Report</u>
- D. Consideration of Q1 FY2023 Budget Adjustments
- E. <u>* Approval of an Intergovernmental Agreement Between the Pleasant Dale Park</u> District and the Village of Burr Ridge Regarding the Policing of Park District Property
- F. <u>* Approval to Direct Staff to Prepare an Ordinance Approving a Plan Commission</u> <u>Recommendation Approving a Special Use Amendment for Outdoor Dining at a</u> <u>Restaurant (Z-21-2022: 510 Village Center Drive – Cooper's Hawk)</u>

- **G.** <u>* Approval of a Proclamation Designating October 2022 as Arts DuPage Month in</u> <u>the Village of Burr Ridge</u>
- H. <u>* Approval of a Request for a Raffle License for the Illinois Spina Bifida Association</u> and Hosting Facility License for the Village Center for the Car Show on October 1, 2022
- I. <u>* Receive and File Resignation Letter of Police Officer Ashlee Gneich</u>
- J. <u>* Approval of Vendor List Dated August 22, 2022 in the Amount of \$640,585.88 for</u> all Funds, plus \$201,059.35 for Payroll for Period Ending August 6, 2022, for a Grand Total of \$841,645.23 Which Includes No Special Expenditures
- K. <u>* Approval of Vendor List Dated September 12, 2022 in the Amount of \$656,659.70</u> for all Funds, plus \$203,174.33 for Payroll for Period Ending August 20, 2022, for a Grand Total of \$859,834.03 Which Includes No Special Expenditures

9. PUBLIC COMMENTS

10. REPORTS AND COMMUNICATIONS FROM VILLAGE OFFICIALS

- 11. CLOSED SESSION
 - A. <u>Appointment, Employment, Compensation, Discipline, Performance, or Dismissal</u> of Specific Employees (5 ILCS 120/2(c)(1))

12. ADJOURNMENT

NEXT MEETING - SEPTEMBER 26, 2022 - 7:00PM

September 12, 2022 Board Meeting Summary

6A-D. Thornton's Gas Station (Special Uses, Variations, and Conditional Signs)

Please find Ordinances approving a PUD amendment, special uses, variation, sign variations, and conditional sign approval for a proposed gas station development, Thorntons. The Board directed staff to prepare the Ordinances at the August 8 meeting. Since the August 8th meeting, staff received a revised landscape plan showing increased evergreen trees (an additional 18 Junipers) as part of the buffer on the Spectrum property. The plans note that any diseased or dead tree shall be replaced. Staff also received Spectrum's approval of the revised landscape plan. In accordance with the Board's direction, an additional condition of approval was added to ensure lighting compliance and condition #3 was updated to prohibit merchandise displayed between pumps.

Plan Commission's Recommendation: That the four Ordinances be approved.

6E. <u>Detached Garage (Variation)</u>

Please find an Ordinance denying variation requests to construct a detached garage within the corner side yard area and within the corner side yard setback. The Board directed staff to prepare the Ordinance at the August 8 meeting.

Plan Commission's Recommendation: That the Ordinance be approved.

6F. <u>Disposal of Village Vehicles</u>

With the recent receipt of new replacement vehicles, six Village vehicles have been decommissioned. The Village customarily disposes of obsolete vehicles by trade-in or through on-line auctions to achieve the highest value. The attached ordinance provides the list of vehicles the Village proposes for surplus, and the terms of exchange with Enterprise Fleet.

Plan Commission's Recommendation: That the Ordinance be approved.

7A. <u>Closed Session Minutes</u>

According to State law, the Board is required to review its closed session minutes on a periodic basis and make determinations as to whether to release the minutes from its prescribed review period. The Board has provided direction to staff that no closed session minutes are to be released; the attached resolution confirms that the review has taken place and that no minutes are to be released.

<u>Staff's Recommendation:</u> The resolution be adopted.

7B. Chamber Space Lease

The Willowbrook/Burr Ridge Chamber of Commerce and Industry recently approached the Villages of Willowbrook and Burr Ridge regarding their need for permanent office space after their current rental agreement with an area business proved inadequate for their needs. The Village of Burr Ridge has identified office space for the Chamber in Village Hall near the Finance Department in an unused conference room, giving the Chamber the necessary space and privacy, they need to professionally manage the organization. The agreement includes no rent and general use of Village Hall. The Village is permitted priority use of any element of the building for any reason and can break the lease without financial penalty with written notice. The Chamber will not be permitted to erect any signs on public property signifying their presence in Village Hall. As the Chamber has only one employee, no congestion issues within the office areas of the building are expected.

Staff's Recommendation: The resolution be adopted.

8A. <u>Migrant Stay</u>

This item was requested by Mayor Grasso for discussion and potential Board direction regarding the matter of migrant housing in Burr Ridge.

8B. Award Contract for Garfield Avenue and Kraml Drive Sidewalks

As recommended by the Village Board during its FY2023 budget discussions, the Garfield Avenue sidewalk gap construction project is scheduled to proceed this year using unallocated funds from the Village's distribution of American Rescue Plan Act (ARPA) funding. Project design for this sidewalk improvement began in 2019, after receiving a \$100k grant from the Illinois Department of Commerce & Economic Opportunity; this grant remains available for this project, if constructed this fiscal year. This project is important in its ability to fill a sidewalk gap along Garfield Avenue, which is the only missing section of sidewalk along this roadway's entire 2.5-mile length between Burr Ridge and Hinsdale.

The engineering consultant retained by the Village in 2019 to design the Garfield Avenue sidewalk project, Christopher B. Burke Engineering, recently completed the sidewalk improvement plans and bid specifications. To obtain better prices through economies of scale, the Kraml Drive asphalt pathway replacement project was also designed and included for bidding with the Garfield Avenue project.

The bid package for the Garfield Avenue and Kraml Drive Sidewalk Improvement Project was advertised on August 15, 2022, for which seven bidders requested bid documents and four submitted bids, which were opened and read publicly on September 1, 2022 as follows:

Contractor	Total Bid Price
Triggi Construction, Inc., West Chicago, IL	\$ 441,275.00
Alliance Contractors, Inc., Woodstock, IL	\$ 445,848.00
Schroeder & Schroeder, Inc., Skokie, IL	\$ 480,507.50
Acura, Inc., Bensenville, IL	\$ 483,815.00
Engineer's Estimate	\$ 462,655.00

The lowest responsive and responsible bidder is Triggi Construction of West Chicago, whose bid is in the amount of \$441,275, being \$21,380 (4.6%) below the engineer's estimate. The FY2023 budget and unallocated ARPA funds are sufficient for the construction project as proposed. A summary of the bids and a recommendation to award to the low bidder is included in the attachment. Staff projects construction to commence within 30 days of bid award and complete for public use in the current construction season.

Staff will also have a general update regarding other ongoing or planned pathway projects at this time.

<u>Staff's Recommendation</u>: The contract be awarded to Triggi Construction of West Chicago in the amount of \$441,275.

8C. FY2022 Audit / Police Pension / Year-End Budget

Lauterbach & Amen has completed the Village's Fiscal Year 2022 financial audit. The Village received an unmodified opinion, the highest possible standard. The financial statements present fairly, in all material respects, the respective financial position of the governmental activities, the business-type activities, each major fund, the aggregate remaining fund information and respective changes in financial position and, where applicable, cash flow thereof, of the Village of Burr Ridge, as of April 30, 2022. A representative of Lauterbach & Amen will be at the meeting to present the audit and answer any questions.

Lauterbach & Amen has completed the Police Pension Actuarial Valuation for the fiscal year ending April 30, 2022 and will present the results at Monday's Board meeting. The Pension's overall valuation is currently at approximately 66%; the Village's valuation percentage has generally been between 60-70% over the past five years and is traditionally among the stronger-performing funds amongst its comparables.

Staff has prepared a FY2022 Year End Review providing budget to actual and ending fund balance information for all Village funds. In the General Fund, revenues totaled 107.3% of budget while expenditures totaled 95.6% of budget. This strong performance ensured that despite use of about \$1,250,000 in General Fund balance to retire the Village's outstanding debt, the General Fund balance remains funded well above the Village's goal of a 25% reserve level. In general, the Village's financial architecture remains strong, flexible, and well-capitalized.

Staff's Recommendation: Information only on all items.

8D. <u>Q1 FY2023 Budget Amendments</u>

Staff is presenting FY2023 budget amendments for the Board's review and consideration. Budget amendments may include changes to revenue sources currently reflected in the budget and/or revenues that are not currently reflected in the adopted budget, expenditures incurred that were not reflected in the adopted budget and/or expenditures incurred that significantly exceed the amount reflected in the adopted budget. Budget amendments currently proposed include reallocation of ARPA Funds within the General, Capital Improvements, Storm Water Management, Water and

Sewer Funds and increased expenditures related to additional work on the Chasemoor Lift Station which will be capitalized in 2023.

Staff's Recommendation: The amendments be approved.

8E. IGA – Pleasant Dale Park District Policing

This intergovernmental agreement between the Village and The Pleasant Dale Park District updates and renews our agreement for Police enforcement of Park District Rules and Regulations. Updates include change of contact information and includes Local Administrative Adjudication as a court of venue for offenses committed in violation of Park District Rules and Regulations.

Staff's Recommendation: The agreement be approved.

8F. Amended Outdoor Dining (Cooper's Hawk)

Please find attached a letter from the Plan Commission recommending approval of a special use and PUD amendment by Christopher Garcia of Coopers Hawk Winery & Restaurant. The petitioner requests to amend their prior approval for outdoor dining to include a permanent awning or roof structure over the patio. The Plan Commission held a public hearing on August 15, 2022. There were no public comments made at the hearing and none received. The Plan Commission voted unanimously to approve the request with conditions.

<u>Plan Commission's Recommendation:</u> The Board direct staff to prepare an Ordinance approving the special use and PUD amendment.

8G. <u>Proclamation – Arts DuPage Month</u>

Attached is the Proclamation designating October 2022 as Arts DuPage Month in the Village of Burr Ridge. Arts DuPage Month is a collective celebration of arts and culture in DuPage County, coordinated by Arts DuPage, a countywide arts council operating under the umbrella of the DuPage Foundation. This initiative draws attention to the arts and the vital role they play in residents' lives as well as the community writ large.

<u>Staff's Recommendation:</u> The Board approve the Proclamation.

8H. Raffle and Hosting Facility Licenses for Illinois Spina Bifida Association

Attached is an application from the Illinois Spina Bifida Association to conduct a raffle on October 1, 2022 as part of the Car Show, a letter requesting waiver of the fidelity bond requirement, and a letter from the Burr Ridge Village Greens requesting that they be issued a hosting facility license to allow them to hold this event at their location.

<u>Staff's Recommendation:</u> The Board approve the Licenses.

8I. <u>Resignation – Officer Ashlee Gneich</u>

Officer Ashlee Gneich has submitted her resignation letter to the Village, with her last day being August 10. A copy of the letter is attached.

<u>Staff's Recommendation</u>: The resignation letter be accepted and filed.

5A

<u>REGULAR MEETING</u> MAYOR AND BOARD OF TRUSTEES <u>VILLAGE OF BURR RIDGE</u>

August 8, 2022

<u>CALL TO ORDER</u> The Regular Meeting of the Mayor and Board of Trustees of August 8, 2022, was held in the Meeting Room of the Village Hall, 7660 County Line Road, Burr Ridge, Illinois and called to order at 7:00 p.m. by Mayor Pro-Tem Franzese.

<u>PLEDGE OF ALLEGIANCE</u> Mayor Pro-Tem Franzese asked Trustee Snyder to lead the Pledge of Allegiance.

ROLL CALL was taken by the Village Clerk and the results denoted the following present: Mayor Pro-Tem Franzese, Trustees Schiappa, Paveza, Snyder, and Smith. Mayor Grasso and Trustee Mital gave advance notice that they would be unable to attend the meeting. Also present were Village Administrator Evan Walter, Community Development Director Janine Farrell, Police Chief John Madden, Deputy Police Chief Marc Loftus, Public Works Director Dave Preissig, and Village Attorney Mike Durkin.

PRESENTATIONS AND PUBLIC HEARINGS

There were no presentations or public hearings.

Village Administrator Evan Walter stated that the McNaughton rezoning would not be on the agenda due to an availability issue, but it has been continued to a future date. He apologized for the inconvenience.

CONSENT AGENDA – OMNIBUS VOTE

Mayor Pro-Tem Franzese read the Consent Agenda and asked the Board and public if any agenda item needed to be removed from the Consent Agenda. There were no requests to remove any item.

<u>APPROVAL OF REGULAR BOARD MEETING MINUTES OF JULY 25, 2022</u> were approved for publication under the Consent Agenda by Omnibus Vote.

RECEIVE AND FILE PLAN COMMISSION MEETING MINUTES OF AUGUST 1, 2022 were noted as received and filed under the Consent Agenda by Omnibus Vote.

APPROVAL OF AN ORDINANCE GRANTING A SPECIAL USE FOR OUTDOOR DINING AT A PERMITTED RESTAURANT (Z-19-2022:595 VILLAGE CENTER DRIVE – VASTANIS/VOLK) the Deerd under the Concert Agenda by Orgibus Veta Agency data

<u>KASTANIS/YOLK</u> the Board, under the Consent Agenda by Omnibus Vote, Approved the Ordinance.

ADOPTION OF A RESOLUTION APPROVING THE RELEASE OF A STORM SEWER EASEMENT CREATED BY THE PLAT OF SUBDIVISION FOR DEVON WOODS (ONE SHENANDOAH COURT) the Board, under the Consent Agenda by Omnibus Vote, Approved the Resolution.

APPROVAL OF A PROCLAMATION DESIGNATING SEPTEMBER 2022 AS SUICIDE PREVENTION AWARENESS MONTH IN THE VILLAGE OF BURR RIDGE the Board, under the Consent Agenda by Omnibus Vote, Approved the Proclamation.

<u>APPROVAL OF AN ADJUSTMENT TO THE FEE STRUCTURE FOR THE VILLAGE</u> <u>ATTORNEY</u> the Board, under the Consent Agenda by Omnibus Vote, Approved the Adjustment.

APPROVAL TO APPOINT EVAN WALTER AS THE PRINCIPAL AUTHORITY AND AUTHORIZED SIGNER OF THE VILLAGE'S ILLINOIS FUNDS ACCOUNTS the Board, under the Consent Agenda by Omnibus Vote, Approved the Appointment.

APPROVAL OF TEMPORARY SIGN PLACEMENTS REQUESTED BY THE BURR RIDGE PARK DISTRICT FOUNDATION FOR THE PEDAL FOR THE PARKS EVENT ON SUNDAY, SEPTEMBER 11, 2022 the Board, under the Consent Agenda by Omnibus Vote, Approved the Temporary Sign Placements.

RECEIVE AND FILE LETTER OF RESIGNATION FROM COMMUNITY SERVICE OFFICER JEFF DEZUR the Board, under the Consent Agenda by Omnibus Vote, Approved the Receipt of the Resignation Letter.

APPROVAL OF VENDOR LIST DATED AUGUST 8, 2022 IN THE AMOUNT OF \$376,411.58 FOR ALL FUNDS, PLUS \$210,672.43 FOR PAYROLL FOR THE PERIOD ENDING JULY 23, 2022, FOR A GRAND TOTAL OF \$587,084.01, WHICH INCLUDES ONE SPECIAL EXPENDITURE OF \$56,292.00 TO CDS OFFICE TECHNOLOGIES FOR COMPUTERS AND PRINTERS FOR THE POLICE DEPARTMENT the Board, under the Consent Agenda by Omnibus Vote, Approved the Vendor List Dated August 8, 2022, and Payroll for the Period Ending July 23, 2022.

After reading the Consent Agenda, Mayor Pro-Tem Franzese asked for a motion to approve.

<u>Motion</u> was made by Trustee Snyder seconded by Trustee Schiappa, to approve the Consent Agenda – Omnibus Vote (attached as Exhibit A), and the recommendations indicated for each respective item be hereby approved.

Mayor Pro-Tem Franzese asked for any discussion from the Board and/or public. There were none.

On Roll Call, Vote Was:AYES:5 - Trustees Snyder, Schiappa, Paveza, Smith, FranzeseNAYS:0 - NoneABSENT:1 - Trustee MitalThere being five affirmative votes the motion carried.

CONSIDERATION OF A PLAN COMMISSION RECOMMENDATION TO APPROVE A MAJOR CHANGE AND AMENDMENT TO THE COTTAGES AT DREW PUD (ORDINANCE #A-834-16-18) (Z-15-2022: 7950 DREW AVENUE (PERINO/JARPER PROPERTIES LLC)

Community Development Director Janine Farrell gave an overview of the recommendation, stating that the letter from the Plan Commission recommended approval of a special use and PUD amendment for Anthony Perino of Jarper Properties LLC regarding the Cottages of Drew PUD Ordinance #A-834-16-18 in accordance with Section XIII of the Zoning Ordinance. The petitioner also requested approval of final engineering and landscaping plans as well as building elevations in accordance with the 2018 ordinance. After the request was remanded to the Plan Commission from the May 23, 2022 Board Meeting, the Plan Commission held a public hearing on June 6, 2022 for the request. No members of the public spoke at the public hearing. The Plan Commission reaffirmed the previous recommendation of approval with the same seven conditions. After the June 6 meeting, the petitioner submitted an additional email regarding stormwater. They are requesting approval for a final plan which includes approval to build up to six homes with three car garages.

Ms. Farrell stated that the petitioners (Bill Zalewski, Advantage Consulting Engineers; Nick Patera, Teska Associates; and Bob Minetz, Latimer LeVay Fyock LLC) were present to answer questions.

Mayor Pro-Tem Franzese asked the Board for any comments or questions.

Trustees Smith, Snyder and Paveza had concerns that this project had been going on since 2018 and asked that, with this request for larger and more dense homes, if this development would ever take off. The petitioners stated that they would like to begin groundwork this year and that they were anxious to get a permit, as this has been a financial burden for them, and they wanted to get this project started soon. They mentioned that there were significant water issues to deal with, which they had, and felt that the three-car garage option was an important part of the proposed development. Village Administrator Evan Walter said that the delay was due to the initial request for two car garages in all the homes in 2018.

Trustee Schiappa asked about the buyer demographic for the garage request, and if the purpose of the homes were for people who were winding down. If so, why would they need three car garages? The developers stated that they just wanted to give buyers the option. Pre-sales have not yet opened so the developers did not know if there was any actual interest in the three-car garage option.

Mayor Pro-Tem Franzese had several concerns related to the development, including that the monument sign proposed did not meet Village standards, anti-monopoly, and that he did not want the homes in the development to look "cookie cutter". The developer said that some of the floor plans were flipped and that the floor plans were not all the same in all residences. He also had some concerns with the material and color changes in the homes, and recommended natural stone as opposed to cultured stone. He added that the preference was also that the stone/cultured stone was on all four sides of each home. The developer could not confirm that and was going to check on it.

Mayor Pro-Tem Franzese asked the developer to confirm that, with the garages attached to the homes, that the space above the garages would not be developed. The developer said that once the buyers purchase the homes, the developer would not be able to track if the owners chose to develop the space. Mayor Pro-Tem Franzese also added a request that no deciduous trees be planted around the perimeter and that all should be conifers which would be green year-round. He thanked the developers for attending the meeting and for their patience with the process.

Mayor Pro-Tem Franzese asked the public for any comments or questions.

Mark Thoma, a Burr Ridge resident said that he had attended all the meetings related to this development and said he was opposed to the three-car garage as he felt that ³/₄ of the front of the homes would be garage. He also said that with a larger garage, that the driveways would also be larger. He felt that would be a detriment as far as what Burr Ridge was all about. He mentioned the Plan Commission meeting, and that there was a comment that the homes would not be visible from the road, but he said that the homes are all on a high point of the property and felt they would be visible. He also expressed concern about the stormwater and retention pond. The developer stated that the stormwater issues were reviewed, and the developers exceeded the standards recommended by the engineers.

Village Administrator Evan Walter clarified an amended motion to allow for up to six, three car garages, with the concerns about anti-monopoly, stone, the monument sign, and landscaping be addressed. He said that signs be revised to meet code, proper screening is needed on the property lines, and that the natural stone/<u>composite</u> should be affixed to all four sides of each home. Mayor Pro-Tem Franzese said that if the homes were not clustered, he would approve it, but they are not, so he could not approve.

Mayor Pro-Tem Franzese asked for any additional discussion from the Board and/or public. There were none.

Motion was made by Trustee Snyder, seconded by Trustee Paveza, to approve the Consideration.

On Roll Call, Vote Was: AYES: 2 - Trustees Snyder, Paveza

NAYS : 3 - Trustees Franzese, Schiappa, Smith ABSENT: 1 - Trustee Mital There being three negative votes the motion failed.

<u>CONSIDERATION OF A PLAN COMMISSION RECOMMENDATION TO APPROVE</u> <u>SPECIAL USES, A PUD AMENDMENT, AND VARIATIONS TO PERMIT A GAS</u> <u>STATION IN THE B-2 BUSINESS DISTRICT (Z-10-2022:9115 KINGERY HIGHWAY –</u> <u>THORTON'S LLC)</u>

Community Development Director Janine Farrell reviewed a letter from the Plan Commission recommending approval of requests related to a proposed Thorntons gas station located at 9115 Kingery Highway. The petitioner, Thorntons, is proposing a gas station with convenience store, liquor sales, 24-hour operation, and variations associated with signage and lighting. The Plan Commission held public hearings on an initial non-24-hour petition on May 2 as well as an amended 24-hour petition on June 20 and August 1, 2022. There were several public comments made at the hearings objecting to the amended proposal. Neighboring Spectrum Senior Living originally objected to a 24-hour operation but withdrew the objection after agreeing to a landscape plan with Thorntons to provide screening. The Commission voted 4 to 3 to recommend approval of the amended petition with several conditions.

While the Thornton's would generally be open for sales on a 24-hour basis if approved (gas, food, etc.), they would most likely be governed by a Class F liquor license regarding their liquor sales, which would limit their permitted liquor sales to packaged goods between 6a-10pm Mon-Thu; 6a-11p Fri-Sat; and 7a-10p on Sun. The only other gas station in the Village (Shell) is governed similarly but their sales are limited to beer and wine only under a Class G license; a Class F license would permit the sale of hard liquor in addition to beer and wine. Shell is the only Class G license holder while Brookhaven is the only Class F license holder currently. The Board would need to create a liquor license for Thornton's and approve it separately from any zoning approvals.

Plan Commissioner Stratis was present at the meeting to answer any questions.

Mayor Pro-Tem Franzese asked the Board for any comments or questions.

Trustee Schiappa asked about the 4-3 vote of the Plan Commission, which related to the 24-hour operation. Plan Commissioner Stratus said that the Commission was unanimous on all other items relating to this proposal. Trustees Paveza and Smith mentioned that there are two 24-hour gas stations close to where this station would be built. Ms. Farrell said that there was concern from the Spectrum senior living facility, but that the complaint was recently withdrawn.

The petitioner in attendance, Phil Bolduc, said he would answer any questions and that there was no local representation from Spectrum, only Colorado Spectrum. He reviewed the plan noting that they

will be planting barrier trees on the Spectrum property to act as a barrier and as such, the complaint from Spectrum was withdrawn.

Trustee Schiappa said he did not like the idea of the station selling liquor, but Village Administrator Evan Walter pointed out that the gas station has not petitioned for liquor sales, so they are limited to beer and wine.

Mayor Pro-Tem Franzese attended the Plan Commission meeting, and he thanked the petitioner for answering any questions. He asked if it was always the intent to have the station open 24 hours. The petitioner confirmed that was the case and said the only thing that changed was the planting the trees and landscaping to meet any concerns. Mayor Pro-Tem Franzese asked for some clarification on the sign as it relates to Village standards, and the types of gasoline which would be sold. He asked that the E15 gasoline be removed from the sign given that is a small portion of sales. Mayor Pro-Tem Franzese added that no merchandise should be located between the pumps, and the petitioner agreed to that. Mayor Pro-Tem Franzese then asked about the landscape plan and while the petitioner agreed to increase landscaping, there was still some concern on this, and he would like to see a much more robust and dense landscaping for Spectrum. The petitioner said that they were more than willing to compose a different mix of trees/plants (with a 3–5-year growth plan) for immediate impact.

Mayor Pro-Tem Franzese asked the public for any comments or questions.

JoAnn Kyrpell, a Burr Ridge resident who lives south of this property said she attended the Plan Commission meeting and that there were objections. After the meeting, a petition drive was done which was submitted to the Board. She asked the Board to oppose the gas station as she felt it would create noise, lights, and other nuisances in an otherwise residential area. Trustee Franzese addressed the concern about any potential lighting that might spill over outside the gas station property, stating that it was not allowed in the Village.

Ms. Kyrpell also expressed concern about the trees on the landscaping near Spectrum and she said the type of trees were not indicated. The petitioner said that they will provide specific plantings and they are open to satisfying the request of both Spectrum and Burr Ridge. She also asked about the security and overnight staffing, noting the increase in car jackings near highways. The petitioner said that there would 2-3 employees on-site overnight and that carjacking metrics were not tracked at their stores. Ms. Kyrpell also said that many of the Spectrum residents were not aware of the proposed gas station, so they did not attend the Plan Commission.

Rick Wagner, a Burr Ridge resident, said that he shared the concerns of his neighbors and mentioned his concern about the southbound traffic turning into Thorntons as well as the pedestrian traffic from the local apartment complex.

Marlene Kuypers, a resident of the Spectrum Senior Living facility spoke. She said she was not aware of any posting and that she had a petition signed by 46 of the 50 residents of her building noting the

same. She was opposed to the gas station because she felt there is already problems with the McDonalds with traffic on the circular drive. She also said that Spectrum is not doing a good job of maintaining the existing landscaping so that was a concern.

Trustee Snyder asked if there was any study done when Spectrum was developed, and Village Administrator Evan Walter said the property was initially planned for a CVS or maybe a small strip mall. He added that those uses were probably more intense than the McDonalds and Thorntons options, with significantly less traffic.

Mayor Pro-Tem Franzese reviewed fuel deliveries and the petitioner reviewed parking restrictions and the delivery route.

Nathan Rep, a Burr Ridge resident, said that he was concerned about traffic congestion and vehicles that currently park on the circular drive. He also said that residents just south of this proposed Thornton's then see headlights coming in and out of entryway. Mayor Pro-Tem Franzese said that parking restrictions would be enforced if this became an issue, and that the Board would need to be made aware and then action could then be taken.

Village Administrator Evan Walter asked for a motion direct staff to create an Ordinance to approve the Thornton's gas station with modifications on landscaping, lighting, and the absence of merchandise between pumps. Village Attorney Mike Durkin added that there is no liquor license available right now, and the Board could entertain that under a separate topic.

Mayor Pro-Tem Franzese asked for any additional comments from the Board or the public. There were none.

Motion was made by Trustee Smith, seconded by Trustee Snyder, to approve the Consideration.

On Roll Call, Vote Was:AYES:5 - Trustees Smith, Snyder, Schiappa, Paveza, FranzeseNAYS:0 - NoneABSENT:1 - Trustee MitalThere being five affirmative votes the motion carried.

CONSIDERATION OF A PLAN COMMISSION RECOMMENDATION TO DENY A VARIATION FOR A DETACHED ACCESSORY BUILDING IN THE CORNER SIDE YARD OF A RESIDENTIAL PROPERTY (V-03-2022: 108675 GLENN DRIVE – ROHAN)

Community Development Director Janine Farrell reviewed a letter from the Plan Commission recommending denial of two variation requests by Michael Rohan, owner of 10S675 Glenn Drive. The petitioner requests construction of a detached garage in the corner side yard and within the required 30-foot setback, only 10 ft. from the southern (94th Street) property line. The petitioner

stated that the purpose of the request is to construct a detached garage on the property in the corner side yard area. Zoning Ordinance regulations permit detached accessory buildings in the rear yard only. The Plan Commission held public hearings on June 20 and July 18, 2022; there were no public comments made at the hearing and one comment was included in the staff report packet.

The petitioners, Trudy and Michael Rohan, residents of Burr Ridge, addressed the Board. Ms. Rohan said they were requesting a variance due to the walker she needs and with the zoning, it would make it harder for her to get to the garage, especially in inclement weather. She said that they have a handicapped vehicle, but it takes up their entire garage. They also mentioned that alternatives would impact the view from their deck, which they wanted to minimize.

Mayor Pro-Tem Paveza asked what the reason was the Plan Commission unanimously denied this request. Commissioner Stratis said that they could not come up with the required hardship to pass this request. They looked at setback requirements and looked at all the elements, discussed American disability act, but as a group they could not find anything unique with this property to pass it.

Village Attorney Jim Durkin said that an accommodation is required if one is necessary, but the Plan Commission reviewed the property, the area where the garage would be constructed, and the slope, and there is still enough space to construct a garage close to their deck. There is no reason why the garage could be built in that area and that there was no need established.

Village Administrator Evan Walter said that the Village staff reviewed the contours of the land and did not feel it was an issue due to the topography. Mayor Pro-Tem Franzese and Mr. Walter said that the Village staff would be happy to work with the petitioners on a plan that fulfilled their needs, with minimal impact to property, which met Village guidelines.

Mayor Pro-Tem Franzese asked for a motion to agree with the Plan Commission decision to deny the variation.

Motion was made by Trustee Snyder, seconded by Trustee Smith, to deny the variation request.

Mayor Pro-Tem Franzese asked for any discussion from the Board and/or public. There was none.

On Roll Call, Vote Was:

AYES: 5 - Trustees Snyder, Smith, Schiappa, Paveza, Franzese

NAYS : 0 - None

ABSENT: 1 - Trustee Mital

There being five affirmative votes the motion carried.

PUBLIC COMMENT

Mayor Pro-Tem Franzese asked for any public comment. There was none.

REPORTS AND COMMUNICATIONS

Village Administrator Evan Walter commended Village staff member Jim Miedema who went above and beyond in his work, mentioning that he handled numerous calls from residents and managed communications during a strike. Mayor Pro-Tem Franzese concurred.

Trustee Snyder asked that gaming and gambling be added to a future Board agenda. Trustee Smith agreed and added that if there is gaming in the Village that it should be with a "purpose", with a portion of proceeds going to charitable organizations in the Village, the Veterans Memorial, or a cause that residents were passionate about.

RECESS TO CLOSED SESSION BOARD MEETING

Mayor Pro-Tem Franzese asked for a motion to convene to a Closed Session Board Meeting at 9:13 pm.

Motion was made by Trustee Paveza, seconded by Trustee Schiappa, to recess to a Closed Session Board Meeting.

On Roll Call, Vote Was: AYES: 5 - Trustees Paveza, Schiappa, Franzese, Snyder, Smith NAYS: 0 - None ABSENT: 1 - Trustee Mital There being five affirmative votes the motion carried.

RECONVENE REGULAR BOARD MEETING

Roll call was taken by the Village Clerk and the results denoted the following present: Mayor Pro-Tem Franzese, Trustees Schiappa, Paveza, Snyder, and Smith. Also present were Village Administrator Evan Walter and Village Attorney Mike Durkin.

Mayor Pro-Tem Franzese called the Regular Board Meeting to order at 9:31 pm.

<u>CONSIDERATION OF AN EMPLOYMENT CONTRACT BETWEEN THE VILLAGE AND</u> <u>TEAMSTERS LOCAL #700 (PATROL OFFICERS)</u>

Mayor Pro-Tem Franzese asked for a motion to approve the consideration.

Motion was made by Trustee Schiappa, seconded by Trustee Snyder, to approve the Consideration.

Mayor Pro-Tem Franzese asked for any discussion from the Board and/or public. There was none.

On Roll Call, Vote Was: AYES: 5 - Trustees Schiappa, Snyder, Smith, Paveza, Franzese NAYS: 0 - None ABSENT: 1 - Trustee Mital There being five affirmative votes the motion carried

ADJOURNMENT

Mayor Pro-Tem Franzese asked for a motion at 9:45 pm to Adjourn the meeting.

Motion was made by Trustee Paveza, seconded by Trustee Schiappa Adjourn. The Board unanimously approved.

PLEASE NOTE: Where there is no summary or discussion on any items in the minutes, this reflects that no discussion occurred other than the introduction of the item.

Susan Schaus Village Clerk Burr Ridge, Illinois

APPROVED BY the President and Board of Trustees this _____ day of _____, 2022.

UNOFFICIAL MINUTES ECONOMIC DEVELOPMENT COMMITTEE MEETING August 3, 2022

CALL TO ORDER:	Chairman Tony Schiappa attempted to call the meeting to order at 6:10 p.m. The meeting was held in person and on Zoom at the Village Hall. With No Quorum, the meeting could not be called to order.
ROLL CALL:	Present: Chairman Tony Schiappa, Trustee Russell Smith, and Michael Simmons. Mark Stangle, and Debbie Hamilton. participated digitally by Zoom. Also present was Economic Development Coordinator Andrez Beltran.
	Absent: Paul Stettin, Bhagwan Sharma, Ramzi Hassan, Sam Odeh, Kirsten Jepsen, and Luka Kaplarevic
MINUTES:	With No Quorum, minutes could not be approved.

Chairman Tony Schiappa decided to hold an unofficial meeting to discuss the agenda, noting that no decision could be made or anything voted upon.

CNH INDUSTRIAL PROPERTY SALE

Mr. Beltran stated on June 16th, the Village was made aware that CNH Industrial was relocating and selling the110-acre property. There had been no plans put forth to the Village, but that staff had a good relationship and would continue to work with them. Chairman Schiappa thanked him and noted that it was a big opportunity for the Village.

DUPAGE COUNTY HOTEL RELIEF GRANT

Mr. Beltran stated that DuPage County recently created a Hotel Relief Program with \$2 million in federal ARPA funds for eligible DuPage County hotels. Each hotel would receive a one-time payment based on total number of hotel rooms, at <u>\$112 per room</u>. Last week, staff informed the four hotels located within DuPage County by email and plans to do further in-person and telephone outreach in the coming weeks.

Chairman Schiappa asked Mr. Stangle if Hampton had applied. Mr. Stangle said they had, and it was a simple and easy process. They were working with other hotels to make sure they knew about it and are able to take advantage of the program.

TOWNHOME DEVELOPMENT AT 901 MCCLINTOCK DRIVE

Mr. Beltran stated on June 20, 2022, the Plan Commission heard a proposal from Cornersite, LLC to create a Planned Unit Development (PUD) at 901 McClintock Drive to construct a 30-unit townhome development called the Village Center Townhomes. The Plan Commission provided feedback and the proposal will be heard again on August 15, 2022. Information on the proposal can be found on the Planning Commission Agenda and Minutes page on the Burr Ridge website in the June 20th Packet, and the minutes from the meeting are also available. He noted that the Economic Development Committee generally did not discuss residential developments; however, as the development was in the Business District, he wanted to bring it to the Committees attention.

Economic Development Committee Unofficial Minutes – August 3, 2022

Chairman Schiappa noted that there were members of the audience that wished to speak on the topic. He invited them to speak. Members of the public at the meeting to express concerns over the density of the project, the stormwater runoff and whether a townhome development was the best use in an area currently zoned for offices and hotels. Chairman Schiappa thanked them for their input.

Chairman Schiappa stated that looking from it from an economic standpoint, townhomes would not be the best use of a vacant parcel in the Business District. The Committee overall agreed, noting how it would not bring increased sales or hotel taxes, which was a key objective of the Downtown Business District. As there was no quorum, the Committee could not vote or come to a consensus on the item, and so moved on after there was no more discussion.

NEW BUSINESS IDEAS/ ACTION ITEMS

Mr. Beltran stated that during the June 8th meeting, Mr. Hassan stated that he would like to see the EDC participate in more ribbon cutting events as well as having new business spotlights and other types of business events and Mr. Stangle brought up the idea of a trolley shuttle for the downtown for the hotels to help visitors get around. Due to the time constraints, neither idea was able to be discussed fully. It is provided here if the Committee wish to continue the discussion.

Chairman Schiappa agreed he would like to see the Village and Committee be present at more ribbon cuttings. He asked Mr. Beltran about why the Village did not seem to know about more with giving a business license. Mr. Beltran stated that not all businesses have a ribbon cutting nor do they inform him if they do. Mr. Simmons stated that as an officer of the Willowbrook-Burr Ridge Chamber of Commerce he would help notify the Village when they are having ribbon cuttings. Ms. Hamilton agreed to assist as well. Chairman Schiappa thank them both.

Chairman Schiappa asked Mr. Stangle about the trolley. Mr. Stangle said he knew it has been effective in other downtowns and it could be a good use of Business District funds. Trustee Smith expressed concerns regarding the purpose and cost of operating a trolly. Ms. Hamilton stated that Elmhurst runs a trolley and that she believes it is a contract with a company. She offered to send the information to Mr. Beltran. The Committee agreed that it would be good to investigate. Mr. Beltran stated he would do so and research if Business District funds were eligible to be used for a trolley. Chairman Schiappa thanked him.

Trustee Smith asked Mr. Beltran to see if there was some way the Village Board and Economic Development Committee could do a walkthrough of the TCF building. He stated that it would be helpful to get an understanding of the potential reuse of the property. Chairman Schiappa agreed and noted Village Administrator Evan Walter communicated with the selling agent on the property regularly. Mr. Beltran stated he would work with Mr. Walter to see if a walkthrough could be arranged.

BUSINESS LICENSE LIST AND UPDATES

Mr. Beltran stated that he had included in the packet the current Business License list for the Village as well as outstanding business license payments. He noted that the payment notifications went out by email, and these were businesses that did not respond to multiple reminders. He continued stating that in the coming weeks he was looking at sending letters to the businesses in case the email was not reaching its destination. He finished that if the Committee knew any of the

Economic Development Committee Unofficial Minutes – August 3, 2022

businesses that were no longer operating to please let him know so he could check, or if they had a good relationship with one to let them know to reach out to him.

PUBLIC COMMENT

There were no further public comments.

ADJOURNMENT

As the meeting was never called to order, there was no adjournment.

Respectfully submitted:

Cluby Better

Andrez Beltran Economic Development Coordinator

VILLAGE OF BURR RIDGE PLAN COMMISSION/ZONING BOARD OF APPEALS MINUTES FOR REGULAR MEETING OF AUGUST 15, 2022

I. ROLL CALL

The meeting of the Plan Commission/Zoning Board of Appeals was called to order at 7:00 p.m. at the Burr Ridge Village Hall Board Room, 7660 County Line Road, Burr Ridge, Illinois by Chairman Trzupek.

ROLL CALL was noted as follows:

PRESENT:6 – McCollian, Petrich, Broline, Stratis, Morton, and Trzupek**ABSENT:**2 – Irwin and Parrella

Community Development Director Janine Farrell was also present.

II. APPROVAL OF PRIOR MEETING MINUTES – AUGUST 1, 2022

Commissioner Broline requested that on page 9, his comment be clarified that he supported allowing plows during snow season.

A **MOTION** was made by Commissioner Petrich and **SECONDED** by Commissioner Stratis to approve the amended minutes of the August 1, 2022 Plan Commission meeting.

ROLL CALL VOTE was as follows:

AYES:6 – Petrich, Stratis, McCollian, Broline, Morton, and TrzupekNAYS:0 – None

MOTION CARRIED by a vote of 6-0.

III. PUBLIC HEARINGS

Chairman Trzupek noted that the first case on the agenda, Z-17-2022, was withdrawn by the petitioner.

Chairman Trzupek conducted the swearing in of all those wishing to speak during the public hearings on the agenda for the meeting.

A. Z-21-2022: 510 Village Center Dr. (Garcia/Coopers Hawk Winery & Restaurant); Special Use, PUD Amendment, and Findings of Fact

Chairman Trzupek asked for a summary of the petition. Director Farrell stated that Coopers Hawk is seeking to amend their current special use in order to have a new roof extend over the patio.

The prior 2012 approval only approved umbrellas over the tables, not a roof structure. A new patio railing will also be installed. The staff recommended conditions are the same as the 2012 approval with some new conditions relevant to this proposal.

Chairman Trzupek asked if the petitioner was present and wished to speak. Chris Garcia, design manager with Coopers Hawk, stated that the awning is a roof structure with steel posts, ceiling fans, drop down shades, and heaters. Chairman Trzupek asked about drainage and noted the thinness of the roof to contain the shades, heaters, and fans. Mr. Garcia stated that this is a DaVinci system with drainage running down the posts behind public area and the shades are on tracks.

Chairman Trzupek asked for public comments. There were none.

Chairman Trzupek asked for Commissioner discussion.

Commissioners McCollian, Broline, and Stratis did not have comments or questions.

Commissioner Petrich confirmed with Mr. Garcia that the shades extend to the top of the rails and the gates are for exit only.

Commissioner Morton clarified with Mr. Garcia that the enlarged detail of the plans did not mean an expansion of the patio, that the shades are motorized, and the top of the roof is metal.

Chairman Trzupek stated that the roof is very thin in the illustrations and recommended that condition #2 be updated so that the roof also complies with the illustrations shown and that staff confirms the architectural details.

Commissioner Petrich confirmed with Mr. Garcia that the roof is permanent and will stay up all year. Director Farrell confirmed that a building permit will be required to ensure code compliance.

A **MOTION** was made by Commissioner Petrich and **SECONDED** by Commissioner McCollian to close the public hearing for Z-21-2022.

ROLL CALL VOTE was as follows:

AYES: 6 – Petrich, McCollian, Stratis, Broline, Morton, and Trzupek NAYS: 0 – None

MOTION CARRIED by a vote of 6-0.

A **MOTION** was made by Commissioner Petrich and **SECONDED** by Commissioner McCollian to recommend approval of Z-21-2022, an amendment to PUD Ordinance #A-834-10-05 and special use Ordinances #A-834-10-16 and #A-834-04-12, and a special use for outdoor dining pursuant to Zoning Ordinance section VIII.C.2 to install a new awning over an existing patio, with Findings of Fact and subject to eight conditions:

1. The special use shall be limited to Coopers Hawk Winery & Restaurant and shall not be transferable to any other party.

- 2. The special use shall substantially comply with the submitted site plan and illustrations. Staff shall confirm the architectural details of the roof structure.
- 3. Music and all other amplified sound originating from the restaurant should be kept to a level so as not to be audible from residential units.
- 4. Tables shall be cleaned promptly following use.
- 5. Furniture and umbrellas (if present) shall be weighted to prevent their movement in the wind. There shall be no text or logos on the umbrellas (if present).
- 6. Outdoor food preparation, storage, or display is prohibited.
- 7. All umbrellas, furniture, and other appurtenances shall be sorted off-site during the winter season when the patio is not being used for outdoor dining.
- 8. The special use shall comply with the previously approved landscaping plan from the 2012 approval, Ordinance #A-834-04-12.

