Term of Monitored Time

Duration: _____

You have been sentenced to a term of Monitored Time. You are required to avoid any further violations of the law. The Judge may also set other terms for your Monitored Time such as attending counseling, treatment programs, or payment of restitution. If you violate or fail to comply with the terms of your Monitored Time, you may be summoned to appear before the Judge; if you fail to make this appearance, your Monitored Time may be revoked and a warrant may be issued for your arrest. It should be noted that the Area Courts will assess a flat fee of $50.00, to the defendant, per year when Monitored Time is ordered. Also it is your responsibility to keep the Court informed of current address and phone number. You are further responsible to submit any reports, or certificate of completion via the Probation department's fax number: **(513) 887-3397.**
