DISCIPLINE

Section 5.0 Just Cause. The employer agrees that it will not discipline or discharge any non-probationary employee covered by this Agreement without just cause. Employees shall receive copies of all written disciplinary action in a timely manner. A copy shall also be sent to the Human Resource Department which shall, in turn, send a copy to the Chief Steward of the Union. Failure to forward copies of disciplinary actions shall not nullify the discipline.

GRIEVANCE PROCEDURE

Section 6.0 Definition of Grievance. For the purpose of this Agreement, "grievance" means any dispute regarding the meaning, interpretation, or alleged violation of the terms and provisions of this Agreement, as written. Employees or the Union shall have the right to file grievances under the procedures established herein. Grievances involving more than one (1) employee which allege a violation of the same provision(s) of this Agreement and which seek the same remedy may be filed by the Union. All such grievances shall be designated as a "group grievance". The Union shall identify in writing, no later than Step 2 of this Procedure, the names of all individuals affected by a "group grievance" and consideration of the "group grievance" shall, thereafter, be limited to the individuals so named.

Section 6.1 Grievance Procedures. All grievances shall be processed in the following manner:

- (a) Step 1. An employee who has a grievance shall discuss the matter with their Immediate Supervisor within five (5) working days after the event which caused the grievance or within five (5) working days after the employee could reasonably have learned of the event upon which the grievance is based. If requested by the employee, the Union Steward may be present. The Immediate Supervisor shall inform the employee of their decision in writing within five (5) working days following the discussion of the matter.
- (b) Step 2. If the grievance is not satisfactorily resolved at Step 1, the grievance shall be submitted, in writing, to the Health Officer within five (5) working days from date of receipt of the last reply, or within ten (10) working days following the Step 1 discussion, whichever is earlier. The written grievance shall name the employee(s) involved, state the facts giving rise to the grievance, identify the contract Section(s) alleged to have been violated, identify the basis of the grievance, indicate the relief requested, and be signed by the Union Steward for the work location involved, and the affected employee(s), if available. There shall be a meeting with the Union Steward, the grievant and the Health Officer within ten (10) working days following receipt of the written grievance by the Health Officer. The Health Officer shall reply in writing to the grievant within five (5) working days following the meeting.
- (c) Step 3. If the grievance is not satisfactorily resolved at Step 2, it shall be reduced to writing and submitted by the Union Steward to the County Administrator/Controller or designated representative within five (5) working days following the Health Officer's answer at Step 2. The written grievance shall name the employee(s) involved, state the facts giving rise to the grievance, identify the contract Section(s) violated, identify the basis of the grievance, indicate the relief requested, and be signed by the Union Steward and affected employee(s). The County Administrator/Controller or designated representative and the Union Representative, Chief Steward, Steward and aggrieved employee(s) shall meet to discuss the grievance within fourteen (14) working days following receipt by the County Administrator/Controller or designated representative of the grievance. The employer shall give a written answer to the Union within twenty (20) working days of the meeting.

Section 6.2 Expedited Disciplinary Grievances. Any non-probationary employee discharged or given a disciplinary suspension shall be notified in writing immediately by the Employer, a copy of which written notice shall be given to the Chief Steward. Should an employee who has been discharged or given a disciplinary suspension consider such discipline to be improper, a written grievance shall be filed initially with the County Administrator or designated representative at Step 3 of the Grievance Procedure, within five (5) calendar days after the employee receives written notice of the disciplinary action. The written grievance shall name the employee involved, state the facts giving rise to the grievance, identify the contract Section(s) alleged to have been violated, identify the basis of the grievance, indicate the relief requested, and be signed by the Union Steward for the work location involved and the disciplined employee. The parties shall meet at the earliest possible date which is mutually convenient in an attempt to resolve the matter. If desired by either party, the disciplined employee shall be present. All grievances relating to the discharge or disciplinary suspension of an employee must be presented within the time limits contained in this Section. Any grievance which is not presented within these time limits shall be considered to have been abandoned and no appeal shall be allowed. All other disciplinary grievances shall follow the normal Grievance Procedure.

