- **Monday, July 18: Plan Commission – 7PM; Board Room**

Village Highlights and Updates

Concerts on the Green Kickoff: The start of the concert season was a huge success. The weather was perfect! Staff from Public Works, Police, and Administration were on hand to oversee the event, along with staff from the Village Center. Fortunate Sons, a Creedence Clearwater Revival tribute band, created the ultimate CCR experience on the stage in full costume! The next concert is scheduled for Thursday, June 9, with a performance by Anthem, playing classic rock music. The entire concert schedule is attached and available on our website.

Village Website: The Village's new website launched on June 1, 2022. If you have difficulty accessing the site, the issue is most likely your search engine. To view the new website, you need to delete your browser's cache & cookies from your browser. If you use the Google Chrome browser, please know that this may not work, and you will need to temporarily view the new website through an alternative browser until the new website is refreshed on Chrome's search engines. Please note, this is an issue with Chrome browsers, not the website's launch. If you come across areas of the new website in which you notice errors, omissions, or otherwise which to make a suggestion on an improvement, please contact Hannah Weyant.

Public Works Providing Free Wood Chips: Once again, Public Works is offering free wood chips to Burr Ridge residents. Residents can pick them up at 400 Commerce Street, where they are piled in the street for easy access any time of day. Loading assistance will not be available, so it is recommended that residents bring their own shovels and containers, and make as many trips as needed.

Watering Restrictions: Seasonal watering restrictions are now in force. Until September 15, residents and businesses are reminded to please conserve water and follow these lawn and landscaping irrigation restrictions:

- North of 83rd Street: watering allowed Monday, Thursday, and Saturday from midnight to noon and 6pm to midnight.
- South of 83rd Street: watering allowed Tuesday, Friday and Sunday during same times.
- No watering is permitted on Wednesdays, or any day between noon and 6pm.

Board Room Ramp: We expect construction on the Board Room ADA ramp to begin and conclude in the next few weeks. This ramp is necessary to ensure safe access to the dais for all who use the facility. No public meetings will be affected by said construction.
