business day. The incumbent automatically is made a candidate in the election unless he/she withdraws within 10 days after the filing of the recall petition.

- Within 7 days the county clerk completes a preliminary review of petitions.
 - The Preliminary/Facial Review/examination by the County clerk will determine:
 1. if the recall petitions are in proper form
 2. the gross number of facially valid signatures contained on the petition sheets meets or exceeds the minimum number of signatures required on the petition, and
 3. invalidate any incomplete entries of petition signers (such as: signer did not date signature, did not fill in complete address, etc.)

Upon completion of the preliminary review, the County Clerk-Elections Staff determined the following invalid signatures.

- The County Clerk does not count any signatures on a petition sheet if:
 1. the execution of the certificate of circulator is not in compliance.
 2. the heading of the petition sheet is improperly completed.
 3. the reasons for recall are different than those determined by the board of county election commissioners during the Clarity Factual Review Hearing on March 21, 2022

 1. the signer did not enter his/her complete address, the post office or zip code serving the address, and the date of signing.
 2. the signer dated the signature after the date appearing on the circulator's certificate.
 3. the signature was obtained before the date when the recall wording was approved
 4. the signature was obtained more than 60 days before the filing of the petitions.
- The County Clerk will next use the Qualified Voter File (QVF) to determine if the signers of the petition are properly registered. (as an alternative, the filing official may forward the petition sheets to the township clerk for the performance of the registration verifications.) The registration verifications must be completed no later than the 22nd day after the filing.
- Within 22 days after receipt of the petitions, the clerk completes registration checks and indicates the number of signers on each petition sheet that are registered electors in the district.
 - The clerk shall compare the names on the petition with the Qualified Voter File.
- Officeholder has up to 30 days after the filing of the petitions to challenge the validity of the registration or the validity and genuineness of the signature of a person signing the recall petition or may challenge the validity and genuineness of the signature of a circulator who collected signatures on the recall petition. A challenge must list the signatures in question on the petition and specify the reason for each challenge. The filing official uses the Qualified Voter File to resolve the challenges.
- After the signature challenges have been resolved, but no later than the 35th day after the filing of the petitions, the County Clerk shall make an official declaration of the sufficiency or insufficiency of the petitions.

- The County Clerk will notify the sponsor of the recall effort with copies of the notice being forwarded to the officer.
 - If there are NOT sufficient valid signatures, the process stops at this point.
- If there are sufficient valid signatures, the special recall election will be scheduled for the next regular election date that is not less than 95 days after the petition is filed, and falls on the May or November regular election date. ([MCL 168.963.2](#)).

Official Call of Election

Once Recall petitions have been reviewed, the opportunity for challenges has expired, and the County Clerk-Election's staff has determined the minimum petition signatures required to affect a recall have been found valid, the Calhoun County Elections Office will announce the Official Call of Election.

The County Election Commission is responsible for the production of the ballots. The County Clerk will notify the 13 clerks in the Marshall Public School District to give public notice of the election, provide election supplies, and do all details necessary to conduct the election.

Resignation of officeholder:

- If the officer targeted for recall resigns from office at any point during the canvass of the recall petition, the canvass ceases and no recall election is held. The vacancy is filled in accordance with existing law.
- If the officer targeted for recall resigns from office after the call for a recall election has been issued, the recall election is cancelled. The vacancy is filled in accordance with existing law.

Filing deadline for nonpartisan candidates

10 days after the Official Call of Election for a Nonpartisan office, candidates may file Nonpartisan Nominating Petitions or a \$100 nonrefundable filing fee. [MCL 168.972](#). The Nominating Petitions shall be filed with the clerk of the electoral district and signed by 10% of the qualified and registered electors of the electoral districts as required under section [MCL 168.544f](#). Packets will be available for interested candidates at the Calhoun County Clerk's Elections Office.

The Recall Election:

Legislative changes in 2012 changed the concept of a recall election from a two-election process (if the recall was successful) to combining the concepts of a recall election and a special election to fill the possible resulting vacancy. The incumbent automatically is made a candidate in the election unless he/she withdraws within 10 days after the filing of the recall petition. There is one election and the candidate who receives the highest vote total is elected to serve the remainder of the unexpired term. There is no primary.

Board of Canvassers: the board of county canvassers will meet within 5 days after the election. If it is determined that a majority of the votes are in favor of recall, they will immediately certify the results to the County Clerk. The candidate receiving the highest number of votes in the recall

election is elected for the remainder of the term.

Expense of Election: the expenses of the recall election shall be payable in the same manner as are the costs of a regular election to fill the office in question. ([MCL 168.967](#))

After the filing of a recall petition that has been circulated AND after conducting a recall election, no further recall petition shall be filed against the same incumbent of that office during the remainder of the unexpired term.
