ATTEST:

Jeri S. Lewis
Clerk of the County Board of Canvassers

Shall the Township of Tekonsha issue its general obligation unlimited tax bonds in one or more series in an amount not to exceed Nine Hundred Thousand and No Dollars (\$900,000) for the specific purpose of paying the cost of financing the renovation of and improvements to the Township Fire Hall in the Township?

The bonds will be outstanding a maximum of 20 years, exclusive of refunding. It is estimated that it will be necessary to levy 0.9731 mill (\$0.9731 per \$1,000 of taxable value) to pay debt service on the bonds in the first year of the levy, and to levy an estimated average of 0.9994 mill (\$0.9994 per \$1,000 of taxable value) each subsequent year for debt service, until the bonds are retired.

The improvements to the Township Fire Hall building located at 166 Spires Parkway include, but are not limited to, the following building improvements: purchase and installation of up to four sets of overhead doors, including structural upgrades; ventilation and exhaust system upgrades; utility, plumbing and electrical upgrades; parking lot, approach and site improvements; purchase and installation of safety equipment, including non-skid surfaces.

The tax revenue received by the Township as a result of the unlimited tax pledge will be disbursed to the Township of Tekonsha to repay the proposed bonds.
