

BUTLER COUNTY VETERANS MEMORIAL

ENGRAVED BRICK PROGRAM

The Butler County Veterans Memorial is located in Veterans Park in Hamilton, Ohio. The memorial commemorates those veterans of the United States Armed Forces who sacrificed their lives during World War I, World War II, Korea, Vietnam, Gulf War, and modern-era conflicts.

In addition to commemoration on the granite memorial, bricks are available for purchase to acknowledge service men and women, or to express support of the Armed Forces and the Butler County Veterans Memorial. Each brick can be engraved with individual names, family names, businesses, and organizations. Bricks are not limited to Butler County residents and can be purchased for your spouse, parent, grandparent, family member or friend. Bricks are four (4) inches by eight (8) inches in size, allow three lines of text, and cost \$75 per brick. All profits from the sale of these bricks will go toward additional wings and continued maintenance of the Veterans Memorial in Veterans Park.

(Please note: 3 lines of text per brick, 15 spaces per line)