Section 6.3 Grievance Resolution. All grievances which are satisfactorily resolved at Steps 1, 2 and 3 of the Grievance Procedure, and have economic implications over five hundred dollars (\$500.00), must be approved by the County Administrator or Board of Commissioners before they shall be final. The Chief Steward shall be informed in writing of any grievances being considered by the Employer under the provision of this Section. If the resolution of a grievance is disallowed, the Employee may, if desired, seek to arbitrate the matter in accordance with Section 7.0.

Section 6.4 Grievance Settlement. With respect to the processing, disposition, or settlement of any grievance initiated under this Agreement, and with respect to any court action claiming or alleging a violation of this Agreement, the Union shall be the sole and exclusive representative of the employee(s) covered by this Agreement. The disposition or settlement by and between the Employer and the Union, of any grievance or other matter shall constitute a full and complete settlement thereof and shall be final and bonding upon the Union and its members, the employee(s) involved and the Employer. The satisfactory settlement of all grievances shall be reduced to writing and shall be written on or attached to each copy of the written grievance and signed by the representatives involved. Unless otherwise expressly stated, all such settlements shall be without precedence for any future grievance.

Section 6.5 Time Limitations. The time limits established in the Grievance Procedure shall be followed by the parties. If the Union fails to present a grievance in time or to advance to the next step in a timely manner, it shall be considered to be withdrawn. If the time limits are not followed by the Employer, the grievance shall automatically go to the next step, but excluding arbitration which must be sought in accordance with the provision of Section 7.0. The time limits established in the Grievance Procedure may be extended by mutual agreement, provided the extension is reduced to writing and the period of the extension is specified.

Section 6.6 Grievance Form. A grievance under this section will be submitted on a form provided by the Union. The form must include the provision(s) of the Agreement alleged to

have been violated, a description of the alleged violation, a brief summary of the facts on which it is based (dates, times, etc...), and the remedy sought.

Section 6.7 Lost Time. The Employer agrees to pay for all reasonable time lost by an employee during regularly scheduled working hours while presenting a grievance at Step 1 of the Grievance Procedure and at any other step of the Grievance Procedure if required to be present, provided, however, the Employer reserves the right to revoke this benefit if the privilege is being abused. If employee is placed on suspension, the Employer reserves the right to revoke this benefit upon mutual agreement with the union. Lost time shall be compensated at the employee's straight-time regular hourly rate of pay.

Section 6.8 Time Computation. In computing days under the grievance procedure, Saturday, Sunday and Holidays recognized under this agreement shall be excluded except where time limits are specifically described as calendar days and does not include the day of the event.

ARBITRATION

Section 7.0 Arbitration Request. The Union may request arbitration of any unresolved grievance by giving written notice to the Health Officer and County Administrator/Controller of its intent to arbitrate within thirty (30) calendar days following receipt of the Employer's disposition in Step 3 of the Grievance Procedures. If the Employer fails to answer the grievance within the time limits set forth in Step 3, the Union, if it desires to seek arbitration, must notify the Health Officer and the County Administrator/Controller no later than thirty (30) calendar days following the date the Employer's Step 3 answer was due. Further, the Union must request a panel of arbitrators from the Federal Mediation and Conciliation Service no later than two (2) weeks following its notification of interest to seek arbitration. By mutual agreement time limits may be extended by the parties involved in writing, provided the length of the extension period is specific.

Section 7.1 Selection of Arbitrator. If a timely request for arbitration is filed by the Union, the parties to this Agreement shall select by mutual agreement one (1) arbitrator who shall decide the matter. If the parties are unable to agree upon an arbitrator, the arbitrator shall be selected by each party, on a rotating basis with regard to the first name stricken, alternately striking a name for a panel of seven (7) arbitrators obtained from the Federal Mediation and Conciliation Service. The remaining name shall serve as the arbitrator. Each party shall pay fees, expenses, wages, and any other compensation of its own witnesses, representatives and legal counsel. The fees and expenses of the arbitrator shall be shared equally by the Union and the Employer.

