FROM: Mathew Hansen, Equalization Director  
SUBJECT: 2019 Calhoun County Apportionment Report as Amended

Tekonsha Township on November 5, 2019 passed an unlimited tax bonds proposal for Township Fire Hall improvements. The levy will begin in 2019 at 0.9731 mill.

The approval of the proposal required the 2019 Apportionment Report adopted on October 17, 2019 to be amended. This report reflects the newly passed debt millage and the amendment of the Millage Rate sheets and Summary.

The 2019 Calhoun County Apportionment Report as amended is presented to this County Board of Commissioners for review and adoption.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Mathew L. Hansen".

Mathew L. Hansen  
Calhoun County Equalization Director

The statutory responsibilities of the County Board of Commissioners in this matter are as follows:

THE GENERAL PROPERTY TAX ACT (EXCERPT)

Act 206 of 1893

MCL 211, Sec. 37.

The county board of commissioners, either at a session held not later than October 31 in each year or at a special meeting held for a local tax collecting unit that approves under section 44a(2) the accelerated collection in a summer property tax levy of a millage that had been previously billed and collected as in a preceding tax year as part of the winter property tax levy, shall ascertain and determine the amount of money to be raised for county purposes, and shall apportion the amount and also the amount of the state tax and indebtedness of the county to the state among the several townships in the county in proportion to the valuation of the taxable real and personal property as determined by the board, or as determined by the state tax commission upon appeal in the manner provided by law for that year, which determination and apportionment shall be entered at large on county records. The board, at a session held not later than October 31 in each year, shall also examine all certificates, statements, papers, and records submitted to it, showing the money to be raised in the several townships for school, highway, drain, township, and other purposes. It shall hear and consider all objections made to raising that money by any taxpayer affected. If it appears to the board that any certificate, statement, paper, or record is not properly certified or is in any way defective, or that any proceeding to authorize the raising of the money has not been had or is in any way imperfect, the board shall verify the same, and if the certificate, statement, paper, record, or proceeding can then be corrected, supplied, or had, the board shall authorize and require the defects or omissions of proceedings to be corrected, supplied, or had. The board may refer any or all the certificates, statements, papers, records, and proceedings to the prosecuting attorney, who shall investigate and without delay report in writing his or her opinion to the board. The board shall direct that the money proposed to be raised for township, school, highway, drain, and all other purposes authorized by law shall be spread upon the assessment roll of the proper townships, wards, and cities. This action and direction shall be entered in full upon the records of the proceedings of the board and shall be final as to the levy and assessment of all the taxes, except if there is a change made in the equalization of any county by the state tax commission upon appeal in the manner provided by law. The direction for spread of taxes shall be expressed in terms of millage to be spread against the taxable values of properties and shall not direct the raising of any specific amount of money. This section does not apply when section 36(2) applies and shall not prevent the township clerk from providing a certification to the county clerk pursuant to section 36(1). If a certification is provided pursuant to section 36(1), the county board of commissioners shall meet and direct or amend its direction for the spread of millage by local units in the county pursuant to the certification.

## 2019 MILLAGE RATES

**HOW TO USE THE MILLAGE RATE CHARTS**

1. Select the township or city in which the parcel is located. If the parcel is within a village, use the village column to locate the proper village.
2. Next, choose the school district in which the parcel is located. NOTE: Parcels that are considered split district properties (parcels that were transferred from another school district and carry the previous district's debt levy) are not included on the millage charts. Contact the *Calhoun County Equalization Office* for specific applicable millage for these properties.
3. Choose the proper rate from either the homestead or non-homestead column, depending on the property's homestead status. Multiply the parcel's taxable value by the applicable millage rate, then divide by 1000. Any property tax administration fee is not included (up to 1% of the tax).

## 2019 MILLAGE RATES

**HOW TO USE THE MILLAGE RATE CHARTS**

1. Select the township or city in which the parcel is located. If the parcel is within a village, use the village column to locate the proper village.
2. Next, choose the school district in which the parcel is located. NOTE: Parcels that are considered split district properties (parcels that were transferred from another school district and carry the previous district's debt levy) are not included on the millage charts. Contact the *Calhoun County Equalization Office* for specific applicable millage for these properties.
3. Choose the proper rate from either the homestead or non-homestead column, depending on the property's homestead status. Multiply the parcel's taxable value by the applicable millage rate, then divide by 1000. Any property tax administration fee is not included (up to 1% of the tax).