ROLL CALL VOTE was as follows:

- **AYES:** 6 Petrich, McCollian, Stratis, Broline, Morton, and Trzupek
- **NAYS:** 0 None

MOTION CARRIED by a vote of 6-0.

B. Z-22-2022: 7600-7630 County Line Rd. (MedProperties LLC); Variation, Special Use Amendment, and Findings of Fact

Chairman Trzupek introduced the case and asked for a summary. Director Farrell stated that the petitioner is MedProperties LLC with Shirley Ryan Ability Lab as tenant. The petitioner is looking to amend their existing approvals in order to reconfigure the parking lot and is requesting a variation to permit parking in the front yard. Parking in the front yard is only allowed in the Business districts. A summary of the changes includes elimination of landscape islands on the west and reconfiguring parking spaces, parking spaces added to the north and within the front yard, some ADA spaces eliminated but added in other areas, the drop-off outpatient area to the south reconfigured so there is more parking and 113 spaces proposed. The landscape plan is unchanged except for removal and planting of trees from the landscape islands and additional landscaping added near the front yard spaces. The following documents were received after the packets were distributed: an updated landscape plan showing relocation of parking lot lights, two objection letters, and a memo from Village Engineer David Preissig regarding stormwater.

Chairman Trzupek asked if the petitioners were present and wished to speak. Caitlyn Culbertson, Elrod Friedman LLP, provided an overview of the request. Ms. Culbertson stated that there are no changes to the use or the building itself. Shirley Ryan Ability Lab is a premier rehabilitation facility providing expert care. The proposed additional parking will alleviate parking congestion. The van transportation program was eliminated due to the pandemic and now patients are being transported individually which results in an increased need for parking. There is no change to hours of operation or intensity of use. The property is unique with two entrances, south for outpatient and north for day rehab. The shape and size of the parcel limit the parking. Trees being

removed will be replaced one to one and landscaping added on perimeter lot lines. Trudy Buehler, Mackie Consultants, further explained the changes proposed. The drop off area was reduced due to the van program elimination. An ADA ramp is added to the northwest to alleviate the congestion for dropping individuals in wheelchairs. A preliminary review of stormwater shows that modifications of outlet structures will raise the detention water level and can accommodate the increase in impervious. It will be verified through final engineering. Chairman Trzupek confirmed that water retained in the pond will increase. Ms. Buehler stated that they will need to confirm the extra water retained will not impact drainage downstream since there is extra water to release.

Chairman Trzupek asked for public comments.

Andy Paulius, 7523 Drew, asked if the van program was permanently eliminated. Ms. Culbertson confirmed. Mr. Paulius believes the van program will come back since COVID restrictions have lessened. Ms. Culbertson stated that there is no plan to bring it back. Mr. Paulius said that the site is not suitable for a medical facility. Mr. Paulius stated that the fence is in a ditch and does not block anything and garbage pick-up on weekends is early in the morning and disruptive. Mr. Paulius stated that it is hard to take Shirley Ryan Ability Lab by their word and recommended they move where there is more space.

Mark Thoma, 7515 Drew, stated that if the level of the detention pond is raised, the water will back up to the neighboring properties due to an old drain tile. Mr. Thoma discussed the path of drainage for the tile and that there are issues with water flowing through the tile currently. Mr. Thoma did not support the added parking due to more traffic, more headlights coming through the fence, and more noise. Mr. Thoma stated that parking in the front yard is out of character for the community. Mr. Thoma stated there was an increase in drainage on his property but is concerned that this will be step backwards.

Chairman Trzupek noted that there were positive effects of drainage but that it cannot go backwards.

Alice Krampits, 7515 Drew, would like to see the van program brought back, was concerned about the safety of cars turning in off Frontage Rd. at the north entrance with the parking in the front yard, and did not support parking in the front yard. Ms. Krampits confirmed with Chairman Trzupek that the dumpster location is not moving. Ms. Krampits would like to see the removed trees replanted, alternative plans like leasing parking spaces, and more green space. Ms. Krampits questioned how much more growth will occur for the Shirley Ryan Ability Lab and where people will park during construction.

Carol Novak, 7508 Drew, confirmed the variation for the five spaces in the front yard with Chairman Trzupek and believes it will change the aesthetics of the area.

There were no additional public comments. Chairman Trzupek asked for Commissioner discussion.

Commissioner Morton asked if the number of patients being seen would increase with the changes proposed. Ms. Culbertson responded it will not and meets the existing needs of the use. Commissioner Morton was concerned about the headlights and questioned the hours of operation. Jack Sullivan, a representative for MedProperties, stated that the clinic is open 6:30 a.m. to 6:30 p.m. for employees. Commissioner Morton would like to see a condition about raising the fence to address the issue of headlights sweeping across people's homes on Drew Ave. Commissioner Morton asked about other light sources escaping the property. Ms. Culbertson stated that they will comply with Ordinance requirements and are sensitive to light concerns. Mr. Paulius stated that it is the building's interior lights which are of concern. Chairman Trzupek stated that the interior lights along the western property line are shielded. Ms. Culbertson confirmed the parking lot lights along the western property line are shielded. Ms. Culbertson confirmed that they will look at the interior light issue. Commissioner Morton regretted the elimination of the van program.

Commissioner Stratis agreed comments made by Commissioner Morton and Mr. Thoma. Commissioner Stratis did not support five parking spaces in the front yard since Ordinance requirements would be met without them but supported the spaces if that meant alleviating parking congestion. Commissioner Stratis confirmed with Director Farrell that the updated landscape plan complied with green space regulations. Director Farrell also confirmed fence regulations. There was discussion about the neighboring Montessori school and the fence height which was approved for that development. Commissioner Stratis was pleased with the development but stated that it must comply with photometric requirements and that the potential to tint windows should be explored. Commissioner Stratis reaffirmed that the stormwater would be reviewed by multiple jurisdictions in order to be approved.

Commissioner Broline would like to see detail on addressing the issues brought up and was concerned about the precedent set approving the five spaces in the front yard.

Commissioner Petrich confirmed with Director Farrell that the Business District is the only district which allows for parking in the front yard. Commissioner Petrich supports the request since that area is not adjacent to residential. Commissioner Petrich observed traffic at the site and noted a heavy pick-up/drop-off at the north end. Mr. Sullivan confirmed that there are a.m. and p.m. blocks of time when there is more traffic. Commissioner Petrich asked how the van program functioned. Mr. Sullivan was unsure on the logistics of the van program. Commissioner Petrich asked for clarification of where the parking lot lights were to be relocated. Mr. Trippiedi said one is next to the ADA spaces near the entrance and one will be moved east towards the detention.

Commissioner McCollian did not have an issue with the requests, but wanted to ensure that residents' issues were addressed.

Chairman Trzupek disclosed that he has worked with Mackie Consultants on other projects, but not on the Shirley Ryan Ability Lab. Chairman Trzupek is not thrilled with parking in the front yard, had concerns about the safety of the north entrance, but supported the overall plan and parking. Chairman Trzupek wanted the petitioners to confirm that there is no impact to drainage, how to mitigate the headlight issue with the fence, addressing overall lighting issues, and the garbage pick-up times. Chairman Trzupek polled the Commissioner on whether to table the request and if there was support for the requests. The Commissioners generally agreed that the plan is acceptable but would like to see the petitioner work on the issues mentioned.

Commissioner Petrich also requested information on why the van program was eliminated.

A **MOTION** was made by Commissioner Morton and **SECONDED** by Commissioner McCollian to continue the public hearing for Z-22-2022 until September 19, 2022.

ROLL CALL VOTE was as follows:

AYES: 6 – Morton, McCollian, Petrich, Stratis, Broline, and Trzupek

NAYS: 0 - None

MOTION CARRIED by a vote of 6-0.

V. CORRESPONDENCE

Commissioner Stratis was the Board meeting representative on August 8 and stated that the Trustees did not like the design of the homes for the Cottages of Drew development and felt that they were homogeneous.

VI. OTHER CONSIDERATIONS

There were no other considerations.

VII. PUBLIC COMMENT

There was no other public comment.

VIII. FUTURE MEETINGS

Chairman Trzupek confirmed that the August 22 Board meeting and September 5 Plan Commission meetings have been cancelled.

Director Farrell confirmed that the September 12 Board meeting would have Ordinances for Cottages of Drew, Thorntons, and the Rohan variation on the agenda.

IX. ADJOURNMENT

A MOTION was made by Commissioner McCollian and SECONDED by Commissioner Stratis

Plan Commission/Zoning Board Minutes August 15, 2022 Regular Meeting

to adjourn the meeting at 8:15 p.m.

ORDINANCE NO. A-834-xx-22

AN ORDINANCE GRANTING AN AMENDMENT TO PUD ORDINANCE #A-834-24-15 TO PERMIT A GAS STATION DEVELOPMENT, A SPECIAL USE FOR AN AUTOMOBILE GASOLINE SALE STATION WITH CONVENIENCE FOOD STORE, PACKAGED LIQUOR, AND TOBACCO SALES, A SPECIAL USE FOR HOURS OF OPERATION EXCEEDING 7:00 A.M. TO 10:00 P.M. PERMITTING 24-HOUR OPERATION, AND A SPECIAL USE FOR AN OUTSIDE SALES DISPLAY ACCESSORY TO A SPECIAL USE

(Z-10-2022: 9115 KINGERY HIGHWAY - THORNTONS)

WHEREAS, an application for PUD amendment and special use approvals for certain real estate has been filed with the Community Development Director of the Village of Burr Ridge, Cook and DuPage Counties, Illinois, and said application has been referred to the Plan Commission of said Village and has been processed in accordance with the Burr Ridge Zoning Ordinance; and

WHEREAS, said Plan Commission of this Village held public hearings on the question of granting said PUD amendment and special use approvals on May 2, June 20, and August 1, 2022, at the Burr Ridge Police Department Training Room and Burr Ridge Village Hall, at which time all persons desiring to be heard were given the opportunity to be heard; and

WHEREAS, public notice in the form required by law was provided for said public hearing not more than 30 nor less than 15 days prior to said public hearing by publication in <u>The</u> Doings, a newspaper of general circulation in this Village, there being no newspaper published in this Village; and

WHEREAS, the Village of Burr Ridge Plan Commission has made its report on the request for PUD amendment and special use approvals, including its findings and recommendations, to this Mayor and Board of Trustees, and this Mayor and Board of Trustees has duly considered said report, findings, and recommendations.

NOW THEREFORE, Be It Ordained by the Mayor and Board of Trustees of the Village of Burr Ridge, Cook and DuPage Counties, Illinois, as follows:

Section 1: All Exhibits submitted at the aforesaid public hearing are hereby incorporated by reference. This Mayor and Board of Trustees find that the granting of PUD amendment and special use approvals indicated herein is in the public good and in the best interests of the Village of Burr Ridge and its residents, is consistent with and fosters the purposes and spirit of the Burr Ridge Zoning Ordinance as set forth in Section II thereof.

<u>Section 2</u>: That this Mayor and Board of Trustees, after considering the report, findings, and recommendations of the Plan Commission and other matters properly before it, in addition to the findings set forth in Section 1, finds as follows:

A. That the petitioner for the PUD amendment and special use requests for the property located at 9115 Kingery Highway, Burr Ridge, Illinois, is Ryan Swanson of Arc Design on behalf of Thorntons LLC (hereinafter "Petitioner"). The Petitioner requests an amendment to PUD Ordinance # A-834-24-15 to permit a gas station development, a special use for an automobile gasoline sale station with convenience food store, packaged liquor, and tobacco sales, a special use for hours of operation exceeding 7:00 a.m. to 10:00 p.m. permitting 24-hour operation, and a special use for an outside sales display accessory to a special use.

B. That the proposed gas station development is located along a highway within a Business District and will not be detrimental to the surrounding area or public.

<u>Section 3</u>: That PUD and special use approvals for an automobile gasoline sale station with convenience food store, packaged liquor, and tobacco sales, with 24-hour operation, and with an outside sales display accessory to a special use **are** *hereby granted* for the property commonly known as 9115 Kingery Highway and identified with Permanent Real Estate Index Number of <u>10-02-40-020</u>, subject to the following conditions:

- 1. Final plans shall substantially comply with the submitted business plan, site plan, building elevations, photometric plan, sign plans, and the revised landscape plan showing screening on Spectrum's property subject to final review and approval by staff, all attached hereto as Exhibit A.
- 2. The special uses shall be limited to Thorntons LLC or a designated franchisee in a manner consistent with the submitted business plan and shall expire if Thorntons LLC or a designated franchisee no longer operates the business at 9115 Kingery Highway.

- 3. The outdoor sales area shall be restricted to the area shown on the plan. No merchandise shall be displayed between the fuel pumps.
- 4. The Thorntons sign on the rear (east) elevation shall be eliminated.
- 5. A Certificate of Occupancy shall not be granted until the landscaping is installed as shown on Spectrum's property.
- 6. Lighting shall meet Zoning Ordinance requirements and shall be tested after installation. A Photometric Plan shall be submitted for staff review and approval within 30 days after installation.

<u>Section 4</u>: That this Ordinance shall be in full force and effect from and after its passage, approval, and publication as required by law. The Village Clerk is hereby directed and ordered to publish this Ordinance in pamphlet form.

PASSED this 12th day of September, 2022, by the Corporate Authorities of the Village of Burr Ridge on a roll call vote as follows:

AYES: -NAYS: -ABSENT: - **APPROVED** by the Mayor of the Village of Burr Ridge on this 12th day of September, 2022.

Mayor

ATTEST:

Village Clerk

May 18, 2022

To: Mayor Grasso and Board of Trustees Village of Burr Ridge, IL 7660 County Line Road Burr Ridge, IL 60527 (630)654-8181

Re: Amendment to Special Use Application for 9115 Kingery Hwy, Burr Ridge, IL

To Mayor Grasso and Board of Trustees:

As part of our previous petition for special use at 9115 Kingery Hwy we requested that the proposed hours of operation be from 5 A.M. - 11 P.M due to hour limitations currently imposed under the PUD ordinance governing this parcel. Based on further discussion internally on a corporate level, we respectfully request to amend our request to be changed to 24 hours of operation.

The 24-hour operations are necessary to provide brand consistency among other Thorntons stores which are open 24-hours. Additionally, even though it is not in the incorporated Village limits, the nearest fueling station is open 24-hours. Therefore, equivalent hours are necessary to avoid a competitive disadvantage.

We appreciate the Village considering our request to amend our previously submitted petition.

Sincerely,

Phillip Bolduc

Phillip A Bolduc Real Estate Manager 630-674-7445 Phillip.bolduc@mythorntons.com

Thorntons of Burr Ridge, IL

Special Use and Variance Narrative 9115 Kingery Hwy, Burr Ridge, IL 60527

Project Summary and Proposed Use

Thorntons LLC is the contract purchaser of the approximately 1.8 acre vacant outlot located near the southeast corner of the intersection of IL-83 and 91st Street. Thorntons is requesting approval of a Special Use, amendment to the current PUD, and variances.

Per Village Zoning Code - Section VIII Business Districts: a special use is required for the following items proposed for the development:

- outdoor sales
- outdoor displays of merchandise
- convenience food stores
- liquor sales (packaged)
- tobacco sales
- Planned Unit developments
- Proposed hours of 5 A.M. 11 P.M. (hours are outside 7 AM 10 PM)

Scope of Work

The proposed includes the construction of a 4,400 SF convenience store, 10 fuel pumps (20 fueling positions) under canopy, 33 parking stalls, refuse enclosure and other related site amenities.

The proposed building features Nichiha stone, brick and architectural panels. The canopy columns are upgraded to feature a wrapped façade of Nichiha stone and brick to match the proposed convenience store. The refuse enclosure is also designed with materials consistent with the convenience store and canopy.

The development will utilize existing utility connections available on or adjacent to the site. Additionally, detention has been provided for the development as part of the Spectrum PUD

Business Operations

The proposed Thorntons development will include a 4,400 square foot convenience store which will serve fresh and pre-packaged food products and a variety of beverages and refreshments to the community. The proposed Thorntons store intends to sell alcohol and tobacco products. This location will employ roughly twelve community members in both part-time and full-time employment. The requested hours of the convenience store and fueling station are 5:00 A.M. to 11:00 P.M.

Requests for Variations

Thorntons LLC is requesting the following variances to the requirements of the Burr Ridge Village Code, Chapter 55, Signs:

Sec 55.06. Business District Signs A.1. Ground Sign:

- <u>A.1 Requirement:</u> One ground sign shall be permitted for each lot or parcel provided the lot or parcel has at least 100 feet of frontage on a public street, that the height of such sign does not exceed 8 feet, that the sign is located a minimum of 10 feet from all property lines, and that the combined area of all ground signs and wall signs shall not exceed 100 square feet. Requested Variation: Variance of 64 sf to the requirement that the combined area of all ground signs shall not exceed 100 sf thereby allowing the combined area to be 164 sf.
- <u>A.2 Requirement:</u> Wall Sign: One wall sign per street frontage shall be permitted for each lot or parcel provided that the combined area of all wall signs and ground signs shall not exceed 100 square feet. Permitted wall signs shall be mounted no higher than the height of the building wall or twenty feet (20') whichever is lower, and no lower than five feet (5') above average surrounding grade.

<u>Requested Variation:</u> Variance of 2 to the requirement of one wall per street sign frontage thereby allowing a total of three (3) wall signs. The requested wall signs include two (2) on the IL-83 frontage and one (1) along the shared private drive frontage.

<u>A.4.b Requirement (Gasoline Pricing Sign):</u> A maximum of four (4) sign faces, with a total area not to exceed forty (40) square feet, shall be permitted, provided that no single sign face shall exceed twenty (20) square feet in area;

<u>Requested Variation:</u> Variance of 25 square feet to the requirement of 20 square feet for a single sign face and 50 square feet to the requirement of 40 square feet for total gas pricing signs to thereby allow a total square footage of 45 square feet for gasoline pricing sign per face, and 90 square feet for the total of the two faces.

Sec 55.11. Prohibited Signs

<u>P. Requirement:</u> The following signs are hereby expressly prohibited for erection, construction, repair, alteration or relocation within the Village, except as otherwise hereinafter specifically provided: Signs with more than three colors

Requested Variation: Variance of 1 color square feet to the requirement of three colors maximum on a sign thereby allowing a total of 4 colors on the proposed ground/gas sign (blue, red, white, green).

Findings of Fact supporting the granting of the above requested variations:

- 1. The property in question cannot yield a reasonable return if permitted to be used only under the conditions allowed by the regulations in the Sign Code.
- 2. The plight of the owner was not created by the owner and is due to unique circumstances
- 3. The variation if Granted will not alter the essential character of the locality.

Sec 55.06. A.1: The proposed use of the property as a convenience store with fuel sales requires larger price signage to allow motorists to make timely decisions thereby allowing safe turning movement into the property.

Sec 55.06. A.2: The proposed use of the property as a convenience store requires identification of the use. As such, we are requesting one wall sign on the building and canopy along IL-83 in addition to one along the private drive. The private drive was developed as part of a PUD and therefore the hardship that this is a private and not a street frontage occurred prior to the proposed development.

Sec 55.06. A.4.b: The proposed use of the property as a convenience store with fuel sales requires larger price signage to allow motorists to make timely decisions thereby allowing safe turning movement into the property. Legible design for the displaying of gasoline products and prices is appropriate to the type of activity and allows for vehicles reasonable time to decrease speed from the posted 55 MPH limit to safely navigate into the drive servicing the business. Per the United States Sign Council, safe reaction and maneuvering time in a 55 MPH speed zone requires visibility at 647'. The use of 16" pricing numerals allows such visibility at 640' providing a safer approach for vehicular traffic.

Sec 55.11. P: The standard for diesel pricing is green which adds an additional color. All signs comply with the exception of the color green due to the diesel product.

Thorntons LLC is requesting the following variances to the requirements of the Burr Ridge Village Zoning Code, Chapter XI Off-Street Parking and Off-Street Loading:

IX.D.9.c. Lighting:

(2) Intensity of illumination of parking areas shall not be less or more than the following standards: Except as otherwise specifically provided elsewhere in this Ordinance, parking lot lights must be no more than 20 feet high and be limited by the following factors: an average lighting level of 1.0 foot candle with a minimum of 0.75 foot candle; a uniformity ratio of not greater than 4-to-1, and lighting distribution shall be provided by cut-off type fixtures. All such parking lot lighting shall be extinguished or reduced in intensity to not more than an average of 0.5 foot candles no later than 30 minutes after the close of business.

IX.D.9.c (2) Requirement: an average lighting level of 1.0 foot candle <u>Requested Variation</u>: Variance of 3.39 foot candles to the requirement that the average lighting level is limited to 1.0 foot candle thereby allowing an average of 4.39 foot candles.

IX.D.9.c (2) Requirement: a uniformity ratio of not greater than 4-to-1 <u>Requested Variation</u>: Variance of 3.39 to the requirement that the uniformity ratio is 4:1 thereby allowing a uniformity ratio of 4.39:1.

Findings of Fact supporting the granting of the above requested variations:

- 1. The property in question cannot yield a reasonable return if permitted to be used only under the conditions allowed by the regulations in the Sign Code.
- 2. The plight of the owner was not created by the owner and is due to unique circumstances
- 3. The variation if Granted will not alter the essential character of the locality.

IX.D.9.c (2): The increased average lighting level and uniformity ratio are necessary due to the proposed use as a convenience store with fuel sales requires higher lighting levels than a typical parking lot. This is due the required tasks which include, dispensing flammable liquid, checking oil, cleaning windshields, filling up tires with air, manipulating the dispenser, swiping credit cards, punching in codes, and taking receipts.

Findings of Fact – Special Use Burr Ridge Zoning Ordinance

As per Section XII.K.7 of the Village of Burr Ridge Zoning Ordinance, for a special use to be approved, the petitioner must confirm all of the following findings by providing facts supporting each finding.

a. The use meets a public necessity or otherwise provides a service or opportunity that is not otherwise available within the Village and is of benefit to the Village and its residents.

The requested Special Use is for the public convenience located along the IL-83 corridor. Thorntons is proposing to build a state-of-the-art convenience store with fuel sales. The c-store is proposed to be 4,400 sf and provide many items including fresh food such as hot sandwiches, freshly crafted sandwiches, wraps and other healthy options, coffee and drinks, donuts, and more. Sales will also include typical convenience items, limited groceries, packaged liquor and tobacco. A equivalent facility is not located in the general area of the proposed development.

b. The establishment, maintenance, or operation of the special use will not be detrimental to, or endanger the public health, safety, morals, comfort, or general welfare.

The requested Special Use will not be detrimental to or endanger the public health, safety, morals, comfort or general welfare as it will be operated consistent with other businesses located along a state highway corridor.

c. The special use will not be injurious to the uses and enjoyment of other property in the immediate vicinity for the purposes already permitted, nor substantially diminish or impair property values within the neighborhood in which it is to be located.

The requested Special Use is designed to be built and operated with the applicable regulations of Burr Ridge and the B-2 PUD district requirements subject only to the variations requested herein. Given the substantial investment in improvements and conformity to local requirements, it is not anticipated to be injurious to the uses and enjoyment of other property in the immediate vicinity no substantially diminish or impair property values within the area.

d. The establishment of the special use will not impeded the normal and orderly development and improvement of the surrounding property for uses permitted in the district.

The proposed special use is located on the remaining outlot in a Business zoned PUD. Therefore the surrounding property is already developed and it will not impede development.

e. Adequate utilities, access roads, drainage and/ or necessary facilities have been or will be provided.

The proposed special use is to be located on an existing outlot. All necessary support facilities have previously been constructed.

f. Adequate measures have been or will be taken to provide ingress and egress so designed as to minimize traffic congestion in the public streets.

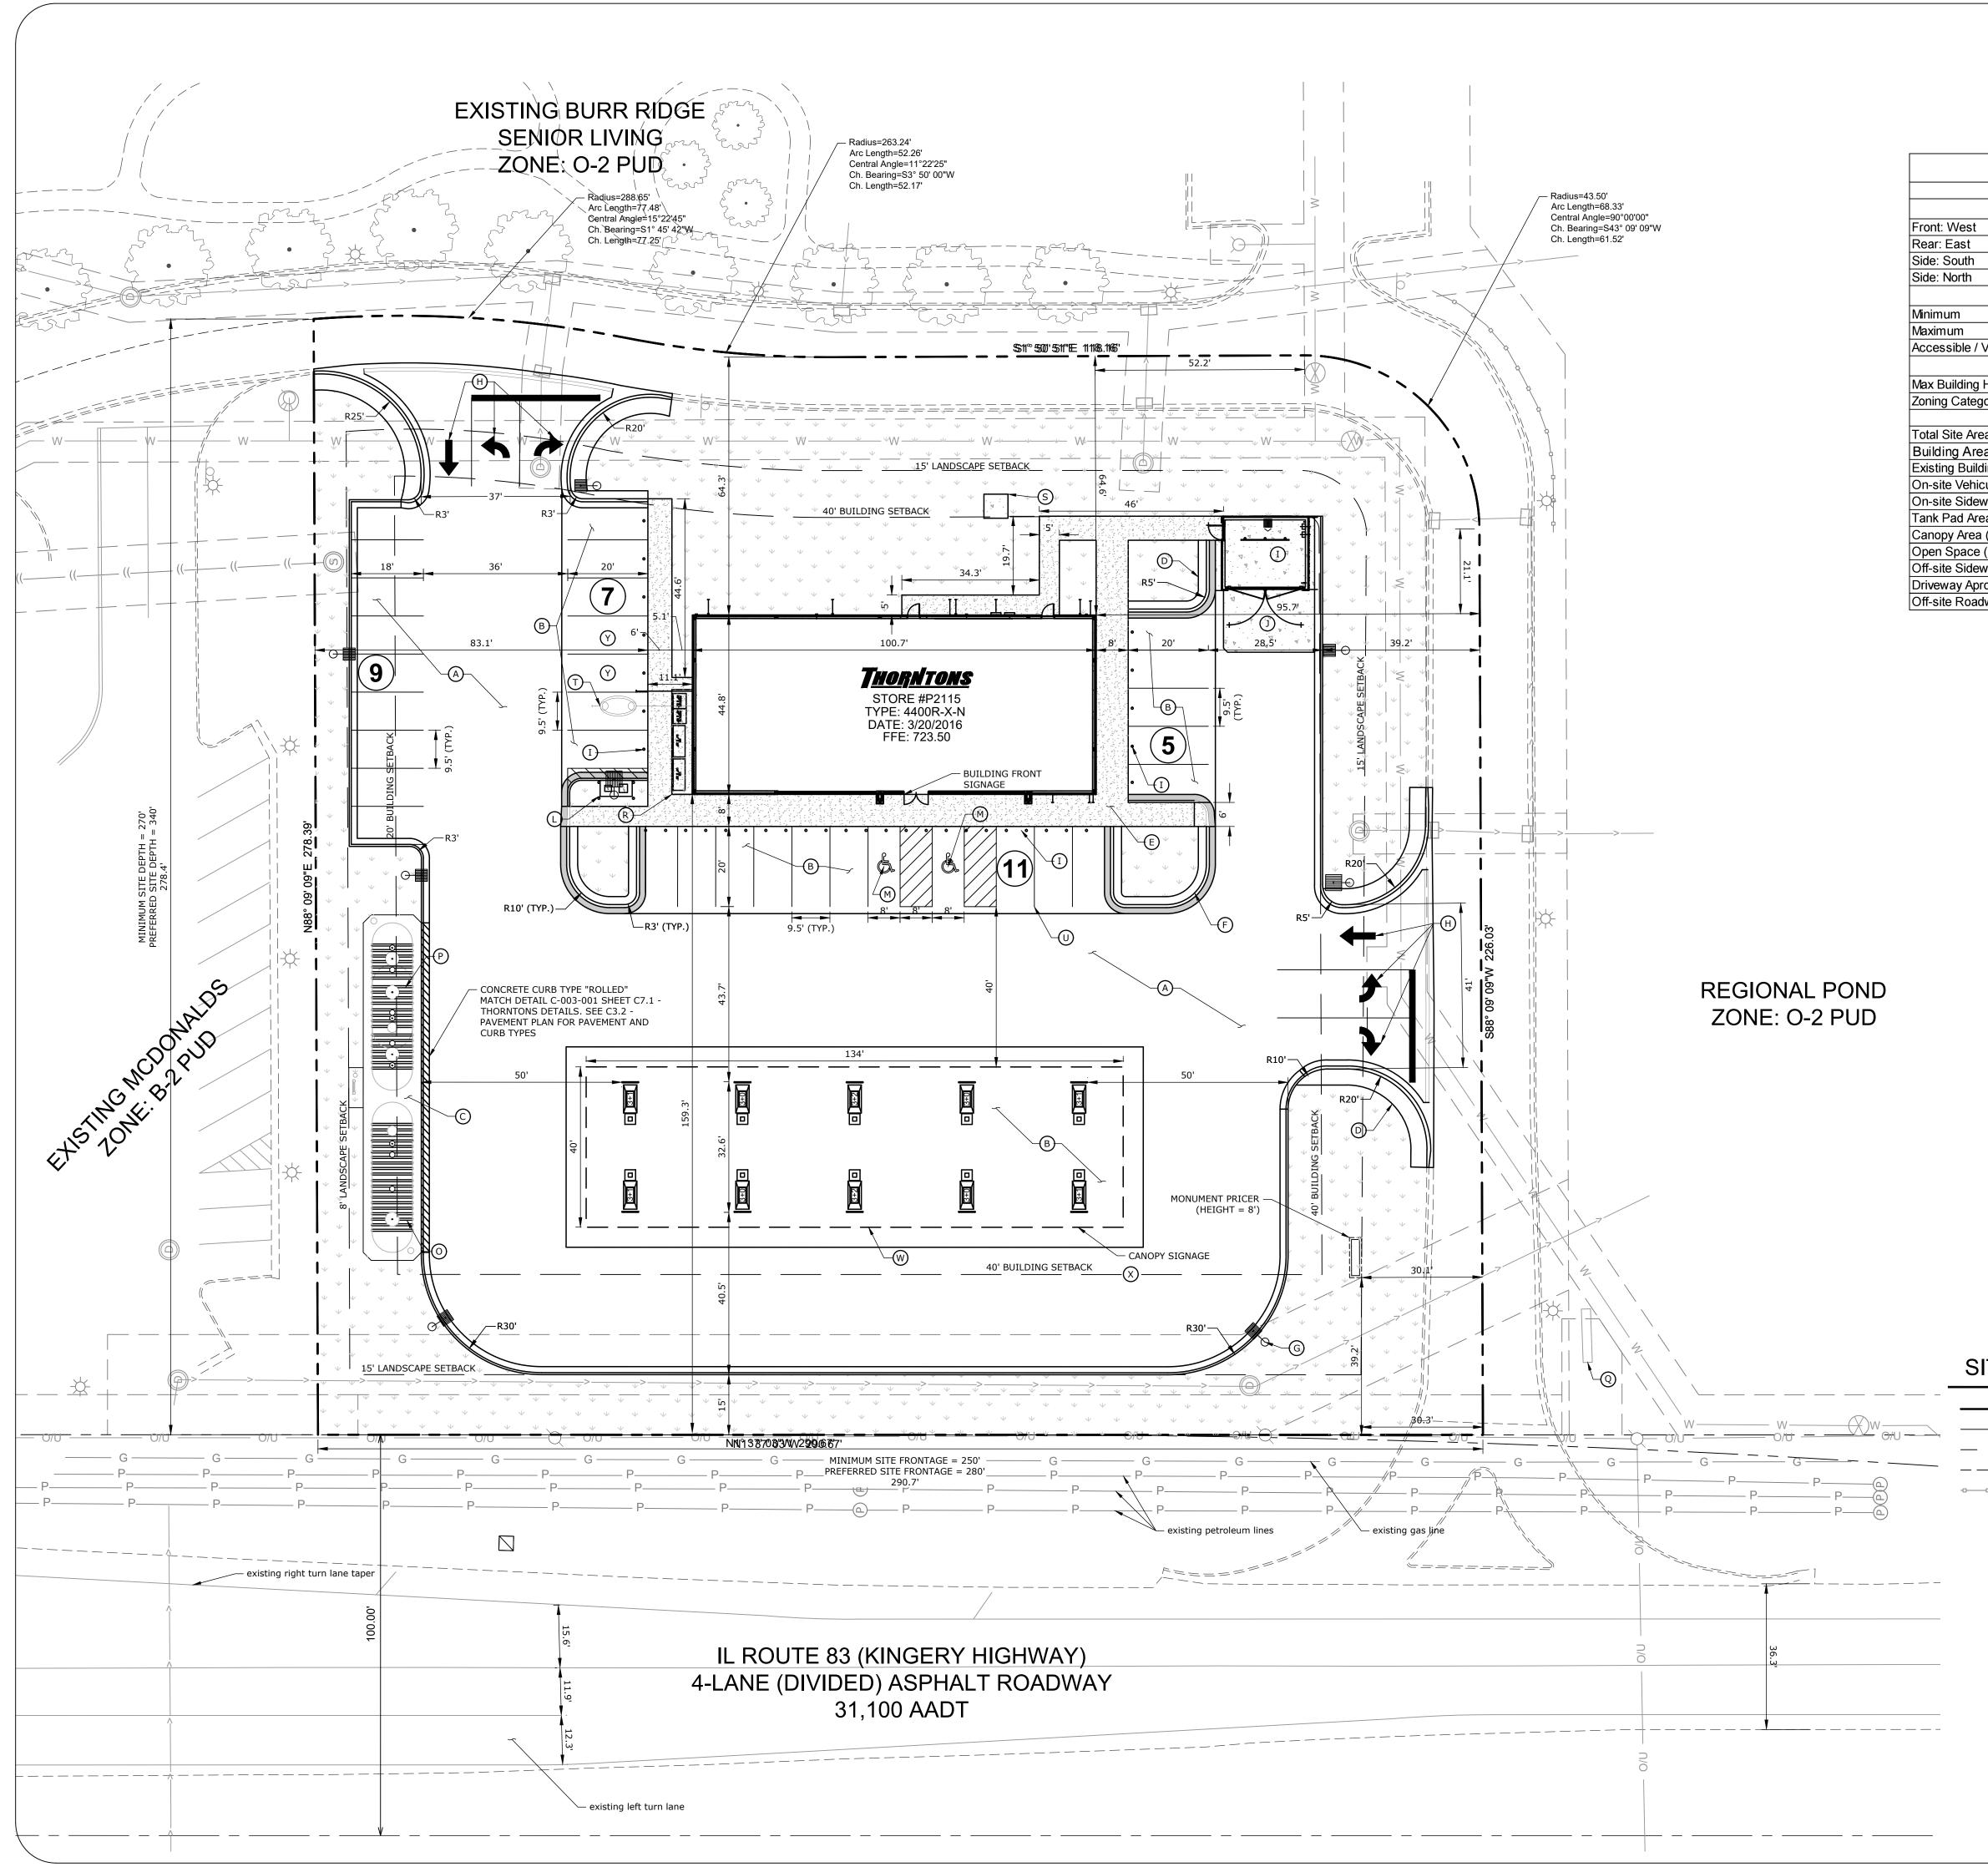

Existing ingress and egress from public streets have been developed as part of the larger Planned Unit Development. Two driveways to private drives are proposed at locations to minimize any impact to public streets.

g. The proposed special use is not contrary to the objectives of the Official Comprehensive Plan of the Village of Burr Ridge as amended.

The proposed special use does not conflict with the Official Comprehensive Plan of the Village of Burr Ridge as amended.

h. The special use shall, in other respects, conform to the applicable regulations of the district in which it is located, except as such regulations may, in each instance, be modified pursuant to the recommendations of the Plan Commission or, if applicable, the Zoning Board of Appeals.

The requested Special Use is designed to be built and operated with the applicable regulations of Burr Ridge and the B-2 PUD district requirements subject only to the variations requested herein.

CABINET:	30" deep Fab'd alum. construction with 2" retainers- All painted Black; Cabinet to sleeve overtop internal support pole & saddle weld into place as required Sign cabinet provided to Thorntons by Sunshine Electronic Displays
HEADER FACE:	(2) Two gloss panned polycarbonate faces with reverse sprayed graphics to match colors shown; <i>Provided by Stratus</i>
ILLUM.:	Internal White Sunshine LED lightstrips; Power supplies to be housed within cabinet
PRICING UNIT:	Sunshine double pricer unit - 30" deep Character height = 16"; Red & Green LED digit colors; Commodity panels are flat white polycarbonate panels w/ reverse weeded copy to match colors shown
BASE & COLUMNS:	Fab'd aluminum framework for sign base w/ 3/4" treated plywood overlay <i>Stratus to furnish the alum. fab'd frame and plywood wrap the frame</i> Nichiha Desert Stone veneer installed over framework Stone thickness is approx. 3/4" provided and installed by others; <i>Stone veneer provided & installed by others</i>
CAPS:	 (2) Two 3" Synthetic limestone cap for top of base Provided and installed by others following cabinet install; All Electrical to be done by others - to be connected and tested Installer to connect primary if accessible at time of install
SUPPORT:	Cabinet to sleeve overtop internal support; Direct burial installation as required by city requirements & engineering specs ADDITIONAL FOOTER DETAILS AND POLE SIZE TO FOLLOW
JOB NOTES:	GC responsible to layout the sign location based on setback information provided by <i>Stratus</i> in advance of Sign Spot. Thornton's determines final placement. Sign Spot schedule TBD. Installer to be on site and set up a minimum of (30) thirty minutes prior to scheduled spot. Spot with 4' x 8' plywood piece.
	Installer to pour the footer and set the pole immediately following sign spot, within reason.
	GC and EC responsible to stub conduit and provide electrical to pricer \ Ensure next to the pole and tall enough to go into the sign following the setting of the footer and pole
	Frame and plywood overlay to be installed by installer within a few days of pole setting

ORDINANCE NO. A-834-xx-22

AN ORDINANCE GRANTING A VARIATION FROM SECTION XI.C.9.C.2 OF THE ZONING ORDINANCE TO PERMIT AN AVERAGE FOOT CANDLE LIGHT LEVEL OF 4.39 EXCEEDING THE 1.0 PERMITTED AND A UNIFORMITY RATIO OF 4.39 TO 1 EXCEEDING THE 4 TO 1 PERMITTED

(Z-10-2022: 9115 KINGERY HIGHWAY - THORNTONS)

WHEREAS, an application for variations from the Village of Burr Ridge Zoning Ordinance for certain real estate was filed with the Community Development Director of the Village of Burr Ridge, Cook and DuPage Counties, Illinois, and said application has been referred to the Zoning Board of Appeals of said Village and has been processed in accordance with the Burr Ridge Zoning Ordinance; and

WHEREAS, said Zoning Board of Appeals of this Village held public hearings on May 2, June 20, and August 1, 2022, at the Burr Ridge Police Department Training Room and Burr Ridge Village Hall, at which time all persons desiring to be heard were given the opportunity to be heard; and

WHEREAS, public notice in the form required by law was provided for said public hearing not more than 30 nor less than 15 days prior to said public hearing by publication in <u>The Doings</u>, a newspaper of general circulation in this Village, there being no newspaper published in this Village; and

WHEREAS, the Village of Burr Ridge Zoning Board of Appeals has made its report on the request for zoning variations, including its findings and recommendations, to this Mayor and Board of Trustees; and this Mayor and Board of Trustees has duly considered said report, findings, and recommendations.

NOW THEREFORE, Be It Ordained by the Mayor and Board of Trustees of the Village of Burr Ridge, Cook and DuPage Counties, Illinois, as follows:

<u>Section 1</u>: All Exhibits submitted at the aforesaid public hearing are hereby incorporated by reference. This Mayor and Board of Trustees find that the granting of the zoning variations indicated herein is in the public good and in the best interests of the Village of Burr Ridge and its residents, is consistent with and fosters the purposes and spirit of the Burr Ridge Zoning Ordinance as set forth in Section II thereof.

<u>Section 2</u>: That this Mayor and Board of Trustees, after considering the report, findings, and recommendations of the Zoning Board of Appeals and other matters properly before it, in addition to the findings set forth in Section 1, finds as follows:

- A. That the petitioner for the conditional sign for the property located at 9115 Kingery Highway, Burr Ridge, Illinois, is Ryan Swanson of Arc Design on behalf of Thorntons LLC (hereinafter "Petitioner"). The Petitioner requests variations from Section XI.C.9.c.2 of the Zoning Ordinance to permit an average foot candle light level of 4.39 exceeding the 1.0 permitted and a uniformity ratio of 4.39 to 1 exceeding the 4 to 1 permitted.
- B. That the variations are unique to the subject property and proposed use, and the variations would not be generally applicable to other properties in the same zoning classification.

Section 3: That a variation to permit an average foot candle

light level of 4.39 exceeding the 1.0 permitted and a uniformity ratio of 4.39 to 1 exceeding the 4 to 1 permitted *is hereby granted* for the property commonly known as 9115 Kingery Highway and identified with Permanent Real Estate Index Number of <u>10-</u> <u>02-40-020</u>, subject to the following conditions:

- 1. Final plans shall substantially comply with the submitted business plan, site plan, building elevations, photometric plan, sign plans, and the revised landscape plan showing screening on Spectrum's property subject to final review and approval by staff, all attached hereto as Exhibit A.
- 2. The special uses shall be limited to Thorntons LLC or a designated franchisee in a manner consistent with the submitted business plan and shall expire if Thorntons LLC or a designated franchisee no longer operates the business at 9115 Kingery Highway.
- 3. The outdoor sales area shall be restricted to the area shown on the plan. No merchandise shall be displayed between the fuel pumps.
- 4. The Thorntons sign on the rear (east) elevation shall be eliminated.
- 5. A Certificate of Occupancy shall not be granted until the landscaping is installed as shown on Spectrum's property.
- 6. Lighting shall meet Zoning Ordinance requirements and shall

be tested after installation. A Photometric Plan shall be submitted for staff review and approval within 30 days after installation.

<u>Section 4</u>: That this Ordinance shall be in full force and effect from and after its passage, approval, and publication as required by law. The Village Clerk is hereby directed and ordered to publish this Ordinance in pamphlet form.