Section 7.2 Arbitrator's Powers. The arbitrator's powers shall be limited to the application and interpretation of this Agreement as written, and shall be governed at all times wholly by the terms of this Agreement. The arbitrator shall have no power to add to, subtract from, or modify any of the terms of this Agreement, nor shall the arbitrator have power to change any classification, wage rate, to rule on any claim arising under an insurance policy or retirement claim or dispute, or to issue a ruling modifying any matter covered by a statute or ordinance. Further, the arbitrator shall not be empowered to consider any question or matter outside this Agreement. If the issue of arbitrability is raised, the arbitrator shall only decide the merits of the grievance if arbitrability is affirmatively decided. The arbitrator's decision shall be final and

binding upon the Union, the Employer, and employees in the bargaining unit. Any award of the arbitrator shall not be retroactive any earlier than thirty (30) calendar days prior to the time the grievance was first submitted in writing. Further no claim for back wages under this Agreement shall exceed the amount of straight-time earnings the employee would have otherwise earned by working for the Employer, less any and all compensation including unemployment compensation, except previously held part-time employment or overtime.

SPECIAL CONFERENCES

Section 8.0 Special Conferences. Special conferences for important matters will be arranged between the Union and the Employer or its designated representative upon the request of either party. Such meetings shall be between three (3) representatives of the Union and representatives of management. Arrangements for such special conferences shall be made in advance and an agenda of the matters to be taken up at the meeting shall be presented at the time the conference is requested. Matters taken up in special conferences shall be confined to those included in the agenda. The employee members of the Union shall not lose time or pay for time spent in such special conferences held during their regularly scheduled working hours. Special conferences shall normally commence during the Health Department's usual business hours. The Union representative may meet on the Employer's property for a least one-half (½) hour immediately preceding the conference. The special conference may also be attended by non-employee representatives of the Union or the Employer. It is expressly understood that by attending such conferences, neither party shall be obligated to negotiate, modify, or otherwise change the terms of this Agreement.

WORK STOPPAGES

Section 9.0 No Strike Pledge. The parties to this Agreement mutually recognize that the services performed by the employees covered by this Agreement are essential to the public health, safety, and welfare. Therefore, the Union agrees that during the term of this Agreement neither it nor its officers, representatives, members, or employees it represents shall, for any reason whatsoever, directly or indirectly, call, sanction, counsel, encourage, or engage in any strike, walkout, sympathy strike, picketing of the Employer's buildings, offices, or premises during regularly scheduled working hours, slowdown, sit-in, or stay-away; nor shall there be any concerted failure by them to report for duty; nor shall they absent themselves from work, abstain, in whole or in part, from the full, faithful and proper performance of their duties, or engage in any acts that interfere in any manner or to any degree with the services of the Employer. No employee covered by this Agreement shall refuse to cross any picket line, whether established at the Employer's buildings or premises or at any other location where employees covered by this Agreement are expected to work.

Section 9.1 Penalty. Any employee who violates the provision of Section 9.0 shall be subject to discipline by the Employer, up to and including discharge.

Section 9.2 No Lockout. During the life of this Agreement, the Employer, in consideration for the promise on behalf of the Union and the employees it represents to refrain from the conduct prohibited by Section 9.0, agrees not to lock out any employees covered by this Agreement because of a labor dispute between bargaining unit employees and the Employer.

SENIORITY

Section 10.0 Definition of Seniority.

- (a) County seniority shall be defined as the length of an employee's continuous service within the County from the most recent date of hire. An employee who returns to the County after a separation of five (5) years or less shall have their previous full years of seniority reinstated after one (1) year of full-time continuous employment, except in the Defined Benefit Pension Plan. Partial years of prior service shall not be credited. "Years" shall be calculated from anniversary date of hire and termination. This date is to be used for the purpose of longevity, paid time off accruals, 401(k) and defined benefits.
- (b) TPOAM-Health seniority shall be defined as the length of an employee's continuous service within the TPOAM-Health bargaining unit set forth in Section 1.0 from the date of initial entry into the TPOAM-Health bargaining unit. This date is to be used for the purpose of layoff, recall, job bidding, and paid time off scheduling.
- (c) Classification seniority shall be defined as the length of an employee's service within a particular pay grade measured from the date of initial entry into the classification. This definition shall not be applicable in situations where an employee is awarded a position in a different Program without changing pay grades; in such instances, the employee's classification seniority in the new Program shall be deemed to be the date the Employee first commenced work in that Department.
- (d) Regular part-time employees shall receive credit for all years of service regardless of FTE status. However, there will be no retroactive adjustment for years of service prior to January 1, 2003.
- (e) Employees who commence work on the same date shall be placed on the seniority list in alphabetical order by the employee's last name.
- (f) The application of seniority shall be limited to the preference and benefits specifically recited in this Agreement.

