## **Update on Second Calhoun County Resident with COVID-19**

**Battle Creek, MI:** The Calhoun County Public Health Department (CCPHD) and Advantage Living Center in Battle Creek, Michigan were informed an Advantage resident identified positive for COVID-19. This resident remains the second COVID-19 case in Calhoun County. Advantage has reached out to inform the residents' family members. The health department is working closely with Advantage Living Center to provide technical assistance and support regarding case investigation, infection prevention, healthcare worker safety assessments, and personal protective equipment if needed.

The case investigation is ongoing, but to date, there are no other confirmed cases associated with residents of this facility. In order to protect the privacy of the individuals, identifying information and medical records will not be released to the public.

Information about COVID-19 is constantly changing, and the public health response adjusts as more is learned about this virus. If you have questions specific to Advantage Living Center, please call 313-573-2600 or visit [advantageliving.net](http://advantageliving.net). While there is plenty of news and media information available, CCPHD is encouraging Calhoun County residents to view the latest credible COVID-19 information. For general COVID-19 questions or concerns, you can call the state's specialized hotline at 1-888-535-6136 or e-mail questions to [COVID19@michigan.gov](mailto:COVID19@michigan.gov). Both the state hotline and e-mail are staffed 7 days a week 8AM – 5PM. For information about CCPHD specific services, please call 269-969-6990.