PASSED this 12th day of September, 2022, by the Corporate Authorities of the Village of Burr Ridge on a roll call vote as follows:

AYES:

NAYS: -

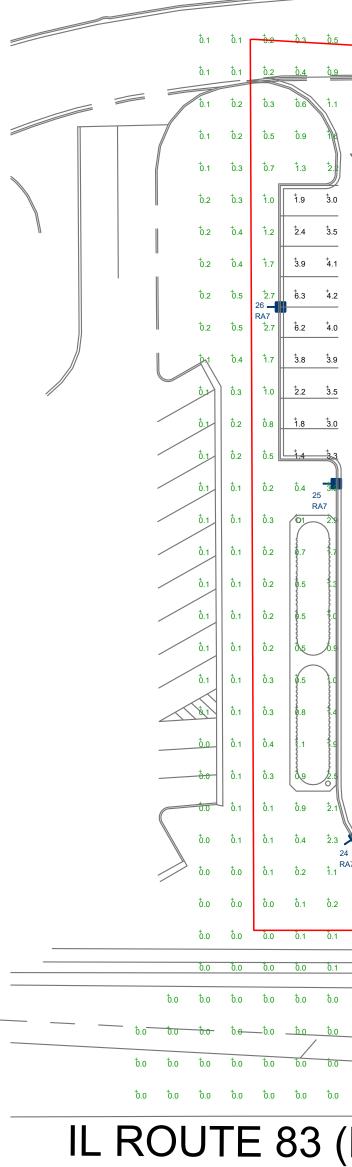

ABSENT:

APPROVED by the Mayor of the Village of Burr Ridge on this 12th day of September, 2022.

Mayor

304 Series TM LED Recessed Canopy Luminaire Product Description Luminaire housing is constructed from rugged die cast aluminum comp die cast and extruded aluminum components (RD Mount). LED driver is weathertight center chamber that allows for access from below the fixt directly to the canopy deck and is secured in place with die cast aluminu housing is provided with factory applied foam gasket that provides a wal luminaire housing and canopy deck. Suitable for use in single or double (406 mm) wide panels. Designed for canopies of 19-22 gauge fmaximum Applications: Petroleum stations, convenience stores, drive-thru banks and end recover.	mounted in a sealed ure. Luminaire mounts mr trim frame. Luminaire ertight seal between skin canopies with 16" 0.040" [1 mm] thickness].	OSQO Series OSQ [™] LED Area/Flood Luminaire featuring Cree TrueWhit Product Description The 050 [™] Area/Flood Innaire blends extreme optical control, advant and modern, clean aesthetics. Built to last, the housing is rugged cast i weathertight LED driver compartment. Versatile mounting configuratio Its slim, low-profile design minimizes wind load requirements and blen providing even, quality illumination. The 6L lumen package is a suitable up to 250 Watt, and the 11L lumen package is a suitable up to 250 Watt, and the 11L lumen package is a suitable to 250 Watt, and the 11L lumen package is a suitable upgrade for HID applications up to 1000 Watts. Cree Edge[®] Series LED Security Wall Pack Luminaire

Product Description The Cree Edge® wall mount luminaire has a slim, low profile design. The luminaire end caps are made from rugged die cast aluminum with integral, weathertight LED driver compartments and high performance aluminum heat sinks specifically designed for LED applications. Housing is rugged aluminum. Includes a lightweight mounting box for installation over standard and mud ring single gang J-Boxes. Secures to wall with four 3/16" (5mm) screws (by others). Conduit entry from top, bottom, sides and rear. Allows mounting for uplight or downlight. Designed and approved for easy through-wiring. Includes tal/dbrisg ugard. Applications: General area and security lighting Performance Summary Patented NanoOptic® Product Technology Assembled in the U.S.A. of U.S. and imported parts CRI: Minimum 70 CRI

THORNTONS P2115 BURR RIDGE, IL DRAWING NUMBER: RL-7953-S1-R1

ORDINANCE NO. A-923-xx-22

AN ORDINANCE GRANTING VARIATIONS FROM SECTIONS 55.06.A.1, 55.06.A.2, 55.06.A.4.A, and 55.06.A.4.B OF THE SIGN ORDINANCE TO PERMIT GROUND AND WALL SIGNS IN EXCESS OF 100 SQ. FT. OF AREA MEASURING 155 SQ. FT., MORE THAN ONE WALL SIGN PER STREET FRONTAGE FOR A TOTAL OF THREE, A FREE-STANDING GASOLINE PRICING SIGN, AND TO EXCEED THE MAXIMUM SIGN FACE SQUARE FOOTAGE FOR A GASOLINE PRICING SIGN FROM 20 SQ. FT. TO 49.8 SQ. FT. AND 40 SQ. FT. TO 99.6 SQ. FT.

(Z-10-2022: 9115 KINGERY HIGHWAY - THORNTONS)

WHEREAS, an application for variations from the Village of Burr Ridge Sign Ordinance for certain real estate was filed with the Community Development Director of the Village of Burr Ridge, Cook and DuPage Counties, Illinois, and said application has been referred to the Plan Commission of said Village and has been processed in accordance with the Burr Ridge Sign Ordinance; and

WHEREAS, said Plan Commission of this Village held public hearings on May 2, June 20, and August 1, 2022, at the Burr Ridge Police Department Training Room and Burr Ridge Village Hall, at which time all persons desiring to be heard were given the opportunity to be heard; and

WHEREAS, public notice in the form required by law was provided for said public hearing not more than 30 nor less than 15 days prior to said public hearing by publication in <u>The Doings</u>, a newspaper of general circulation in this Village, there being no newspaper published in this Village; and

WHEREAS, the Village of Burr Ridge Plan Commission has made its report on the request for variations, including its findings and recommendations, to this Mayor and Board of Trustees; and this Mayor and Board of Trustees has duly considered said report, findings, and recommendations.

NOW THEREFORE, Be It Ordained by the Mayor and Board of Trustees of the Village of Burr Ridge, Cook and DuPage Counties, Illinois, as follows:

<u>Section 1</u>: All Exhibits submitted at the aforesaid public hearing are hereby incorporated by reference. This Mayor and Board of Trustees find that the granting of the variations indicated herein is in the public good and in the best interests of the Village of Burr Ridge and its residents, is consistent with and fosters the purposes and spirit of the Burr Ridge Sign Ordinance as set forth in Section II thereof.

<u>Section 2</u>: That this Mayor and Board of Trustees, after considering the report, findings, and recommendations of the Plan Commission and other matters properly before it, in addition to the findings set forth in Section 1, finds as follows:

A. That the petitioner for the variations for the property located at 9115 Kingery Highway, Burr Ridge, Illinois, is Ryan Swanson of Arc Design on behalf of Thorntons LLC "Petitioner"). (hereinafter The Petitioner requests variations from Sections 55.06.A.1, 55.06.A.2, 55.06.A.4.A, and 55.06.A.4.B of the Sign Ordinance to permit ground and walls signs in excess of 100 sq. ft. of area, measuring 155 sq. ft., more than one wall sign per street frontage for a total of three, a free-standing gasoline pricing sign, and to exceed the maximum sign face square footage for a gasoline pricing sign from 20 sq. ft. to 49.8 sq. ft. and 40 sq. ft. to 99.6 sq. ft.

B. That the variations are due to the unique circumstance of the proposed gas station use along a highway, and the variations will not alter the essential character of the locality.

<u>Section 3</u>: That variations to permit ground and walls signs in excess of 100 sq. ft. of area measuring 155 sq. ft., more than one wall sign per street frontage for a total of three, a freestanding gasoline pricing sign, and to exceed the maximum sign face square footage for a gasoline pricing sign from 20 sq. ft. to 49.8 sq. ft. and 40 sq. ft. to 99.6 sq. ft. **are hereby granted** for the property commonly known as 9115 Kingery Highway and identified with Permanent Real Estate Index Number of <u>10-02-40-</u> **020**, subject to the following conditions:

- 1. Final plans shall substantially comply with the submitted business plan, site plan, building elevations, photometric plan, sign plans, and the revised landscape plan showing screening on Spectrum's property subject to final review and approval by staff, all attached hereto as Exhibit A.
- 2. The special uses shall be limited to Thorntons LLC or a designated franchisee in a manner consistent with the submitted business plan and shall expire if Thorntons LLC or a designated franchisee no longer operates the business at 9115 Kingery Highway.
- 3. The outdoor sales area shall be restricted to the area shown on the plan. No merchandise shall be displayed between the

fuel pumps.

- 4. The Thorntons sign on the rear (east) elevation shall be eliminated.
- 5. A Certificate of Occupancy shall not be granted until the landscaping is installed as shown on Spectrum's property.
- 6. Lighting shall meet Zoning Ordinance requirements and shall be tested after installation. A Photometric Plan shall be submitted for staff review and approval within 30 days after installation.

<u>Section 4</u>: That this Ordinance shall be in full force and effect from and after its passage, approval, and publication as required by law. The Village Clerk is hereby directed and ordered to publish this Ordinance in pamphlet form.

PASSED this 12th day of September, 2022, by the Corporate Authorities of the Village of Burr Ridge on a roll call vote as follows:

AYES: -NAYS: -ABSENT: -

APPROVED by the Mayor of the Village of Burr Ridge on this 12th day of September, 2022.

ILLUM.:	Internal White Sunshine LED lightstrips; Power supplies to be housed within cabinet
PRICING UNIT:	Sunshine double pricer unit - 30" deep Character height = 16"; Red & Green LED digit colors; Commodity panels are flat white polycarbonate panels w/ reverse weeded copy to match colors shown
BASE & COLUMNS:	Fab'd aluminum framework for sign base w/ 3/4" treated plywood overlay <i>Stratus to furnish the alum. fab'd frame and plywood wrap the frame</i> Nichiha Desert Stone veneer installed over framework Stone thickness is approx. 3/4" provided and installed by others; <i>Stone veneer provided & installed by others</i>
CAPS:	 (2) Two 3" Synthetic limestone cap for top of base Provided and installed by others following cabinet install; All Electrical to be done by others - to be connected and tested Installer to connect primary if accessible at time of install
SUPPORT:	Cabinet to sleeve overtop internal support; Direct burial installation as required by city requirements & engineering specs ADDITIONAL FOOTER DETAILS AND POLE SIZE TO FOLLOW
JOB NOTES:	GC responsible to layout the sign location based on setback information provided by <i>Stratus</i> in advance of Sign Spot. Thornton's determines final placement. Sign Spot schedule TBD. Installer to be on site and set up a minimum of (30) thirty minutes prior to scheduled spot. Spot with 4' x 8' plywood piece.
	Installer to pour the footer and set the pole immediately following sign spot, within reason.
	GC and EC responsible to stub conduit and provide electrical to pricer \ Ensure next to the pole and tall enough to go into the sign following the setting of the footer and pole
	Frame and plywood overlay to be installed by installer within a few days of pole setting

ORDINANCE NO. A-923- -22

AN ORDINANCE GRANTING A CONDITIONAL SIGN APPROVAL FOR A SIGN WITH SIX COLORS EXCEEDING THE THREE COLORS PERMITTED

(Z-10-2022: 9115 Kingery Highway - Thorntons LLC)

WHEREAS, an application for a conditional sign approval has been filed with the Community Development Director of the Village of Burr Ridge, Cook and DuPage Counties, Illinois, and said application has been referred to the Plan Commission of said Village and has been processed in accordance with the Burr Ridge Sign Ordinance; and

WHEREAS, said Plan Commission of this Village considered the question of granting said conditional sign approval on May 2, June 20, and August 1, 2022, at the Burr Ridge Police Department Training Room and Burr Ridge Village Hall, at which time all persons desiring to be heard were given the opportunity to be heard; and

WHEREAS, the Village of Burr Ridge Plan Commission has made its report on the request for a conditional sign, including its findings and recommendations, to this Mayor and Board of Trustees, and this Mayor and Board of Trustees has duly considered said report, findings, and recommendations.

NOW THEREFORE, Be It Ordained by the Mayor and Board of Trustees of the Village of Burr Ridge, Cook and DuPage Counties, Illinois, as follows:

Section 1: All Exhibits submitted at the aforesaid public

hearings are hereby incorporated by reference. This Mayor and Board of Trustees find that the granting of the conditional sign indicated herein is in the public good and in the best interests of the Village of Burr Ridge and its residents, is consistent with and fosters the purposes and spirit of the Burr Ridge Sign Ordinance as set forth in Article I thereof.

<u>Section 2</u>: That this Mayor and Board of Trustees, after considering the report, findings, and recommendations of the Plan Commission and other matters properly before it, in addition to the findings set forth in Section 1, finds as follows:

- A. That the petitioner for the conditional sign for the property located at 9115 Kingery Highway, Burr Ridge, Illinois, is Ryan Swanson of Arc Design on behalf of Thorntons LLC (hereinafter "Petitioner"). The petitioner requests conditional sign approval for a ground sign with six colors, exceeding the three colors permitted.
- B. The sign will not adversely impact or be a detriment to the surrounding area.
- C. The sign will be in character with the site design and building architecture.
- D. The sign will not alter the essential character of the locality.

<u>Section 3</u>: That the conditional sign approval is **hereby** granted for the property commonly known as 9115 Kingery Highway and identified with Permanent Real Estate Index Number of <u>10-02-</u> <u>40-020</u>, subject to compliance with the submitted sign plans attached hereto as **Exhibit A**.

<u>Section 4</u>: That this Ordinance shall be in full force and

effect from and after its passage, approval, and publication as required by law. The Village Clerk is hereby directed and ordered to publish this Ordinance in pamphlet form.

ORDINANCE NO. A-834-___-22

AN ORDINANCE DENYING A VARIATION FROM THE BURR RIDGE ZONING ORDINANCE TO PERMIT A DETACHED ACCESSORY BUILDING WITHIN THE CORNER SIDE YARD AREA AND WITHIN THE CORNER SIDE YARD SETBACK FROM 30 FT. TO 10 FT. (V-03-2022: 10S675 GLENN DR. - ROHAN)

WHEREAS, an application for variations from the Village of Burr Ridge Zoning Ordinance for certain real estate was filed with the Community Development Director of the Village of Burr Ridge, Cook and DuPage Counties, Illinois, and said application has been referred to the Zoning Board of Appeals of said Village and has been processed in accordance with the Burr Ridge Zoning Ordinance; and

WHEREAS, said Zoning Board of Appeals of this Village held public hearings on the question of granting said zoning variations on June 20 and July 18, 2022, at the Burr Ridge Police Department Training Room and Burr Ridge Village Hall, at which time all persons desiring to be heard were given the opportunity to be heard; and

WHEREAS, public notice in the form required by law was provided for said public hearing not more than 30 nor less than 15 days prior to said public hearing by publication in <u>The Doings</u>, a newspaper of general circulation in this Village, there being no newspaper published in this Village; and

WHEREAS, the Village of Burr Ridge Zoning Board of Appeals has made its report on the request for zoning variations, including its findings and recommendations, to this Mayor and Board of Trustees; and this Mayor and Board of Trustees has duly considered said report, findings, and recommendations.

NOW THEREFORE, Be It Ordained by the Mayor and Board of Trustees of the Village of Burr Ridge, Cook and DuPage Counties, Illinois, as follows:

<u>Section 1</u>: All Exhibits submitted at the aforesaid public hearings are hereby incorporated by reference. This Mayor and Board of Trustees find that the denial of the zoning variations indicated herein is in the public good and the best interests of the Village of Burr Ridge and its residents, is consistent with and fosters the purposes and spirit of the Burr Ridge Zoning Ordinance as set forth in Section II thereof.

<u>Section 2</u>: That this Mayor and Board of Trustees, after considering the report, findings, and recommendations of the Zoning Board of Appeals and other matters properly before it, in addition to the findings set forth in Section 1, finds as follows:

> A. That the Petitioner for the variations for the property located at 10S675 Glenn Dr., Burr Ridge, Illinois, is Michael Rohan (hereinafter "Petitioner"). The Petitioner requests variations from Sections IV.I.1, VI.F.7.a, IV.H.4, and IV.H.7 of the Zoning Ordinance to permit a detached accessory building, a garage, within the corner side yard area rather than the requirement that detached accessory buildings be located in the rear yard only, and locating the garage within the corner side yard setback 10 ft. from the property line rather than the requirement of 30 ft.

> > -2-

B. That the variation requests were not due to a hardship posed by a condition of the land which prohibited the garage to be constructed in the rear yard area, complying with Zoning Ordinance requirements.

<u>Section 3</u>: That the variations to permit the construction of a detached garage in the corner side yard area and within the corner side yard setback *is hereby denied* for the property commonly known as 10S675 Glenn Dr. and identified with the Permanent Real Estate Index Number of **10-01-302-016**.

<u>Section 4</u>: That this Ordinance shall be in full force and effect from and after its passage, approval, and publication as required by law. The Village Clerk is hereby directed and ordered to publish this Ordinance in pamphlet form.

ATTEST:

Village Clerk

Findings of Fact by the Plan Commission made on July 18, 2022

Findings of Fact - Zoning Variation Burr Ridge Zoning Ordinance

10S675 Glenn Dr.

As per Section XIII.H.3 of the Village of Burr Ridge Zoning Ordinance, for a variation to be approved, the petitioner must confirm all of the following findings by providing facts supporting such findings.

Address:

a. Because of the particular physical surroundings, shape, or topographical conditions of the specific property involved, a particular hardship to the owner would result, as distinguished from a mere inconvenience, if the strict letter of the regulations were to be carried out

While there is a topographic grade change of 5 feet within the rear portion of the property, the buildable area to the rear of the home where the garage could be located is a 4 ft. change at most. The Village's Development Engineer stated that this minor grade change can be addressed through site development (see attached memo) and a garage can be built in this area. Addressing the grade change is an inconvenience, not a hardship.

- b. The property in question cannot yield a reasonable return if permitted to be used only under the conditions allowed by the regulations governing the zoning district in which it is located.
 A detached garage can be built on the property as long as it meets Zoning Ordinance setback requirements. The property can yield a reasonable return with a garage meeting setback requirements.
- c. The conditions upon which an application for a variation is based are unique to the property for which the variance is sought, and are not applicable, generally, to other property within the same zoning classification.

Permitting a detached garage within the corner side yard and within the required setback would be generally applicable to other R-3 properties which are corner lots. The petitioner states this is for accessibility reasons to access a rear door and not impact an existing deck. These conditions would be applicable to other R-3 properties which do not want to impact other structures with the location of a detached garage.

- d. The purpose of the variation is not based primarily upon a desire to increase financial gain.
 The purpose of the variations are to construct a detached garage for personal reasons, not to increase financial gain.
- e. The alleged difficulty or hardship is caused by this Ordinance and has not been created by any persons presently having an interest in the property.
 The property owner contends that the alleged difficulty or hardship is caused by relocating items from an attached garage to a detached garage in order to accommodate an accessible van. The owner contends that the detached garage would negatively impact an existing deck on the property if located within the rear area and be on a sloped site. These alleged difficulties or hardships are not caused by the Ordinance but persons presently having interest in the property.
- f. The granting of the variation will not be detrimental to the public welfare or injurious to other property or improvements in the neighborhood in which the property is located.

The granting of the variations may be detrimental to other property or improvements in the neighborhood, specifically those south of 94th Street, since the garage will not meet the minimum 30 ft. setback requirement.

g. The granting of the variation will not alter the essential character of the neighborhood or locality.

The granting of the variations may alter the character of the neighborhood since there are no corner lots with detached garages in the corner side yards and within the required setback.

h. The proposed variation will not impair an adequate supply of light and air to adjacent property or substantially increase the congestion of the public streets, or increase the danger of fire, or impair natural drainage or create drainage problems on adjacent properties, or endanger the public safety, or substantially diminish or impair property values within the neighborhood.

The variations will not impair air or light supply, increase congestion or fire danger, create drainage issues, or endanger the public.

i. The proposed variation is consistent with the official Comprehensive Plan of the Village of Burr Ridge and other development codes of the Village.

The Comprehensive Plan calls for residential within this vicinity and the detached garage is for residential use.

MEMORANDUM

TO:	Community Development Director Janine Farrell	
FROM:	Development Engineer James Miedema	
DATE:	August 3, 2022	
RE:	10S675 Glenn Dr. Detached Garage	

While the property does slope roughly 6 ft. from the home to the rear property line, there is sufficient distance to accommodate a detached garage with proper grading. Development would require an increased slope in the back of the property to accommodate the grade change. A grading plan by a Registered Land Surveyor would be required as part of the permit. This would increase costs, but is not uncommon and would not be cost prohibitive for this work.

non Medante,

James D. Miedema, P.E. Development Engineer

ORDINANCE NO.

ORDINANCE AUTHORIZING THE SALE BY ONLINE AUCTION OF PERSONAL PROPERTY OWNED BY THE VILLAGE OF BURR RIDGE (PUBLIC WORKS AND POLICE VEHICLES)

WHEREAS, in the opinion of at least three-fourths of the Corporate Authorities of the Village of Burr Ridge, it is no longer necessary or useful to, or in the best interest of, the Village of Burr Ridge to retain ownership of the personal property hereinafter described; and

WHEREAS, it has been determined by the Mayor and Board of Trustees of the Village of Burr Ridge to dispose of said personal property by consignment to Enterprise Fleet Management, Inc., which company is leasing vehicles to the Village under separate agreement;

NOW, THEREFORE, BE IT ORDAINED by the Mayor and Board of Trustees of the Village of Burr Ridge, Cook and DuPage Counties, Illinois, as follows:

<u>SECTION 1</u>: Pursuant to 65 ILCS 5/11-76-4, the Mayor and Board of Trustees of the Village of Burr Ridge find that the following described property owned by the Village of Burr Ridge is no longer necessary or useful to the Village of Burr Ridge, and the best interests of the Village will be served by its sale:

<u>v.I.N.</u>	YEAR/ MAKE/ MODEL	<u>Minimum</u> Value
1FM5K8AR9GGA71979	2016 Ford Utility Police Interceptor	\$ 10,200
1FM5K8AR9HGA62748	2017 Ford Utility Police Interceptor	\$ 7,600
1FM5K8AR0HGA62749	2017 Ford Utility Police Interceptor	\$ 8,500
1FM5K8AR1HGC78223	2017 Ford Utility Police Interceptor	\$ 8,000
1HTWDAAR48J639718	2008 International 7400	\$ 20,000
1HTWDAAN53J066768	2003 International 7400	\$ 8,000

<u>SECTION 2</u>: The Village Administrator shall execute a consignment auction agreement granting Enterprise Fleet Management, Inc., the non-exclusive right to sell each vehicle and the power in any and all matters pertaining to the transfer of the vehicle titles and any papers necessary thereto on behalf of the Village.

SECTION 3: No bid which is less than the minimum price set forth in the list of property to be sold shall be accepted and Enterprise shall be assigned full discretion to accept any bid at or above this designated minimum bid.

SECTION 4: No later than ten (10) business days after the

-2-

collection of funds for the sale of a Vehicle, Enterprise will remit to the Village an amount equal to the Vehicle sale price minus a service fee of \$400, and any expenses incurred by Enterprise while selling the Vehicle, including but not limited to, towing costs and title service fees.

SECTION 5: This Ordinance shall be in full force and effect from and after its passage, by a vote of at least three-fourths of the Corporate Authorities, and approval in the manner provided by law.

RESOLUTION NO. ____-22

A RESOLUTION REGARDING THE NEED FOR CONFIDENTIALITY OF CLOSED SESSION MINUTES

WHEREAS, pursuant to Section 2.06(d) of the Open Meetings Act (5 ILCS 120/1 *et seq.*), the corporate authorities have undertaken a semi-annual review of minutes of all closed sessions which have not been previously released to the public; and

WHEREAS, the corporate authorities find that the need for confidentiality still exists as to the minutes of all closed session meetings.

NOW, THEREFORE, BE IT RESOLVED by the Mayor and Board of Trustees of the Village of Burr Ridge, DuPage County, Illinois, as follows:

Section 1. The corporate authorities hereby find that the need for confidentiality still exists as to all closed session minutes that have not been previously released, and that such minutes shall remain confidential.

Section 2. This Resolution shall be in full force and effect from and after its passage, approval and publication in the manner provided by law.

EXHIBIT A

Date: September 12, 2022

Property Address: 7660 County Line Road, Burr Ridge, IL 60527

Landlord: Village of Burr Ridge

Tenant: Willowbrook/Burr Ridge Chamber of Commerce and Industry

Use: Office and Meetings

Security Deposit: Waived due to non-profit status

1. Term

The term of this Lease shall commence on September 12, 2022 ("Commencement") and shall end on December 31, 2024, unless sooner terminated by the Tenant. If Tenant wishes to extend this Lease, the Tenant shall provide the Landlord a written notice ("Extension Notice") not less than sixty (60) days prior to the expiration of the term of this Lease. Tenant and Landlord may mutually extend the Lease for an unlimited number of two-year terms beyond the initial Term. The Landlord may terminate the Lease prior to the expiration of any Term provided that a written notice providing not less than ninety (90) days prior to the desired termination date is supplied to the Tenant by the Landlord.

2. Rent

No rental fees are included as part of this Lease.

3. Operating Expenses

Tenant shall have the opportunity to access Village-owned or -operated office equipment, such as copiers, and shall be charged for their use on a usage basis. Tenant shall have all rights to supply its own office supplies. Tenant shall be permitted to access Landlord's internet/wi-fi, electricity, plumbing, and all other such utility systems and infrastructure at no charge.

4. Common Areas and Use of Common Areas

All areas situated within the Property are designated by Landlord for common use by Tenant and the Tenant's employees, agents, customers, and guests. Landlord, in Landlord's sole discretion:

- a) May operate, manage, equip, light, insure, repair, and maintain Common Areas for their intended purpose;
- b) May from time to time change the size, locations, and nature of any Common Area and facility and may make installations therein and relocate and remove such installations and to grant such easements, rights, and dedications that Landlord deems necessary or desirable and this Lease shall be subordinate to such grants, provided however, that in no event shall the same diminish the rights of Tenant to use Common Areas pursuant hereto, or result in the diminishment of parking spaces at the Property or reasonable ingress and egress to and from public roads and highways; and
- c) Shall have the right to terminate the use of Common Areas, or any part thereof, on non-business days or during non-business hours.
- d) Tenant is permitted to access one parking space in the employee parking area in the rear of the Property at any time. Tenant is permitted to access up to fifteen (15) spaces in the same area for up to three consecutive hours at any time. Landlord may temporarily suspend Tenant's 15-space privilege in the event that operation of public

services requires use of such spaces provided Landlord provides Tenant with no less than forty-eight (48) hours' notice of such a temporary suspension. Tenant shall obey all State and local traffic laws when using Property.

Tenant and Tenant's permitted concessionaires, officers, employees, agents, customers, and invitees shall have the non-exclusive rights, in common with Landlord and all other Tenants of the Property and their respective customers, guests, and invitees, to use Common Areas, subject to rules and regulations promulgated by Landlord from time to time provided that such rules and regulations shall be uniformly applicable to all Tenants leasing a part of the Property. In no event shall the use by other Tenants or their invitees of an area designated for the sole use of a particular Tenant be deemed a default by Landlord under the terms of this Lease. Tenant shall not use any part of the parking area or permit the use thereof for overnight parking other than in such cases wherein such permission has been granted in writing by Landlord. Tenant shall not store items outdoors or in conspicuous spaces of the Common Area; all Tenant goods must be neatly stored in assigned areas as designated by Landlord.

5. Maintenance and Repair

- a) Landlord shall keep and maintain all HVAC, plumbing, and electrical systems, the exterior walls, roofs, foundations, and structural members of the Building and its appurtenance facilities. All premises of the Building shall be in good working order. Landlord shall have no maintenance, repair, replacement, or other such obligations. Landlord shall provide for regular removal of trash for the term of this Lease.
- b) Tenant shall be provided furnishings at Landlord expense. Tenant is entitled to furnish the space with their own furnishings should they so choose.
- c) Tenant shall maintain their space in proper operating condition, except for normal wear and tear.
- d) Tenant shall be permitted to use Landlord's maintenance personnel for custom or special projects and shall solely bear the cost of any renovations or refurbishments which solely benefit Tenant. Tenant must receive written approval from Landlord prior to commencing any built projects.

6. Inspection

Landlord or Landlord's agents or employees may enter the Premises at any reasonable time for the purpose of inspection, or of making repairs which Tenant may neglect or refuse to make in accordance with the covenants and agreements of this Lease or those which the Landlord is responsible.

7. Quiet Enjoyment

Tenant's quiet and peaceable enjoyment of the Premises shall not be disturbed or interfered with by Landlord or by any person claiming by, through, or under Landlord.

8. Security Deposit

Landlord does not require any such deposit to execute this Agreement.

9. Examination of Lease

Submission of this Lease for examination or signature by Tenant shall not constitute a reservation of or option for lease, and the same shall not be effective as a Lease or otherwise until execution and delivery hereof by Landlord and Tenant

10. Authority

Landlord and Tenant hereby covenant that they have full right, power, and authority to enter into this Lease upon the same terms and conditions herein set forth.

11. Construction of Lease

This Lease shall be construed in accordance with the laws of the State of Illinois.

12. Severability

Any provision of this Lease which shall be deemed void, unenforceable of contrary to public policy, in whole or in part, shall be deemed severed from this Lease.

13. Signage

Tenant is not permitted to erect any signage on the Property.

SIGNED AND DATED THIS 1st DAY OF September , 2022.

September 1, 2022

Village of Burr Ridge 7660 County Line Road Burr Ridge, IL 60527

Attention: David Preissig, PE – Public Works Director/Village Engineer

Subject: Garfield Avenue and Kraml Drive Sidewalk Improvements Project Bid Results (CBBEL Project No. 19-0313)

Dear Mr. Preissig,

On Thursday, September 1, 2022, at 10:00 a.m. bids were received and opened for the aforementioned project. Four (4) bids were received and have been summarized below.

COMPANY	BID (As READ)	BID (AS CORRECTED)
Engineer's Estimate	\$ 462,655.00	-
Triggi Construction, Inc.	\$441,275.00	-
Alliance Contractors, Inc.	\$445,848.00	-
Schroeder & Schroeder, Inc.	\$480,507.50	-
Acura, Inc.	\$458,815.00	\$483,815.00

Triggi Construction, Inc. is the low responsive bidder with a bid amount of \$441,275.00. CBBEL has called one reference which highly recommends Triggi Construction, Inc. and CBBEL believes their bid to be in order. Therefore, our office recommends accepting Triggi Construction, Inc.'s bid for the amount of \$441,275.00. Attached please find a copy of the bid tabulation and reference check phone log for your review and files.

If you have any further questions, please do not hesitate to contact me at (847) 823-0500.

Sincerely,

In tolap

John LaPaglia, PE Project Manager, Civil Engineering Design

PHONE CONVERSATION LOG

DATE: September 1, 2022

PERSON (Contacted/Calling): Erik Melchers

AFFILIATION: City of Wheaton

PHONE NUMBER: 630-260-2066

CBBEL REPRESENTATIVE: Jeff Househ

PROJECT NAME/NUMBER: Garfield Avenue Sidewalk Improvements - 190313

NOTES:

What was your title or role on this project (2019 New Sidewalk Program)?

Supervisor/Project Manager

Was the contractor the General Contractor or a Subcontractor?

General Contractor

What was the type of work and approximate cost?

- Sidewalk removal and replacement, restoration, detectable warnings, etc.
- +/- \$200,000

Was the job completed on time and within budget?

- Yes
- Yes

Were there any change orders? If yes, for what?

• No

Were you satisfied with the quality of work performed?

• Yes

Were they easy to work with? Would you recommend using them?

- Yes
- Yes

Letter of Transmittal

List of Principal Officials

Organizational Chart

Certificate of Achievement for Excellence in Financial Reporting

September 1, 2022

To the Mayor and Trustees of the Village of Burr Ridge Residents and Businesses of the Village of Burr Ridge

The Annual Comprehensive Financial Report ("Annual Report") of the Village of Burr Ridge, Illinois for the fiscal year ended April 30, 2022 is hereby submitted. Illinois state statute requires that the Village issue a report on its financial position and activity within six months of the fiscal year. This report complies with this requirement for the fiscal year ending April 30, 2022.

The Village's Annual Report consists of management's representations concerning the finances of the Village. Consequently, management assumes full responsibility for the completeness and reliability of the information presented in this report. To provide a reasonable basis for making the representations, management has established a comprehensive internal control framework that is designed both to protect the Village's assets from loss, theft or misuse, and to compile sufficient reliable information for the preparation of the Village's financial statements in conformity with generally accepted accounting principles (GAAP). Because the cost of internal controls should not outweigh the benefits, the Village's comprehensive framework of internal controls has been designed to provide reasonable rather than absolute assurance that the financial statements will be free from material misstatement. As management, we assert that, to the best of our knowledge and belief, the Annual Report is complete and reliable in all material aspects.

For the fiscal year ending April 30, 2022, the licensed certified public accounting firm of Lauterbach & Amen LLP has audited the Village's financial statements, thereby providing reasonable assurance that the financial statements of the Village are free of material misstatement. The Village's independent audit involved examining on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, and evaluating the overall financial statement preparation. Based upon the audit, the independent auditor concluded that the Village's financial statements for the year ended April 30, 2022 are fairly presented in conformity with GAAP. The Independent Auditor's Report is presented as the first component of the Financial Section of this report.

GAAP requires that management provide a narrative introduction, overview and analysis to accompany the basic financial statements in the form of Management's Discussion and Analysis (MD&A). The Village's MD&A can be found immediately following the Independent Auditor's Report.

PROFILE OF THE VILLAGE OF BURR RIDGE

Located approximately 20 miles southwest of Chicago in both DuPage and Cook Counties, the Village of Burr Ridge encompasses approximately 7 square miles and is home to over 11,000 residents. The Village, originally named the Village of Harvester, was incorporated on October 30, 1956, and later was renamed to Burr Ridge. The Village current operates as a non-home rule community. The Village operates under the trustee form of government as defined by Illinois Compiled Statutes. The Mayor, Village Clerk, and six trustees are elected at large to serve four-year terms, with three trustees elected every second year. The Village Administrator is appointed by the Mayor with the advice and consent of the Village Board. The Village Administrator hires department heads and is responsible for overseeing the daily operations of the Village through four separate departments, including Administration, Finance, Police and Public Works.

To assist the Village in making policy decisions and meeting legal obligations, the following independent committees have been created to serve in an advisory capacity.

Street Policy Committee

The Street Policy Committee reviews, on an annual basis, the Village's Five-Year Road Improvement Program and makes recommendations to the Board for the upcoming year's Road Improvement Program.

Stormwater Management Committee

The Stormwater Committee acts as a recommending body to advise the Board and staff on ways to maintain and enhance the Village's overall stormwater management system. The Committee is charged with the following responsibilities:

- Minimize the impact that future development will have on the Village's stormwater management system and promote sound engineering practices through the periodic review and update of the Village's stormwater and flood ordinances.
- Review citizen drainage and flood complaints and present recommendations to correct these drainage issues if necessary.
- Study current deficiencies in the stormwater management system and present recommendations to minimize, and possibly eliminate, historic stormwater problems throughout the Village.

<u>Water Committee</u>

The Water Committee reviews the Village's water rate structure and recommendations for major improvements to the Village's water pumping and distribution infrastructure.

Economic Development Committee (EDC)

The EDC is committed to growing a stronger business climate by being an active partner with businesses, investors, and residents. The EDC strengthens economic development in the Village by developing business retention, expansion, and attraction programs, creating and implementing economic development plans and policies, acting as business ambassadors to the community, coordinating with other governments on projects, and submitting an annual Economic Development Position Report to the Village Board at the beginning of each fiscal year.

LOCAL ECONOMY

The Village of Burr Ridge is an affluent community in the southwest suburbs with approximately 4,000 homes. Its property tax base is strong with an assessed valuation averaging a 4% growth over the past five years. Burr Ridge's business community is active with more than 600 businesses and several major corporations. The top employers in the Village employ approximately 4,000 employees. The Village boasts five major hotels and over 20 restaurants and eating establishments.

LONG-TERM FINANCIAL PLANNING

The Village maintains a strong financial position with a high level of fund balance, a diverse tax base, and superior operating performance. In conjunction with the annual budget process, the Village prepares a detailed multi-year financial forecast to help ensure the Village maintains its strong financial position while continuing to provide excellent amenities and services to its residents and business. The Board's central priorities continue to be crime prevention, maintenance of capital infrastructure, developing its economic base, and maintaining property values for Village residents and businesses. The budgeting process provides staff policies and guidelines to plan for personnel, supplies, contractual services, and equipment for continued municipal services to residents and businesses.

MAJOR ACCOMPLISHMENTS AND INITIATIVES

<u>Administration</u>: The Administration Department played a crucial role in the establishment of the Downtown Business Development District, a first-of-its-kind Village tool which will spur new investment in the community's core neighborhood. The Department also introduced a number of new community engagement items, including the launch of new community events, such as the Car Show / Taste of Burr Ridge and Deck the Green along with several new communication tools, such as the new Village website, the monthly Oak Leaf digital newsletter, and other revamped branding platforms. The Village also retired its remaining \$6 million debt obligations thanks to combined work from the Administration and Finance Departments.

Finance: The Village received the GFOA Certificate of Achievement for Excellence in Financial Reporting for the FY2021 Annual Report, as well as the GFOA Distinguished Budget Award for the FY2022 Budget. The Finance Department redesigned the overall budget process, providing for a more streamlined way of collecting budget data from the various departments, and made additional improvements to the format of the FY2023 Budget document submitted to the GFOA Distinguished Budget Award Program.

The Finance Department updated the Village's Purchasing Manual, and upon approval of the Village Board, implemented the practice of issuing purchase orders for all purchases over a specific dollar amount, excluding utilities and various other specific spending categories. The Department also modernized the vendor payment process by initiating a program that offers electronic payment options, and continuing to take advantage of automation available in the Village's ERP system. In addition, the Village continues to enhance its revenue collection processes by streamlining the available options for the payment of various taxes and other fees owed to the Village.

Police: The Police Department received grant funding through the Northern and Middle States Rural Law Enforcement Assistance Program. Staff applied for, and received, the maximum award of \$150,000 over 3 years, for the purchase of twenty (20) FLOCK Public Safety License Plate Recognition Cameras (LPR). The fixed LPR cameras will be strategically placed throughout the community.

In 2022, the Police Department continued the re-accreditation process, completing its second yearly review working toward the Department's fifth CALEA National Accreditation award scheduled for July 2024. The Burr Ridge Police Department received its first accreditation award in 2007.

The Police Department created the position of Community Service Officer (CSO). The CSO is a civilian / nonsworn position created to provide support to sworn officers in patrol. The CSO also conducts ordinance enforcement while working closely with the Community Development Director.

<u>Public Works</u>: The Public Works managed the Village's 2021 Road Program, resurfacing 2.6 miles of local streets, crack sealing an additional 7.0 miles of street pavement, and refreshing the Village's three parking lots (Village Hall, Police and Public Works) with seal coating and new striping.

The 2021 Father's Day Tornado Response included work for several weeks to clear roadways and parkways, remove hazardous and fallen trees, and manage a mutual aid effort provided by neighboring communities and volunteer organizations to mitigate the storm damage and debris disposal.

Village facilities were modernized, including a renovation of the Chasemoor Sanitary Sewage Lift Station by replacing two pumps and station controls, replacement of valving and control systems at the Village's water pumping center, and replacement of all the outmoded fluorescent lighting fixtures at the Public Works garage, using a Com Ed reimbursable grant resulting in annual energy savings of approximately 72%.

Department personnel were reorganized with the creation of a new Community Development Division by a Community Development Director. This reorganization was preceded by the retirement and replacement of a Water & Wastewater Division Supervisor and subsequent replacement of the vacated Assistant Water Operator position.

RELEVANT FINANCIAL POLICES

The Village has established several specific policies to guide its financial operations. These policies address all aspects of the Village's finances including budget development, fund balance reserves, cash management, debt issuance, purchasing, investments, auditor rotation, financial reporting, and capital improvement multi-year planning.

ACKNOWLEDGEMENTS

The Village will once again apply for the Government Finance Officers Association of the United States and Canada (GFOA) Certificate of Achievement for Excellence in Financial Reporting for its Annual Comprehensive financial report. In order to be awarded a Certificate of Achievement, a government must publish an easily readable and efficiently organized Annual Comprehensive financial report. This report must satisfy both generally accepted accounting principles and applicable legal requirements. A Certificate of Achievement is valid for a period of one year only. We believe that our current Annual Comprehensive financial report meets the Certificate of Achievement Program's requirements and are submitting it to the GFOA to determine its eligibility for a certificate.

The preparation of this report was made principally possible by the dedication and hard work of the entire Finance Department, along with all other staff for their assistance in providing the data necessary to prepare the report. Finally, I would like to thank the Mayor and Board for their support in planning and conducting the financial operations of the Village.

Respectfully Submitted,

EVAN BWALTER

Evan Walter Village Administrator

The Village of Burr Ridge is governed by elected officials including the Mayor, six Trustees, and the Village Clerk, each of whom is elected at large to a four-year term. Elections are held every two years.

Elected Officials

Gary Grasso - Mayor *Term Expires May 2025*

Sue Schaus - Village Clerk Term Expires May 2025

CERTIFIED PUBLIC ACCOUNTANTS

INDEPENDENT AUDITORS' REPORT

September 1, 2022

The Honorable Village Mayor Members of the Board of Trustees Village of Burr Ridge, Illinois

Opinions

We have audited the accompanying financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the Village of Burr Ridge, Illinois, as of and for the year ended April 30, 2022, and the related notes to the financial statements, which collectively comprise the Village's basic financial statements as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the Village of Burr Ridge, Illinois, as of April 30, 2022, and the respective changes in financial position and, where applicable, cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Village, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Village's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Village's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Village's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis and budgetary comparison information, as listed in the table of contents, be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Supplementary Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Village of Burr Ridge, Illinois' basic financial statements. The other supplementary information is presented for purposes of additional analysis and are not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, other supplementary information is fairly stated, in all material respects, in relation to the basic financial statements as a whole.

Other Information

Management is responsible for the other information included in the annual report. The other information comprises of the introductory and statistical sections but does not include the basic financial statements and our auditor's report thereon. Our opinions on the basic financial statements do not cover the other information, and we do not express an opinion or any form of assurance thereon.

In connection with our audit of the basic financial statements, our responsibility is to read the other information and consider whether a material inconsistency exists between the other information and the basic financial statements, or the other information otherwise appears to be materially misstated. If, based on the work performed, we conclude that an uncorrected material misstatement of the other information exists, we are required to describe it in our report.

MANAGEMENT'S DISCUSSION AND ANALYSIS

Management's Discussion and Analysis April 30, 2022

This Management's Discussion and Analysis (MD&A) provides the reader with a narrative overview and analysis of the overall financial position and results of operations for the year ended April 30, 2022, for the Village Burr Ridge. Please read it in conjunction with the transmittal letter which can be found in the introductory section of this report and the Village's financial statements, which can be found in the basic financial statements section of this report.