Section 10.1 Probationary Period. Except as otherwise provided, all new full-time and part-time employees shall be considered probationary employees for a period of six (6) months, without regard to the number of hours worked within the six (6) month period, after which time their seniority shall relate back to their last date of hire. For employees who are absent during the probation period due to a leave of absence, layoff or disciplinary suspension, the probation period shall be automatically extended for the number of days equal to such absence. Upon written notice to either a full-time or part-time employee before the probationary period has expired, the probation period may be extended for up to an additional three (3) months. Until an employee has completed the probationary period, the Employee may be disciplined, laid-off, recalled, terminated, or discharged at the Employer's discretion without regard to the provision of this Agreement and without recourse to the Grievance Procedure set forth in this Agreement. There shall be no seniority among probationary employees.

Section 10.2 Seniority Accumulation. Beginning January 1, 2003, all non-probationary employees covered by this Agreement shall continue to accumulate County, TPOAM-Health, and Classification seniority while on a Leave of Absence or Layoff for the purposes listed within seniority classifications. There will be no retroactive adjustment for Leave of Absences or Layoffs prior to January 1, 2003.

Section 10.3 Loss of Seniority. An employee's seniority and employment relationship with the Employer shall automatically terminate for any of the following reasons:

- (a) If the Employee quits, retires, or receives a pension, including a disability pension, from the Employer.
- (b) If the Employee is terminated or discharged and the termination or discharge is not reversed through procedures set forth in this Agreement.
- (c) If the Employee is absent for any three (3) consecutive working days unless a reasonably acceptable excuse to the Employer is presented.
- (d) If the Employee fails to notify the Employer for three (3) consecutive working days that they will not be reporting for work, unless an excuse reasonably acceptable to the Employer is presented.
- (e) If the Employee fails to return on the required date following an approved leave of absence, paid time off, or a layoff, including a disciplinary layoff, unless an excuse reasonably acceptable to the Employer is presented.
- (f) If the Employee has been on layoff status for a period of one (1) year or the length of TPOAM-Health seniority at the commencement of the layoff, whichever is less.
- (g) If the Employee fails to inform the Employer within three (3) working days following receipt of notification of recall from layoff that they intend to return to work for the Employer.

Section 10.6 Job Bidding. Before filling a vacancy which occurs in a bargaining unit classification, or filling a new bargaining unit classification, the position shall be subject to bidding by unit members.

- (a) The purpose of the bidding procedure is:

 - (5) Bargaining unit members that are seeking to transfer to a different program with the Health Department (while retaining their current classification) will be subject to testing only when the use of a specialized program or specific knowledge base is required by the job description to perform the essential functions of the job.
- (d) Where the above general qualifications are equal, employees with the greatest bargaining unit seniority shall be entitled to the position if it is awarded to a bargaining unit member.

During the trial period, the employee shall have the opportunity to revert back to the former position if desired. If the employee is unsatisfactory in the new position, they may be returned to the former position by the employer, or to a position on the same shift equal rated to the former position without loss of seniority, and other employees who are affected by such action may also be returned to their former positions.

LAYOFF AND RECALL

Section 11.0 Layoff Procedures. The Employer may lay off employees wherever it deems such action to be necessary. Whenever a reduction in the work force occurs, the following procedure shall be utilized:

- (a) Layoffs shall take place on a Health Department basis in accordance with an employee's TPOAM-Health seniority in the pay grade affected by the layoff. The first (1st) employees to be laid off in the affected pay grade shall be probationary employees, followed by those employees with the least amount of TPOAM-Health seniority provided, however, the senior employees retained presently have the necessary experience, qualifications, skill and ability to perform the remaining required work.
- (b) A non-probationary employee laid off from their classification shall be reassigned by the Employer to displace another employee in an equal or lower rated classification, provided the displacing employee presently has the necessary training, experience, qualifications, skill and ability to perform the work required (except for certifications that can and will be obtained within 60 days), and has greater TPOAM-Health seniority than the employee being displaced. An employee displaced under this procedure shall also be reassigned in accordance with the procedure, or shall be laid off if no suitable position is available. In reassigning personnel under this procedure, the Employer will attempt to minimize the number of employees displaced and minimize the number of ranges any affected employee is required to move downward. The Employer will not be required to displace an employee with a special employment-related skill (*e.g.*, bilingual or other special communication or technical skill, etc.). An employee who is reassigned to a lower-rated position under this procedure will be paid at the same step of the new classification as the employee was receiving in the former classification. An employee who refuses to accept reassignment to an equal rated position shall be considered to have resigned. An employee who refuses to accept reassignment to a lower rated position shall be laid off.

