IT IS ORDERED:

This administrative order is issued in accordance with Michigan Court Rules 8.119(H) and 8.110(C)(8). The purpose of this order is to regulate requests for access, inspection, and reproduction of public court case records and to allow flexibility in providing approved court forms or creating new case records.

The clerk may not permit any case record to be taken from the court without the order of the court. 2. Procedures for accessing, inspecting, and reproducing nonpublic information and records are set forth in Component 19 of the Michigan Trial Court Records Management Standards, chart of Nonpublic and Limited-Access Court Records, Local Administrative Order 1 (friend of the court records), and Administrative Order 2006-2, Privacy Policy and Access to Records.

5. In accordance with MCR 8.110(C)(8), the court shall provide litigants with forms approved by the state court administrator at the cost of \$1.00 per form.
 - a) Parties may be limited to a maximum of 2 copies per each type of form requested.
 - b) There will be no charge for forms requested by court-appointed attorneys on cases to which they have been appointed or for indigent parties.
 - c) There will be no charge for forms prepared by the court.
 - d) The circuit court or clerk of the court may not charge a fee for pro se forms for personal protection proceedings or motion forms for criminal post appeal relief. MCL 600.2950, 600.2950a, MCR 6.502(C).
6. Any person may access and inspect, at no charge, any case record or information contained in those records, regardless of means of access and record format, unless access is restricted by statute, court rule, or a court order entered pursuant to MCR 8.119(I), and may make photographic copies in accordance with MCR 8.115(C)(5)(a) or obtain copies subject to the following regulations established in accordance with MCR 8.119(J).

 - b) Access
 - i) Except for online public case indexes and registers of case action, requests for

access and inspection to no more than five (5) specific case files will be accommodated within four (4) hours unless the files are not in the active file area. Requests for specific case records in storage will be accommodated within three (3) business days.

- ii) Requests for access and inspection to more than five (5) specific case files will be accommodated within a reasonable amount of time, depending on the total number of case files requested and the availability of court staff.

d) New Record Creation

- i) Requests for creation of a new record, as defined in MCR 8.119(J)(5), will be granted only if creating the new record will not unreasonably interfere with the discharge of court functions. - ii) Costs to provide a new record may not exceed the actual cost of labor and supplies and the actual use of the system to develop, generate, and validate the accuracy of the record.