FINANCIAL HIGHLIGHTS

- During the year, government-wide revenues for the primary government totaled \$18,680,512, while expenses totaled \$18,162,980, resulting in an increase of net position of \$517,532.
- The Village's net position increased as a result of this year's operations. Net position of business-type activities increased by \$442,283, or 1.0% and net position of the governmental activities increased by \$75,249 or 0.0%. Contributing factors to the increase in governmental activities was a decrease in the total IMRF net pension liability/(asset) and deferred items of \$389,582 and a decrease in the total Other Post-Employment Benefits (OPEB) liability of \$416,856, offset by decreases in charges for services and operating grants and contributions of \$254,961 and \$524,233, respectively.
- The Village's net position as of April 30, 2022 totaled \$282,680,341 which includes \$287,770,895 net investment in capital assets and \$1,157,792 subject to external restrictions.
- Total governmental funds reported combined ending fund balance of \$6,979,786 of which \$5,282,158 is unassigned and available for spending at the Village's discretion.
- The General Fund reported a decrease this year of \$310,730 or 5.6%, resulting in ending fund balance of \$5,283,790. This decrease was largely due to a transfer to the Village's Debt Service Fund for the early payoff of the Village's remaining outstanding general obligation debt.
- At the end of the fiscal year, the unassigned fund balance for the General Fund was \$5,282,158 or 62.7% of total expenditures and transfers.

OVERVIEW OF THE FINANCIAL STATEMENTS

The MD&A serves as an introduction to the Village's basic financial statements that are comprised of three components: 1) government-wide financial statements, 2) fund financial statements, and 3) notes to the financial statements. Government-wide financial statements provide information on the finances of the Village as a whole and present a long-term view of the Village's finances. Fund financial statements tell how the Village's activities were financed in the short-term as well as what remains for future spending. They also report in greater detail than the government wide statements. Together, these statements allow for in-depth comparison of the Village's financial statements provide additional information essential to a full understanding of the basic financial statements. This annual report also contains supplementary information required by Governmental Accounting Standards Board (GASB).

The *Government-Wide Financial Statements* provide readers with a broad overview of the Village's finances, in a manner similar to private-sector business. The financial statements' focus is on both the Village as a whole (government-wide) and on the major individual funds. Both perspectives (government-wide and major fund) allow the user to address relevant questions, broaden a basis for comparison (year-to-year or government-to-government) and enhance the Village's accountability.

Management's Discussion and Analysis April 30, 2022

OVERVIEW OF THE FINANCIAL STATEMENTS - Continued

Government-Wide Financial Statements

The *Statement of Net Position* reports information on all of the Village's assets/deferred outflows and liabilities/ deferred inflows, with the difference between the two reported as net position. Over time, increases or decreases in net position may serve as a useful indicator of whether the financial position of the Village is improving or deteriorating. Consideration of other nonfinancial factors, such as changes in the Village's property tax base and the condition of the Village's infrastructure, is needed to assess the overall health of the Village.

The *Statement of Activities* presents information showing how the government's net position changed during the most recent fiscal year. All changes in net position are reported as soon as the underlying event giving rise to the change occurs, regardless of the timing of related cash flows. Thus, revenues and expenses are reported in this statement for some items that will only result in cash flows in future fiscal periods (e.g., uncollected taxes and earned but unused vacation leave).

Both of the government-wide financial statements distinguish functions of the Village that are principally supported by taxes and intergovernmental revenues (governmental activities) from other functions that are intended to recover all or a significant portion of their costs through user fees and charges (business-type activities). The governmental activities of the Village include general government, public safety, and public works. The business-type activities of the Village include water and sewer operations.

Fund Financial Statements

A fund is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. The Village, like other local governments, uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements. Fund financial statements provide more detailed information about the Village's most significant funds, rather than about the Village as a whole. All of the funds of the Village can be divided into three categories: governmental funds, proprietary funds, and fiduciary funds.

Governmental Funds: Governmental Funds are used to account for essentially the same functions reported as governmental activities in the government-wide financial statements. However, governmental fund financial statements focus on near-term inflows and outflows of spendable resources, as well as on balances of spendable resources available at the end of the fiscal year. Such information may be useful in evaluating the Village's near-term financing requirements.

Because the focus of governmental funds is narrower than that of the government-wide financial statements, it is useful to compare the information presented for governmental funds with similar information presented for governmental activities in the government-wide financial statements. By doing so, readers may better understand the long-term impact of the government's near-term financing decisions.

Both the governmental fund balance sheet and the governmental fund statement of revenues, expenditures, and changes in fund balances provide a reconciliation to facilitate the comparison between governmental funds and governmental activities.

Management's Discussion and Analysis April 30, 2022

OVERVIEW OF THE FINANCIAL STATEMENTS - Continued

Fund Financial Statements - Continued

Governmental Funds - Continued: The Village maintains eight individual governmental funds. Information is presented separately in the governmental fund balance sheet and in the governmental fund statement of revenues, expenditures, and changes in fund balances for the General Fund, Debt Service and Capital Improvements, which are considered major funds. Data from the other five governmental funds (Motor Fuel Tax, Hotel/Motel Tax, Sidewalk Replacement, Storm Water Management and Equipment Replacement) are combined into a single, aggregated presentation. Individual fund data for each of these nonmajor governmental funds is provided in the form of combining statements in the other supplementary section of this report.

The Village adopts an annual appropriated budget for all of the governmental funds. A budgetary comparison statement for these funds is provided to demonstrate compliance with this budget.

Proprietary Funds: The Village maintains two different types of proprietary funds: enterprise funds and internal service funds. Enterprise funds are used to report the same functions presented as business-type activities in the government-wide financial statements, only in more detail. Internal service funds are an accounting device used to accumulate and allocate costs internally among the Village's various functions.

Proprietary fund financial statements provide the same type of information as the government-wide financial statements, only in more detail. The proprietary fund financial statements provide separate information for the Water Fund and Sewer Fund, which are considered to be major funds of the Village. Conversely, the Information Technology fund is presented in the proprietary fund financial statements in a single column. Individual fund data for the internal service fund is provide elsewhere in this report.

Fiduciary Funds: Fiduciary funds are used to account for resources held for the benefit of parties outside the government. Fiduciary funds are not reflected in the government-wide financial statements because the resources of those funds are not available to support the Village's own programs. The accounting use for fiduciary funds is much like that used for proprietary funds.

Notes to the Financial Statements

The notes provide additional information that is essential to a full understanding of the data provided in the government-wide and fund financial statements.

Other Information

In addition to the basic financial statements and accompanying notes, this report also presents certain required supplementary information concerning the Village's funding of I.M.R.F. and Police pension obligations to provide retirement benefits to its employees. In addition, schedules of budgetary comparison schedules for funds is also presented. The combining statements referred to earlier in connection with non-major governmental funds and internal service fund is presented immediately following the required supplementary information on pensions.

Management's Discussion and Analysis April 30, 2022

GOVERNMENT-WIDE FINANCIAL ANALYSIS

The following table represents the net position as of April 30, 2022. Net position serves over time as a useful indicator of a government's financial position. The following tables show that assets/deferred outflows exceeded liabilities/deferred inflows by \$282,680,341.

	Net Position							
	Governmental			Busine	ss-Type			
		Activi	ties	Acti	vities	Totals		
		2022	2021	2022	2021	2022	2021	
Current and Other Assets	\$ 13	3,340,901	16,277,376	5,002,112	4,139,843	18,343,013	20,417,219	
Capital Assets	248	8,277,834	249,357,564	40,104,199	40,459,330	288,382,033	289,816,894	
Total Assets	261	,618,735	265,634,940	45,106,311	44,599,173	306,725,046	310,234,113	
Deferred Outflows	2	2,845,349	2,408,225	170,813	209,806	3,016,162	2,618,031	
Total Assets/Deferred Outflows	264	,464,084	268,043,165	45,277,124	44,808,979	309,741,208	312,852,144	
Long-Term Liabilities	17	7,877,891	20,940,350	811,986	1,118,164	18,689,877	22,058,514	
Other Liabilities	3	,063,605	1,986,170	355,362	394,968	3,418,967	2,381,138	
Total Liabilities	20),941,496	22,926,520	1,167,348	1,513,132	22,108,844	24,439,652	
Deferred Inflows	4	,151,048	5,820,354	800,975	429,329	4,952,023	6,249,683	
Total Liabilities/Deferred Inflow	s 25	5,092,544	28,746,874	1,968,323	1,942,461	27,060,867	30,689,335	
-								
Net Position								
Net Investment in Capital Assets	247	,800,264	243,335,541	39,970,631	40,459,330	287,770,895	283,794,871	
Restricted	1	,157,792	5,326,571		—	1,157,792	5,326,571	
Unrestricted (Deficit)	(9	9,586,516)	(9,365,821)	3,338,170	2,407,188	(6,248,346)	(6,958,633)	
-								
Total Net Position	239	9,371,540	239,296,291	43,308,801	42,866,518	282,680,341	282,162,809	

A large portion of the Village's net position, \$287,770,895, reflects its investment in capital assets (for example, land, land right of way, construction in progress, streets, buildings, improvements other than buildings, and vehicles and equipment), less any related debt used to acquire those assets that is still outstanding. The Village uses these capital assets to provide services to citizens. Although the Village's investment in its capital assets is reported net of related debt, it should be noted that the resources needed to repay this debt must be provided from other sources, since the capital assets themselves cannot be used to liquidate these liabilities. The negative unrestricted net position for governmental activities is primarily due to the adoption of the provisions of GASB Statement No. 75, Accounting and Financial Reporting for Post Employment Benefits Other Than Pensions.

An additional portion of the Village's net position, in the amount of \$1,157,792, represents resources that are subject to external restrictions on how they may be used.

Management's Discussion and Analysis April 30, 2022

The overall change in net position when comparing 2022 to 2021 was due to a decrease in the IMRF net pension liability/(asset) and deferred items of \$389,582 and a decrease in the total Other Post-Employment Benefits (OPEB) liability of \$416,856 resulting in an increase to net position, offset by a decrease in operating grants and contributions of \$524,233, respectively. Net position of the Village's governmental activities reflects a minimal increase when comparing the 2022 amount of \$239,371,540 to the 2021 amount of \$239,296,291. Net position of business-type activities increased by approximately \$442,283, or 1.0%, when comparing 2022 to 2021.

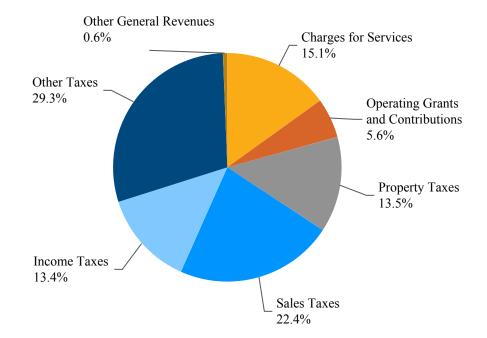

Revenues for governmental activities totaled \$11,607,722, while the cost of all governmental functions totaled \$11,532,473; in FY2021, expenses of \$12,122,077 exceeded revenues of \$10,835,808.

Management's Discussion and Analysis April 30, 2022

GOVERNMENT-WIDE FINANCIAL ANALYSIS - Continued

Governmental Activities

The following chart graphically depicts the major revenue sources of the Village. The Village maintains diverse revenue sources in which no source exceeds 24% of total revenues to fund governmental activities, except for other taxes. The Village relies most heavily on sales taxes, other taxes (hotel tax and places of eating tax), property taxes and charges for services. The chart also clearly identifies the less significant percentage the Village receives from income taxes.

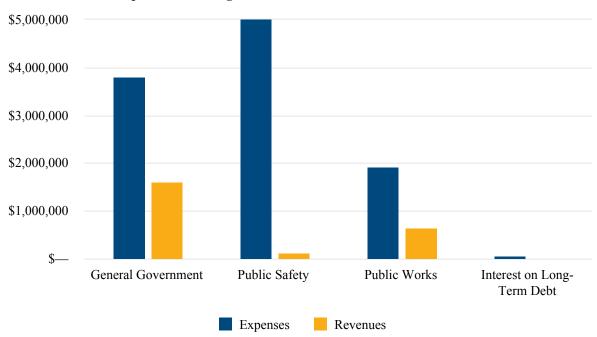

Revenue by Source - Governmental Activities

Management's Discussion and Analysis April 30, 2022

GOVERNMENT-WIDE FINANCIAL ANALYSIS - Continued

Governmental Activities - Continued

The 'Expenses and Program Revenues' Table identifies those governmental functions where program expenses greatly exceed revenues.

Expenses and Program Revenues - Governmental Activities

As depicted in the chart above, general government, public safety and public works expenses far exceed any directly allocated revenues. Unlike the Water and Sewer Funds that are supported by user fees, these activities are substantially tax supported.

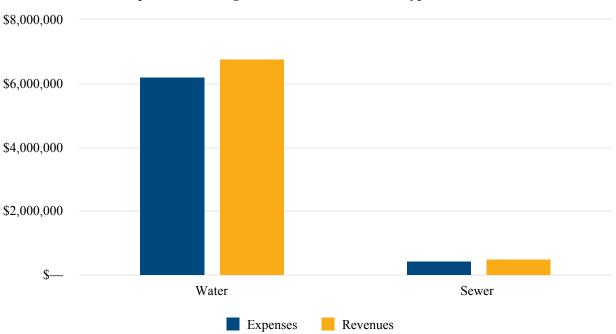

Business-Type Activities

Business-Type activities posted total revenues of \$7,072,790, while the cost of all business-type activities totaled \$6,630,507. This results in an increase of \$442,283. In 2021, expenses of \$7,572,601 exceed revenues of \$6,803,739, resulting in a decrease of \$768,862. The increase in 2022 is due in part to a decrease in IMRF and OPEB liabilities resulting in a negative expense for each of these. In addition, charges for services increase approximately \$583,000 when comparing 2022 to 2021.

Expenses and Program Revenues - Business-Type Activities

The above graph compares program revenues to expenses for the water and sewer operations.

FINANCIAL ANALYSIS OF THE GOVERNMENT'S FUNDS

As noted earlier, the Village uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements.

Governmental Funds

The focus of the Village's governmental funds is to provide information on near-term inflows, outflows, and balances of spendable resources. In particular, unassigned fund balance may serve as a useful measure of a government's net resources available for spending at the end of the fiscal year.

The Village's governmental funds reported combining ending fund balances of \$6,979,786, which is \$4,758,015, or 40.5%, lower than last year's total of \$11,737,801. This decrease is due to depletion of fund balance reported in the Village's Debt Service Fund as of April 30, 2021, as the Village paid off its outstanding general obligation debt in full during 2022. Of the \$6,979,786 total, \$5,282,158, or approximately 75.7%, of the fund balance constitutes unassigned fund balance.

Management's Discussion and Analysis April 30, 2022

FINANCIAL ANALYSIS OF THE GOVERNMENT'S FUNDS - Continued

Governmental Funds - Continued

The General Fund is the chief operating fund of the Village. As mentioned earlier, the General Fund reported a decrease in fund balance for the year of \$310,730, a decrease of 5.6%. This decrease was due to a transfers to the Debt Service Fund to provide funding, in the amount of \$1,218,218, for the full payoff of the Village's outstanding general obligation debt, offset by an increase of tax revenues of \$1,029,049.

At April 30, 2022, unassigned fund balance in the General Fund was \$5,282,158, which represents 100.0% of the total fund balance of the General Fund. As a measure of the General Fund's liquidity, it may be useful to compare unassigned fund balance to total fund expenditures. Unassigned fund balance in the General Fund represents approximately 62.7% of total General Fund expenditures.

The Debt Service Fund had a decrease in fund balance of \$4,804,916. This decrease is due to the full repayment of the general obligation bonds at year-end.

The Capital Improvements Fund reported a decrease in fund balance of \$166,111. This decrease is mainly due to an increase in capital outlay expenditures of \$193,302.

Proprietary Funds

The Village's proprietary funds provide the same type of information found in the government-wide financial statements, but in more detail.

The Village reports the Water Fund as a major proprietary fund. The Water Fund accounts for all financial activities associated with the municipal water service. Fees from consumption of water and tap on fees from building activities provide the primary source of revenue for this fund. Revenues are used to purchase water and to maintain the water delivery infrastructure.

The Village intends to run the fund at a breakeven rate. Periodically, there will be an annual surplus or draw down due to timing of capital projects. The surplus in the Water Fund during the current fiscal year was \$483,438, and the previous fiscal year deficit was \$717,637. Unrestricted net position in the Water Fund totaled \$2,018,398 at April 30, 2022.

The Village also reports the Sewer Fund as a major proprietary fund and is used to account for all financial activities associated with the municipal sewer service in Cook County. Fees for the use of the system provides a source of revenue for the fund. Expenses and reserves are used to maintain the distribution system and provide for the repair and replacement of the sewer system infrastructure. The deficit in the Sewer Fund during the current fiscal year was \$41,155, and the previous fiscal year deficit was \$51,225. Unrestricted net position in the Sewer Fund totaled \$1,319,772 at April 30, 2022.

Management's Discussion and Analysis April 30, 2022

FINANCIAL ANALYSIS OF THE GOVERNMENT'S FUNDS - Continued

GENERAL FUND BUDGETARY HIGHLIGHTS

General Fund actual revenues for the year totaled \$9,648,372, amounting to approximately \$695,000 more than the budgeted revenues of \$8,953,588. The Village Board of Trustees made one revenue budget amendment to the General Fund during the year based on the receipt of grant proceeds that were not reflected in the original budget. Revenues for taxes, intergovernmental, and charges for services were higher than budgeted by \$926,085, \$435,582, and \$22,494, respectively. These were offset by primarily investment income that came in \$470,714 under budget.

General Fund actual expenditures for the year totaled \$8,420,845.00 and were \$532,257 lower than the amounted budgeted due to lower than budgeted expenditures within the general government, public safety and public works functions. Contributing factors to decreased expenditures as compared to budget in the general government, public safety, and public works functions include salary and benefits savings with in the general government and public safety functions.

CAPITAL ASSETS AND DEBT ADMINISTRATION

Capital Assets

The Village's investment in capital assets for its governmental and business type activities as of April 30, 2022 was \$288,382,033 (net of accumulated depreciation). This investment in capital assets includes land, buildings and improvements, vehicles and equipment, and parking lot equipment and improvements.

Governmental capital additions in 2022 amounted to approximately \$728,000, consisting mostly of leased vehicles for the public safety and public works functions. Business-type capital additions amounted to approximately \$776,000, consisting of leased vehicles for the utilities function, as well as additions to the Village's sanitary sewer system.

This year's major additions included:

Construction in Progress	\$ 35,921
Vehicles and Equipment	771,829
Sanitary Sewer Lines	 610,379
	 1,418,129

Additional information on the Village's capital assets can be found in Note 3 of this report.

Debt Administration

As of April 30, 2022, the Village had total outstanding debt of \$611,138 as compared to \$5,996,427 the previous year. In December 2021, the Village retired its outstanding general obligation debt one year prior to its maturity date. The following is a comparative statement of outstanding debt:

		Lo	ng-Term Debt	Outstanding		
	Govern	mental	Business	s-Туре		
	Activ	vities	Activi	ities	Tot	tals
	2022	2021	2022	2021	2022	2021

	477,570	5,996,427	133,568		611,138	5,996,427

The Installment Contracts balance reflected above is outstanding balances of vehicles leases.

Additional information on the Village's long-term debt can be found in Note 3 of this report.

Management's Discussion and Analysis April 30, 2022

ECONOMIC FACTORS AND NEXT YEAR'S BUDGET AND RATES

The elected and appointed officials consider many factors when setting the annual budget, including tax rates and fees that will be charged for its various activities, as well as inflation, unemployment rates, and the continued effects on residents and businesses due to the recent pandemic.

These indicators were taken into account when adopting the budget for fiscal year 2023. The fiscal year 2023 budget includes funding for the core services provided by the Village, as well as funding for capital projects and special events. In addition, the Village feels that its revenues have stabilized and will not be significantly impacted in future years.

REQUESTS FOR INFORMATION

This financial report is designed provide citizens, customers, investors and creditors and for all those with an interest in the government's finances, a general overview of the Village's finances and to demonstrate the Village's accountability for the money it receives. Questions concerning this report or requests for additional financial information should be directed to the Finance Department, Village of Burr Ridge, 7660 County Line Road, Burr Ridge, Illinois 60527.

BASIC FINANCIAL STATEMENTS

The basic financial Statements include integrated sets of financial statements as required by the GASB. The sets of statements include:

Government-Wide Financial Statements

Fund Financial Statements

Governmental Funds

Proprietary Funds

Fiduciary Funds

In addition, the notes to the financial statements are included to provide information that is essential to a user's understanding of the basic financial statements.

Reconciliation of the Statement of Revenues, Expenditures and Changes in Fund Balances of the Governmental Funds to the Statement of Activities - Governmental Activities For the Fiscal Year Ended April 30, 2022

Net Change in Fund Balances - Total Governmental Funds	\$ (4,758,015)
Amounts reported for governmental activities in the Statement of Activities are different because:	
Governmental funds report capital outlays as expenditures. However, in the Statement of Activities the cost of those assets is allocated over their estimated useful lives and reported as depreciation expense.	
Capital Outlays	764,159
Depreciation Expense	(1,782,814)
Disposals - Cost	(1,782,814) (321,524)
Disposals - Cost Disposals - Accumulated Depreciation	260,449
Plus: Internal Service Capital Asset Related Activity	10,930
Thus. Internal Service Capital Asset Related Activity	10,930
The net effect of deferred outflows (inflows) of resources related	
to the pensions not reported in the funds.	
Change in Deferred Items - IMRF	(525,816)
Change in Deferred Items - Police Pension	2,668,452
Change in Deferred Items - Fonce Fension	2,000,432
A deduction to certain revenues recognized as revenue only in the governmental funds.	126,777
The issuance of long-term debt provides current financial resources to	
governmental funds, while the repayment of the principal on long-term	
debt consumes the current financial resources of the governmental funds.	
Change in Compensated Absences	12,179
Change in Net Pension Liability/(Asset) - IMRF	915,398
Change in Net Pension Liability - Police Pension	(3,165,097)
Change in Total OPEB Liability - RBP	416,856
Debt Issuance	(678,850)
Retirement of Debt	6,197,707
Amortization of Bond Premium	25,596
	23,370
Changes to accrued interest on long-term debt in the Statement of Activities	
does not require the use of current financial resources and, therefore, are not	
reported as expenditures in the governmental funds.	44,775
	<u> </u>
Internal service funds are used by the Village to charge the costs of information technology	
to individual funds. The net revenue of certain activities of internal service funds is	
reported with governmental activities.	(135,913)

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The Village of Burr Ridge, Illinois (the Village), is a municipal corporation governed by a seven- member board consisting of six trustees and the mayor. The Village's major operations include police protection, highways and streets maintenance and reconstruction, planning and zoning services, public improvements, economic development, water and sewer, financial and technology services, and general administrative services.

The government-wide financial statements are prepared in accordance with generally accepted accounting principles (GAAP). The Governmental Accounting Standards Board (GASB) is responsible for establishing GAAP for state and local governments through its pronouncements (Statements and Interpretations). The more significant of the Village's accounting policies established in GAAP and used by the Village are described below.

REPORTING ENTITY

The Village's financial reporting entity comprises the following:

Primary Government: Village of Burr Ridge

In determining the financial reporting entity, the Village complies with the provisions of GASB Statement No. 61, "The Financial Reporting Omnibus - an Amendment of GASB Statements No. 14 and No. 34," and includes all component units that have a significant operational or financial relationship with the Village. Based upon the criteria set forth in the GASB Statement No. 61, there are no component units included in the reporting entity.

Police Pension Employees Retirement System

The Village's sworn police employees participate in the Police Pension Employees Retirement System (PPERS). PPERS functions for the benefit of these employees and is governed by a five-member pension board. The pension board is comprised of two members elected from active participants of the fund, one elected pension beneficiary of the fund and two members appointed by the Village's Mayor, with the advice and consent of the Board of Trustees. The participants are required to contribute a percentage of salary as established by Illinois statute and the Village is obligated to fund all remaining PPERS costs based upon actuarial valuations. The State of Illinois is authorized to establish benefit levels and the Village is authorized to approve the actuarial assumptions used in the determination of contribution levels. Although it is legally separate from the Village, the PPERS is reported as if it were part of the primary government because its sole purpose is to provide retirement benefits for the Village's police employees. The PPERS is reported as a fiduciary fund, and specifically a pension trust fund, due to the fiduciary responsibility exercised over the PPERS.

BASIS OF PRESENTATION

Government-Wide Statements

The Village's basic financial statements include both government-wide (reporting the Village as a whole) and fund financial statements (reporting the Village's major funds). Both the government-wide and fund financial statements categorize primary activities as either governmental or business type. The Village's police protection, highways and streets maintenance and reconstruction, planning and zoning services, public improvements, economic development, and general administrative services are classified as governmental activities. The Village's water and sewer services are classified as business-type activities.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

BASIS OF PRESENTATION - Continued

Government-Wide Statements - Continued

In the government-wide Statement of Net Position, both the governmental and business-type activities columns are: (a) presented on a consolidated basis by column, and (b) reported on a full accrual, economic resource basis, which recognizes all long-term assets/deferred outflows and receivables as well as long-term debt/deferred inflows and obligations. The Village's net position is reported in three parts: net investment in capital assets; restricted; and unrestricted. The Village first utilizes restricted resources to finance qualifying activities.

The government-wide Statement of Activities reports both the gross and net cost of each of the Village's functions and business-type activities (general government, public safety, public works, etc.). The functions are supported by general government revenues (property, sales and use taxes, certain intergovernmental revenues, fines, permits and charges, etc.). The Statement of Activities reduces gross expenses (including depreciation) by related program revenues, which include 1) charges to customers or applicants who purchase, use, or directly benefit from foods, services, or privileges provided by a given function or segment and 2) grants and contributions that are restricted to meeting the operational or capital requirements of a particular function or segment.

The net costs (by function or business-type activity) are normally covered by general revenue (property tax, sales tax, intergovernmental revenues, interest income, etc.).

The Village does not allocate indirect costs. An administrative service fee is charged by the General Fund to the other operating funds that is eliminated like a reimbursement (reducing the revenue and expense in the General Fund) to recover the direct costs of General Fund services provided (finance, personnel, purchasing, legal, technology management, etc.).

This government-wide focus is more on the sustainability of the Village as an entity and the change in the Village's net position resulting from the current year's activities.

Fund Financial Statements

The financial transactions of the Village are reported in individual funds in the fund financial statements. Each fund is accounted for by providing a separate set of self-balancing accounts that comprise its assets/deferred outflows, liabilities/deferred inflows, fund equity, revenues and expenditures/expenses. Funds are organized into three major categories: governmental, proprietary, and fiduciary. The emphasis in fund financial statements is on the major funds in either the governmental or business-type activities categories.

GASB Statement No. 34 sets forth minimum criteria (percentage of the assets/deferred outflows, liabilities/ deferred inflows, revenues or expenditures/expenses of either fund category or the governmental and enterprise combined) for the determination of major funds. The Village electively added funds, as major funds, which either had debt outstanding or specific community focus. The nonmajor funds are combined in a column in the fund financial statements. A fund is considered major if it is a primary operating fund of the Village or meets the following criteria:

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

BASIS OF PRESENTATION - Continued

Fund Financial Statements - Continued

Total assets/deferred outflows, liabilities/deferred inflows, revenues, or expenditures/expenses of that individual governmental or enterprise fund are at least 10 percent of the corresponding total for all funds of that category or type; and

Total assets/deferred outflows, liabilities/deferred inflows, revenues, or expenditures/expenses of the individual governmental or enterprise fund are at least 5 percent of the corresponding total for all governmental and enterprise funds combined.

The various funds are reported by generic classification within the financial statements. The following fund types are used by the Village:

Governmental Funds

The focus of the governmental funds' measurement (in the fund statements) is upon determination of financial position and changes in financial position (sources, uses, and balances of financial resources) rather than upon net income. The following is a description of the governmental funds of the Village:

General Fund is the general operating fund of the Village. It is used to account for all financial resources except those required to be accounted for in another fund. The General Fund is a major fund.

Special Revenue Funds are used to account for the proceeds of specific revenue sources that are legally restricted to expenditures for specified purposes. The Village maintains three nonmajor special revenue funds.

Debt Service Funds are used to account for the accumulation of funds for the periodic payment of principal and interest on general long-term debt. The Debt Service Fund is treated as a major fund and is used to account for monies restricted, committed or assigned to pay for principal and interest payments on the Village's debt obligations.

Capital Projects Funds are used to account for financial resources to be used for the acquisition or construction of major capital facilities (other than those financed by business-type/proprietary funds). The Village maintains four capital projects funds. The Capital Improvement Fund, a major fund, is used to account for funds used to pay for the annual road program, arterial street improvements, facility improvements, and other related projects. It is funded by developer donations, grants, and transfers from the General Fund.

Proprietary Funds

The focus of proprietary fund measurement is upon determination of operating income, changes in net position, financial position, and cash flows. The generally accepted accounting principles applicable are those similar to businesses in the private sector. The following is a description of the proprietary funds of the Village.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

BASIS OF PRESENTATION - Continued

Fund Financial Statements - Continued

Proprietary Funds - Continued

Enterprise Funds are required to account for operations for which a fee is charged to external users for goods or services and the activity (a) is financed with debt that is solely secured by a pledge of the net revenues, (b) has third party requirements that the cost of providing services, including capital costs, be recovered with fees and charges or (c) establishes fees and charges based on a pricing policy designed to recover similar costs. The Village maintains two major enterprise funds, the Water Fund and the Sewer Fund, which account for the provisions of water and sewer services to the residents of the Village. All activities necessary to provide such services are accounted for in these funds, including, but not limited to, administration, operations, maintenance, financing and related debt services and billing and collection.

Internal service funds are used to account for the financing of goods or services provided by an activity to other departments, funds or component units of the Village on a cost-reimbursement basis. The Village maintains one internal service fund. The Information Technology Fund is used to account for the acquisition of technology equipment and for technology related services to other departments of the Village.

The Village's internal service fund is presented in the proprietary funds financial statements. Because the principal users of the internal service is the Village's governmental activities, the financial statements of the internal service fund is consolidated into the governmental column when presented in the government-wide financial statements. To the extent possible, the cost of these services is reported in the appropriate functional activity (general government, public safety, public works, etc.).

Fiduciary Funds

Fiduciary funds are used to report assets held in a trustee or custodial capacity for others and therefore are not available to support Village programs. The reporting focus is on net position and changes in net position and is reported using accounting principles similar to proprietary funds.

Pension Trust Funds are used to account for assets held in a trustee capacity for pension benefit payments. The Police Pension Fund accounts for the accumulation of resources to pay retirement and other related benefits for sworn members of the Village's police force.

Custodial Funds are used to account for assets held by the Village in a purely custodial capacity. The Special Assessment Fund is used to account for assets held for the payment of special assessment bonds.

The Village's fiduciary funds are presented in the fiduciary fund financial statements by type (pension trust and custodial). Since by definition these assets are being held for the benefit of a third party (pension participants and others) and cannot be used to address activities or obligations of the Village, these funds are not incorporated into the government-wide statements.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

MEASUREMENT FOCUS AND BASIS OF ACCOUNTING

Measurement focus is a term used to describe "which" transactions are recorded within the various financial statements. Basis of accounting refers to "when" transactions are recorded regardless of the measurement focus applied.

Measurement Focus

On the government-wide Statement of Net Position and the Statement of Activities, both governmental and business-type activities are presented using the economic resources measurement focus as defined below.

In the fund financial statements, the "current financial resources" measurement focus or the "economic resources" measurement focus is used as appropriate.

All governmental funds utilize a "current financial resources" measurement focus. Only current financial assets/ deferred outflows and liabilities/deferred inflows are generally included on their balance sheets. Their operating statements present sources and uses of available spendable financial resources during a given period. These funds use fund balance as their measure of available spendable financial resources at the end of the period.

All proprietary, pension trust, and custodial funds utilize an "economic resources" measurement focus. The accounting objectives of the "economic resources" measurement focus is the determination of operating income, changes in net position (or cost recovery), financial position, and cash flows. All assets/deferred outflows, liabilities/deferred inflows (whether current or noncurrent) associated with their activities are reported. Proprietary and pension trust fund equity is classified as net position.

Basis of Accounting

In the government-wide Statement of Net Position and Statement of Activities, governmental and business-type activities are presented using the accrual basis of accounting. Under the accrual basis of accounting, revenues are recognized when earned and expenses are recorded when the liability/deferred inflow is incurred or economic asset used. Revenues, expenses, gains, losses, assets/deferred outflows, and liabilities/deferred inflows resulting from exchange and exchange-like transactions are recognized when the exchange takes place.

In the fund financial statements, governmental funds are presented on the modified accrual basis of accounting. Under this modified accrual basis of accounting, revenues are recognized when "measurable and available." Measurable means knowing or being able to reasonably estimate the amount. Available means collectible within the current period or within sixty days after year-end. The Village recognizes property taxes when they become both measurable and available in accordance with GASB Codification Section P70. A sixty-day availability period is used for revenue recognition for all other governmental fund revenues, except for sales taxes and utility taxes which use a ninety-day period. Expenditures (including capital outlay) are recorded when the related fund liability is incurred, except for general obligation bond principal and interest which are recognized when due.

In applying the susceptible to accrual concept under the modified accrual basis, those revenues susceptible to accrual are property taxes, sales and use taxes, franchise taxes, licenses, interest revenue, and charges for services. All other revenues are not susceptible to accrual because generally they are not measurable until received in cash.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

MEASUREMENT FOCUS AND BASIS OF ACCOUNTING - Continued

Basis of Accounting - Continued

All proprietary, pension trust, and custodial funds utilize the accrual basis of accounting. Under the accrual basis of accounting, revenues are recognized when earned and expenses are recorded when the liability is incurred or economic asset used.

Proprietary funds distinguish operating revenues and expenses from nonoperating items. Operating revenues and expenses generally result from providing services and producing and delivering goods in connection with a proprietary fund's principal ongoing operations. The principal operating revenues of the Village's enterprise funds and of the Village's internal service funds are charges to customers for sales and services. The Village also recognizes as operating revenue the portion of tap fees intended to recover the cost of connecting new customers to the system. Operating expenses for enterprise funds and internal service funds include the cost of sales and services, administrative expenses, and depreciation on capital assets. All revenues and expenses not meeting this definition are reported as nonoperating revenues and expenses.

ASSETS/DEFERRED OUTFLOWS, LIABILITIES/DEFERRED INFLOWS, AND NET POSITION OR EQUITY

Cash and Investments

Cash and cash equivalents on the Statement of Net Position are considered to be cash on hand, demand deposits, cash with fiscal agent. For the purpose of the proprietary funds "Statement of Cash Flows," cash and cash equivalents are considered to be cash on hand, demand deposits, cash with fiscal agent, and all highly liquid investments with an original maturity of three months or less.

Investments are generally reported at fair value. Short-term investments are reported at cost, which approximates fair value. For investments, the Village categorizes its fair value measurements within the fair value hierarchy established by generally accepted accounting principles. The hierarchy is based on the valuation inputs used to measure the fair value of the asset. Level 1 inputs are quoted prices in active markets for identical assets; Level 2 inputs are significant other observable inputs; Level 3 inputs are significant unobservable inputs.

Interfund Receivables, Payables and Activity

Interfund activity is reported as loans, services provided, reimbursements or transfers. Loans are reported as interfund receivables and payables as appropriate and are subject to elimination upon consolidation. Services provided, deemed to be at market or near market rates, are treated as revenues and expenditures/expenses. Internal service fund services provided and used are not eliminated in the process of consolidation. Reimbursements are when one fund incurs a cost, charges the appropriate benefiting fund and reduces its related cost as a reimbursement. All other interfund transactions are treated as transfers. Transfers between governmental or proprietary funds are netted as part of the reconciliation to the government-wide financial statements.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

ASSETS/DEFERRED OUTFLOWS, LIABILITIES/DEFERRED INFLOWS, AND NET POSITION OR EQUITY - Continued

Receivables

In the government-wide financial statements, receivables consist of all revenues earned at year-end and not yet received. Allowances for uncollectible accounts receivable are based upon historical trends and the periodic aging of accounts receivable. Major receivables balances for governmental activities include property taxes, sales and use taxes, franchise taxes, and grants. Business-type activities report charges for services as their major receivables.

Prepaids

Prepaids are valued at cost, which approximates market, using the first-in/first-out (FIFO) method. Certain payments to vendors reflect costs applicable to future accounting periods and are recorded as prepaids in both the government-wide and fund financial statements. The costs of governmental fund-type prepaids are recorded as expenditures when consumed rather than when purchased.

Capital Assets

Capital assets purchased or acquired with an original cost of \$10,000 or more, depending on asset class, are reported at historical cost or estimated historical cost. Contributed assets are reported at acquisition value as of the date received. Additions, improvements and other capital outlays that significantly extend the useful life of an asset are capitalized. Other costs incurred for repairs and maintenance are expensed as incurred.

The accounting and financial reporting treatment applied to a fund is determined by its measurement focus. General capital assets are long-lived assets of the Village as a whole. When purchased, such assets are recorded as expenditures in the governmental funds and capitalized. Infrastructure such as streets, traffic signals and signs are capitalized. The valuation basis for general capital assets are historical cost, or where historical cost is not available, estimated historical cost based on replacement costs.

Capital assets in the proprietary funds are capitalized in the fund in which they are utilized. The valuation basis for proprietary fund capital assets are the same as those used for the general capital assets. Donated capital assets are capitalized at estimated acquisition value on the date donated.

Depreciation on all assets is computed and recorded using the straight-line method of depreciation over the following estimated useful lives:

Streets	50 Years
Buildings	40 Years
Improvements Other than Buildings	40 Years
Vehicles and Equipment	5 -15 Years
Water Systems	40 - 75 Years
Sanitary Sewer Lines	40 Years

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

ASSETS/DEFERRED OUTFLOWS, LIABILITIES/DEFERRED INFLOWS, AND NET POSITION OR EQUITY - Continued

Deferred Outflows/Inflows of Resources

Deferred outflow/inflow of resources represents an consumption/acquisition of net assets that applies to a future period and therefore will not be recognized as an outflow of resources (expense)/inflow of resources (revenue) until that future time.

Compensated Absences

The Village accrues accumulated unpaid vacation and associated employee-related costs when earned (or estimated to be earned) by the employee. In accordance with GASB Statement No. 16, no liability is recorded for nonvesting accumulation rights to receive sick pay benefits. However, a liability is recognized for that portion of accumulated sick leave that is estimated to be taken as "terminal leave" prior to retirement.

All vacation pay is accrued when incurred in the government-wide and proprietary fund financial statements. A liability for these amounts is reported in the governmental funds only if they have matured, for example, as a result of employee resignations and retirements.

Long-Term Obligations

In the government-wide financial statements, and proprietary fund types in the fund financial statements, longterm debt and other long-term obligations are reported as liabilities in the applicable governmental activities, business-type activities, or proprietary fund type Statement of Net Position. Bond premiums and discounts are deferred and amortized over the life of the bonds using the effective interest method. Bonds payable are reported net of the applicable bond premium or discount. Bond issuance costs are reported as expenses at the time of issuance.

In the fund financial statements, governmental fund types recognize bond premiums and discounts, as well as bond issuance costs, during the current period. The face amount of debt issued is reported as other financing sources. Premiums received on debt issuances are reported as other financing sources while discounts on debt issuances are reported as other financing uses. Issuance costs, whether or not withheld from the actual debt proceeds received, are reported as debt service expenditures.

Net Position

In the government-wide financial statements, equity is classified as net position and displayed in three components:

Net Investment in Capital Assets - Consists of capital assets, including restricted capital assets, net of accumulated depreciation, and reduced by the outstanding balances of any bonds, mortgages, notes or other borrowings that are attributable to the acquisition, construction, or improvement of those assets.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

ASSETS/DEFERRED OUTFLOWS, LIABILITIES/DEFERRED INFLOWS, AND NET POSITION OR EQUITY - Continued

Net Position - Continued

Restricted - Consists of net position with constraints placed on the use either by (1) external groups such as creditors, grantors, contributors, or laws or regulations of other governments; or (2) law through constitutional provisions or enabling legislation.

Unrestricted - All other net position balances that do not meet the definition of "restricted" or "net investment in capital assets."

NOTE 2 - STEWARDSHIP, COMPLIANCE AND ACCOUNTABILITY

BUDGETARY INFORMATION

The Village follows these procedures in establishing the budgetary data reflected in the financial statements:

- 1. The Village Administrator submits to the Board of Trustees a proposed operating budget for the fiscal year commencing the following May 1. The operating budget includes proposed expenditures and the means of financing them.
- 2. Hearings are conducted.
- 3. The Budget Ordinance is legally enacted.
- 4. The Budget Ordinance may be amended by the Board of Trustees.
- 5. The budget is adopted on a basis consistent with generally accepted accounting principles.
- 6. The Village operates under the Budget Act in lieu of appropriations. Annual budgets are adopted for the general, special revenue, except the Business District Fund, debt service, capital projects, enterprise, internal service and pension trust funds.

The level of control (level at which expenditures may not exceed budget) is the Fund. The Village Administrator, as Budget Director, has the authority to amend the budget within the individual fund. Budgets lapse at year end.

During the year, supplemental budget amendments were necessary in the General, Capital Improvements, Storm Water Management, Water, and Police Pension Funds. The amendments are reflected in the financial statements.

EXCESS OF ACTUAL EXPENDITURES OVER BUDGET IN INDIVIDUAL FUNDS

The following funds had an excess of actual expenditures over budget for the fiscal year:

Fund	Excess
Equipment Replacement Police Pension	\$ 584,525 13,072

NOTE 3 - DETAIL NOTES ON ALL FUNDS

DEPOSITS AND INVESTMENTS

The Village maintains a cash and investment pool that is available for use by all funds except the pension trust funds. Each fund type's portion of this pool is displayed on the financial statements as "cash and investments." In addition, investments are separately held by several of the Village's funds. The deposits and investments of the pension trust fund are held separately from those of other funds.

Permitted Deposits and Investments - Illinois Statutes authorizes the Village to make deposits/invest in commercial banks, savings and loan institutions, obligations of the U.S. Treasury and U.S. Agencies, obligations of States and their political subdivisions, credit union shares, repurchase agreements, commercial paper rated within the three highest classifications by at least two standard rating services, and Illinois Funds.

Illinois Funds is an investment pool managed by the Illinois Public Treasurer's Office which allows governments within the State to pool their funds for investment purposes. The Illinois Funds is not registered with the SEC as an investment company. Investments in Illinois Funds are in 2a7-like investment pools that are measured at the net asset value per share determined by the pool.