Section 11.1 Notification of Layoff. Whenever possible, the Employer agrees to give thirty (30) calendar days advance notification of layoff by personal contact, telephone call, or written communication. The notification shall be confirmed in writing by e-mail and mail to the employee's last known address. A copy of such notification shall be issued to the Chief Steward. Whenever possible, the notification shall state the anticipated duration of the layoff.

Section 11.2 Recall. In the event the work force is increased, recall to work shall be in reverse order of layoff from the classification within the Department(s) affected by the recall, provided, however, the employee returning to work must not have lost recall rights pursuant to Section 10.3.

Section 11.3 Notification of Recall. Notification of recall shall be by personal contact, telephone call or written communication. The notification shall be confirmed in writing by e-mail and mail to the employee's last known address. A copy of such notification shall be issued to the Chief Steward. The notice shall set forth the date the recalled employee is expected to return to work.

Section 11.4 Voluntary Layoff.

- (a) Except as provided in subsection C, in the event that layoffs are necessary, the Employer may offer bargaining unit employees the option of voluntary layoff. Voluntary layoff shall be for no less than one (1) week or more than thirty (30) days provided an employee on voluntary layoff may be recalled at any time. Employees on voluntary layoff shall not have benefits reduced except that such employees shall not accumulate paid time off while on lay off status. Continuation of benefits shall be subject to the employee's payment of any required co-pay. Alternative layoff schedules of less than thirty (30) days may be implemented upon mutual agreement between Employer and employee.
- (b) Except as provided in subsection C, in the event that layoffs are necessary, the Employer may offer bargaining unit employees the option of a voluntary reduction of work hours to circumvent a layoff or to reduce the number of laid-off employees. Employees can return to a normal schedule upon the giving of thirty (30) days written notice to the Employer. The Employer can return the employee to a normal schedule at any time. Employees on voluntary reduction of work hours, working 32 hours per week or more, shall not have benefits reduced. Employees shall not reduce their work hours to less than 32 hours per week. Continuation of benefits shall be subject to the employee's payment of any required co-pay. Voluntary reduction of work hours shall not last longer than six (6) months per employee per calendar year, unless mutually agreed between Employer and employee.
- (c) In the event that more employees than necessary volunteer for layoff or reduction of hours, the most senior volunteers shall be granted the layoffs/reduction, provided the Employer shall not be obligated to grant a voluntary layoff/reduction request where remaining employees would not have the qualifications, certification and present ability to fully and properly perform the remaining required work.

HOURS OF WORK

Section 12.0 Normal Workweek and Workday. The normal workweek for all full-time employees shall consist of work performed in five (5) consecutive eight (8) hour days, exclusive of unpaid lunch periods, followed by two (2) consecutive days off. Regular working hours are normally Monday through Friday from 8:00 a.m. to 5:00 p.m. unless otherwise approved in advance by the Health Officer or Immediate Supervisor. Employees required to work another schedule shall be so informed and have their schedules posted as set forth in this agreement. Schedules other than the normal workweek will still allow for two (2) consecutive days off in a period of seven (7) consecutive calendar days.

Section 12.1 Workweek and Workday Definitions. Any definition of an employee's normal workweek and workday stated in this Agreement shall not constitute a guarantee by the Employer of any number of hours per workday or per workweek if operating or economic condition warrant. Prior to any reduction in the workweek or number of hours therein, the Union shall be notified and a Special Conference scheduled within ten (10) days of such notification.

Section 12.2 Scheduling. The Employer shall have the right to determine, establish, and modify scheduling and staffing requirement to meet its needs and the public it serves. It is expressly understood that an employee's work schedule may be changed whenever operating conditions warrant such change. Every effort will be made to post each employee's work schedule seven (7) calendar days before the 1st of the following month for all programs that require schedules be posted, and this shall not be changed to avoid the payment of overtime or compensatory time.

