

2020 Living Well Calhoun Program Guide

Living Well Calhoun 2020 Program

The Living Well Calhoun Program provides employees with the opportunity to engage in programs and activities that promote overall health and wellbeing. The program is aimed at developing a culture of health and wellness that improves the quality of life for employees and helps reduce health care costs.

Eligibility & Program Requirements:

1. All full-time and part-time employees are eligible to participate in the Living Well Calhoun Program. Seasonal, casual, & temporary employees are eligible to participate in the Living Well Calhoun activities and events, but will be ineligible to earn the incentives.
2. Contact a Wellness Committee Member or HR to receive a **TICKET TO WELLNESS**.
3. Work towards obtaining 12 points on the Ticket to Wellness card between January 1 - December 1, 2020, by completing designated wellness initiatives.
4. Each time an initiative is completed, obtain validation from a Wellness Committee member listed on the next page to receive one point on your Ticket to Wellness card.
5. **For 2020, Wellness Program participants are required to have a Health Risk Assessment (HRA) completed, including a blood draw and applicable lab work. The purpose is to provide you with information relative to your risk for chronic disease, most of which are preventable with early detection.**

*****AGAIN THIS YEAR** All Calhoun County employees can have this service conducted on-site for free through CareHere Health & Wellness Center. It is confidential, and HIPAA protected, through the Center and the results will only be shared with the individual being tested.

If you do not wish to utilize the center, you may have this service conducted by your own physician. Human Resources will just need some form of verification that the HRA was conducted (i.e. EOB/Receipt). HRA's cannot be validated by a Wellness Committee Member and must be done by HR.

The Wellness Committee and Ticket Validation:

Wellness Committee members have committed their time and a great deal of effort towards the development and implementation of this wellness program. Members are located throughout the various locations in the County to provide program activities and events, to validate your Ticket to Wellness card, and to answer any questions.

Living Well Calhoun Program Incentives for participation:

The biggest incentive for participation is of course your own personal health and well-being! Congratulations to those that choose to embrace a healthy lifestyle journey.

To reward employees that obtain 12 points on their Ticket to Wellness card, a **\$100.00** monetary incentive will be provided at the end of the program year. The incentive will be paid as part of your last paycheck for December 2020.

Throughout the program year, there will also be drawings for prizes for participation in certain wellness events.

If you are a new employee hired in 2020, the monetary incentive will be pro-rated based on the number of full months that you worked. If you leave the employment of Calhoun County prior to December 1, 2020, you will not be entitled to receive any incentive.

(Per IRS guidelines, we must process all prize/reward values as taxable income. This means the amount of the prize value will need to be added to winner’s taxable income and recorded as earnings for purposes of withholding. Under Section 74 of the Internal Revenue Code "gross income includes amounts received as prizes and awards." The definition of "prizes and awards" includes, but is not limited to, ".....any prizes from an employer to an employee in recognition of some achievement in connection with his employment." Treas. Reg. 1.71-1.)

Initiatives

- * **Health Maintenance Examination:** A “Routine” or “Annual” physical is commonly known as a health maintenance exam. This is a complete physical including: health history, a review of all health and lifestyle risk factors, and exam of all systems appropriate of age, risk, and sex, and discussion of recommended lifestyle changes.

Note: CareHere Health & Wellness clinic provides the office visit and health maintenance exam for free for medical plan participants. If not utilizing the clinic, the Calhoun County insurance plans cover 100% of the cost of the health maintenance exam once per calendar year – office visit charges and/or co-pays would however still apply.

Your **Ticket to Wellness** will be validated upon providing proof of completion (i.e. print-off appointment registration or insurance EOB).

- 🚲 **Cancer screening:** Simply show proof to a Wellness Committee Member.
- 🚲 **Compare 2019 HRA results with 2020 HRA:** Show proof that you maintained good results or improved some results to get a point on your **Ticket to Wellness**.
- 🚲 **Dental Cleaning:** Regular checkups and cleanings can prevent health problems, as well as provide you with good oral hygiene. An Explanation of Benefits form can be used for your **Ticket to Wellness** validation.
- 🚲 **Optical Examination:** An Explanation of Benefits form can be used for your **Ticket to Wellness** validation.
- 🚲 **Mammography, Colonoscopy and Prostate Exam:** Having any of these exams will help with your overall health prevention maintenance. An Explanation of Benefits form can be used for your **Ticket to Wellness** validation.
- 🚲 **Attendance:** If you have no absences that require coverage by Short-term Disability, Long-term Disability or Worker’s Compensation for the time frame of January 1 – December 1, 2020. Please contact HR for proof of validation for your **Ticket to Wellness** card.
- 🚲 **Enroll in HelpNet’s Wellness Coaching Program:** Call HelpNet at 800.969.6162. You can also use their website at www.helpneteap.com and click on Work-Life Web. Call H.R. for user name and password. Please print off proof of participation while on the site for validation.