The deposits and investments of the Pension Fund are held separately from those of other Village funds. Illinois Statutes authorizes the Pension Fund to make deposits/invest in interest bearing direct obligations of the United States of America; obligations that are fully guaranteed or insured as to the payment of principal and interest by the United States of America; bonds, notes, debentures, or similar obligations of agencies of the United States of America; savings accounts or certificates of deposit issued by banks or savings and loan associations chartered by the United States of America or by the State of Illinois, to the extent that the deposits are insured by the agencies or instrumentalities of the federal government; credit unions, to the extent that the deposits are insured by the agencies or instrumentalities of the federal government; State of Illinois bonds; pooled accounts managed by the Illinois Funds Market Fund (Formerly known as IPTIP, Illinois Public Treasurer's Investment Pool), or by banks, their subsidiaries or holding companies, in accordance with the laws of the State of Illinois; bonds or tax anticipation warrants of any county, township, or municipal corporation of the State of Illinois; direct obligations of the State of Israel; money market mutual funds managed by investment companies that are registered under the Federal Investment Company Act of 1940 and the Illinois Securities Law of 1953 and are diversified, open-ended management investment companies, provided the portfolio is limited to specified restrictions; general accounts of life insurance companies; and separate accounts of life insurance companies and mutual funds, the mutual funds must meet specific restrictions, provided the investment in separate accounts and mutual funds does not exceed ten percent of the Pension Fund's plan net position; and corporate bonds managed through an investment advisor, rated as investment grade by one of the two largest rating services at the time of purchase. Pension Funds with plan net position of \$2.5 million or more may invest up to forty-five percent of plan net position in separate accounts of life insurance companies and mutual funds. Pension Funds with plan net position of at least \$5 million that have appointed an investment advisor, may through that investment advisor invest up to forty-five percent of the plan net position in common and preferred stocks that meet specific restrictions. In addition, Pension Funds with plan net position of at least \$10 million that have appointed an investment advisor, may invest up to fifty percent of its net position in common and preferred stocks and mutual funds that meet specific restrictions effective July 1, 2011 and up to fifty-five percent effective July 1, 2012.

Notes to the Financial Statements April 30, 2022

NOTE 3 - DETAIL NOTES ON ALL FUNDS - Continued

DEPOSITS AND INVESTMENTS - Continued

Village - Interest Rate Risk, Credit Risk, Custodial Credit Risk, and Concentration Risk - Continued

Investments - Continued. Debt Securities classified in Level 2 of the fair value hierarchy are valued using a matrix pricing technique. Matrix pricing is used to value securities based on the securities' relationship to benchmark quoted prices.

Interest Rate Risk. Interest rate risk is the risk that changes in interest rates will adversely affect the fair value of an investment. In accordance with its investment policy, the Village limits its exposure by structuring the portfolio to provide liquidity for short and long-term cash flow needs while providing a reasonable rate of return based on the current market.

Credit Risk. Credit risk is the risk that an issuer or other counterparty to an investment will not fulfill its obligations. The Village limits its exposure by primarily investing in external investment pools. At year-end, the Village's investments in U.S. agency obligations were AA+ by Standard & Poor's, state and local obligations are rated AA- to AAA by Standard & Poor's, and the Illinois Funds is rated AAAm by Standard & Poor's.

Custodial Credit Risk. In the case of deposits, this is the risk that in the event of a bank failure, the Village's deposits may not be returned to it. The Village's investment policy requires pledging of collateral with a fair value of at least 102% of all bank balances in excess of federal depository insurance with the collateral held by an independent third party of the Federal Reserve Bank of Chicago in the Village's name. At year-end, the entire amount of the bank balance of deposits was covered by collateral, federal depository or equivalent insurance.

For an investment, this is the risk that in the event of the failure of the counterparty, the Village will not be able to recover the value of its investments or collateral securities that are in the possession of an outside party. To limits its exposure, the Village's investment policy requires all investments be limited to the safest types of securities invested with pre-qualified institutions, broker/dealers, intermediaries and advisors and soundly diversified. The Village's investment in the Illinois Funds is not subject to custodial credit risk.

Concentration Risk. This is the risk of loss attributed to the magnitude of the Village's investment in a single issuer. The Village's investment policy requires diversification of investments to avoid unreasonable risk but has no set percentage limits. At year-end, the Village does not have any investments over 5 percent of cash and investments (other than investments issued or explicitly guaranteed by the U.S. government and investments in mutual funds, external investment pools, and other pooled investments).

NOTE 3 - DETAIL NOTES ON ALL FUNDS - Continued

DEPOSITS AND INVESTMENTS - Continued

Police Pension Fund - Interest Rate Risk, Credit Risk, Custodial Credit Risk, and Concentration Risk - Continued

Investments - Continued. Debt Securities classified in Level 2 of the fair value hierarchy are valued using a matrix pricing technique. Matrix pricing is used to value securities based on the securities' relationship to benchmark quoted prices.

Interest Rate Risk. In accordance with the Fund's investment policy, the Fund limits its exposure to interest rate risk by structuring the portfolio to provide liquidity for all reasonably anticipated operating requirements while providing a reasonable rate of return based on the current market.

Credit Risk. The Fund helps limit its exposure to credit risk by primarily investing in obligations guaranteed by the United States Government and securities issued by certain agencies of the United States Government that are explicitly or implicitly guaranteed by the United States Government. The Fund's investment policy also prescribes to the "prudent person" rule, which states, "Investments shall be made with judgement and care, under circumstances then prevailing, which persons of prudence, discretion, and intelligence exercise in the management of their own affairs, not for speculation, bur for investment, considering the primary objective of safety as well as the secondary objective of the attainment of market rates of return". The U.S. Agency securities are rated Aaa by Moody's, the state and local obligations are rated not rated or AA to AAA by Standard & Poor's, and the corporate bond ratings are not available.

Custodial Credit Risk. The Fund's investment policy requires pledging of collateral for all investments in excess of federal depository insurance, at an amount not less than 100% of the fair market value of the funds secured, with the collateral held by the Village, an independent third party or the Federal Reserve Bank of Chicago. At year-end, the entire amount of the bank balance of deposits was covered by collateral, federal depository or equivalent insurance.

For investments, the Fund's investment policy limits its exposure by requiring that all security transactions, that are exposed to custodial credit risk are held by a third party agent.

Concentration Risk. The Fund's investment policy requires diversification of investments to avoid unreasonable risk. In addition to the securities and fair values listed above, the Fund also has \$12,664,178 invested in mutual funds. At year-end, the Fund has no investments over 5 percent of net plan assets available for retirement benefits (other than investments issued or explicitly guaranteed by the U.S. government and investments in mutual funds, external investment pools, and other pooled investments).

NOTE 3 - DETAIL NOTES ON ALL FUNDS - Continued

DEPOSITS AND INVESTMENTS - Continued

Police Pension Fund - Interest Rate Risk, Credit Risk, Custodial Credit Risk, and Concentration Risk - Continued

Concentration of Credit Risk - Continued. The Fund's investment policy in accordance with Illinois Compiled Statutes (ILCS) establishes the following target allocation across asset classes:

		Long-Term
		Expected Real
Asset Class	Target	Rate of Return
Fixed Income	40%	1.0%
U.S. Large Cap Equity Funds	36%	6.3%
U.S. Small Cap Equity Funds	15%	7.9%
International Equity	9%	6.8%
Cash and Cash Equivalents	0%	0.0%

Illinois Compiled Statutes (ILCS) limit the Fund's investments in equities, mutual funds and variable annuities to 65%. Securities in any one company should not exceed 5% of the total fund.

The long-term expected rate of return on the Fund's investments was determined using an asset allocation study conducted by the Fund's investment management consultant in June 2021 in which best-estimate ranges of expected future real rates of return (net of pension plan investment expense and inflation) were developed for each major asset class. These ranges were combined to produce the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding the expected inflation. Best estimates or arithmetic real rates of return for each major asset class included in the Fund's target asset allocation as of April 30, 2022 are listed in the table above.

Rate of Return

For the year ended April 30, 2022, the annual money-weighted rate of return on pension plan investments, net of pension plan investment expense, was (8.00%). The money-weighted rate of return expresses investment performance, net of investment expense, adjusted for the changing amounts actually invested.

PROPERTY TAXES

Property taxes for 2021 attach as an enforceable lien on January 1, on property values assessed as of the same date. Taxes are levied by December of the subsequent fiscal year (by passage of a Tax Levy Ordinance). Tax bills are prepared by Cook County and issued on or about February 1 and August 1, and are payable in two installments, on or about March 1 and September 1 during the following year. Tax bills are prepared by DuPage County on or about May 1, and are payable in two installments on or about June 1 and September 1. The County collects such taxes and remits them periodically. The allowance for uncollectible taxes has been stated at 1% of the tax levy to reflect actual collection experience.

NOTE 3 - DETAIL NOTES ON ALL FUNDS - Continued

INTERFUND RECEIVABLES, PAYABLES AND TRANSFERS

Interfund Balances

The composition of interfund balances as of the date of this report is as follows:

Receivable Fund	Payable Fund	Amount	
Police Pension	General	\$	4,185

Interfund balances result from the time lag between when transactions are recorded in the accounting system and payments between funds are made.

Interfund Transfers

Interfund transfers for the year consisted of the following:

Transfer In	Transfer Out		Amount
		¢	25 201 (1)
General	Nonmajor Governmental	\$	25,201 (1)
Debt Service	General		1,218,818 (3)
Capital Improvements	General		160,000 (2)
Capital Improvements	Nonmajor Governmental		521,720 (1)
Nonmajor Governmental	General		250,000 (2)
			2,175,739

Transfers are used to (1) move revenues from the fund that statute or budget requires to collect them to the fund that statute or budget requires to expend them, (2) use unrestricted revenues collected in the General Fund to finance capital projects in accordance with budgetary authorizations, and (3) move receipts restricted to debt service from the funds collecting the receipts to the Debt Service Fund as debt service payments become due.

LONG-TERM DEBT

General Obligation Bonds

The Village issues general obligation bonds to provide funds for the acquisition and construction of major capital facilities. General obligation bonds have been issued for governmental activities. General obligation bonds are direct obligations and pledge the full faith and credit of the Village. General obligation bonds currently outstanding are as follows:

Ţ	Fund Debt	Beginning	Ŧ		Ending
Issue	Retired by	Balances	Issuances	Retirements	Balances
General Obligation Refunding Bonds of 2017 (\$5,970,000), due in one installment of \$5,970,000 plus interest at 2.00% through December 15, 2022.	Debt Service	\$ 5,970,000		5,970,000	

Installment Contracts Payable

The Village also issues installment contracts payable to provide funds for the purchase of capital assets. Installment contracts currently outstanding are as follows:

Ţ	Fund Debt	Beginning			Ending
Issue	Retired by	Balances	Issuances	Retirements	Balances
Installment Contract of 2021, due in annual installments of \$5,132 plus interest at 1.35% through March 3, 2026.	Equipment Replacement	\$ 26,427	_	4,351	22,076

Totals	 477,570	115,036	133,568	28,381

Legal Debt Margin

Chapter 65, Section 5/8-5-1 of the Illinois Compiled Statutes provides, "...no municipality having a population of less than 500,000 shall become indebted in any manner or for any purpose, to an amount, including existing indebtedness in the aggregate exceeding 8.625% on the value of the taxable property therein, to be ascertained by the last assessment for state and county purposes, previous to the incurring of the indebtedness or, until January 1, 1983, if greater, the sum that is produced by multiplying the municipality's 1978 equalized assessed valuation by the debt limitation percentage in effect on January 1, 1979."

Assessed Valuation - 2020	\$ 1,266,997,946
Legal Debt Limit - 8.625% of Equalized Assessed Value Amount of Debt Applicable to Limit	109,278,573
Legal Debt Margin	109,278,573

As of the date of the report, the 2021 tax levy assessed valuation is not available.

NOTE 3 - DETAIL NOTES ON ALL FUNDS - Continued

OPERATING LEASES

The Village leases an office space and has various antenna leases. These leases are accounted as operating leases and generated revenue of approximately \$405,421 for the fiscal year 2022. Following are the minimum expected revenue and cash receipts related to the leases:

Fiscal	Exp	Expected Rent		
Year	Incor	me/Receipts		
2023	\$	414,773		
2024		353,309		
2025		220,294		
2026		174,446		
2027		161,963		
2028		138,769		
		1,463,554		

NET POSITION CLASSIFICATIONS

Net investment in capital assets was comprised of the following as of April 30, 2022:

Governmental Activities Capital Assets - Net of Accumulated Depreciation	\$ 248,277,834
Less Capital Related Debt:	
Installment Contracts	(477,570)
Net Investment in Capital Assets	247,800,264
Business-Type Activities Capital Assets - Net of Accumulated Depreciation	40,104,199
Less Capital Related Debt:	
Installment Contracts	(133,568)
Net Investment in Capital Assets	39,970,631

Notes to the Financial Statements April 30, 2022

NOTE 3 - DETAIL NOTES ON ALL FUNDS - Continued

FUND BALANCE CLASSIFICATIONS

In the governmental funds financial statements, the Village considers restricted amounts to have been spent when an expenditure is incurred for purposes for which both restricted and unrestricted fund balance is available. The Village first utilizes committed, then assigned and then unassigned fund balance when an expenditure is incurred for purposes for which all three unrestricted fund balances are available.

Nonspendable Fund Balance. Consists of resources that cannot be spent because they are either: a) not in a spendable form; or b) legally or contractually required to be maintained intact.

Restricted Fund Balance. Consists of resources that are restricted to specific purposes, that is, when constraints placed on the use of resources are either: a) externally imposed by creditors (such as through debt covenants), grantors, contributors, or laws or regulations of other governments; or b) imposed by law through constitutional provisions or enabling legislation.

Committed Fund Balance. Consists of resources constrained (issuance of an ordinance) to specific purposes by the government itself, using its highest level of decision-making authority, the Board of Trustees; to be reported as committed, amounts cannot be used for any other purpose unless the government takes the same highest-level action to remove or change the constraint.

Assigned Fund Balance. Consists of amounts that are constrained by the Board of Trustees' intent to be used for specific purposes but are neither restricted nor committed. Intent is expressed by a) the Board of Trustees itself or b) a body or official to which the Board of Trustees has delegated the authority to assign amounts to be used for specific purposes. The Village's highest level of decision-making authority is the Board of Trustees, who is authorized to assign amounts to a specific purpose.

Unassigned Fund Balance. Consists of residual net resources of a fund that has not been restricted, committed, or assigned within the General Fund and deficit fund balances of other governmental funds.

Minimum Fund Balance Policy. The Village's fund balance policy states the unassigned fund balance of the General Fund should be a minimum of 20% of the current fiscal year's operating budget.

NOTE 3 - DETAIL NOTES ON ALL FUNDS - Continued

FUND BALANCE CLASSIFICATIONS - Continued

The following is a schedule of fund balance classifications for the governmental funds as of the date of this report:

				Capital Projects		
			Debt	Capital		
	C	eneral	Service	Improvements	Nonmajor	Totals

Unassigned		5,282,158		_		5,282,158
Total Fund Balances		5,283,790		131,117	1,564,879	6,979,786

RISK MANAGEMENT

Intergovernmental Personnel Benefit Cooperative (IPBC)

Risks for medical and death benefits for employees and retirees are provided for through the Village's participation in the Intergovernmental Personnel Benefit Cooperative (IPBC). IPBC acts as an administrative agency to receive, process and pay such claims as may come within the benefit program of each member. IPBC maintains specific reinsurance coverage for claims in excess of \$50,000 per individual employee participant. The Village pays premiums to IPBC based upon current employee participation and its prior experience factor with the pool. Current year overages or underages for participation in the pool are adjusted into subsequent years experience factor for premiums. There were no significant changes in insurance coverages from the prior year and settlements did not exceed insurance coverage in any of the past three fiscal years.

NOTE 3 - DETAIL NOTES ON ALL FUNDS - Continued

RISK MANAGEMENT - Continued

Intergovernmental Risk Management Agency (IRMA)

The Village also participates in the Intergovernmental Risk Management Agency (IRMA). IRMA is an organization of municipalities and special districts in Northeastern Illinois which have formed an association under the Illinois Intergovernmental Cooperations Statute to pool its risk management needs.

The agency administers a mix of self-insurance and commercial insurance coverages; property/casualty and workers' compensation claim administration/litigation management services; unemployment claim administration; extensive risk management/loss control consulting and training programs; and a risk information system and financial reporting service for its members.

The Village's payments to IRMA are displayed on the financial statements as expenditures/expenses in appropriate funds. Each member assumes the first \$2,500 of each occurrence, and IRMA has a mix of self-insurance and commercial insurance at various amounts about that level. Each member appoints one delegate, along with an alternate delegate, to represent the member on the Board of Directors. The Village does not exercise any control over the activities of the Agency beyond its representation on the Board of Directors. Initial contributions are determined each year based on the individual member's eligible revenue as defined in the bylaws of IRMA and experience modification factors based on past member loss experience. Members have a contractual obligation to fund any deficit of IRMA attributable to a membership year during which they were a member. Supplemental contributions may be required to fund these deficits.

CONTINGENT LIABILITIES

Litigation

The Village is a defendant in various lawsuits. Although the outcome of these lawsuits is not presently determinable, in the opinion of the Village's attorneys, the resolution of these matters will not have a material adverse effect on the financial condition of the Village.

Grants

Amounts received or receivable from grantor agencies are subject to audit and adjustment by grantor agencies, principally the federal government. Any disallowed claims, including amounts already collected, may constitute a liability of the applicable funds. The amount, if any, of expenditures which may be disallowed by the grantor cannot be determined at this time although the Village expects such amounts, if any, to be immaterial.

Financial Impact from COVID-19

In March 2020, the World Health Organization declared the COVID-19 virus a public health emergency. As of the date of this report, the extent of the impact of COVID-19 on the Village's operations and financial position cannot be determined.

NOTE 4 - OTHER INFORMATION

EMPLOYEE RETIREMENT SYSTEM - DEFINED BENEFIT PENSION PLANS

The Village contributes to two defined benefit pension plans, the Illinois Municipal Retirement Fund (IMRF), a defined benefit agent multiple-employer public employee retirement system, and the Police Pension Plan, which is a single-employer pension plan. Publicly available financial reports that include financial statements and required supplementary information (RSI) for the Police Pension Plan may be obtained by writing to the Village at 7660 County Line Road, Burr Ridge, Illinois 60527. IMRF issues a publicly available financial report that includes financial statements and required supplementary information for the plan as a whole, but not by individual employer. That report may be obtained online at <u>www.imrf.org</u>. The benefits, benefit levels, employee contributions, and employer contributions are governed by Illinois Compiled Statutes (ILCS) and can only be amended by the Illinois General Assembly.

The aggregate amounts recognized for the pension plans are:

		Pension	Net	Deferred	Deferred
	Expense/		Pension	Outflows of	Inflows of
	(Revenue)		Liability/(Asset)	Resources	Resources
IMRF	\$	(348,721)	(1,338,203)	421,354	1,975,813
Police Pension		1,406,951	13,687,908	2,594,808	1,637,541
		2,036,775	14,373,782	3,792,005	2,290,135

Illinois Municipal Retirement Fund (IMRF)

Plan Descriptions

Plan Administration. All employees (other than those covered by the Police Pension Plan) hired in positions that meet or exceed the prescribed annual hourly standard must be enrolled in IMRF as participating members. The plan is accounted for on the economic resources measurement focus and the accrual basis of accounting. Employer and employee contributions are recognized when earned in the year that the contributions are required, benefits and refunds are recognized as an expense and liability when due and payable.

Benefits Provided. IMRF has three benefit plans. The vast majority of IMRF members participate in the Regular Plan (RP). The Sheriff's Law Enforcement Personnel (SLEP) plan is for sheriffs, deputy sheriffs, and selected police chiefs. Counties could adopt the Elected County Official (ECO) plan for officials elected prior to August 8, 2011 (the ECO plan was closed to new participants after that date).

NOTE 4 - OTHER INFORMATION - Continued

EMPLOYEE RETIREMENT SYSTEM - DEFINED BENEFIT PENSION PLANS - Continued

Illinois Municipal Retirement Fund (IMRF) - Continued

Plan Descriptions - Continued

Benefits Provided - Continued. IMRF provides two tiers of pension benefits. Employees hired *before* January 1, 2011, are eligible for Tier 1 benefits. Tier 1 employees are vested for pension benefits when they have at least eight years of qualifying service credit. Tier 1 employees who retire at age 55 (at reduced benefits) or after age 60 (at full benefits) with eight years of service are entitled to an annual retirement benefit, payable monthly for life, in an amount equal to 1-2/3% of the final rate of earnings for the first 15 years of service credit, plus 2% for each year of service credit after 15 years to a maximum of 75% of their final rate of earnings. Final rate of earnings is the highest total earnings during any consecutive 48 months within the last 10 years of service, divided by 48. Under Tier 1, the pension is increased by 3% of the original amount on January 1 every year after retirement.

Employees hired on or after January 1, 2011, are eligible for Tier 2 benefits. For Tier 2 employees, pension benefits vest after ten years of service. Participating employees who retire at age 62 (at reduced benefits) or after age 67 (at full benefits) with ten years of service are entitled to an annual retirement benefit, payable monthly for life, in an amount equal to 1-2/3% of the final rate of earnings for the first 15 years of service credit, plus 2% for each year of service credit after 15 years to a maximum of 75% of their final rate of earnings. Final rate of earnings is the highest total earnings during any 96 consecutive months within the last 10 years of service, divided by 96. Under Tier 2, the pension is increased on January 1 every year after retirement, upon reaching age 67, by the lesser of:

- 3% of the original pension amount, or
- 1/2 of the increase in the Consumer Price Index of the original pension amount.

Plan Membership. As of December 31, 2021, the measurement date, the following employees were covered by the benefit terms:

Inactive Plan Members Currently Receiving Benefits	35
Inactive Plan Members Entitled to but not yet Receiving Benefits	31
Active Plan Members	26
Total	92

Contributions. As set by statute, the Village's Regular Plan Members are required to contribute 4.50% of their annual covered salary. The statute requires employers to contribute the amount necessary, in addition to member contributions, to finance the retirement coverage of its own employees. For the year-ended April 30, 2022, the Village's contribution was 11.45% of covered payroll.

Net Pension Liability/(Asset). The Village's net pension liability/(asset) was measured as of December 31, 2021. The total pension liability used to calculate the net pension liability/(asset) was determined by an actuarial valuation as of that date.

Actuarial Assumptions. The total pension liability was determined by an actuarial valuation performed, as of December 31, 2021, using the following actuarial methods and assumptions:

Actuarial Cost Method	Entry Age Normal
Asset Valuation Method	Fair Value
Actuarial Assumptions Interest Rate	7.25%
Salary Increases	2.85% to 13.75%
Cost of Living Adjustments	2.25%
Inflation	2.25%

For nondisabled retirees, the Pub-2010, Amount-Weighted, below-median income, General, Retiree, Male (adjusted 106%) and Female (adjusted 105%) tables, and future mortality improvements projected using scale MP-2020. For disabled retirees, the Pub-2010, Amount-Weighted, below-median income, General, Disabled Retiree, Male and Female (both unadjusted) tables, and future mortality improvements projected using scale MP-2020. For active members, the Pub-2010, Amount-Weighted, below-median income, General, Employee, Male and Female (both unadjusted) tables, and future mortality improvements projected using scale MP-2020.

The long-term expected rate of return on pension plan investments was determined using a building-block method in which best-estimate ranges of expected future real rates of return (expected returns, net of pension plan investment expense, and inflation) are developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by weighting the expected future real rates of return to the target asset allocation percentage and adding expected inflation. The target allocation and best estimates of geometric real rates of return for each major asset class are summarized in the following table:

Blended	10.00%	4.30% - 8.10%
Cash and Cash Equivalents	1.00%	1.70%
*		

Discount Rate

The discount rate used to measure the total pension liability was 7.25%, the same as the prior valuation. The projection of cash flows used to determine the discount rate assumed that member contributions will be made at the current contribution rate and that Village contributions will be made at rates equal to the difference between the actuarially determined contribution rates and the member rate. Based on those assumptions, the Fund's fiduciary net position was projected to be available to make all project future benefit payments of current plan members. Therefore, the long-term expected rate of return on pension plan investments was applied to all period of projected benefit payments to determine the total pension liability.

Discount Rate Sensitivity

The following is a sensitivity analysis of the net pension liability/(asset) to changes in the discount rate. The table below presents the net pension liability/(asset) of the Village calculated using the discount rate as well as what the Village's net pension liability/(asset) would be if it were calculated using a discount rate that is one percentage point lower or one percentage point higher than the current rate:

			Current		
	1%	6 Decrease	Discount Rate	1% Increase	
		(6.25%)	(7.25%)	(8.25%)	
Net Pension Liability/(Asset)	\$	416,905	(1,338,203)	(2,711,148)

EMPLOYEE RETIREMENT SYSTEM - DEFINED BENEFIT PENSION PLANS - Continued

Police Pension Plan

Plan Descriptions

Plan Administration. The Police Pension Plan is a single-employer defined benefit pension plan that covers all sworn police personnel. The defined benefits and employee and minimum employer contribution levels are governed by Illinois Compiled Statutes (40 ILCS 5/3-1) and may be amended only by the Illinois legislature. The Village accounts for the Fund as a pension trust fund. The Fund is governed by a five-member pension board. Two members of the Board are appointed by the Village Mayor, one member is elected by pension beneficiaries and two members are elected by active police employees.

Plan Membership. At April 30, 2022, the measurement date, membership consisted of the following:

Inactive Plan Members Currently Receiving Benefits	23
Inactive Plan Members Entitled to but not yet Receiving Benefits	6
Active Plan Members	24
Total	53

Benefits Provided. The following is a summary of the Police Pension Plan as provided for in Illinois State Statutes.

The Police Pension Plan provides retirement benefits through two tiers of benefits as well as death and disability benefits. Covered employees hired before January 1, 2011 (Tier 1), attaining the age of 50 or older with 20 or more years of creditable service are entitled to receive an annual retirement benefit of $\frac{1}{2}$ of the salary attached to the rank held on the last day of service, or for one year prior to the last day, whichever is greater. The annual benefit shall be increased by 2.5 percent of such salary for each additional year of service over 20 years up to 30 years, to a maximum of 75 percent of such salary. Employees with at least eight years but less than 20 years of credited service may retire at or after age 60 and receive a reduced benefit. The monthly benefit of a police officer who retired with 20 or more years of service after January 1, 1977 shall be increased annually, following the first anniversary date of retirement and be paid upon reaching the age of at least 55 years, by 3 percent of the original pension and 3 percent compounded annually thereafter.

NOTE 4 - OTHER INFORMATION - Continued

EMPLOYEE RETIREMENT SYSTEM - DEFINED BENEFIT PENSION PLANS - Continued

Police Pension Plan - Continued

Plan Descriptions - Continued

Benefits Provided - Continued. Covered employees hired on or after January 1, 2011 (Tier 2), attaining the age of 55 or older with 10 or more years of creditable service are entitled to receive an annual retirement benefit equal to the average monthly salary obtained by dividing the total salary of the police officer during the 48 consecutive months of service within the last 60 months of service in which the total salary was the highest by the number of months of service in that period. Police officer salary for the pension purposes is capped at \$106,800, plus the lesser of $\frac{1}{2}$ of the annual change in the Consumer Price Index or 3 percent compounded. The annual benefit shall be increased by 2.5 percent of such a salary for each additional year of service over 20 years up to 30 years to a maximum of 75 percent of such salary. Employees with at least 10 years may retire at or after age 50 and receive a reduced benefit (i.e., $\frac{1}{2}$ percent for each month under 55). The monthly benefit of a Tier 2 police officer shall be increased annually at age 60 on the January 1st after the police officer retires, or the first anniversary of the pension starting date, whichever is later. Noncompounding increases occur annually, each January thereafter. The increase is the lesser of 3 percent of $\frac{1}{2}$ of the change in the Consumer Price Index for the proceeding calendar year.

Contributions. Covered employees are required to contribute 9.91% of their base salary to the Police Pension Plan. If an employee leaves covered employment with less than 20 years of service, accumulated employee contributions may be refunded without accumulated interest. The Village is required to contribute the remaining amounts necessary to finance the plan and the administrative costs as actuarially determined by an enrolled actuary. However, effective January 1, 2011, ILCS requires the Village to contribute a minimum amount annually calculated using the projected unit credit actuarial cost method that will result in the funding of 90% of the past service cost by the year 2040. For the year-ended April 30, 2022, the Village's contribution was 33.36% of covered payroll.

Concentrations. At year end, the Pension Plan does not have any investments over 5 percent of net plan position available for retirement benefits (other than investments issued or explicitly guaranteed by the U.S. government and investments in mutual funds, external investment pools, and other pooled investments).

EMPLOYEE RETIREMENT SYSTEM - DEFINED BENEFIT PENSION PLANS - Continued

Police Pension Plan - Continued

Actuarial Assumptions

The total pension liability was determined by an actuarial valuation performed, as of April 30, 2022, using the following actuarial methods and assumptions:

Actuarial Cost Method	Entry Age Normal
Asset Valuation Method	Fair Value
Actuarial Assumptions	
Interest Rate	7.00%
Salary Increases	4.00% to 7.87%
Cost of Living Adjustments	2.25%
Inflation	2.25%

Mortality rates were based on the Sex Distinct Raw Rates as developed in the PubS-2010(A) Study. Mortality improvement uses MP-2019 improvement rates applied on a fully generational basis.

Discount Rate

A Single Discount Rate of 6.49% was used to measure the total pension liability, while the prior year used a discount rate of 6.55%. The projection of cash flow used to determine this Single Discount Rate assumed that the plan members' contributions will be made at the current contribution rate, and that employer contributions will be made at rates equal to the difference between actuarially determined contribution rates and the member rate. The Single Discount Rate reflects:

- 1. The long-term expected rate of return on pension plan investments (during the period in which the fiduciary net position is projected to be sufficient to pay benefits), and
- 2. The tax-exempt municipal bond rate based on an index of 20-year general obligation bonds with an average AA credit rating (which is published by the Federal Reserve) as of the measurement date (to the extent that the contributions for use with the long-term expected rate of return are not met).

For the purpose of the most recent valuation, the expected rate of return on plan investments is 7.00%, the municipal bond rate is 3.21%, and the resulting single discount rate is 6.49%.

OTHER POST-EMPLOYMENT BENEFITS

General Information about the OPEB Plan

Plan Description. The Village's defined benefit OPEB plan, Retiree Benefits Plan (RBP), provides OPEB for all permanent full-time general and public safety employees of the Village. RBP is a single-employer defined benefit OPEB plan administered by the Village. Article 11 of the State Compiled Statutes grants the authority to establish and amend the benefit terms and financing requirements to the Village Board. No assets are accumulated in a trust that meets the criteria in paragraph 4 of Statement 75.

Benefits Provided. RBP provides healthcare, dental and vision for retirees. Eligibility is based on the IMRF and Police Officers plans. Coverage ends when the retiree stops paying for it. Spouses and dependents of eligible retirees are also eligible for benefits at 100% of the premium costs. Coverage ends at the same time as the retiree.

Plan Membership. As of April 30, 2022, the measurement date, the following employees were covered by the benefit terms:

Inactive Plan Members Currently Receiving Benefits	9
Inactive Plan Members Entitled to but not yet Receiving Benefits	—
Active Plan Members	52
Total	61

Total OPEB Liability

The Village's total OPEB liability was measured as of April 30, 2022, and was determined by an actuarial valuation as of April 30, 2021.

Actuarial Assumptions and Other Inputs. The total OPEB liability in the April 30, 2022 actuarial valuation was determined using the following actuarial assumptions and other inputs, applied to all periods included in the measurement, unless otherwise specified:

NOTE 4 - OTHER INFORMATION - Continued

Sensitivity of the Total OPEB Liability to Changes in the Discount Rate

The discount rate used to measure the total pension liability was 3.21%, while the prior valuation used 2.27%. The following presents the total OPEB liability, calculated using the discount rate, as well as what the total OPEB liability would be if it were calculated using a discount rate that is one percentage point lower or one percentage point higher:

		Current				
		1% Decrease	Discount Rate	1% Increase		
	((3.21%)	(4.21%)		
Total OPEB Liability	\$	4,989,802	4,289,143	3,732,674		

Sensitivity of the Total OPEB Liability to Changes in the Healthcare Cost Trend Rates

The following presents the total OPEB liability, calculated using a variable Healthcare Trend Rate, as well as what the total OPEB liability would be if it were calculated using a Healthcare Trend Rate that is one percentage point lower or one percentage point higher:

		Healthcare Cost Trend		
	1% Decrease (Varies)	Rates (Varies)	1% Increase (Varies)	
Total OPEB Liability	\$ 3,676,282	4,289,143	5,054,122	

OPEB Expense and Deferred Outflows of Resources and Deferred Inflows of Resources Related to OPEB

For the year ended April 30, 2022, the Village recognized OPEB revenue of \$545,201. At April 30, 2022, the Village reported deferred outflows of resources and deferred inflows of resources related to OPEB from the below sources. Per GASB Statement No. 75, under the Alternative Measurement Method, changes in Total OPEB Liability are immediately recognized as expense, resulting in no deferred outflows of resources or deferred inflows of resources related to OPEB.

SUBSEQUENT EVENT

On March 11, 2021, the American Rescue Plan Act of 2021 was signed into law. This act provides \$350 billion in funding for local governments. The Village has been allocated \$1,463,999 to be received in two installments. On August 30, 2021 and November 22, 2021 the Village received their first installments of \$731,244 and \$755, respectively, for total of \$731,999. As of the date of these financial statements, the Village has not received their second installment.

## **OTHER SUPPLEMENTARY INFORMATION**

Other supplementary information includes financial statements and schedules not required by the GASB, nor a part of the basic financial statements, but are presented for purposes of additional analysis.

Such statements and schedules include:

- Budgetary Comparison Schedules Major Governmental Funds
- Combining Statements Nonmajor Governmental Funds
- Budgetary Comparison Schedules Nonmajor Governmental Funds
- Budgetary Comparison Schedules Major Enterprise Funds
- Budgetary Comparison Schedule Internal Service Fund
- Budgetary Comparison Schedule Pension Trust Fund
- Consolidated Year-End Financial Report

# **INDIVIDUAL FUND DESCRIPTIONS**

#### **GENERAL FUND**

The General Fund is used to account for all financial resources except those required to be accounted for in another fund.

#### **SPECIAL REVENUE FUNDS**

The Special Revenue Funds are used to account for the proceeds of specific revenue sources (other than fiduciary funds or capital projects funds) that are legally restricted to expenditure for specified purposes.

#### **Motor Fuel Tax Fund**

The Motor Fuel Tax Fund is used to account for the operation of street maintenance programs and capital projects as authorized by the Illinois Department of Transportation. Financing is provided from the Village's share of gasoline taxes restricted by the State for street maintenance.

#### Hotel/Motel Tax Fund

The Hotel/Motel Tax Fund is used to account for the taxes generated from all overnight stays at Village hotels and is used for tourism related expenditures.

#### **Business District Fund**

The Business District Fund is used to account for the 1% business district retailer occupation tax as well as the 1% business district hotel operators' occupation tax revenues that are to be used within the Business District on eligible projects, such as the creation of studies and plans, property acquisition, clearing and grading of land, demolition of existing buildings, installation or repair of infrastructure, renovation of existing buildings or construction of new buildings.

## **DEBT SERVICE FUND**

The Debt Service Fund is used to account for the accumulation of resources for, and the payment of, general long-term debt principal and interest.

# **INDIVIDUAL FUND DESCRIPTIONS - Continued**

## **CAPITAL PROJECTS FUNDS**

The Capital Projects Funds are used to account for all financial resources used for the acquisition or construction of major capital facilities, equipment and capital asset replacement.

#### **Capital Improvements Fund**

The Capital Improvement Fund is used to account for funds used to pay for the annual road program, arterial street improvements, facility improvements, and other related projects. It is funded by Motor Fuel Tax revenues, developer donations, grants, and transfers from the General Fund.

#### Sidewalks/Pathways Fund

The Sidewalks/Pathways Fund is used to account for the construction and maintenance of sidewalks and pathways throughout the Village. It is funded by developer donations and transfers from the General Fund.

#### **Storm Water Management Fund**

The Storm Water Management Fund accounts for the periodic maintenance of the Village's storm water system. Fees from permits assist in providing funding for these projects.

#### **Equipment Replacement Fund**

The Equipment Replacement Fund is used to account for the purchase of vehicles and major equipment. Transfers from the General Fund are set aside on an annual basis for the eventual replacement of capital equipment.

#### **ENTERPRISE FUNDS**

The Enterprise Funds are used to account for operations that are financed and operated in a manner similar to private business enterprises where the intent is that costs of providing goods or services to the general public on a continuing basis be financed or recovered primarily through user charges; or where it has been decided that periodic determination of revenues earned, expenses incurred and/or net income is appropriate for capital maintenance, public policy, management control, accountability or other purpose.

#### Water Fund

The Water Fund accounts for all financial activities associated with the municipal water service. Fees from consumption of water (utility billing) and tap on fees from building activities provide the primary source of revenue for the fund. Revenues are used to purchase water and to maintain the distribution system and all activities necessary for operations, maintenance, billing and collection.

# **INDIVIDUAL FUND DESCRIPTIONS - Continued**

#### **ENTERPRISE FUNDS - Continued**

#### Sewer Fund

The Sewer Fund is used to account for all financial activities associated with the municipal sewer service in Cook County. Fees for the use of the system provide a source of revenue for the fund. Expenses and reserves are used to maintain the distribution system and provide for the repair and replacement of the sewer system infrastructure.

#### **INTERNAL SERVICE FUND**

The Internal Service Funds are used to account for the financing of goods or services provided by one department or agency to other departments or agencies other governmental unit, or to other governmental units, on a cost-reimbursement basis.

#### **Information Technology Fund**

The Information Technology Fund is used to account for the acquisition of technology equipment and for technology related services to other departments of the Village.

#### FIDUCIARY FUNDS

#### PENSION TRUST FUND

#### **Police Pension Fund**

The Police Pension Fund is used to account for the accumulation of resources to be used for retirement pensions for the Village's sworn police personnel. Most rules and regulations of the fund are established by the Pension Division of the Illinois Department of Insurance. Resources are contributed by sworn police personnel at rates fixed by state statutes and by the Village through an annual property tax levy.

#### CUSTODIAL FUND

#### **Special Assessment Fund**

The Special Assessment Fund is used to account for assets held for the payment of special assessment bonds.

## STATISTICAL SECTION (Unaudited)

This part of the annual comprehensive financial report presents detailed information as a context for understanding what the information in the financial statements, note disclosures, and required supplementary information says about the Village's overall financial health.

#### Financial Trends

These schedules contain trend information to help the reader understand how the Village's financial performance and well-being have changed over time.

#### Revenue Capacity

These schedules contain information to help the reader assess the Village's most significant local revenue sources.

Debt Capacity

These schedules present information to help the reader assess the affordability of the Village's current levels of outstanding debt and the government's ability to issue additional debt in the future.

#### Demographic and Economic Information

These schedules offer demographic and economic indicators to help the reader understand the environment within which the Village's financial activities take place.

#### **Operating Information**

These schedules contain service and infrastructure data to help the reader understand how the information in the Village's financial report relates to the services the Village provides and the activities it performs.

Data Source: Office of the County Clerk

(1) Assessed value is set by the County Assessor on an annual basis. The assessment level is then adjusted by the State with a County Multiplier based on the factor needed to bring the average prior years' level up to 33-1/3% of market value. All property is reassessed on a repeating triennial cycle.

*The Village is in two counties, DuPage and Cook Counties. As of the opinion date, this information was not available from Cook County.

# Recommended Contribution & Funded Status

Page 8 in Report

	Prior Valuation	Current Valuation	Difference	
Recommended Contribution	\$1,203,885	\$1,146,448	-\$57,437 (4.77% Decrease)	_
Fair Value of Assets (FVA)	\$23,630,000	\$21,430,000	(\$2,200,000)	
Actuarial Value of Assets (AVA)	\$21,300,000	\$22,450,000	\$1,150,000	
Actuarial Accrued Liability	\$32,740,000	\$32,470,000	(\$270,000)	
EAN Unfunded Actuarial Accrued Liability/(Surplus)	\$11,430,000	\$10,020,000	(\$1,410,000)	
Percent Funded (AVA)	65.08%	69.15%	4.07%	
Percent Funded (FVA)	72.17%	65.99%	(6.18%)	

Current Funding Policy is level % pay contributions to a 100% funding target over the remaining 18 years.

## Recommended Contribution Reconciliation Page 15 in Report

	Actuarial Liability	Recommended Contribution
Expected Changes	\$1,250,000	\$39,100
Salary Increases Greater than Expected	(\$23,900)	\$2,300
Actuarial Experience	(\$1,496,000)	(\$121,000)
Asset Return Greater than Expected	\$0	(\$10)
Contributions Less than Expected	\$0	\$21,800
Net Increase/(Decrease)	(\$270,000)	(\$57,400)

## Recommended Contribution Breakdown Page 24 in Report

	Prior Valuation	<b>Current Valuation</b>	Difference
Employer Normal Cost (with interest)	\$332,960	\$353,697	\$20,737
Amortization of Unfunded Accrued Liability/(Surplus)	\$870,925	\$792,751	(\$78,174)
Recommended Contribution	\$1,203,885	\$1,146,448	(\$57,437)

The Recommended Contribution has Decreased by 4.77% from the Prior Valuation.

## Demographic Changes Page 13-14 in Report

- There were 3 Members who were hired during the year. This increased the Recommended Contribution by approximately \$22,600.
- There was 1 Member who terminated employment during the year. This decreased the Recommended Contribution by approximately \$8,000.
- There was 1 retiree who passed away during the year with a surviving spouse. In addition, there were 22 inactive Members who continued to collect benefits. This decreased the Recommended Contribution by approximately \$25,900.
- Other demographic changes experienced during the year were minimal.

# Age and Service Distribution Page 34 in Report

	5/1/2022 Age and Service Distribution - All Active Members											
	Service	Under 1	1 to 4	5 to 9	10 to 14	15 to 19	20 to 24	25 to 29	30 to 34	35 to 39	40 & up	Total

## Expected Benefit Payments Page 9 & 33 in Report

Current Valuation					
Total Active Members	26				
Total Inactive Members	27				
Current Benefit Payments	\$1,456,000				
Expected Benefit Payments in 5 Years	\$1,969,000				
Expected Benefit Payments in 10 Years	\$2,428,000				

Benefit Payments are Anticipated to Increase 35% in the Next 5 Years and 67% in the Next 10 Years.

# Change in Fair Value of Assets Page 17 in Report

Current Valuation						
Beginning Fair Value of Assets	\$23,630,000					
Employer Contributions	\$910,000					
Member Contributions	\$250,000					
Return on Investments	(\$1,874,000)					
Benefits and Refunds	(\$1,467,000)					
Other Expenses	(\$18,700)					
Change in Fair Value	(\$2,199,000)					
Ending Fair Value of Assets	\$21,430,000					

The Rate of Return on Investments on a Fair Value of Assets Basis for the Fund was Approximately (8.06%) Net of Administrative Expense. The Expected Rate of Return on Investments is 7.00%.