Section 12.3 Overtime. All employees shall be expected to work reasonable amounts of overtime upon request. Overtime must be authorized by the employee's immediate Supervisor or Health Officer, whichever is appropriate.

Section 12.4 Premium Pay.

- (a) Time and one-half (1-1/2) the employee's straight-time regular rate of pay shall be paid for all hours actually worked in excess of forty (40) hours in any one (1) work week. For purposes of calculating premium pay under this section only, holiday pay received by eligible employees pursuant to this Agreement shall be considered hours actually worked.
- (b) Time and one-half (1-1/2) the employee's straight-time regular rate of pay shall be paid for all hours actually worked on holidays recognized under this Agreement, plus holiday pay if an employee is otherwise eligible. An employee shall be eligible for the premium pay provided for by this subsection only if all hours worked actually occur during the holiday involved or if the Employee works on a shift which starts on the day before and a majority of the hours worked take place on the specified holiday. Further, the Employer reserves the right to substitute another day off with pay within the same pay period the holiday(s) involved occurred in lieu of paying the premium provided for by this subsection.
- (c) An employee who has finished their scheduled work shift and left the Employer's premises will receive a minimum of four (4) hours of pay at straight-time or time and one half for all hours worked, whichever is greater if the employee is called back to work. Call in will be considered (but not limited to) 911 dispatch, fire/police, alarms and county management.

Section 12.5 No Duplication or Pyramiding of Premium Rates. There shall be no duplication or pyramiding of the premium rates set forth in any Section of this Agreement with any other Section of this Agreement.

Section 12.6 Lunch Period. All employees shall receive a one (1) hour unpaid lunch period to be scheduled in accordance with the needs of their department or program. An alternate lunch period of less than one hour may be implemented if mutually agreeable between the employee and the Employer. The Employer reserves the sole discretion to terminate any alternate arrangement that interferes with operational needs or cannot be equitably accommodated within the department or program.

Section 12.7 Rest Periods. Employees are allowed two (2) paid fifteen (15) minute rest periods per workday to be taken at the place(s) designated by the Employer during the times scheduled by the Employer to permit continuous and efficient operation. In the absence of any designation, employees may take their breaks when desired, provided it does not reasonably interfere with the efficient operation of the Employer.

Section 12.8 Compensatory Time. Employees covered by this agreement may receive compensatory time at the rate of time and one half (1-1/2) their regular rate of pay for all hours worked in excess of forty (40) hours in any work week. The scheduling of compensatory time off shall be at a time mutually agreed upon by the Employer and the Employee, provided, however, that the Employer reserves the right to refuse a request for compensatory time if it would unduly disrupt its operations. Compensatory time off may accumulate to a maximum of one hundred (100) hours. On or after January 1, 2010, an employee who becomes disabled from work may liquidate accumulated compensatory time at the employee's then-current wage rate and contribute the value of such liquidated time to the employee's flexible benefit account to pay for group insurance benefits while on leave of absence, if such use is legally permitted. Employees whose employment with the Employer is terminated shall receive pay for accrued unused compensatory time at the average regular rate received by such Employee during the last three (3) years of the Employees employment or at the final rate received by such Employee, whichever is higher.

Section 12.9 Flex Time. Flex time may be used upon mutual agreement between Employee and Employer, to allow an Employee to flex their schedule on one-day (or less) intervals to accommodate an Employee's occasional medical, dental, personal appointment or need which cannot be scheduled outside of the employees established work schedule. Requests for flex time shall be granted unless the request unreasonably interferes with the efficient operation of their Department and the Employer's obligations to the general public. Employer shall not require an Employee to utilize flex time in lieu of overtime absent an agreement with the Employee before the overtime is actually worked.

Section 12.10 Public Health Emergency. All employees may be called upon and shall be expected to respond to a public health emergency as part of the Public Health Response Team or emergency preparedness directives.

Section 12.10. Telecommuting. Telecommuting may be mutually beneficial when a position has job duties that are conducive to a remote work arrangement and can be performed by the employee in an effective, efficient, and productive manner. Employees covered by the collective bargaining agreement may participate in a telecommuting arrangement if approved by their Department Head and the Human Resources Department, and in accordance with Board Policy #345 - Telecommuting.