## Risk Management Page 11-13 & 21 in Report

- The Fair Value of Assets (\$21.4M) is less than the Actuarial Accrued Liability for inactive Members (\$21.9M).
- The ratio of benefit payments to the Fair Value of Assets is 6.80%, compared to an Expected Rate of Return on Investments of 7.00%.
- Based on the number of active Members in the Plan, there is a moderate demographic risk.
- Reducing the Expected Rate of Return on Investments by 25 basis points produces a Recommended Contribution that is 9.45% higher than currently shown.

# Alternative Contribution

Page 28 in Report

	Current Valuation
Alternative Contribution	\$842,525
PUC Unfunded Actuarial Accrued Liability/(Surplus)	\$10,540,000
Alternative Contribution Funded Percentage (AVA)	68.06%

Alternative Contribution Funding Policy is Level % Pay Contributions to a 90% Funding Target Over the Remaining 18 Years.

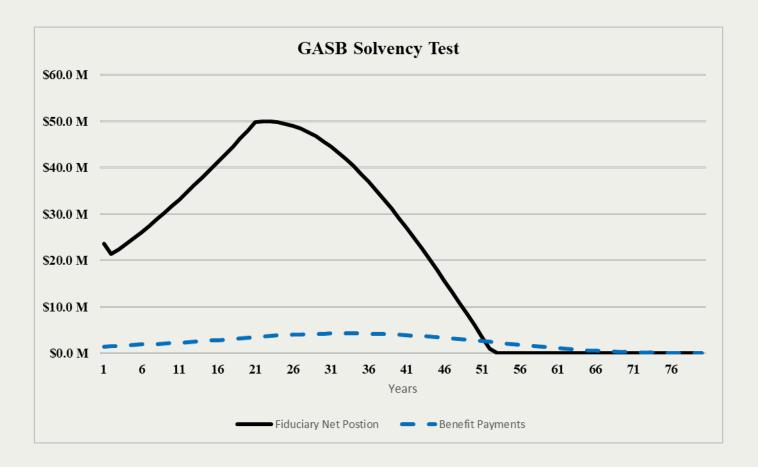

# Statutory Minimum Contribution Projections Page 29 in Report

	Current Results	Projected Results - 90% Funded By 2040				
	2022	2023	2024	2025	2026	2027

### ACTUARIAL CERTIFICATION

This report documents the results of the Actuarial Valuation for the Burr Ridge Police Pension Fund. The information was prepared for use by the Burr Ridge Police Pension Fund and the Village of Burr Ridge, Illinois for determining the Recommended Contribution, under the selected Funding Policy, and the Alternative Contribution for the Contribution Year May 1, 2022 to April 30, 2023. It is not intended or suitable for other purposes. Determinations for purposes other than the Employer's Actuarial Recommended Contribution may be significantly different from the results herein.

The results in this report are based on the census data and financial information submitted by the Village of Burr Ridge, Illinois, and may include results from the prior Actuary. We did not prepare the Actuarial Valuations for the years prior to May 1, 2016. Those valuations were prepared by the prior Actuary whose reports have been furnished to us, and our disclosures are based on those reports. An audit of the prior Actuary's results was not performed, but high-level reviews were completed for general reasonableness, as appropriate, based on the purpose of this valuation. The accuracy of the results is dependent on the precision and completeness of the underlying information.

In addition, the results of the Actuarial Valuation involve certain risks and uncertainty as they are based on future assumptions, market conditions, and events that may never materialize as assumed. For this reason, certain assumptions and future results may be materially different than those presented in this report. See the *Management Summary* section of this report for a more detailed discussion of the Defined Benefit Plan Risks, as well as the limitations of this Actuarial Valuation on assessing those risks. We are not aware of any known events subsequent to the Actuarial Valuation Date, which are not reflected in this report but should be valued, that may materially impact the results.

The valuation results summarized in this report involve actuarial calculations that require assumptions about future events. The Village of Burr Ridge, Illinois selected certain assumptions, while others were the result of guidance and/or judgment from the Plan's Actuary or Advisors. We believe that the assumptions used in this valuation are reasonable and appropriate for the purposes for which they have been used. The selected assumptions represent our best estimate of the anticipated long-term experience of the Plan, and meet the guidelines set forth in the Actuarial Standards of Practice.

In preparing the results, our Actuaries used commercially available software (ProVal) developed by Winklevoss Technologies, LLC. This software is widely used for the purpose of performing Actuarial Valuations. Our Actuaries coded the plan provisions, assumptions, methods, and participant data summarized in this report, and reviewed the liability and cost outputs for reasonableness. We are not aware of any material weaknesses or limitations in the software, and have determined it is appropriate for performing this valuation.

www.lauterbachamen.com

To the best of our knowledge, all calculations are in accordance with the applicable funding requirements, and the procedures followed and presentation of results conform to generally accepted actuarial principles and practices as prescribed by the Actuarial Standards Board. The undersigned consultants of Lauterbach & Amen, LLP, with actuarial credentials, meet the Qualification Standards of the American Academy of Actuaries to render this Actuarial Certification. There is no relationship between the Village of Burr Ridge, Illinois and Lauterbach & Amen, LLP that impairs our objectivity.

Respectfully Submitted,

LAUTERBACH & AMEN, LLP

## MANAGEMENT SUMMARY – COMMENTS AND ANALYSIS

#### **Contribution Results**

The Recommended Contribution is based on the selected Funding Policy and methods that are outlined in the *Actuarial Funding Policies* section of this report.

"Contribution Risk" is defined by the Actuarial Standards of Practice as the potential for actual future contributions to deviate from expected future contributions. For example, when actual contributions are not made in accordance to the Plan's Funding Policy, or when future experience deviates materially from assumed. While it is essential for the Actuary and Plan Sponsor to collaborate on implementing a sound and financially feasible Funding Policy, it is important to note that the Actuary is not required, and is not in the position to, evaluate the ability or willingness of the Plan Sponsor to make the Recommended Contribution under the selected Funding Policy.

As a result, while Contribution Risk may be a significant source of risk for the Plan, this Actuarial Valuation makes no attempt to assess the impact of future contributions falling short of those recommended under the selected Funding Policy. Notwithstanding the above, see the *Actuarial Recommended Contribution – Reconciliation* section of this report for the impact on the current Recommended Contribution of any contribution shortfalls or excesses from the prior year.

#### Defined Benefit Plan Risks

#### Asset Growth:

Pension funding involves preparing Fund assets to pay for benefits when Members retire. During their working careers, assets grow with contributions and investment earnings; and then, the Pension Fund distributes assets in retirement. Based on the Plan's current mix of Members and Funded Status, the Plan should experience positive asset growth, on average, if the Recommended Contributions are made and expected investment earnings come in. In the current year, the Fund asset growth was negative by approximately \$2,199,000.

Asset growth is important in the long-term. Long-term cash flow out of the Pension Fund is primarily benefit payments, and expenses are a smaller portion. The Plan should monitor the impact of expected benefit payments on future asset growth. We assess and project all future benefit payments as part of the determination of liability. The assessment is made on all current Members of the Fund, both active and inactive. For active Members, the assessment includes the probability that Members terminate or retire and begin receiving benefits. In the next 5 years, benefit payments are anticipated to increase 35-40%, or approximately \$513,000. In the next 10 years, the expected increase in benefit payments is 65-70%, or approximately \$972,000. The estimated increase in benefit payments is being compared against the benefits paid to inactive Members during the fiscal year, excluding any refunds of Member Contributions.

Furthermore, plans with a large number of inactive Members have an increased "Longevity Risk". Longevity Risk is the possibility that inactive Members may live longer than projected by the Plan's mortality assumption. As shown in the previous paragraph, benefit payments are expected to increase

over the next 5-year and 10-year horizons. The projected increases assume that current inactive Members pass away according to the Plan's mortality assumption. To the extent that current inactive Members live longer than expected, the future 5-year and 10-year benefit projections may be larger than the amounts disclosed in the previous paragraph. Higher levels of benefit payments, payable for a longer period of time, may cause a significant strain to the Plan's cash flow, future Recommended Contributions, and may lead to Plan insolvency.

#### Unfunded Liability:

Unfunded Liability represents the financial shortfall of the Actuarial Value of Assets compared to the Actuarial Accrued Liability. To the extent that Unfunded Liability exists, the Plan is losing potential investment earnings due to the financial shortfall. Contributions towards Unfunded Liability pay for the lost investment earnings, as well as the outstanding unfunded amount. If payments towards Unfunded Liability are not made, the Unfunded Liability will grow.

In the early 1990s, many Pension Funds in Illinois adopted an increasing payment towards Unfunded Liability due to a change in legislation. The initial payment decreased, and future payments are anticipated to increase annually after that. In many situations, payments early on were less than the interest on Unfunded Liability, which means that Unfunded Liability increased even though contributions were made at the recommended level.

The current Recommended Contribution includes a payment towards Unfunded Liability that is approximately \$91,600 greater than the interest on Unfunded Liability. All else being equal, and contributions being made, Unfunded Liability is expected to decrease. The Employer and Fund should anticipate that improvement in the current Percent Funded will be mitigated in the short-term. The Employer and Fund should understand this impact as we progress forward to manage expectations.

#### Actuarial Value of Assets:

The Pension Fund smooths asset returns that vary from expectations over a 5-year period. The intention over time is that asset returns for purposes of funding recommendations are a combination of several years. The impact is intended to smooth out the volatility of Recommended Contributions over time, but not necessarily increase or decrease the level of contributions over the long-term.

When asset returns are smoothed, there are always gains or losses on the Fair Value of Assets that are going to be deferred for current funding purposes, and recognized in future years. Currently, the Pension Fund is deferring approximately \$1,023,000 in losses on the Fair Value of Assets. These are asset losses that will be recognized in upcoming periods, independent of the future performance of the Fair Value of Assets.

#### Cash Flow Risk:

Assets, liabilities, and Funded Status are good metrics to monitor over time to assess the progress of the Funding Policy. However, these metrics may provide limited forward-looking insights. Specifically, the maturity of a Pension Fund can pose certain risks that often cannot be assessed with a point-in-time metric such as Percent Funded.

For example, two different Pension Funds could have the same Percent Funded, but have completely different risk profiles. One Fund might mostly cover active Members with little to no Members in pay status, whereas a second Fund might mostly cover inactive Members with a significant level of annual benefit payments. The latter Fund has a greater "Cash Flow Risk", i.e. a more significant chance that negative cash flows could lead to a deteriorating, rather than improving, Percent Funded over time.

It is important to note that, in general, positive net cash flows are good, but also need to be sufficient to cover the growth in the liabilities (i.e. the Normal Cost as well as interest on the Actuarial Accrued Liability). Typically, when cash flows are assumed to be insufficient to cover the growth in liabilities, the Percent Funded will decline, while future Recommended Contributions will increase.

For this Plan, the Fair Value of Assets is less than the Actuarial Accrued Liability for inactive Members. The Fund assets and anticipated investment earnings are not sufficient to cover the benefits payable to the current inactive Members. In addition, there is currently no money set aside for active Member liability. There are two consequences. First, we are limiting the impact of investment earnings on accruing money for the active Members due to utilizing those dollars to pay for the current inactive Members. Second, there is Cash Flow Risk that exists in that a higher portion of the assets is needed to keep up with cash flow out for benefit payments, and a higher relative investment return is required to keep cash flow positive in any given year.

#### Benefit Payment Risk:

Ideally, plans in a sound financial position will have the ratio of annual benefits payments to the Fair Value of Assets to be less than the Expected Rate of Return on Investments assumption (i.e. 7.00%). Theoretically, in this case it can be considered that investment returns will fully cover the annual benefit payments, and therefore, all Employer and Member Contributions made to the Fund will be used to pay for future benefit accruals and pay down the existing Unfunded Liability. To the extent that the ratio of the annual benefit payments to the Fair Value of Assets increases to above the Expected Rate of Return on Investments assumption, the Plan may experience some additional risks, such as the need to keep assets in more liquid investments, inability to pay down Unfunded Liability, and may lead to Plan insolvency.

As of the Valuation Date, the Burr Ridge Police Pension Fund has a ratio of benefit payments to the Fair Value of Assets of 6.80%. In this case, the Plan is currently in a sound financial position and has a reduced amount of Benefit Payment Risk and Cash Flow Risk. It would be expected that adherence to the current Funding Policy would lead to an increasing Percent Funded.

#### Fund Assets

The results in this report are based on the assets held in the Pension Fund. Assets consist of funds held for investment and for benefit payments as of the Actuarial Valuation Date. In addition, assets may be adjusted for other events representing dollars that are reasonably expected to be paid out from the Pension Fund or deposited into the Pension Fund after the Actuarial Valuation Date as well.

The current Fund assets are audited.

The Actuarial Value of Assets under the Funding Policy is equal to the Fair Value of Assets, with unexpected gains and losses smoothed over 5 years. More detail on the Actuarial Value of Assets can be found in the *Actuarial Funding Policies* section of this report.

The Fund Assets Used in this Report are Audited.

#### Demographic Data

Demographic factors can change from year to year within the Pension Fund. Changes in this category include hiring new Members, Members retiring or becoming disabled, inactive Members passing away, and other changes. Demographic changes can cause an actuarial gain (contribution that is less than expected compared to the prior year) or an actuarial loss (contribution that is greater than expected compared to the prior year).

Demographic gains and losses occur when the assumptions over the one-year period for Member changes do not meet our long-term expectation. For example, if no Members become disabled during the year, we would expect a liability gain. If more Members become disabled than anticipated during the year, we would expect a liability loss. Generally, we expect short-term fluctuations in demographic experience to create gains or losses of 1%-3% of the Actuarial Accrued Liability in any given year, but to balance out in the long-term.

"Demographic Risk" occurs when Plan demographic experience differs significantly from expected. Similar to Longevity Risk discussed previously, additional risk is created when demographic experience differs from the assumed rates of disability, retirement, or termination. Under the chosen assumptions, actuarial gains and/or losses will always occur, as the assumptions will never be exactly realized. However, the magnitude of the gain and/or loss and its influence on the Recommended Contribution largely depends on the size of the Plan.

Based on the number of active Members in the Plan, the Recommended Contribution has a moderate risk of having a significant increase due to demographic experience. For example, 1 new disabled Member would typically generate a substantial increase to the Actuarial Accrued Liability, which in turn, may increase the Recommended Contribution.

In the current report, the key demographic changes were as follows:

*New Hires:* There were 3 Members of the Fund who were hired during the year. When a Member is admitted to the Pension Fund, the Employer Contribution will increase to reflect the new Member. The increase in the Recommended Contribution in the current year due to the new Member experience is approximately \$22,600.

*Termination:* There was 1 Member of the Fund who terminated employment during the year. The Fund may be obligated to pay a benefit or a refund of Employee Contributions to the Member in the future. The decrease in the Recommended Contribution in the current year due to the termination experience is approximately \$8,000.

*Mortality:* There was 1 retiree who passed away during the year with an eligible surviving spouse. When a retiree passes away, the Fund liability will decrease as the Pension Fund no longer will make future payments to the retiree. If there is an eligible surviving spouse, the Fund liability will increase to represent the value of the expected payments that will be made to the spouse. When a surviving spouse passes

away, the Fund liability will decrease as the Pension Fund no longer will make future payments to the surviving spouse.

As inactive Members age and continue to collect benefits, the Fund liability will also increase. In the current year, there were 22 inactive Members who maintained their benefit collection status throughout the year. The net decrease in the Recommended Contribution in the current year due to the mortality experience is approximately \$25,900.

*Salary Increases:* Salary increases were greater than anticipated in the current year. This caused an increase in the Recommended Contribution in the current year of approximately \$2,300.

#### Assumption Changes

The assumptions were not changed from the prior valuation.

#### Funding Policy Changes

The Funding Policy was not changed from the prior valuation.

#### Other Considerations

The best due diligence continues to be the process of annually reviewing assumptions, provisions, and methodologies. Our commitment to reviewing new information regularly continues to be at the forefront of our reporting. In the current valuation, we have updated the underlying valuation software to value the most accurate estimate of Surviving Spouse benefits, including the expected Cost-of-Living Adjustments, described under the Illinois State Statutes. As a result, this caused a decrease in the Actuarial Accrued Liability of approximately \$1,178,000, with a corresponding decrease in the Recommended Contribution of approximately \$103,000.

### **ACTUARIAL RECOMMENDED CONTRIBUTION – RECONCILIATION**

Actuarial Accrued Liability is expected to increase each year for both interest for the year and as active Members earn additional service years towards retirement. Similarly, Actuarial Accrued Liability is expected to decrease when the Fund pays benefits to inactive Members.

Contributions are expected to increase as expected pay increases under the Funding Policy for the Fund.

	Actuarial Liability		commended Contribution
Prior Valuation	\$ 32,737,071	\$	1,203,885
Expected Changes	 1,250,373		39,123
Initial Expected Current Valuation	\$ 33,987,444	\$	1,243,008

Other increases or decreases in Actuarial Accrued Liability (key changes noted below) will increase or decrease the amount of Unfunded Liability in the Plan. To the extent that Unfunded Liability increases or decreases unexpectedly, the contribution towards Unfunded Liability will also change unexpectedly.

	Actuarial Liability	 commended ontribution
Salary Increases Greater than Expected	\$ (23,898)	\$ 2,307
Actuarial Experience	(1,496,486)	(120,624)
Asset Return Greater than Expected*	-	(12)
Contributions Less than Expected		 21,769
Total Increase/(Decrease)	\$ (1,520,384)	\$ (96,560)
Current Valuation	\$ 32,467,060	\$ 1,146,448

*Impact on the Recommended Contribution due to asset return is on an Actuarial Value of Assets basis.

The Actuarial Experience can be attributable to several factors including Actuarial Valuation software changes, demographic changes, and benefit payment experience compared to expectation. Key demographic changes were discussed in the *Demographic Data* section of this report.

The Actuarial Value of Assets incorporates portions of gains and losses over multiple years.

#### HISTORICAL ASSET PERFORMANCE

The chart below shows the historical Rates of Return on Investments for both Fair Value of Assets and Actuarial Value of Assets.

	Fair Value of Assets	Actuarial Value of Assets
FYE 2022	(8.06%)	6.87%
FYE 2021	27.20%	9.73%
FYE 2020	1.25%	4.99%
FYE 2019	6.11%	6.12%
FYE 2018	7.25%	6.35%
FYE 2017	9.57%	6.25%
FYE 2016	0.20%	6.00%

The historical Rates of Return on Investments shown above were calculated based on the annual Return on Investments, as a percentage of the average value of the assets for the year.

For purposes of determining the average value of assets for the year, the ending Fair Value of Assets has been adjusted to net out to the portion related to the Return on Investments themselves. All other cash flows are included.

For purposes of determining the annual Return on Investments we have adjusted the figures shown on the preceding pages. The figures shown on the preceding pages are net of Investment Expenses. We have made an additional adjustment to net out Administrative Expenses. Netting out Administrative Expenses allows us to capture returns for the year that can be used to make benefit payments as part of the ongoing actuarial process.

The adjustments we made are for actuarial reporting purposes only. By netting out Administrative Expenses and capturing Return on Investments that are available to pay benefits, it provides us a comparison to the Expected Rate of Return on Investments, but does not provide a figure that would be consistent with the rates of return that are determined by other parties. Therefore, this calculated Return on Investments should not be used to analyze investment performance of the Fund or the performance of the investment professionals.

## VALUATION OF FUND ASSETS

#### Expected Rate of Return on Investments Assumption

The Expected Rate of Return on Investments for this valuation is 7.00%. Lauterbach & Amen, LLP does not provide investment advice. We look at a variety of factors when reviewing the Expected Rate of Return on Investments assumption selected by the Board. These factors include: historical Rates of Return on Investments, capital market projections performed by the Fund's investment advisors, the Fund's investment policy, capital market forward-looking benchmark expected returns by independent investment companies, rates used by comparable pension systems, and other factors identified in the Actuarial Standards of Practice.

Generally speaking, the ideal assumption for Expected Rate of Return on Investments is one that has a 50% chance of being met over the long-term. If actual returns going forward come in less than expected, the pension system risks deferring contributions to the future that should be made today and creating additional contribution volatility. Reducing the Expected Rate of Return on Investments by 25 basis points produces a Recommended Contribution that is 9.45% higher than currently shown.

"Investment Risk" is the potential that actual Return on Investments will be different from what is expected. The selected Expected Rate of Return on Investments assumption is chosen to be a long-term assumption, producing a return that, on average, would produce a stable rate of return over a long-term horizon. Actual asset returns in the short-term may deviate from this long-term assumption due to current market conditions. Furthermore, establishing the Expected Rate of Return on Investments assumption may be dependent on the Illinois State Statutes pertaining to the limitations on types of investments Plan Sponsors may use. If the actual annual rates of return are less than the Expected Rate of Return on Investments, actuarial losses will be produced, thus increasing the Plan's Unfunded Liability and, subsequently, future Recommended Contributions.

"Asset/Liability Mismatch" risk is a similar concept as Investment Risk, as it relates to setting the Expected Rate of Return on Investments assumption compared to the actual Return on Investments achieved. The Interest Rate used to discount future Plan liabilities is set equal to the Expected Rate of Return on Investments. It is expected that the selected Interest Rate be a rate that is reasonably expected to be achieved over the long-term. To the extent that the selected Interest Rate to value Plan liabilities is unreasonable, or significantly different than the actual Return on Investments earned over an extended period of time, additional Interest Rate risk is created. For example, determining Plan liabilities at an Interest Rate higher than what is expected to be achieved through investment returns results in Unfunded Liability that is not a true representation of the Plan's condition and Percent Funded. As a result, the Actuarial Accrued Liability determined is an amount smaller than the liability that would be produced with an Interest Rate more indicative of future Expected Rate of Return on Investments. Therefore, the Recommended Contributions under the established Funding Policy may not be sufficient to appropriately meet the true pension obligations.

#### SCHEDULE OF AMORTIZATION – UNFUNDED ACTUARIAL ACCRUED LIABILITY

Below is the schedule of remaining amortization balances for the Unfunded Liability.

Unfunded Liability Base	Initial Balance	Date Established	Current Balance	Years Remaining	Payment
Investment (Gain)/Loss	\$ (150)	4/30/2022	\$ (150	) 18 5	\$ (12)
Actuarial (Gain)/Loss	(1,594,644)	4/30/2022	(1,594,644	) 18	(126,200)
Contribution Experience	249,377	4/30/2022	249,377	18	19,736
Investment (Gain)/Loss	(551,369)	4/30/2021	(547,964	) 18	(43,366)
Actuarial (Gain)/Loss	607,135	4/30/2021	603,386	18	47,752
Contribution Experience	203,494	4/30/2021	202,238	18	16,005
Investment (Gain)/Loss	360,684	4/30/2020	357,195	18	28,268
Actuarial (Gain)/Loss	222,267	4/30/2020	220,115	18	17,419
Contribution Experience	205,624	4/30/2020	203,636	18	16,116
Assumption Changes	558,158	4/30/2020	552,760	18	43,745
Plan Changes	225,194	4/30/2020	223,016	18	17,649
Investment (Gain)/Loss	143,702	4/30/2019	142,151	18	11,250
Actuarial (Gain)/Loss	77,802	4/30/2019	76,961	18	6,091
Contribution Experience	218,019	4/30/2019	215,668	18	17,068
Assumption Changes	(576,685)	4/30/2019	(570,467	) 18	(45,147)
Investment (Gain)/Loss	76,175	4/30/2018	75,432	18	5,970
Actuarial (Gain)/Loss	136,425	4/30/2018	135,097	18	10,692
Contribution Experience	170,575	4/30/2018	168,911	18	13,368
Initial Unfunded Liability	\$ 9,396,040	4/30/2018	\$ 9,304,403	18 5	
					<u>,                                     </u>
Total	<u>\$ 10,127,823</u>		<u>\$ 10,017,121</u>		<u>\$ 792,751</u>

The Actuarial (Gain)/Loss can be attributable to several factors including Actuarial Valuation software changes, demographic changes, Employer Contribution timing, Member Contribution experience, benefit payment experience, and salary increase experience compared to expectation.

#### **ACTUARIAL METHODS – RECOMMENDED CONTRIBUTION**

Actuarial Valuation Date	May 1, 2022
Data Collection Date	April 30, 2022
Actuarial Cost Method	Entry Age Normal (Level % Pay)
Amortization Method	Level % Pay (Closed)
Amortization Target	100% Funded Over 18 Years
Asset Valuation Method	5-Year Smoothed Fair Value

The contributions and benefit values of the Pension Fund are calculated by applying actuarial assumptions to the benefit provisions and census data furnished, using the Actuarial Cost Method described. The Actuarial Cost and Amortization Methods allocate the projected obligations of the Plan over the working lifetimes of the Plan Members.

The Recommended Contribution amount shown in this report is based on the methods summarized above. The *Actuarial Funding Policies* section of this report includes a more detailed description of the Actuarial Funding Methods being used.

The Actuarial Funding Methods are meant to provide a systematic process for determining contributions on an annual basis. The methods do not impact the expectation of future benefit payments. The methods only impact the way contributions are made towards future benefit payments.

Different Actuarial Funding Methods may achieve funding goals with differing levels of success. Certain methods are more efficient and more stable on an annual basis.

# ALTERNATIVE CONTRIBUTION

Alternative Contribution Funded Status – Alternative Contribution Actuarial Methods – Alternative Contribution

					· · · · · ·				

### **ALTERNATIVE CONTRIBUTION PROJECTIONS**

#### **Changes Since Prior Valuation**

The Alternative Contribution is greater than the prior year projection provided due to the following:

- Individual pay increases were greater than expected (see page 15)
- Asset returns were less than expected (see page 18)

The Alternative Contribution is based on Actuarial Funding Methods and funding parameters outlined in the Illinois State Statutes for pension funding. The resulting contribution is lower than the Recommended Contribution for the current year. The Alternative Contribution amount is not recommended because it represents only a deferral of contributions when compared to the Recommended Contribution method.

Actuarial Funding Methods for pensions are best applied to provide a balance between the long-term goals of a variety of stakeholders:

- 1. Members the Members are interested in benefit security and having the funds available to pay benefits when retired
- 2. Employers cost control and cost stability over the long-term
- 3. Taxpayers paying for the services they are receiving from active Members

The Alternative Contribution methods are not intended to provide a better system in any of the above categories long-term. The parameters are not recommended for a long-term funding strategy.

The funding methods and parameters put into place in the Illinois State Statutes in 2011 were intended to provide short-term budget relief for Employer Contributions. An Employer using the parameters outlined in the Illinois State Statutes for current funding should view the contributions as short-term relief. Our recommendation in this situation is for a Pension Fund and an Employer to work towards a long-term funding strategy that better achieves the long-term funding goals, over a period that does not exceed 3-5 years.

The Securities and Exchange Commission in 2013 used the phrase "Statutory Underfunding" to describe situations where contributions appear to be more manageable in the short-term, but set up future Recommended Contributions that are less likely to be manageable.

#### **ACTUARIAL METHODS – ALTERNATIVE CONTRIBUTION**

Actuarial Valuation Date	May 1, 2022
Data Collection Date	April 30, 2022
Actuarial Cost Method	Projected Unit Credit
Amortization Method	Level % Pay (Closed)
Amortization Target	90% Funded Over 18 Years
Asset Valuation Method	5-Year Smoothed Fair Value

The contribution and benefit values of the Pension Fund are calculated by applying actuarial assumptions to the benefit provisions and census data furnished, using the Actuarial Cost Method described. The Actuarial Cost and Amortization methods allocate the projected obligations of the Plan over the working lifetimes of the Plan Members.

The Actuarial Funding Methods are meant to provide a systematic process for determining contributions on an annual basis. The methods do not impact the expectation of future benefit payments. The methods only impact the way contributions are made towards future benefit payments.

Different Actuarial Funding Methods may achieve funding goals with differing levels of success. Certain methods are more efficient and more stable on an annual basis.

The guidelines in the Illinois State Statutes for pension funding are silent on the use of a corridor on the Fair Value of Assets in determination of the Actuarial Value of Assets. In the current valuation, the Plan Sponsor has elected to use a 10% corridor in the determination of the Actuarial Value of Assets for both the Alternative Contribution and the Recommended Contribution. In the event that the Actuarial Value of Assets exceeds 110% of the Fair Value of Assets or falls below 90% of the Fair Value of Assets, the excess gains or losses will be recognized immediately.

# ACTUARIAL FUNDING POLICIES

Actuarial Cost Method Financing Unfunded Actuarial Accrued Liability Actuarial Value of Assets

## **ACTUARIAL COST METHOD**

The Actuarial Cost Method allocates the projected obligations of the Plan over the working lifetimes of the Plan Members.

In accordance with the Pension Fund's Funding Policy the Actuarial Cost Method for the Recommended Contribution basis is Entry Age Normal (Level Percent of Pay). The Entry Age Normal Cost Method is a method under which the Actuarial Present Value of the projected benefits of each individual included in an Actuarial Valuation is allocated on a level basis over the earnings or service of the individual between entry age and assumed exit age. The portion of this Actuarial Present Value allocated to a valuation year is called Normal Cost. The portion of the Actuarial Present Value not provided at an Actuarial Valuation Date by the Actuarial Present Value of future Normal Costs is called the Actuarial Accrued Liability.

The Entry Age Normal method attempts to create a level cost pattern. In contrast to other Actuarial Cost Methods which inherently lead to uneven or less predictable cost patterns, the Entry Age Normal method is generally understood to be less risky in terms of contribution stability from year to year.

The Conference of Consulting Actuaries Public Plans Community produced a "white paper" detailing Funding Policy model practices for public sector pension plans. Under the Level Cost Actuarial Methodology ("LCAM"), one of the principal elements to a Funding Policy is the Actuarial Cost Method. When deciding which Actuarial Cost Method to use, several objectives may be considered, such as the following:

- Each Member's benefit should be funded under a reasonable allocation method by the expected retirement date
- Pay-related benefit costs should reflect anticipated pay at retirement
- The expected cost of each year of service (i.e. Normal Cost) for each active Member should be reasonably related to the expected cost of that Member's benefit
- The Member's Normal Cost should emerge as a level percent of Member compensation
- No gains or losses should occur if all assumptions are met.

Following these criteria, the use of the Entry Age Normal Cost Method (Level Percent of Pay) is a model practice.

## FINANCING UNFUNDED ACTUARIAL ACCRUED LIABILITY

The Unfunded Actuarial Accrued Liability may be amortized over a period either in level dollar amounts or as a level percentage of payroll.

When amortizing the Unfunded Actuarial Accrued Liability as a level percentage of payroll, additional risk is incurred since the amortization payments in the early years of the payment period may not be large enough to cover the interest accrued on the existing Unfunded Liability. As a result, the Unfunded

Liability may increase initially, before the amortization payments grow large enough to cover all interest accruals. Generally speaking, the Plan Sponsor will be required to contribute a larger total contribution amount over the course of the funding period under a level percentage of payroll basis as compared to a level dollar payroll schedule.

The Government Finance Officers Association notes that best practices in public pension finance include utilizing amortization periods that do not exceed 20 years. Longer amortization periods elevate the risk of failing to reduce any Unfunded Liability. For example, when the amortization payment in full only covers interest on the Unfunded Liability, but does not reduce the existing Unfunded Liability, the required contribution will increase in future years.

A second principal element under the Level Cost Actuarial Methodology described above is to establish an Amortization Policy that determines the length of time and the structure of the increase or decrease in contributions required to systematically fund the Unfunded Actuarial Accrued Liability. When deciding on the Amortization Policy, several objectives may be considered, such as the following:

- Variations in the source of liability changes (i.e. gains or losses, Plan changes, assumption changes) should be funded over periods consistent with an appropriate balance between the policy objectives of demographic matching and volatility management
- The cost changes in Unfunded Actuarial Accrued Liability should emerge as a level percentage of Member compensation

The LCAM model practices for the Amortization Policy include the following:

- Layered fixed period amortization by source
- Level percent of pay amortization
- An amortization period ranging from 15-20 years for experience gains or losses
- An amortization period of 15-25 years for assumption changes

In accordance with the Pension Fund's Funding Policy for the Recommended Contribution, the Unfunded Actuarial Accrued Liability is amortized by level percent of payroll contributions to a 100% funding target over the remaining 18 years. See the *Actuarial Methods – Recommended Contribution* section of this report for more detail.

We believe that the amortization period is appropriate for the purposes of this valuation.

## **ACTUARIAL FUNDING POLICIES**

### ACTUARIAL VALUE OF ASSETS

The Pension Fund is an ongoing plan. The Employer wishes to smooth the effect of volatility in the Fair Value of Assets on the annual contribution. Therefore, the Actuarial Value of Assets is equal to the Fair Value of Assets with unanticipated gains/losses recognized over a five-year period.

The Asset Valuation Method is intended to create an Actuarial Value of Assets that remains reasonable in relation to the Fair Value of Assets over time. The method produces results that can fall either above or below the Fair Value of Assets. The period of recognition is short.

It is intended that the period of recognition is short enough to keep the Actuarial Value of Assets within a decent range of the Fair Value of Assets. In the event that the Actuarial Value of Assets exceeds or falls below a 10% corridor of the Fair Value of Assets, the additional gain or loss will be recognized immediately.

# ACTUARIAL ASSUMPTIONS

Nature of Actuarial Calculations Actuarial Assumptions in the Valuation Process Assessment of Risk Exposures Limitations of Risk Analysis Assessment and Use of Actuarial Models Actuarial Assumptions Utilized

#### NATURE OF ACTUARIAL CALCULATIONS

The results documented in this report are estimates based on data that may be imperfect and on assumptions about future events. Certain Plan Provisions may be approximated or deemed immaterial, and, therefore, are not valued. Assumptions may be made about census data or other factors. Reasonable efforts were made in this valuation to ensure that significant items in the context of the Actuarial Accrued Liability or costs are treated appropriately, and not excluded or included inappropriately.

Actual future experience will differ from the assumptions used in the calculations. As these differences arise, the expense for accounting purposes will be adjusted in future valuations to reflect such actual experience.

A range of results different from those presented in this report could be considered reasonable. The numbers are not rounded, but this is for convenience only and should not imply precision which is not inherent in actuarial calculations.

#### **ACTUARIAL ASSUMPTIONS IN THE VALUATION PROCESS**

The contributions and benefit values of the Pension Fund are calculated by applying actuarial assumptions to the benefit provisions and census data furnished, using the Actuarial Cost Method described in the *Actuarial Funding Policies* section of this report.

The principal areas of financial risk which require assumptions about future experience are:

- Expected Rate of Return on Investments
- Patterns of Pay Increases for Members
- Rates of Mortality Among Active and Inactive Members
- Rates of Termination Among Active Members
- Rates of Disability Among Active Members
- Age Patterns of Actual Retirements

Actual experience of the Pension Fund will not coincide exactly with assumed experience. Each valuation provides a complete recalculation of assumed future experience and takes into account all past differences between assumed and actual experience. The result is a continual series of adjustments to the computed Recommended Contribution.

Details behind the selection of the actuarial assumptions can be found in the Actuarial Assumption Summary document provided to the client upon request. The client has reviewed and approved the assumptions as a reasonable expectation of the future anticipated experience under the Plan.

### ASSESSMENT OF RISK EXPOSURES

From time to time it becomes appropriate to modify one or more of the assumptions, to reflect experience trends (but not random year-to-year fluctuations). In addition, Actuarial Standards of Practice require that the Actuary minimally perform a qualitative assessment of key financial and demographic risks as part of the risk assessment process with each annual Actuarial Valuation. The risk assessments we perform include, but are not limited to, the following:

- Periodic demographic experience studies every 3 to 5 years to confirm the ongoing appropriateness of actuarial assumptions
- Highlight the impact of demographic experience over the past year, as well as other sources of change and volatility in the *Actuarial Recommended Contribution Reconciliation* section of this report
- Detail year-over-year changes in contribution levels, assets, liabilities, and Funded Status in the *Recommended Contribution* and *Funded Status* sections in the *Management Summary* section of this report
- Review any material changes in the census as summarized in the *Actuarial Valuation Data* section of this report
- Provide and discuss the Actuarial Assumption Summary document highlighting the rationale for each key assumption chosen by the Board
- Identify potential Cash Flow Risk by highlighting expected benefit payments over the next 5-year and 10-year periods in the *Asset Growth* section in the *Management Summary* section of this report
- Describe the impact of any assumption, method, or policy change in the *Management Summary* section of this report
- Utilize supplemental information, such as the GASB Discount Rate sensitivity disclosures to understand, for example, what impact an alternative Expected Rate of Return on Investments assumption might have on the estimation of Actuarial Accrued Liability and Funded Status
- Utilize supplemental information, such as the GASB solvency test, to better understand the Cash Flow Risk and long-term sustainability of the Plan.

## LIMITATIONS OF RISK ANALYSIS

Since future experience may never be precisely as assumed, the process of selecting funding methods and actuarial assumptions may inherently create risk and volatility of results. A more detailed evaluation of the above risk exposures is beyond the scope and nature of the annual Actuarial Valuation process. For example, scenario tests, sensitivity tests, stress tests, and/or stochastic modeling for multi-year projections to assess the impact of alternative assumptions and methods, or modeling future experience different from the assumptions in these results, are not included in this Actuarial Valuation.

The Burr Ridge Police Pension Fund and/or the Village of Burr Ridge, Illinois should contact the Actuary if they desire a more detailed assessment of any of these forward-looking risk exposures.

#### ASSESSMENT AND USE OF ACTUARIAL MODELS

Actuarial Valuations rely upon the use of actuarial modeling software to predict the occurrence of future events, which include specific demographic and financial potential outcomes. Actuarial assumptions are established to provide a guideline to use for such modeling.

- The model used in this Actuarial Valuation is intended to determine the Recommended Contribution, under the selected Funding Policy. The actuarial assumptions used were developed with this goal in mind.
- There are no known material limitations or inconsistencies among the actuarial assumptions or methods.
- The output from the model is reasonable based on the individual actuarial assumptions and based on the actuarial assumptions in the aggregate.
- The actuarial software used to calculate plan liabilities has been purchased from an outside vendor. We have performed thorough testing of the software, including review of sample participants, to ensure the intended purpose of the model, the operation of the model, sensitivities and dependencies, and strengths and limitations of the model are sufficient for this purpose.
- Census data and financial information have been provided by client professionals, financial advisors, and/or auditors, who are known to be experts in their respective fields. We rely on the fact that the information provided by these experts has been given for the intended purpose of this Actuarial Valuation.
- Where applicable, certain actuarial assumptions and Funding Policy may be required as prescribed by law. In such instances, we have followed legal guidance to ensure conformity.
- The Expected Rate of Return on Investments assumption has been chosen using input from several sources; including, but not limited to: client professionals, financial advisors, auditors, and other capital market outlooks. We have relied on the information provided, in the aggregate, to settle on the selected Expected Rate of Return on Investments assumption.

As stated in the *Limitations of Risk Analysis* section, future experience may never be precisely as assumed. As a result, the funding methods and actuarial assumptions used in the model may create volatility in the results when compared year after year. A more detailed evaluation of this volatility is beyond the scope and nature of the annual Actuarial Valuation process. In such cases, additional scenario tests, sensitivity tests, stress tests, and/or stochastic modeling for multi-year projections to assess the impact of alternative assumptions and methods, or modeling future experience different from the assumptions in these results, may be performed to determine a range of reasonable results.

#### **ACTUARIAL ASSUMPTIONS UTILIZED**

**Expected Rate of Return on Investments** 7.00% Net of Administrative Expense

CPI-U	2.25%
Total Payroll Increases	3.25%
Individual Pay Increases*	4.00% - 7.87%

Individual pay increases include a long-term average increase for inflation, average annual increases for promotions, and any additional increases for a step program. Sample rates are as follows:

Service	Rate	Service	Rate
0	7.87%	8	4.00%
1	7.58%	9	4.00%
2	7.30%	10	4.00%
3	7.06%	15	4.00%
4	6.84%	20	4.00%
5	6.64%	25	4.00%
6	6.46%	30	4.00%
7	6.28%	35	4.00%

*Individual pay increases for active Members hired at age 40 or older are assumed annual increases at the ultimate rate reduced by 50 basis points, without adjustments in early service years.

### **ACTUARIAL ASSUMPTIONS**

#### **Retirement Rates**

100% of the L&A Assumption Study for Police 2020 Cap Age 65. Sample rates are as follows:

Age	Rate	Age	Rate
50	11.00%	58	16.25%
51	11.55%	59	16.25%
52	12.13%	60	16.25%
53	12.73%	61	16.25%
54	13.37%	62	18.00%
55	14.04%	63	20.00%
56	14.74%	64	20.00%
57	15.48%	65	100.00%

#### **Termination Rates**

100% of the L&A Assumption Study for Police 2020. Sample rates are as follows:

Age	Rate	Age	Rate
25	8.00%	40	2.17%
30	3.40%	45	1.56%
35	2.79%	50	0.46%

#### **Disability Rates**

100% of the L&A Assumption Study for Police 2020. Sample rates are as follows:

Age	Rate	Age	Rate	
25	0.00%	40	0.38%	
30	0.06%	45	0.53%	
35	0.18%	50	0.48%	

65% of active Members who become disabled are assumed to be in the Line of Duty.

### **ACTUARIAL ASSUMPTIONS**

Mortality Rates	Active Mortality follows the Sex Distinct Raw Rates as developed in the PubS-2010(A) Study. Mortality improvement uses MP-2019 Improvement Rates applied on a fully generational basis.
	50% of active Member deaths are assumed to be in the Line of Duty. Retiree Mortality follows the L&A Assumption Study for Police 2020. These rates are experience weighted with the Sex Distinct Raw Rates as developed in the PubS-2010(A) Study improved to 2017 using MP-2019 Improvement Rates. These rates are then
	improved fully generationally using MP-2019 Improvement Rates. Disabled Mortality follows the Sex Distinct Raw Rates as developed
	in the PubS-2010 Study for disabled participants. Mortality improvement uses MP-2019 Improvement Rates applied on a fully generational basis.
	Spouse Mortality follows the Sex Distinct Raw Rates as developed in the PubS-2010(A) Study for contingent survivors. For all rates not provided there (ages 45 and younger) the PubG-2010 Study for general employees was used. Mortality improvement uses MP-2019 Improvement Rates applied on a fully generational basis.
Marital Assumptions	Active Members: 80% of active Members are assumed to be married. Female spouses are assumed to be 3 years younger than male spouses.
	<i>Retiree and Disabled Members:</i> Actual spousal data was utilized for retiree and disabled Members.

## SUMMARY OF PRINCIPAL PLAN PROVISIONS

Establishment of the Fund Administration Member Contributions Regular Retirement Pension Benefit Early Retirement Pension Benefit Surviving Spouse Benefit Termination Benefit – Vested Disability Benefit

#### **ESTABLISHMENT OF THE FUND**

The Police Pension Fund is established and administered as prescribed by "Article 3 – Police Pension Fund – Municipalities 500,000 and Under" of the Illinois Pension Code.

#### ADMINISTRATION

The Police Pension Fund is administered by a Board of Trustees whose duties are to manage the Pension Fund, determine applications for pensions, authorize payment of pensions, establish rules, pay expenses, invest assets, and keep records.

#### **MEMBER CONTRIBUTIONS**

Members contribute 9.910% of pensionable salary.

#### **REGULAR RETIREMENT PENSION BENEFIT**

<u>Tier I</u>

Eligibility: Age 50 with at least 20 years of creditable service.

*Benefit:* 50% of final salary for the first 20 years of service, plus an additional 2.5% of final salary for each year of service beyond 20 years of service, and not to exceed 75% of final salary. "Final salary" is based on the police officer's pensionable salary attached to rank held on the last day of service, unless the pensionable salary was greater at some point within the year prior to the last day of service. If so, the pensionable salary is averaged over the last 12 months.

Annual Increase in Benefit: A police officer is entitled to receive an initial increase equal to 1/12 of 3% of the original monthly benefit for each full month that has passed since the pension began. The initial increase date will be the latter of the first day of the month after the pensioner turns age 55 or the first day of the month after the benefit date anniversary. Subsequent increases of 3% of the current monthly benefit will be granted every January 1st thereafter.

#### **REGULAR RETIREMENT PENSION BENEFIT - CONTINUED**

<u>Tier II</u>

Eligibility: Age 55 with at least 10 years of creditable service.

*Benefit:* 2.5% of final average salary for each year of service, and not to exceed 75% of final average salary. "Final average salary" is determined by dividing the total pensionable salary during 48 consecutive months of service within the last 60 months of service in which total pensionable salary was the highest, by the number of months of service in that period (or by dividing the total pensionable salary during 96 consecutive months of service within the last 120 months of service in which total pensionable salary during 96 consecutive months of service within the last 120 months of service in which total pensionable salary during 96 consecutive months of service within the last 120 months of service in that period, if greater). Annual salary for this purpose will not exceed the salary cap, indexed by the lesser of 3% or the CPI-U for the 12 months ending with the September preceding each November 1st. The salary cap will not decrease.

Annual Increase in Benefit: The initial increase date will be the latter of the January 1st after the pensioner turns age 60 or the January 1st after the benefit date anniversary. Subsequent increases will be granted every January 1st thereafter. The initial increase and subsequent increases will be the lesser of 3% of the original benefit or  $\frac{1}{2}$  of the CPI-U for the 12 months ending with the September preceding each November 1st.

#### **EARLY RETIREMENT PENSION BENEFIT**

<u>Tier I</u>

None.

Tier II

*Eligibility:* Age 50 with at least 10 years of creditable service.

*Benefit:* The regular retirement pension benefit reduced by  $\frac{1}{2}$  of 1% for each month that the police officer's age is between 50 and 55.

Annual Increase in Benefit: The initial increase date will be the latter of the January  $1^{st}$  after the pensioner turns age 60 or the January  $1^{st}$  after the benefit date anniversary. Subsequent increases will be granted every January  $1^{st}$  thereafter. The initial increase and subsequent increases will be the lesser of 3% of the original benefit or  $\frac{1}{2}$  of the CPI-U for the 12 months ending with the September preceding each November  $1^{st}$ .

#### SURVIVING SPOUSE BENEFIT

#### Tier I

*Eligibility:* Married to an active police officer with at least 8 years of creditable service, a disabled pensioner at the time of death, or a retired pensioner on the last day of service.

Active Line of Duty Death Benefit: An eligible surviving spouse is entitled to receive 100% of the police officer's final pensionable salary attached to rank held on the last day of service.

#### Non-Duty Death Benefit:

*Disabled or Retired Pensioner:* An eligible surviving spouse is entitled to receive the pensioner's benefit at the time of death.

Active Member with 20+ Years of Service: An eligible surviving spouse is entitled to the police officer's eligible benefit at the time of death.

Active Member with 10-20 Years of Service: An eligible surviving spouse is entitled to receive 50% of the police officer's pensionable salary attached to rank held on the last day of service, unless the pensionable salary was greater at some point within the year prior to the last day of service. If so, the pensionable salary is averaged over the last 12 months.

Annual Increase in Benefit: None.

#### <u>Tier II</u>

*Eligibility:* Married to an active police officer with at least 8 years of creditable service, a disabled pensioner at the time of death, or a retired pensioner on the last day of service.

Active Line of Duty Death Benefit: An eligible surviving spouse is entitled to receive 100% of the police officer's final pensionable salary attached to rank held on the last day of service.

#### Non-Duty Death Benefit:

Disabled or Retired Pensioner, Active Member with 20+ Years of Service, and Active Member with 10-20 Years of service: An eligible surviving spouse is entitled to receive the greater of  $66^{2}/_{3}$ % of the police officer's earned pension benefit at the time of death or 54% of the police officer's monthly salary at the time of death.

Annual Increase in Benefit: The initial increase date will be the January  $1^{st}$  after the surviving spouse turns age 60. Subsequent increases will be granted every January  $1^{st}$  thereafter. The initial increase and subsequent increases will be the lesser of 3% of the original benefit or  $\frac{1}{2}$  of the CPI-U for the 12 months ending with the September preceding each November  $1^{st}$ .

### SUMMARY OF PRINCIPAL PLAN PROVISIONS

#### **TERMINATION BENEFIT – VESTED**

<u>Tier I</u>

*Eligibility:* Age 60 with at least 8 but less than 20 years of creditable service.

*Benefit:* 2.5% of final salary for each year of service. "Final salary" is based on the police officer's pensionable salary attached to rank held on the last day of service, unless the pensionable salary was greater at some point within the year prior to the last day of service. If so, the pensionable salary is averaged over the last 12 months.

*Annual Increase in Benefit:* A police officer is entitled to receive an initial increase equal to 1/12 of 3% of the original monthly benefit for each full month that has passed since the pension began. The initial increase date will be the first day of the month after the benefit date anniversary. Subsequent increases of 3% of the current monthly benefit will be granted every January 1st thereafter.

Tier II

None.

#### **DISABILITY BENEFIT**

#### <u>Tier I</u>

*Eligibility:* Duty or Non-Duty Disability or Occupational Disease Disability with at least 5 years of creditable service.

*Benefit:* For a duty disability or an occupational disease disability with at least 5 years of creditable service, a police officer is entitled to receive the greater of 65% of final salary or the regular retirement pension benefit at the time of disability. For a non-duty disability, a police officer is entitled to receive 50% of final salary. "Final salary" is based on the police officer's pensionable salary attached to rank held on the last day of service.

*Annual Increase in Benefit:* A police officer is entitled to receive an initial increase equal to 3% of the original monthly benefit for each full year that has passed since the pension began. The initial increase date will be the latter of the January 1st after following pensioner turns age 60 or the January 1st after the benefit date anniversary. Subsequent increases of 3% of the original monthly benefit will be granted every January 1st thereafter.

#### <u>Tier II</u>

*Eligibility:* Duty or Non-Duty Disability or Occupational Disease Disability with at least 5 years of creditable service.

*Benefit:* For a duty disability or an occupational disease disability with at least 5 years of creditable service, a police officer is entitled to receive the greater of 65% of final salary or the regular retirement pension benefit at the time of disability. For a non-duty disability, a police officer is entitled to receive 50% of final salary. "Final salary" is based on the police officer's pensionable salary attached to rank held on the last day of service.

*Annual Increase in Benefit:* A police officer is entitled to receive an initial increase equal to 3% of the original monthly benefit for each full year that has passed since the pension began. The initial increase date will be the latter of the January 1st after following pensioner turns age 60 or the January 1st after the benefit date anniversary. Subsequent increases of 3% of the original monthly benefit will be granted every January 1st thereafter.

## GLOSSARY OF TERMS

Glossary of Terms

#### **GLOSSARY OF TERMS**

*Actuarial Accrued Liability* – The Actuarial Present Value of future benefits based on Members' service rendered to the Measurement Date using the selected Actuarial Cost Method. It is that portion of the Actuarial Present Value of Plan benefits and expenses allocated to prior years of employment. It is not provided for by future Normal Costs.

*Actuarial Cost Method* – The method used to allocate the projected obligations of the Plan over the working lifetimes of the Plan Members.

*Actuarial Value of Assets* – The value of the assets used in the determination of the Unfunded Actuarial Accrued Liability. The Actuarial Value of Assets is related to Fair Value of Assets, with adjustments made to spread unanticipated gains and losses for a given year over a period of several years. Actuarial Value of Assets is generally equally likely to fall above or below the Fair Value of Assets, and generally does not experience as much volatility over time as the Fair Value of Assets.

*Asset Valuation Method* – A valuation method designed to smooth random fluctuations in asset values. The objective underlying the use of an Asset Valuation Method is to provide for the long-term stability of Employer Contributions.

*Funding Policy* – A set of procedures for a Pension Fund that outlines the "best practices" for funding the pension benefits based on the goals of the Plan Sponsor. A Funding Policy discusses items such as assumptions, Actuarial Cost Method, assets, and other parameters that will best help the Plan Sponsor meet their goal of working in the best interest of the Plan Members.

*Fair Value of Assets* – The value of the cash, bonds, securities, and other assets held in the pension trust as of the Measurement Date.

*Normal Cost* – The present value of future benefits earned by Members during the current Fiscal Year. It is that portion of the Actuarial Present Value of benefits and expenses which is allocated to a valuation year by the Actuarial Cost Method.

*Unfunded Actuarial Accrued Liability* – The excess of the Actuarial Accrued Liability over the Actuarial Value of Assets. The Unfunded Actuarial Accrued Liability is amortized over a period either in level dollar amounts or as a level percentage of projected payroll.

CERTIFIED PUBLIC ACCOUNTANTS

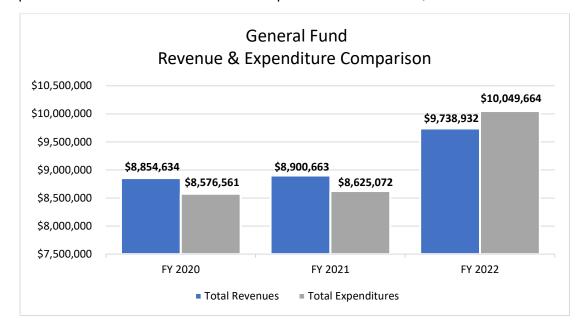

# Village of Burr Ridge

FISCAL YEAR 2022 Year End Review Village of Burr Ridge Fiscal 2022 – Year End Review

#### General Fund

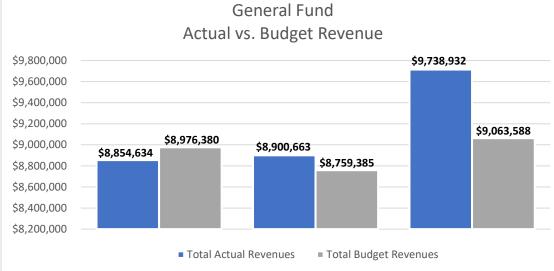

The General Fund is the main operating fund of the Village and reflects the operating activities of the Police, Public Works and Administrative departments of the Village. Fiscal Year 2022 highlights include –

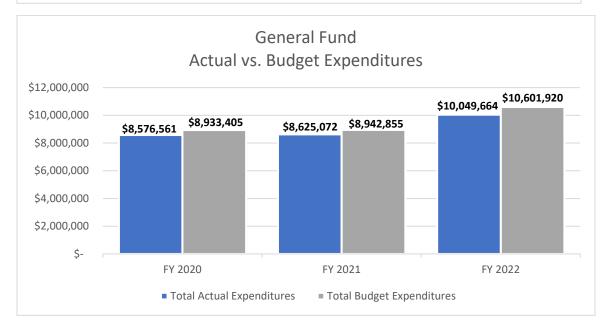

- ✓ FY2022 ending fund balance in the General Fund amounts to \$5,594,520, or approximately 61.4% of recurring operating expenditures, well above the Village's targeted fund balance of 25% of recurring operating expenditures.
- ✓ In total, FY2022 General Fund revenues amounted to approximately 107.3% of budget; Sales and Use Tax amounted to approximately 127.8% of budget, Gas Utility Tax amounted to approximately 168.4% of the amount budgeted and Income Tax amounted to approximately 134.2% of the amount budgeted.
- ✓ General Fund expenditures across all departments amounted to approximately 95.6% of the total amount budgeted; included in total expenditures are transfers to the Village's capital funds in the amount of \$410,000 (mainly related to the Road Program), as well as a transfer to the Village's Information Technology Fund in the amount of \$136,500.
- In addition to the transfers noted above, a draw on fund balance within the General Fund, in the amount of \$1,268,900, occurred in FY2022 for the purpose of retiring the outstanding General Obligation Refunding Bonds, Series 2017; upon payoff of these bonds, the Village has no outstanding general obligation debt.
- ✓ In September 2021 the Village received the first installment of the American Rescue Plan (ARPA) Grant in the amount of \$731,244. The final installment will be received in September 2022. The amount received to date has been recorded as deferred revenue until covered expenses are identified and incurred and therefore, this revenue source is not included in the General Fund trends reflected below.

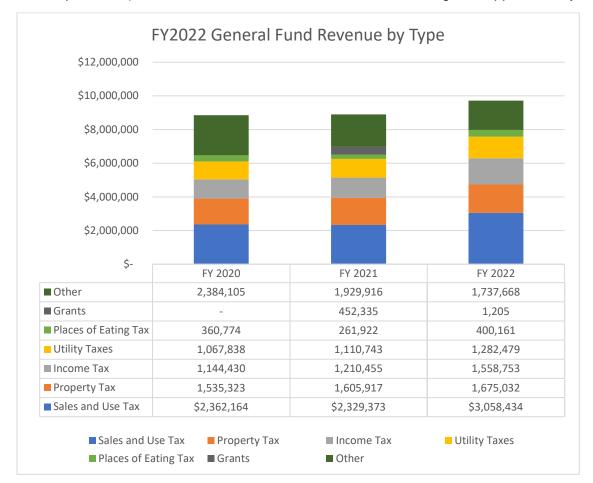

Below is a snapshot of General Fund revenues and expenditures for FY2020, FY2021 and FY2022.

The graph below reflects General Fund revenues by type for FY2020, 2021 and FY2022. As shown, Sales and Use Tax revenues provide the largest revenue source in this fund and have grown significantly when comparing FY2020 and FY2021 to FY2022. While not shown on the graph below, when comparing FY2019 (the last full fiscal year prior to the pandemic) to FY2022, Sales and Use Tax revenues have grown approximately 38.3%.

#### Information Technology Fund

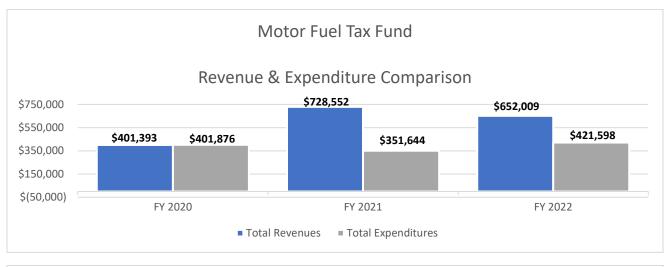

FY2022 revenue of the Information Technology Fund amounted to \$326,770, while expenditures amounted to \$462,683. All revenues of the fund consisted of interfund transfers from the General, Water and Sewer Funds. Fund balance at the end of the fiscal year equaled \$98,370. This fund will be closed as of April 30, 2022, and the remaining fund balance will be transferred to the General Fund.

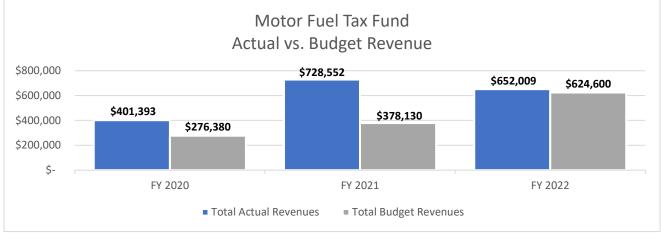

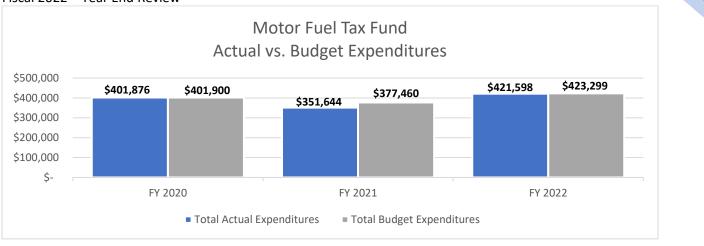

#### Special Revenue Funds - Motor Fuel Tax, Hotel/Motel Tax and Downtown Business District

#### Motor Fuel Tax Fund

Fund balance in the Motor Fuel Tax Fund at the end of FY222 amounts to \$617,603. A significant portion of this fund balance consists of four of the six installments received from the Rebuild Illinois Bond Fund. Below is a snapshot of Motor Fuel Tax Fund revenues and expenditures for FY2020 FY2021 and FY2022.

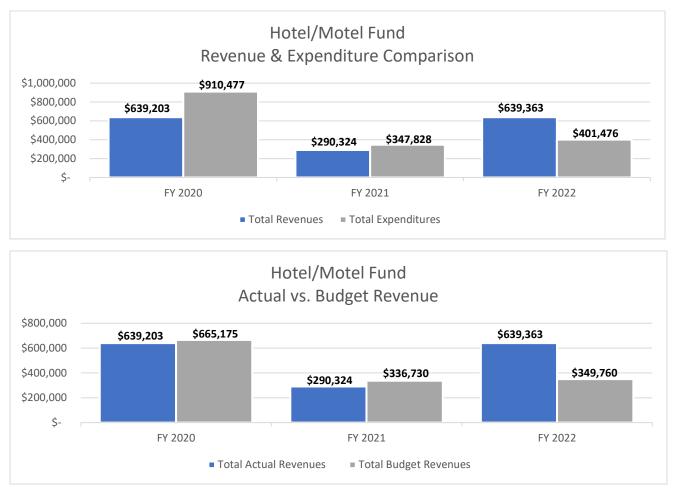

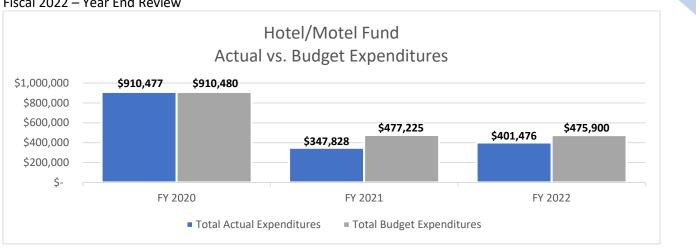

#### Hotel/Motel Tax Fund

Fund balance in the Hotel/Motel Tax Fund at the end of FY2022 amounts to \$418,623. Hotel/Motel Tax revenues increased significantly when comparing FY222 to FY2021, with FY2022 slightly exceeding pre-pandemic levels. Below is a snapshot of Hotel/Motel Tax Fund revenues and expenditures for FY2020 FY2021 and FY2022.

5

#### Downtown Business District Fund

The Downtown Business District Fund was established in FY2022 and therefore does not have any prior year activity. FY2022 Sales Tax collections within the Downtown Business District amounted to \$148,253. FY2022 expenditures of this fund consisted of a transfer to the General Fund for reimbursement of expenses incurred to establish the Business District in the amount of \$25,201

#### **Capital Improvement Funds**

In Fiscal Year 2022, the Village's Capital Improvement Funds consisted of the Capital Improvement, Sidewalk/Pathway, Equipment Replacement and Storm Water Management Funds. The combined fund balance of these funds at fiscal year end amounted to \$536,704. This fund balance is available to fund future projects, including projects budgeted in FY2023. Revenues reflected in these funds in FY2022 mostly consists of transfers from the Village's General, Hotel/Motel and Motor Fuel Tax Funds.

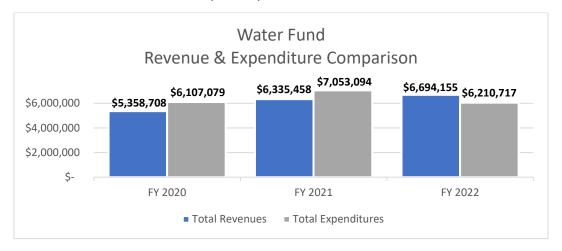

The Sidewalk/Pathway, Equipment Replacement and Storm Water Management Funds will be closed at the end of FY2022, and any remaining fund balance will be transferred to the Capital Improvement Fund. Moving forward, all non-enterprise (Water and Sewer Funds) capital spending will be reflected in this fund.

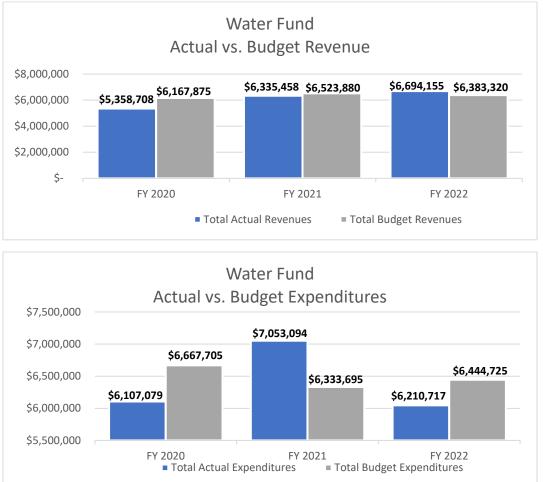

#### **Enterprise Funds**

#### Water Fund

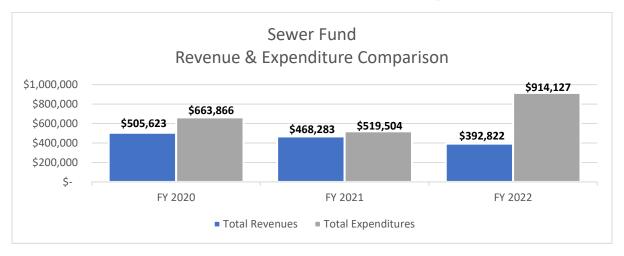

Total Water Fund actual revenues for FY2022 exceeded the amount budgeted by approximately \$311,000, while actual expenditures amounted to approximately \$234,000 less than the amount budgeted. Fund balance in the Water Fund at the end of Fiscal Year equaled \$1,363,689. As per Village ordinance, and based on a previous rate study, water rates were increased effective May 1, 2022. This increase will generate additional revenue that will be utilized to fund capital expenditures within the Water Fund.

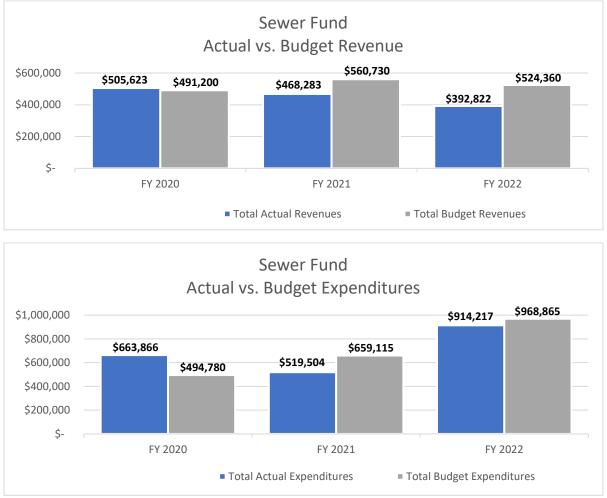

#### Sewer Fund

Total Sewer Fund actual revenues for FY2022 came in under amount budget by approximately \$131,538. This occurred due to an unrealized loss on investments recorded at the end of the fiscal year. This loss is not realized and will be adjusted as the market changes. Total Sewer Fund FY2022 actual expenditures amounted to approximately \$914,127, slightly over budget due to a change order for the Chasemoor Lift Station. Fund balance in the Sewer Fund amounts to \$1,535,876 at the end of the fiscal year.

#### **Police Pension Fund**

Total Police Pension Fund revenues for FY2022, net of an unrealized loss on the value of investments, amount to \$2,723,998. There revenues were derived from interest income in the amount of \$1,102,261, employee contributions in the amount of \$249,902 and employer contributions in the amount of \$910,306. An unrealized loss on investments, in the amount of \$3,334,812, is also reflected in this fund at the end of the fiscal year.

Fiscal Year 2022 expenditures of this fund consisted of pension and disability payments in the amount of \$1,456,512, as well as pension refunds of \$10,825. Administrative cost reflected in FY2022 amount to \$78,010, including approximately \$59,000 for investment management fees.

An actuarial valuation of the Police Pension Fund is performed each year providing the funding status of the fund, as well as statutory minimum and recommended employer contribution to the fund. The valuation for the fiscal year ending April 20, 2022 is currently ongoing and will be provided to the Board when received.

#### INTERGOVERNMENTAL AGREEMENT BETWEEN THE PLEASANT DALE PARK DISTRICT AND THE VILLAGE OF BURR RIDGE REGARDING THE POLICING OF PARK DISTRICT PROPERTY

THIS INTERGOVERNMENTAL AGREEMENT ("Agreement") is made this 12th day of September, 2022, but actually executed by each of the undersigned parties on the date set forth beneath the respective signatures of their duly authorized officers below, by and between the PLEASANT DALE PARK DISTRICT, an Illinois park district (the "District"), and the VILLAGE OF BURR RIDGE, an Illinois municipal corporation (the "Village," together with the Park District, the "Parties").

#### RECITALS

WHEREAS, Article 7, Section 10 of the Constitution of the State of Illinois of 1970 and the Intergovernmental Cooperation Act, 5 ILCS 220/1, *et seq.*, authorize units of local government to contract or otherwise associate among themselves to obtain and share services and to exercise, combine, or transfer any power or function in any manner not prohibited by law; and

WHEREAS, the District is the owner of certain parks, grounds, and facilities ("District Property") located in the Village; and

WHEREAS, the District desires that the laws, ordinances, rules and regulations of the District, as well as those of the Village and State of Illinois, be enforced by Village police officers within and on the District Property; and

WHEREAS, the Village maintains a police department; and

WHEREAS, the Village has determined that it is feasible and appropriate that its police officers enforce the laws, ordinances, rules and regulations of the District, the Village, and the State of Illinois within and on the District Property; and

WHEREAS, the District and the Village wish to associate, cooperate and share services to achieve the goals and objectives expressed herein and to enter into an intergovernmental agreement that so provides.

NOW, THEREFORE, in consideration of the foregoing promises and the respective representations, warranties, agreements, covenants and conditions herein contained, and other good and valuable consideration, the Village and the District agree as follows:

<u>Section 1</u>. The Village police officers shall be authorized at all times to enforce the laws, ordinances, rules and regulations of the District within and on District Property located within the corporate limits of the Village and to sign and file complaints for any violation thereof. It is agreed and understood that no Village police officers, vehicles or equipment shall be designated for park patrol, but rather in the normal course of patrol and on call, the Village police officers shall so enforce such laws within and on the District Property. No costs or expenses shall be assessed against the District by the Village in association with policing District Property.

<u>Section 2</u>. The police officers of the Village shall remain under the command and control of the Village's Chief of Police at all times.

<u>Section 3</u>. This Agreement shall not be construed as to limit in any way the authority or ability of the police officers of the Village to enforce the laws of the Village, State of Illinois and United States as otherwise authorized by applicable law, either on or off the District Property.

<u>Section 4</u>. Members of the Village Police Department, acting hereunder to enforce the laws within and on District Property, shall be conservators of the peace within and on such District Property and shall have the right and the power to issue tickets, make arrests on view of an offense, or upon probable cause or warrants, for the violation of any of the laws, rules, regulations or ordinances of the District, or for any breach of the peace, in the same manner as police in other cities or villages organized and existing under the general laws of the State of Illinois.

<u>Section 5.</u> Article II of the Park Policy Manual of the District is hereby adopted by the Village, and any violations of said Article II shall be considered as municipal code violations and may be enforced by the Village through a system of administrative adjudication adopted by the Village or any other lawful means. Any fines or fees collected from tickets issued or arrests made by the Village within or on District Property shall be retained by the Village, whether from administrative adjudication.

<u>Section 6</u>. The District shall protect, indemnify, save and hold forever harmless the Village and/or its officers, employees and agents (the "Village Parties") from and against all liabilities, obligations, claims, damages, penalties, causes of action, costs and expenses, including without limitation court costs, insurance deductibles, and attorney's fees and expenses, which the Village Parties may incur, suffer or sustain, or for which the Village Parties may become obligated by reason of any accident, injury to or death of persons or loss of or damage to property, or civil and/or constitutional infringement of rights, arising indirectly or directly in connection with or under, or as a result of, this Agreement by virtue of any act or omission of any of the District's officers, employees and/or agents.

<u>Section 7</u>. This Agreement shall be effective when executed by the District and the Village. Unless otherwise terminated by either party, this Agreement shall be effective for a term of three (3) years and shall be automatically renewed for successive terms of three (3) years, not to exceed twenty (20) years, unless either party notifies the other in writing of non-renewal at least ninety (90) days before the end of the then applicable term.

<u>Section 8</u>. Either party may terminate this Agreement for any violation of the terms hereof by providing the other party with thirty (30) days advance written notice. Either party may terminate this Agreement without cause by giving the other party at least ninety (90) days advance written notice.

<u>Section 9</u>. Notice or other writings which any party is required to serve upon any other party in connection with this Agreement shall be in writing and shall be delivered personally or sent by certified mail, return receipt requested, postage prepaid, addressed as follows:

(1) If to District:

Matt Russian, Executive Director Pleasant Dale Park District 7425 Wolf Road Burr Ridge, Illinois 60525

With a copy to:

Joseph Cainkar Louis F. Cainkar, Ltd. 30 North Lasalle, Suite 3430 Chicago, Illinois 60602

(2) If to Village:

Evan Walter, Village Administrator Village of Burr Ridge 7660 County Line Road Burr Ridge, Illinois 60527

With a copy to:

Michael K. Durkin Storino, Ramello & Durkin 9501 West Devon Avenue, Suite 800 Rosemont, Illinois 60018

or such other address as any party may from time to time designate in a written notice to the other party.

<u>Section 10</u>. This Agreement shall be construed in accordance with the laws and Constitution of the State of Illinois. Venue for any action taken by the Village or the District, whether in law or in equity, to enforce the terms of this Agreement shall be in the Circuit Court of Cook County, Illinois, or the U.S. District Court for the Northern District of Illinois, as appropriate.

<u>Section 11</u>. This Agreement constitutes the entire agreement of the parties on the subject matter hereof. The parties represent, warrant, covenant and agree that no representation, warranty, covenant or agreement shall be binding on the other party unless expressed in writing herein or by written modification.

<u>Section 12</u>. Neither this Agreement nor any provisions hereof may be changed, revised, modified, waived, discharged, terminated or otherwise abrogated, diminished or impaired other than by an instrument in writing duly authorized and executed by both the Village and the District.

Section 13. It is hereby expressed to be the intent of the parties that should any provision, covenant, agreement, or portion of this Agreement or its application to any person or property be held invalid by a court of competent jurisdiction, the remaining provisions of this Agreement and its validity, enforceability, and application to any person or property shall not be impaired thereby, but the remaining provisions shall be interpreted, applied, and enforced so as to achieve, as near as may be, the purpose and intent of this Agreement to the greatest extent permitted by applicable law.

<u>Section 14</u>. Nothing in this Agreement is intended, nor shall it be interpreted, to create any rights or remedies to and in any third party. No claim as a third-party beneficiary under this Agreement by any person shall be made, or be valid, against the Village or the District.

<u>Section 15</u>. No provision of this Agreement, or act of either party under this Agreement, shall be construed as creating the relationship of principal and agent, or as creating a partnership, joint venture, or other enterprise, or render either party liable for any of the debts or obligations of the other party, except under any indemnity provisions of this Agreement.

[SIGNATURE PAGE TO FOLLOW]

IN WITNESS WHEREOF, the parties have caused this agreement to be executed by duly authorized officers thereof on the dates indicated below.

#### Re: Z-21-2022: 510 Village Center Drive (Garcia/Coopers Hawk Winery & Restaurant); Special Use, PUD Amendment, and Findings of Fact

Dear Mayor and Board of Trustees:

The Plan Commission transmits its recommendation to approve special use and PUD amendment requests by Christopher Garcia of Coopers Hawk Winery & Restaurant to amend an existing outdoor dining area at a permitted restaurant pursuant to PUD Ordinance #A-834-10-05, special use Ordinances #A-834-10-16 and #A-834-04-12, and Zoning Ordinance section VIII.C.2.

After due notice as required by law, the Plan Commission held a public hearing on August 15, 2022. Coopers Hawk Winery & Restaurant currently operates from the subject site and was previously approved for outdoor dining. The petitioner would like to add a permanent awning or roof structure over the existing outdoor dining area which requires an amendment to their prior approval.

The Plan Commission determined that the special use would not negatively impact other properties or businesses in the area. At the public hearing, there were no public comments. There were no other public comments received.

Based on the above considerations and the submitted findings of fact, the Plan Commission unanimously voted to *recommend that the Board of Trustees approve* requests by Christopher Garcia of Coopers Hawk Winery & Restaurant to amend PUD Ordinance #A-834-10-05 and special use Ordinances #A-834-10-16 and #A-834-04-12, and a special use for outdoor dining pursuant to Zoning Ordinance section VIII.C.2 to install a new awning over an existing patio, with Findings of Fact, and subject to the following conditions:

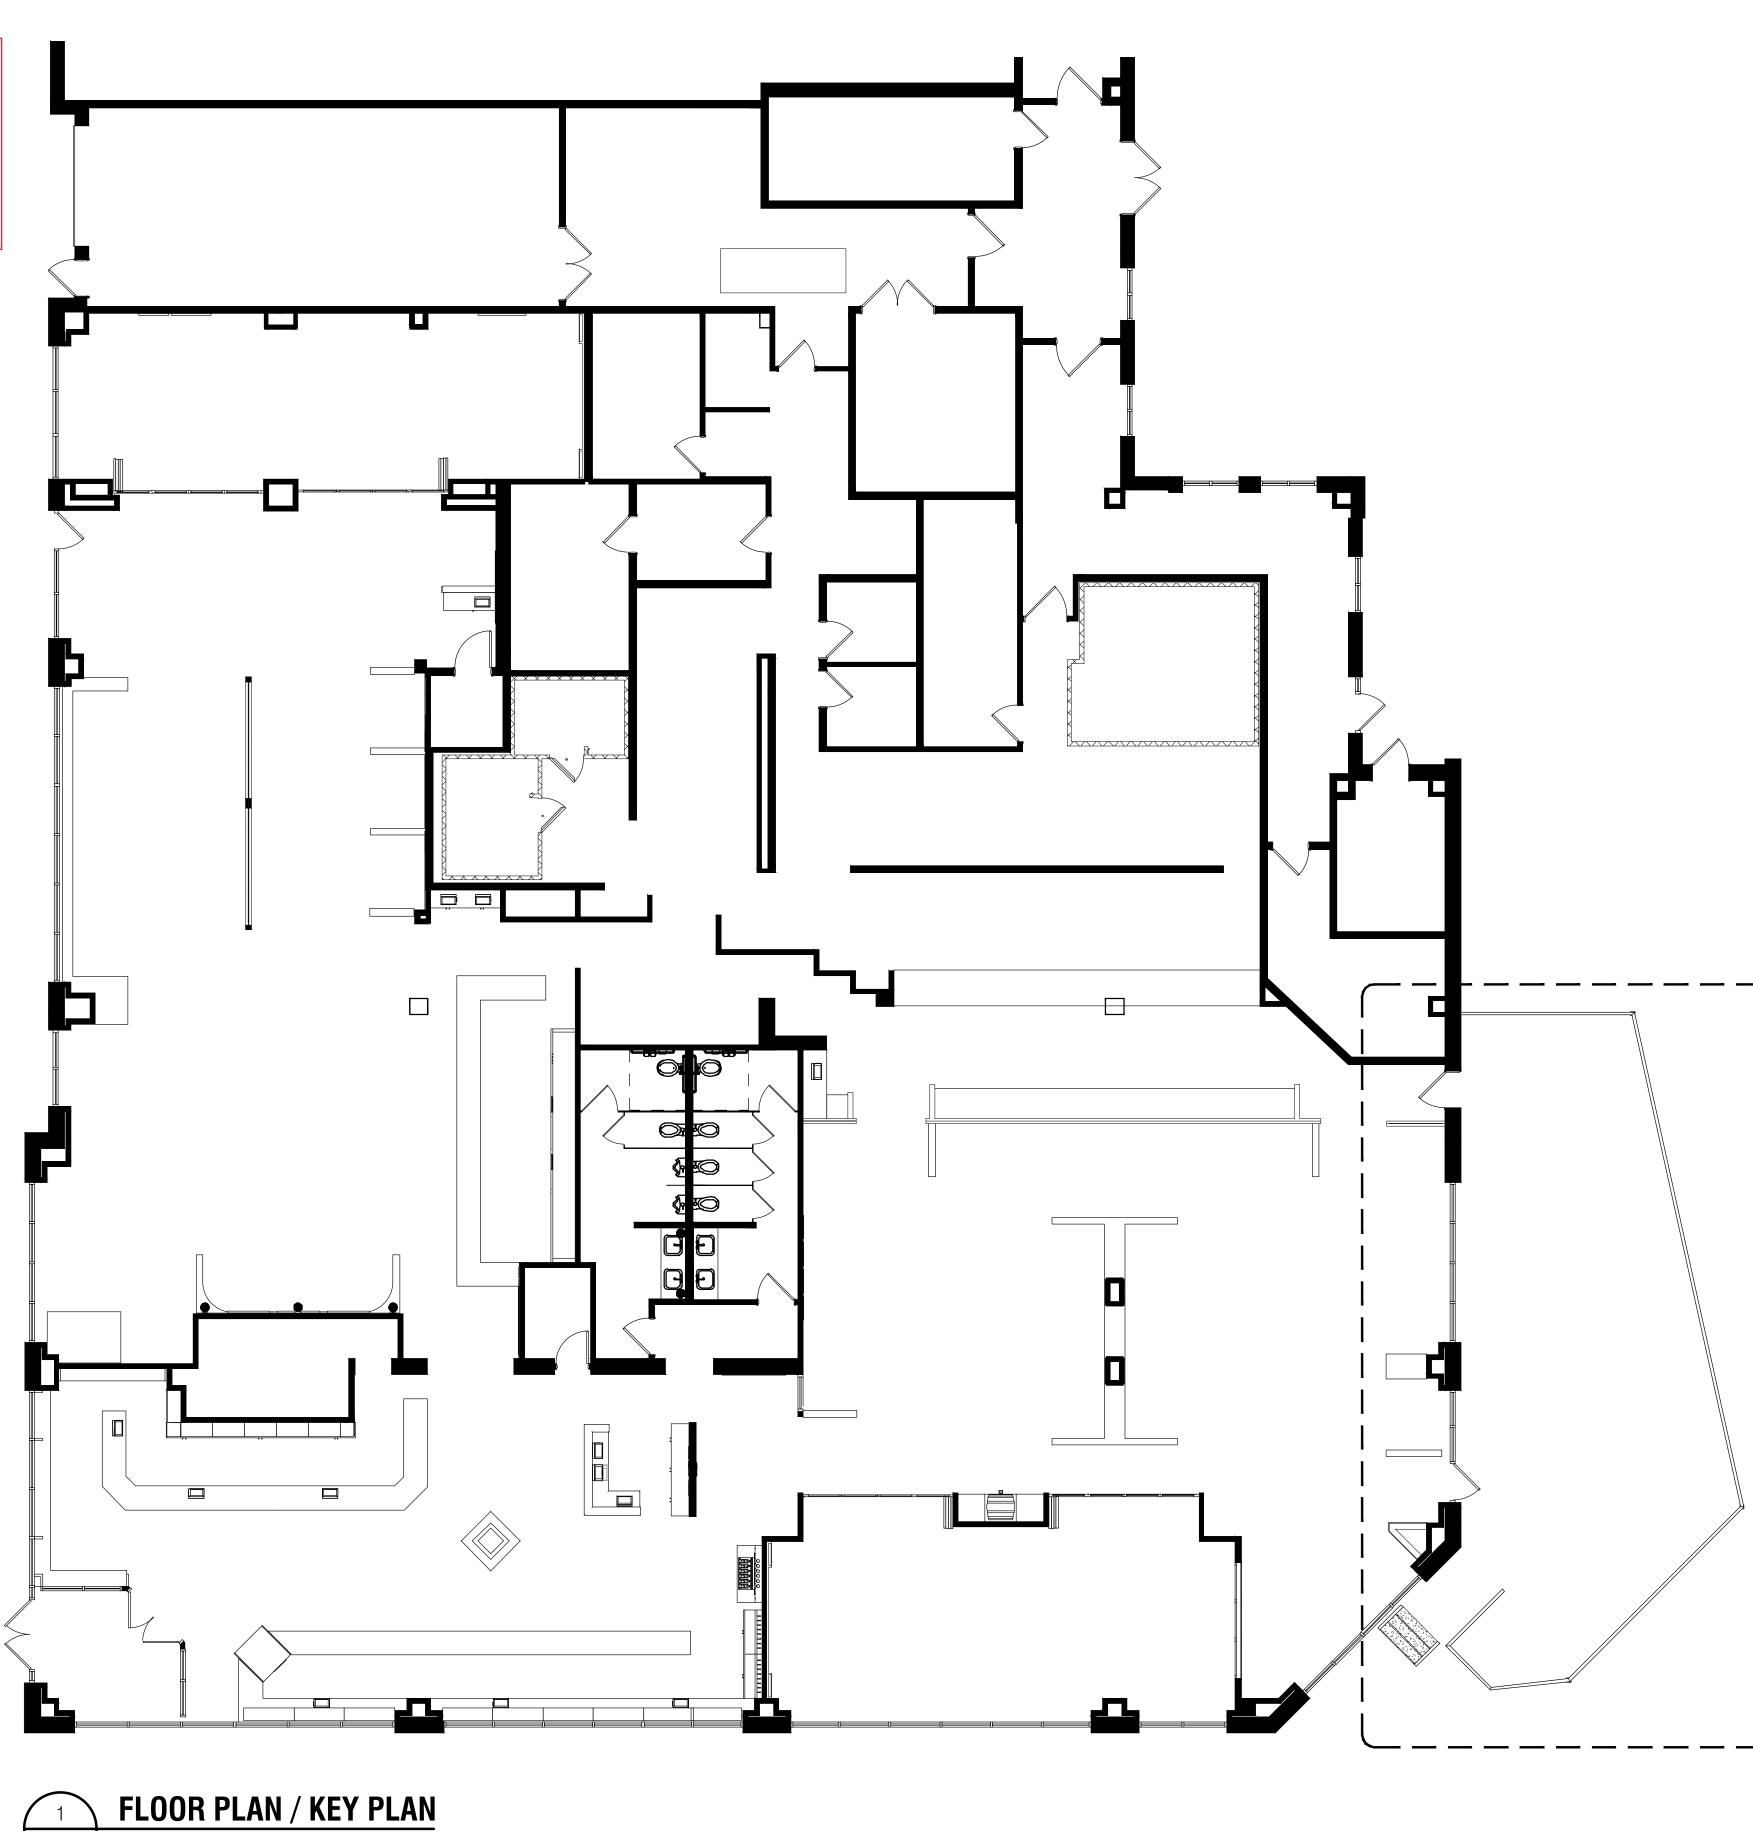

- 1. The special use shall be limited to Coopers Hawk Winery & Restaurant and shall not be transferable to any other party.
- 2. The special use shall substantially comply with the submitted site plan and illustrations. Staff shall confirm the architectural details of the roof structure.
- 3. Music and all other amplified sound originating from the restaurant should be kept to a level so as not to be audible from residential units.
- 4. Tables shall be cleaned promptly following use.
- 5. Furniture and umbrellas (if present) shall be weighted to prevent their movement in the wind. There shall be no text or logos on the umbrellas (if present).
- 6. Outdoor food preparation, storage, or display is prohibited.
- 7. All umbrellas, furniture, and other appurtenances shall be sorted off-site during the winter season when the patio is not being used for outdoor dining.
- 8. The special use shall comply with the previously approved landscaping plan from the 2012 approval, Ordinance #A-834-04-12.

Sincerely,

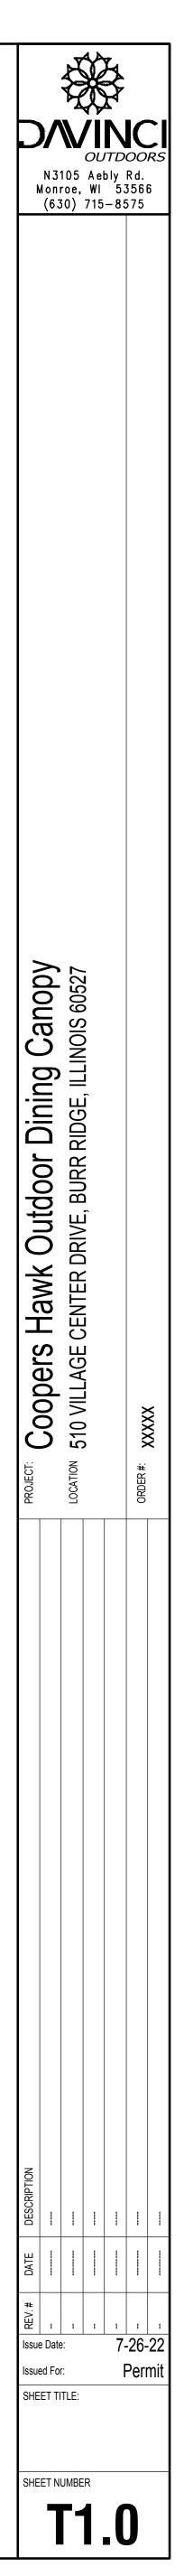

Greg Trzupek, Chairman Plan Commission/Zoning Board of Appeals

CONCRETE

1. CONCRETE MIXTURES SHALL BE DESIGNED TO REACH A COMPRESSIVE STRENGTH OF 3,000 PSI IN 28 DAYS.

- 2. NORMAL WEIGHT CONCRETE SHALL BE USED FOR ALL CONCRETE MEMBERS UNLESS NOTED OTHERWISE. NORMAL WEIGHT CONCRETE SHALL
- HAVE A CURED DENSITY OF 145 PCF ±5 PCF. WHERE LIGHTWEIGHT CONCRETE IS SPECIFIED THE CURED DENSITY SHALL BE 112 PCF ±3 PCF. 3. ALL REINFORCEMENT SHALL BE DEFORMED BARS OF INTERMEDIATE GRADE NEW BILLET STEEL CONFORMING TO CURRENT REQUIREMENTS OF
- ASTM A615, GRADE 60 (U.O.N.).
- 4. CLEAR COVER FOR REINFORCEMENT SHALL BE:
- A. FOOTINGS PERMANENTLY EXPOSED TO EARTH: 3"
- B. UNFORMED FACES EXPOSED TO EARTH: C. FORMED FACES IN CONTACT WITH EARTH: 2"
- 5. THE USE OF RECYCLED CONCRETE IS PROHIBITED WITHOUT WRITTEN APPROVAL FROM THE STRUCTURAL ENGINEER OF RECORD.
- 6. EACH MIX SHALL BE UNIQUELY IDENTIFIED BY MIX NUMBER AND THE INTENDED LOCATION OF PLACEMENT ON THE SPECIFIC PROJECT SHALL BE CLEARLY STATED.
- 7. WHERE WELDS ARE INDICATED FOR REINFORCING STEEL ON THE DRAWINGS, REINFORCING STEEL SHALL BE A706, GRADE 60 UNLESS OTHERWISE NOTED.
- 8. WELDED WIRE REINFORCEMENT SHALL CONFORM TO THE MATERIAL REQUIREMENTS OF ASTM A1064. 9. ALL 90°, 135°, AND 180° HOOKED REINFORCEMENT SPECIFIED AND GRAPHICALLY DEPICTED IN THE CONTRACT DOCUMENTS SHALL BE
- DETAILED IN ACCORDANCE WITH ACI 318 STANDARD HOOK GEOMETRY FOR DEFORMED BARS IN TENSION AND FOR STIRRUPS, TIES, AND HOOPS. 10. FOR EVERY VERTICAL OR HORIZONTAL BAR DISCONTINUED BY AN OPENING, ONE BAR (MINIMUM OF 2 BARS) SHALL BE ADDED AT SIDE OF
- OPENING (HALF TO EACH SIDE, TYPICAL).
- 11. ALL LAP SPLICES SHALL BE CLASS B TENSION LAP SPLICES IN ACCORDANCE WITH ACI 318 UNLESS NOTED OTHERWISE. SEE LAP SPLICE SCHEDULE ON SHEET S002 FOR LAP SPLICE LENGTHS. UNLESS NOTED AS CONTINUOUS, REINFORCEMENT SHALL ONLY BE SPLICED AT LOCATIONS SHOWN ON THE CONTRACT DOCUMENTS. SPLICES AT NON-SPECIFIED LOCATIONS SHALL BE SUBMITTED BY THE CONTRACTOR TO
- THE STRUCTURAL ENGINEER OF RECORD FOR APPROVAL. 12. A MINIMUM LAP SPLICE OF 8" SHALL BE PROVIDED AT ALL END AND SIDE LAP CONDITIONS FOR WELDED WIRE REINFORCEMENT UNLESS NOTED OTHERWISE.

## **STRUCTURAL ALUMINUM & ALUMINUM WELDING:**

- 1. ALL COMPONENTS SHALL BE STRUCTURAL ALUMINUM (U.N.O.) AND SHALL BE FABRICATED AND ERECTED ACCORDING TO THE GOVERNING
- BUILDING CODE AND MATERIAL STANDARDS REFERENCED ON THIS SHEET.
- 2. ALL STRUCTURAL ALUMINUM SHALL BE MIN 1/8" THICK U.N.O. AND BE OF THE FOLLOWING ALLOY AND TEMPER: A. BEAMS, PURLINS, COLUMNS 6063-T6
- B. ALL OTHER EXTRUSIONS 6063-T6
- C. FASTENERS SS 316
- 3. STRUCTURAL ALUMINUM SHALL BE FRAMED PLUMB AND TRUE AND ADEQUATELY BRACED DURING CONSTRUCTION. 4. WHERE ALUMINUM IS IN CONTACT WITH OTHER METALS EXCEPT 300 SERIES STAINLESS STEEL, ZINC OR CADMIUM AND THE FAYING SURFACES ARE EXPOSED TO MOISTURE, THE OTHER METALS SHALL BE PAINTED OR COATED WITH ZINC, CADMIUM, OR ALUMINUM. 5. UNCOATED ALUMINUM SHALL NOT BE EXPOSED TO MOISTURE OR RUNOFF THAT HAS COME IN CONTACT WITH OTHER UNCOATED METALS EXCEPT 300 SERIES STAINLESS STEEL, ZINC, OR CADMIUM. ALUMINUM SURFACES TO BE PLACED IN CONTACT WITH MASONRY, CONCRETE,

- WOOD, FIBERBOARD, OR OTHER POROUS MATERIAL THAT ABSORBS WATER SHALL BE PAINTED. 6. FOR ALUMINUM IN CONTACT WITH CONCRETE: ACCEPTABLE PAINTS: PRIMING PAINT (ONE COAT), SUCH AS ZINC MOLYBDATE PRIMER IN ACCORDANCE WITH FEDERAL SPECIFICATION TT-P-645B ("GOOD QUALITY", NO LEAD CONTENT). ALT: HEAVY COATING OF ALKALI-RESISTANT BITUMINOUS PAINT. ALT: WRAP ALUMINUM WITH A SUITABLE PLASTIC TAPE APPLIED IN SUCH A MANNER AS TO PROVIDE ADEQUATE PROTECTION AT THE OVERLAPS.
- 7. ALUMINUM SHALL NOT BE EMBEDDED IN CONCRETE TO WHICH CORROSIVE COMPONENTS SUCH AS CHLORIDES HAVE BEEN ADDED IF THE ALUMINUM WILL BE ELECTRICALLY CONNECTED TO STEEL. EMBEDDED ALUMINUM ELEMENTS WILL BE COVERED WITH PLASTIC TAPE OR OTHERWISE PROTECTED AS PER 2020 ADM M.7.3. 8. BOLT HOLES SHALL BE DRILLED IN THE SAME NOMINAL DIAMETER AS THE BOLT + 1/16".
- 9. ALUMINUM WELDING SHALL BE PERFORMED IN ACCORDANCE WITH WELD FILLER ALLOYS MEETING ANSI/AWS A5.10 STANDARDS TO ACHIEVE ULTIMATE DESIGN STRENGTH IN ACCORDANCE WITH THE ALUMINUM DESIGN MANUAL PART I-A, TABLE 7.3.1. ALL ALUMINUM CONSTRUCTION SHALL BE IN CONFORMANCE WITH THE TOLERANCES, QUALITY, AND METHODS OF CONSTRUCTION AS SET FORTH IN THE AMERICAN WELDING SOCIETY'S STRUCTURAL WELDING CODE ALUMINUM (D1.2). MINIMUM WELD IS 1/8" THROAT FULL PERIMETER FILLET WELD UNLESS OTHERWISE NOTED.
- 10. STAINLESS STEEL FASTENERS SHALL BE ASTM F593 316 SS COLD WORKED CONDITION. PROVIDE (5) PITCHES MINIMUM PAST THE THREAD PLANE FOR ALL SCREW CONNECTIONS. ALL FASTENER CONNECTIONS TO METAL SHALL PROVIDE 2xDIAMETER EDGE DISTANCE AND **3xDIAMETER SPACING.**
- 11. SELF-DRILLING SCREWS SHALL BE TEK BRAND / ALL POINTS FASTENERS OF SIZE #14, STAINLESS STEEL 300 SERIES, WITH MINIMUM 1/2"

THREAD ENGAGEMENT BEYOND THE CONNECTED PART, UNLESS OTHERWISE NOTED. 12. THE CONTRACTOR IS RESPONSIBLE TO INSULATE ALL MEMBERS FROM DISSIMILAR MATERIALS TO PREVENT ELECTROLYSIS.

## STRUCTURAL WOOD

- 1. ALL DIMENSION LUMBER SHALL BE STRUCTURAL GRADE #2 SOUTHERN YELLOW PINE OR BETTER MEETING APPLICABLE REQUIREMENTS OF THE SOUTHERN PINE INSPECTION BUREAU (SPIB) AND PRESSURE-IMPREGNATED (PT) BY AN APPROVED PROCESS (ACQ 0.4 PRESSURE TREATED) PRESERVATIVE IN ACCORDANCE WITH THE APPLICABLE PROVISIONS OF THE BUILDING CODE AND AMERICAN WOOD PRESERVERS ASSN (AWPA) "BOOK OF STANDARDS" OR 0.55 SPECIFIC GRAVITY MIN.
- BE NOT LESS THAN 2 NAILS IN ANY CONNECTION.
- 2. MEMBER SIZES SHOWN ARE NOMINAL UNLESS NOTED OTHERWISE. 3. ALL METAL CONNECTORS IN CONTACT WITH WOOD USED IN LOCATIONS EXPOSED TO WEATHER SHALL BE GALVANIZED. 4. NAILS SHALL PENETRATE THE SECOND MEMBER A DISTANCE EQUAL TO THE THICKNESS OF THE MEMBER BEING NAILED THERETO. THERE SHALL 5. MEMBERS SHALL BE FREE OF CRACKS AND KNOTS. MOISTURE CONTENT SHALL BE 19% OR LESS. DRY WOOD MAY SPLIT MORE EASILY. IF WOOD
- TENDS TO SPLIT, PRE-BORING HOLES SHALL BE USED WITH DIAMETERS NOT EXCEEDING 3/4" OF THE NAIL DIAMETER OR USE A 5/32" BIT FOR SDS SCREWS. A FASTENER THAT SPLITS THE WOOD SHALL BE REEVALUATED PRIOR LOADING THE CONNECTION.
- 6. WOOD THAT IS IN CONTACT WITH CONCRETE OR MASONRY, AND AT OTHER LOCATIONS AS SHOWN ON STRUCTURAL DRAWINGS, SHALL BE PROTECTED WITH 30 # FELT OR PRESSURE TREATED IN ACCORDANCE WITH AITC-109. MEMBER SIZE SHOWN ARE NOMINAL.

- 1. ALLOWABLE DESIGN PRESSURES UTILIZED IN THIS DOCUMENT HAVE BEEN CALCULATED PER THE REQUIREMENTS OF THE CODES AND STANDARDS STATED HEREIN USING ASCE 7-16 ALLOWABLE STRESS DESIGN METHODOLOGY WITH THE CRITERIA AS OUTLINED HEREIN. THE CONTRACTOR SHALL CONTACT THE AUTHORITY HAVING JURISDICTION TO ENSURE APPROPRIATE CRITERIA TO BE USED BEFORE CONSTRUCTION BEGINS.
- GENERAL NOTES
- DIMENSIONS ARE SHOWN TO ILLUSTRATE DESIGN FORCES AND OTHER DESIGN CRITERIA. IN SOME CASES, DETAILS MAY BE INTENTIONALLY ALTERED FOR PRESENTATION PURPOSES. DO NOT SCALE DIMENSIONS ELECTRONICALLY OR OTHERWISE. FIELD INSTALLATION MAY VARY SLIGHTLY BUT MUST REMAIN WITHIN 5% OF THE INTENDED

PROPERTY FROM DAMAGE.

DESIGN. THE CONTRACTOR IS TO VERIFY ALL DIMENSIONS PRIOR TO INSTALLATION.

DESIGNED TO HANDLE CONCENTRATED LOADS FROM HUMAN ACTIVITY.

PROFESSIONAL APPROVES THE HOST STRUCTURE AS BEING ABLE TO ACCOMMODATE THE NEW DESIGN.

GUARANTEE TO THESE CONDITIONS, EITHER EXPRESSED OR IMPLIED, IS OFFERED WITH THIS CERTIFICATION.

CONTRACTOR OF A POTENTIALLY UNSAFE CONDITION, IT IS SOLELY AS A COURTESY FROM ONE PROFESSIONAL TO ANOTHER. IT SHOULD NOT BE INTERPRETED AS THE

17. ALL STRUCTURES REQUIRE PERIODIC MAINTENANCE TO EXTEND LIFE SPAN AND ENSURE STRUCTURAL INTEGRITY FROM EXPOSURE TO THE ENVIRONMENT. A PLANNED

THE CONTRACTOR SHALL RETAIN A LICENSED PROFESSIONAL ENGINEER TO PROVIDE THE ANALYSIS AND DESIGN NECESSARY TO DETERMINE POTENTIALLY OVERLOADED,

7. THE CONTRACTOR SHALL CAREFULLY CONSIDER POSSIBLE IMPOSING LOADS ON ROOF, INCLUDING BUT NOT LIMITED TO ANY CONCENTRATED LOADS WHICH MAY JUSTIFY GREATER DESIGN CRITERIA. ALL STRUCTURAL MEMBERS AS SHOWN HAVE BEEN DESIGNED TO CARRY IN PLACE DESIGN LOADS ONLY; THE CONTRACTOR SHALL BE RESPONSIBLE FOR THE SUPPORT OF ANY ADDITIONAL LOADS AND FORCES IMPOSED DURING MANUFACTURING, TRUCKING, ERECTING, AND HANDLING. SYSTEM NOT

STRUCTURE SHALL BE FABRICATED IN ACCORDANCE WITH ALL GOVERNING CODES. THE CONTRACTOR SHALL INVESTIGATE AND CONFORM TO ALL LOCAL BUILDING CODE

AMENDMENTS WHICH MAY APPLY AND GOVERN. DESIGN CRITERIA OR SPANS BEYOND STATED HEREIN MAY REQUIRE ADDITIONAL SITE-SPECIFIC SEALED ENGINEERING. 6. THE EXISTING HOST STRUCTURE MUST BE CAPABLE OF SUPPORTING THE LOADED SYSTEM AS VERIFIED BY THE ENGINEER & OR ARCHITECT OF RECORD, et.al. THE HOST STRUCTURE WHICH IS DESIGNED, CERTIFIED, AND INSPECTED BY OTHERS MUST PROVIDE SUFFICIENT, CAPACITY FOR THIS SPECIFIED DECK SYSTEM. NO WARRANTY OR

9. GENERAL STRUCTURAL NOTES ARE APPLICABLE TO THE DESIGN AND CONSTRUCTION OF THE ENTIRE PROJECT AND THUS ARE APPLICABLE TO EVERY SHEET WITHIN THIS SET. 10. SHOULD THE CONTRACTOR ENCOUNTER A CONFLICT BETWEEN THESE DRAWINGS AND ANY OTHER CONTRACT DOCUMENT OR APPLICABLE CODE OR STANDARD OF

## **ANCHORS & FASTENERS**

- 1. ALL BOLTS SHALL BE HOT DIPPED GALVANIZED, OR STAINLESS STEEL & MEET THE REQUIREMENTS OF ASTM A307 GRADE A. WASHERS SHALL BE USED BETWEEN WOOD & BOLT HEAD & BETWEEN WOOD & NUT CONFORMING TO ALT FEDERAL SPECIFICATION FF-W-92 FOR WASHERS. NUTS SHALL BE INSTALLED SUCH THAT THE END OF THE THREADED ROD OR BOLT IS AT LEAST FLUSH WITH THE TOP OF NUT.
- THE BOLT DIAMETER.
- NAILED THERETO. THERE SHALL BE NOT LESS THAN 2 NAILS IN ANY CONNECTION. 4. DRY WOOD MAY SPLIT MORE EASILY. IF WOOD TENDS TO SPLIT, PRE-BORING HOLES SHALL BE USED WITH
- 5. ANCHORS SHALL BE INSTALLED IN ACCORDANCE WITH MANUFACTURERS' RECOMMENDATIONS. MINIMUM SUBSTRATE AND DO NOT INCLUDE THICKNESS OF STUCCO, FOAM, BRICK, AND OTHER WALL FINISHES.
- LENGTH, OR PENETRATION(S). HEAD STYLE(S) ARE FREELY INTERCHANGEABLE.
- THE STRUCTURAL DRAWINGS SHALL BE ONE OF THE FOLLOWING PRODUCTS: A. KWIK BOLT TZ ANCHORS MANUFACTURED BY HILTI FASTENING SYSTEMS B. STRONG-BOLT 2 ANCHORS MANUFACTURED BY SIMPSON STRONGTIE COMPANY
- C. POWER-STUD+ SD2 ANCHORS MANUFACTURED BY DEWALT SHOWN ON THE STRUCTURAL DRAWINGS SHALL BE ONE OF THE FOLLOWING PRODUCTS: A. KWIK BOLT 3 ANCHORS MANUFACTURED BY HILTI FASTENING SYSTEMS
- B. WEDGE-ALL ANCHORS MANUFACTURED BY SIMPSON STRONGTIE COMPANY C. POWER-STUD+ SD1 ANCHORS MANUFACTURED BY DEWALT 9. SCREW ANCHORS INTO EXISTING CONCRETE AND CONCRETE MASONRY AS SHOWN ON THE STRUCTURAL
- DRAWINGS SHALL BE ONE OF THE FOLLOWING PRODUCTS: A. KWIK HUS EZ ANCHORS MANUFACTURED BY HILTI FASTENING SYSTEMS B. TITEN HD ANCHORS MANUFACTURED BY SIMPSON STRONGTIE COMPANY C. SCREW-BOLT+ ANCHORS MANUFACTURED BY DEWALT
- 10. ADHESIVE ANCHORS (EPOXY ANCHORS/DRILL & EPOXY) INTO EXISTING CONCRETE AS SHOWN ON THE STRUCTURAL DRAWINGS SHALL BE ONE OF THE FOLLOWING ADHESIVE PRODUCTS: A. HIT-HY200 EPOXY ADHESIVE WITH HAS ROD MANUFACTURED BY HILTI FASTENING SYSTEMS
- STEEL ROD
- STRUCTURAL DRAWINGS SHALL BE ONE OF THE FOLLOWING ADHESIVE PRODUCTS: A. HIT-HY70 INJECTION ADHESIVE WITH HAS ROD MANUFACTURED BY HILTI FASTENING SYSTEMS STEEL ROD
- C. AC100+ GOLD MANUFACTURED BY DEWALT WITH AN ALL-THREAD F1554 GRADE 36 STEEL ROD 12. ADHESIVE FOR ANCHORING REINFORCING BARS (REBAR) INTO EXISTING CONCRETE AS SHOWN ON THE STRUCTURAL DRAWINGS SHALL BE ONE OF THE FOLLOWING ADHESIVE PRODUCTS: A. HIT-HY200 EPOXY ADHESIVE MANUFACTURED BY HILTI FASTENING SYSTEMS
- B. AT-XP ADHESIVE MANUFACTURED BY SIMPSON STRONGTIE COMPANY
- C. PURE110+ EPOXY ADHESIVE MANUFACTURED BY DEWALT
- USING POST-INSTALLED ANCHORS FOR MISSING OR MISPLACED CAST-IN-PLACE ANCHORS.
- THE STRUCTURAL DRAWINGS, THE CONTRACTOR SHALL NOTIFY THE STRUCTURAL ENGINEER OF RECORD IMMEDIATELY.
- 16. HOLES SHALL BE DRILLED AND CLEANED, AND ANCHORS SHALL BE INSTALLED PER THE MANUFACTURER'S PUBLISHED INSTALLATION INSTRUCTIONS. DEFECTIVE OR ABANDONED HOLES SHALL BE FILLED WITH NON-
- ENGINEER OF RECORD. 18. MASONRY ANCHORS SHALL NOT BE INSTALLED IN HEAD JOINTS.
- SHALL BE FOLLOWED FOR INSTALLATION OF ADHESIVE ANCHORS:
- INSTALLATION INSTRUCTIONS.
- ADHESIVE ANCHORS SHALL BE INSTALLED IN HOLES PREDRILLED WITH A CARBIDE TIPPED DRILL BIT. 4. ADHESIVE ANCHORS SHALL BE INSTALLED WITHIN THE TEMPERATURE RANGE SPECIFIED IN THE
- WITH THE INSTALLATION TEMPERATURE HAS ELAPSED.
- WITH THE ACI/CRSI ADHESIVE ANCHOR INSTALLER CERTIFICATION PROGRAM, OR EQUIVALENT.
- SPECIFIC REQUIREMENTS ARE SPECIFIED IN THE CONSTRUCTION DOCUMENTS.
- 22. CONTINUOUS INSPECTION SHALL BE PROVIDED FOR ADHESIVE ANCHORS INSTALLED IN HORIZONTAL OR UPWARDLY INCLINED ORIENTATIONS TO RESIST SUSTAINED TENSILE LOADS.
- 23. HOLE DRILLING AND INSTALLATION OF ADHESIVE ANCHORS SHALL BE IN ACCORDANCE WITH MANUFACTURER'S
- PRINTED INSTALLATION INSTRUCTIONS. ANCHORS SHALL BE INSTALLED IN CONCRETE DRY CONDITION.

LAND USE PLAN: Recommends Mixed Uses

**EXISTING LAND USE:** Mixed-Use Center

**SITE AREA:** 20 Acres

**SUBDIVISION:** Burr Ridge Village Center

**PARKING:** 1,145 Spaces

#### Staff Report and Summary

Z-21-2022: 510 Village Center Dr. (Garcia/Coopers Hawk Winery & Restaurant); Special Use, PUD Amendment, and Findings of Fact

The petitioner, Christopher Garcia of Coopers Hawk Winery & Restaurant, is requesting to amend an existing special use for outdoor dining at a restaurant to include a permanent awning. Coopers Hawk was originally approved for outdoor dining in 2012 through Ordinance #A-834-04-12. The plans from that approval are attached and show tables with umbrellas. Currently the outdoor dining area contains 13 tables with a total of 52 seats. The table and seat count will not change under the new proposal. Coopers Hawk will be remodeling the interior of the restaurant in the future, which is not subject to Plan Commission review or approval at this time based upon the preliminary information. For reference, the tables and seats will be reconfigured within the bar/bar dining, piano bar dining, and private dining spaces. There will be an overall loss of one table and two seats.

Ordinance #A-834-10-05 created the concept of the Village Center in both land use and physical form, including a specific set of uses that were permitted in each building as well as specific dimensions of buildings, setbacks, streetscapes, and common areas around each building. Ordinance #A-834-15-20 later amended the streetscape in specific areas as well as re-classified certain uses as being permitted or special uses in specific buildings. Coopers Hawk, located in Building 2, was not part of the entertainment district master plan (Buildings 4 and 5) which included the closure of Village Center Dr. and revised outdoor dining.

Section VIII.A of the Zoning Ordinance stipulates several regulations related to outdoor dining at all places of eating in the Village within the Business Districts (B-1 and B-2). The petitioner's compliance with these regulations is noted in red. The petitioner has submitted a plan and information about the proposed outdoor dining area, included as Exhibit A.

a. The dining area shall be enclosed by an open fence of approved design preventing access to the outdoor dining area except by a doorway from the interior of the restaurant;

Staff considers this condition to be met based upon the petitioner's site plan and previous approval. The outdoor dining area is accessed through a door within the establishment and the new fence is open.

b. Door to the dining area shall be self-closing;

Staff interprets this condition to be met based upon the petitioner's site plan and previous approval.

c. Tables shall be cleaned promptly following use;

Staff considers this condition to be met. This was a condition of the prior approval.

d. Furniture and umbrellas shall be weighted to prevent their movement in the wind;

Staff considers this condition to be met. This was a condition of the prior approval.

e. Seating shall not exceed one chair for every 10 square feet devoted to outdoor dining and shall be counted in determining restroom and parking requirements;

Staff Report and Summary

Z-21-2022: 510 Village Center Dr. (Garcia/Coopers Hawk Winery & Restaurant); Special Use, PUD Amendment, and Findings of Fact

There are 52 seats proposed for the outdoor dining area which measures about 1,400 sq. ft., according to the plan submitted by the petitioner. A maximum of 140 seats would be permitted. Staff considers these conditions to be met based upon the petitioner's site plan.

f. No outdoor dining area shall be located so as to impede pedestrian traffic or proper access to and from the restaurant;

The petitioner illustrates a roughly 6 ft. space at the stair entrance at the sidewalk. There is approximately 3 ft. of space of clear path to the restaurant door. Staff considers this condition to be met based upon the petitioner's site plan.

g. No public sidewalks or public area may be used for a private restaurant's outdoor dining unless specifically approved by the Village;

Staff considers this condition to be met based upon the petitioner's site plan. The Village Center walkways are privately owned.

h. Outdoor food preparation, storage or display is prohibited;

Staff considers this condition to be met based upon the petitioner's site plan and previous approval.

i. Hours of operation of an outdoor dining area shall be as specifically approved by the Village.

In 2011, Coopers Hawk was approved for extended hours of operation for the restaurant and outdoor area until 1 a.m. on Fridays and Saturdays. Under the recent amendment to restaurant hours of operation, the closing time for the interior of the restaurant may be midnight on Sundays, Mondays, Tuesdays, and Wednesdays; 1 a.m. on Thursdays, Fridays, and Saturdays. Outdoor dining facilities shall be specified through the special use.

### Public Hearing History – Related to Coopers Hawk Winery & Restaurant

**Z-11-2007:** Special use for a restaurant with alcohol and extended hours - Coopers Hawk original approval (Ordinance A-834-14-07)

**Z-03-2011:** Special uses for outdoor dining and amended extended hours of operation (Ordinance A-834-09-11)

**Z-02-2012:** Special use for outdoor dining, amending the previous approval (Ordinance A-834-04-12)

**Z-06-2016**: Special use for a restaurant with alcohol and live entertainment– Coopers Hawk expansion (Ordinance A-834-10-16)

#### Public Comment

At the time of this report, no public comment was received regarding this petition.

Staff Report and Summary Z-21-2022: 510 Village Center Dr. (Garcia/Coopers Hawk Winery & Restaurant); Special Use, PUD Amendment, and Findings of Fact

#### **Findings of Fact and Recommendation**

The petitioner has provided findings of fact, which the Plan Commission may adopt if in agreement with those findings. If the Plan Commission chooses to recommend approval of the special use amendment, PUD amendment, and special use for outdoor dining, staff recommends the following conditions. The conditions on this request include those from the 2012 approval.

- 1. The special use shall be limited to Coopers Hawk Winery & Restaurant and shall not be transferable to any other party.
- 2. The special use shall substantially comply with the submitted site plan.
- 3. Music and all other amplified sound originating from the restaurant should be kept to a level so as not to be audible from residential units.
- 4. Tables shall be cleaned promptly following use.
- 5. Furniture and umbrellas (if present) shall be weighted to prevent their movement in the wind. There shall be no text or logos on the umbrellas (if present).
- 6. Outdoor food preparation, storage, or display is prohibited.
- 7. All umbrellas, furniture, and other appurtenances shall be sorted off-site during the winter season when the patio is not being used for outdoor dining.
- 8. The special use shall comply with the previously approved landscaping plan from the 2012 approval, Ordinance #A-834-04-12.

Findings of Fact – Special Use Burr Ridge Zoning Ordinance

As per Section XII.K.7 of the Village of Burr Ridge Zoning Ordinance, for a special use to be approved, the petitioner must confirm all of the following findings by providing facts supporting each finding.

a. The use meets a public necessity or otherwise provides a service or opportunity that is not otherwise available within the Village and is of benefit to the Village and its residents.

N/A - EXISTING PATIO TO BE REPAIRED AND RECEIVE A NEW COVER

b. The establishment, maintenance, or operation of the special use will not be detrimental to, or endanger the public health, safety, morals, comfort, or general welfare.

CONFIRMED

c. The special use will not be injurious to the uses and enjoyment of other property in the immediate vicinity for the purposes already permitted, nor substantially diminish or impair property values within the neighborhood in which it is to be located.

CONFIRMED

d. The establishment of the special use will not impeded the normal and orderly development and improvement of the surrounding property for uses permitted in the district.

CONFIRMED

e. Adequate utilities, access roads, drainage and/ or necessary facilities have been or will be provided.

CONFIRMED - EXISTING - NO CHANGE

f. Adequate measures have been or will be taken to provide ingress and egress so designed as to minimize traffic congestion in the public streets.

CONFIRMED - EXISTING - NO CHANGE

g. The proposed special use is not contrary to the objectives of the Official Comprehensive Plan of the Village of Burr Ridge as amended.

CONFIRMED - EXISTING - NO CHANGE

h. The special use shall, in other respects, conform to the applicable regulations of the district in which it is located, except as such regulations may, in each instance, be modified pursuant to the recommendations of the Plan Commission or, if applicable, the Zoning Board of Appeals.

CONFIRMED

Hi Jeanine:

The Owner approves Cooper's Hawk to move forward on their patio update.

Please let me know if you need anything in addition to this email.

Thanks,

## **LEGAL NOTICE OF PUBLIC HEARING**

**NOTICE IS HEREBY GIVEN** that the Plan Commission and Zoning Board of Appeals of the Village of Burr Ridge, Cook and DuPage Counties, Illinois, will conduct the following Public Hearing beginning at <u>7:00 p.m. on</u> <u>Monday, August 15, 2022</u>, at Village Hall, 7660 County Line Road, Burr Ridge, Illinois, 60527.

## PURPOSE OF HEARING

The Plan Commission/Zoning Board of Appeals will hold a public hearing to consider a request by Christopher Garcia of Coopers Hawk Winery & Restaurant for a special use for outdoor dining to install a new awning over an existing patio. The special use will amend PUD Ordinance #A-834-10-05 and special use Ordinances #A-834-10-16 and #A-834-04-12, and is pursuant to Zoning Ordinance section VIII.C.2. The petition number and address of this petition is <u>Z-21-2022: 510 Village Center Dr.</u> and the Permanent Real Estate Index Number is <u>18-30-300-053-1007 and 18-30-300-044-0000</u>.

Public comment may be provided by individuals who physically attend the meeting at 7660 County Line Road, Burr Ridge, Illinois, 60527. All written public comment wishing to appear in the Plan Commission report shall be provided no later than Tuesday, August 9, 2022. All public comment may be emailed to Community Development Director Janine Farrell (<u>jfarrell@burr-ridge.gov</u>) or mailed to Ms. Farrell's attention at the address above. The Plan Commission/Zoning Board of Appeals reserves the right to continue said hearings from time to time as may be required without further notice, except as may be required by the Illinois Open Meetings Act.

# BY ORDER OF THE PLAN COMMISSION/ZONING BOARD OF APPEALS OF THE VILLAGE OF BURR RIDGE, COOK AND DUPAGE COUNTIES, ILLINOIS.

# ORDINANCE NO. A-834-04-12 AN ORDINANCE GRANTING A SPECIAL USE PURSUANT TO THE VILLAGE OF BURR RIDGE ZONING ORDINANCE FOR AN OUTSIDE PATIO AND DINING AREA

### (Z-02-2012: 510 Village Center Drive - Cooper's Hawk)

WHEREAS, an application for a special uses for certain real estate has been filed with the Village Clerk of the Village of Burr Ridge, Cook and DuPage Counties, Illinois, and said application has been referred to the Plan Commission of said Village and has been processed in accordance with the Burr Ridge Zoning Ordinance; and

WHEREAS, said Plan Commission of this Village held a public hearing on the question of granting said special uses on February 6, 2012 at the Burr Ridge Village Hall, at which time all persons desiring to be heard were given the opportunity to be heard; and

WHEREAS, public notice in the form required by law was provided for said public hearing not more than 30 nor less than 15 days prior to said public hearing by publication in the <u>Suburban Life</u>, a newspaper of general circulation in this Village, there being no newspaper published in this Village; and

WHEREAS, the Village of Burr Ridge Plan Commission has made its report on the request for a special use, including its findings and recommendations, to this President and Board of Trustees, and this President and Board of Trustees has duly considered said report, findings, and recommendations.

-1-

**NOW THEREFORE, Be It Ordained** by the President and Board of Trustees of the Village of Burr Ridge, Cook and DuPage Counties, Illinois, as follows:

<u>Section 1</u>: All Exhibits submitted at the aforesaid public hearing are hereby incorporated by reference. This President and Board of Trustees find that the granting of special use indicated herein is in the public good and in the best interests of the Village of Burr Ridge and its residents, is consistent with and fosters the purposes and spirit of the Burr Ridge Zoning Ordinance as set forth in Section II thereof.

<u>Section 2</u>: That this President and Board of Trustees, after considering the report, findings, and recommendations of the Plan Commission and other matters properly before it, in addition to the findings set forth in Section 1, finds as follows:

- A. That the Petitioner for the special use for the property located at 510 Village Center Drive, Burr Ridge, Illinois, is Aria Group Architects on behalf of Cooper's Hawk Restaurants (hereinafter "Petitioner"). The Petitioner requests special use approval as per Section VIII.C.2 of the Burr Ridge Zoning Ordinance to allow the construction and use of an outdoor dining area for an existing restaurant.
- B. That the outdoor patio and seating area is consistent with the original plans for the Village Center Planned Unit Development which contemplated an outdoor patio in this area.
- C. That the outdoor patio and seating area represents a positive addition to the Village Center as it will improve the desirability of this restaurant space and will add interest and activity to the Village Center. The design and materials used for the awning are consistent in quality and character with the rest of the Village Center.

<u>Section 3</u>: That special use approval as per Section VIII.C.2 of the Burr Ridge Zoning Ordinance to allow the construction and use of an outdoor dining area for an existing restaurant *is hereby granted* for the property commonly known as 510 Village Center Drive and legally described as follows:

Lot 2 in the Burr Ridge Village Center Planned Unit Development in that Part of the West ½ of Section 30, Township 38, Range 12, East of the Third Principal Meridian in Cook County, Illinois.

The Permanent Real Estate Index Numbers (PIN) for the property is: <u>18-30-300-028</u>

**Section 4:** That the approval of this special use is subject to compliance with the following conditions:

- A. All facilities and the configuration of the outdoor dining area shall comply with the submitted plans including but not limited to the number of seats.
- B. Music and all other amplified sound should be kept to a moderate level so it is not audible from the adjacent residential condos.
- C. There shall be no text or logos on the umbrellas.
- D. The door to the dining area shall be self-closing.
- E. Tables shall be cleaned promptly following use.
- F. Furniture and umbrellas shall be weighted to prevent their movement in the wind.
- G. All umbrellas, furniture and other appurtenances shall be stored off-site during the winter season when the patio is not being used for outdoor dining.
- H. Additional landscaping shall be provided to screen the gas meters located northeast of the patio and to screen the garage entrance area to the southwest of the patio. The final landscaping plan shall be subject to staff review and approval prior to issuance of a permit for the

construction of the outdoor patio.

- I. The landscaping screening north of the patio and in front of the utility meters shall be evergreen plants that provide year round screening.
- J. The separation of the retaining walls shall be increased at the south end of the patio to provide more area for landscaping materials.

<u>Section 5</u>: That this Ordinance shall be in full force and effect from and after its passage, approval, and publication as required by law. The Village Clerk is hereby directed and ordered to publish this Ordinance in pamphlet form.

**PASSED** this 13th day of February, 2012, by the Corporate Authorities of the Village of Burr Ridge on a roll call vote as follows:

AYES: 5 - Trustees Grela, Paveza, Sodikoff, Ruzak, Manieri

NAYS: 0 - None

ABSENT: 1 - Trustee Wott

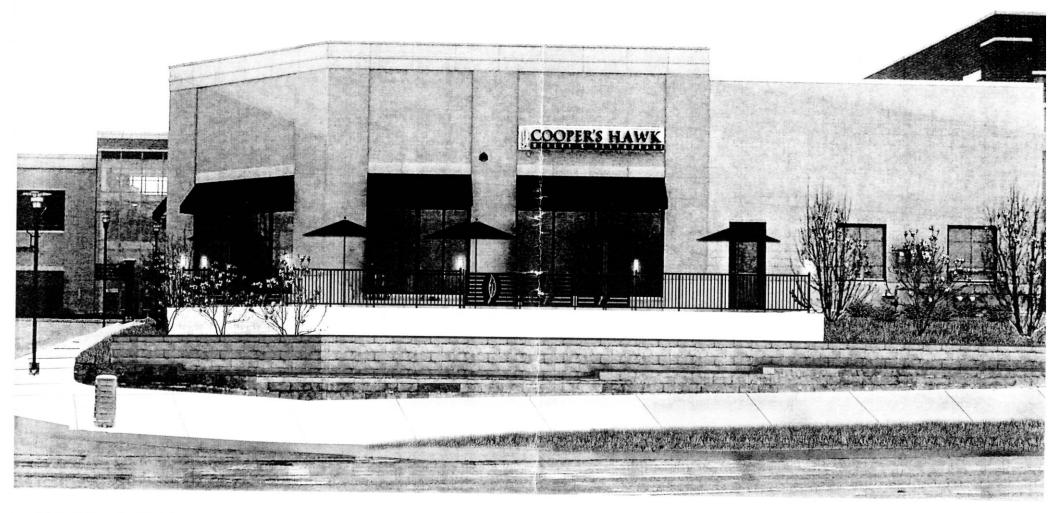

APPROVED by the President of the Village of Burr Ridge on this 13th day of February, 2012.

# PROCLAMATION ARTS DUPAGE MONTH

**WHEREAS,** Arts DuPage has regularly issued official proclamations to all the cities and villages in DuPage County on an annual basis, designating October as Arts DuPage Month; and

WHEREAS, the arts embody much of the accumulated wisdom, intellect, and imagination of humankind; and

WHEREAS, the arts enrich us as individuals and play a unique role in the lives of our families and our communities; and

**WHEREAS**, the arts promote a better understanding of the diversified cultures within our communities and unify us regardless of age, race, and ethnicity; and

**WHEREAS,** the arts sector in DuPage County consists of 2,272 arts-related businesses and accounts for 4.2 percent of the total number of businesses in the region – a larger share of the economy than transportation, tourism, agriculture, and construction; and

WHEREAS, the arts provide full-time employment for over 15,000 workers in DuPage County; and

**WHEREAS**, the arts improve our economy, enrich our civic life, drive tourism and commerce, and exert a profound positive influence on the education of our children; and

**WHEREAS,** the arts helped lead us through the darkest times of the pandemic by lifting our spirits, unifying communities, and providing entertainment. Now, the arts play a vital role in rebuilding our communities, jumpstarting the economy, and leading us back to normalcy.

**NOW, THEREFORE, BE IT RESOLVED,** that the Mayor and Board of Trustees of the Village of Burr Ridge, Cook and DuPage Counties, Illinois, recognize October 2022 as Arts DuPage Month in the Village of Burr Ridge and call upon our community members to celebrate and promote the arts in DuPage County.

**ADOPTED** by the Board of Trustees and **APPROVED** by the Mayor of the Village of Burr Ridge this 9th day of September 2022.

Gary Grasso Mayor