LEAVES OF ABSENCE

The request for the leave of absence shall state the reason for the leave and

the dates on which the leave is to begin and end if known. A request for an extension of an approved leave of absence should be submitted in writing to the Employer at least ten (10) days in advance, if possible, of the expiration date of the original leave, stating the reasons for the extension request and the exact revised date the employee is expected to return to work. Authorization or denial of the leave of absence and/or extension requests shall be furnished in writing to the employee by the Employer.

Section 13.1 Purpose of Leaves. It is understood by the parties the leaves of absence are to be used for the purpose intended and employees shall make their intent known when applying for such leaves. There shall be no duplication or pyramiding of leave benefits or types of absences. Employees shall not accept employment while on leaves of absence unless agreed by the Employer. Acceptance of employment or working for another employer without prior approval while on leave of absence may result in immediate termination of employment with the Employer. All leaves of absence shall be without pay unless specifically provided to the contrary by the provisions of the Leave Section involved.

Section 13.2 Early Returns from Leave. There shall be no obligation on the part of the Employer to provide work prior to the expiration of any leave of absence granted under this Agreement, unless the employee gives a written notice to the Employer of their desires to return to work prior to the expiration of leave. If such notice is given, the employee will be assigned to work no later than one (1) week following receipt by the Employer of such notice, seniority permitting.

Section 13.3 Military Leave. A military leave of absence is subject to the Board of Commissioners policy on military leave to ensure that all State and Federal regulations are followed.

Section 13.4. Bereavement Leave of Absence. An Employee excused from work under this Section shall be paid the amount of wages they would have earned by working their straight time hours (not including premiums) on the scheduled days of work being excused. The following allowances include in-laws and step-relatives of the same degree:

If a death occurs among a member of an Employee's immediate family, the Employee will be excused from work up to a maximum of five (5) workdays with pay. Immediate family is defined as spouse, child, parent, sibling, grandparent, or grandchild. Immediate family for purposes of this section will also include a verifiable significant other residing within the same household. The term "parent" includes any adult that cared for the employee as a child and was considered a guardian or in loco parentis.

One (1) workday with pay shall be allowed in the case of the death of an aunt, uncle, niece or nephew.

Upon approval of the Department Head, additional days charged against PTO may be granted.

Section 13.5 Jury Duty. Employees serving on jury duty shall be granted administrative leave with pay and benefits for the time required to be present for jury duty. The Employee's normal pay for the periods of jury service shall be reduced by the amount of pay received from the

Court, or the Employee shall reimburse the County in the amount received from the Court. A jury stipend is not paid for current County Employees serving jury duty at the 37th Circuit Court or 10th District Court. In this case, Employees will receive their regular wages. The disability leave shall not extend past the approved S&A benefit period as determined by the carrier. As a condition of commencing and continuing this leave, the employee must provide the Employer with updated information every two weeks in writing, or as mutually agreed, concerning the employee's status and intention to return to work. An authorized Disability Leave shall automatically terminate at the end of any work week during which an employee fails to maintain required contact, or at the conclusion of the approved S&A benefit period.

Section 13.9 Medical Certificates and Examinations. Employees requesting a disability leave for sickness or injury or a continuation of such leave may be required to present a certification from a physician showing the nature of such sickness or injury and the anticipated time off the job. The Employer may require as a condition of any disability leave, regardless of duration, a medical certificate setting forth the reasons for the leave when there is reason to believe the health or safety of personnel may be affected or that the employee is abusing such leave. In situations where an employee's physical or mental condition reasonably raises a question as to the employee's capabilities to perform the job, the Employer may require a medical examination, at its expense, and, if cause is found, require the employee to take or remain on leave of absence. Disputes regarding cause shall be discussed by the parties and if agreement is not reached shall be subject to the grievance procedure. Falsification of the medical certificate or falsely reporting or setting forth the reasons for the absence shall constitute just cause for discipline, up to and including discharge.

The Employee's health insurance benefits will remain in effect during the personal leave of absence provided the Employee makes arrangements with the Human Resources Department to pay their applicable share of the premium. However, a leave of absence in excess of thirty (30) days shall require the additional approval of the Administrator/Controller, and is without pay or benefits. A personal leave of absence under this section shall not exceed one (1) year in duration and is subject to any conditions as may be set forth by the employer depending on the situation.

There will be no further accrual of paid vacation or personal day benefits and an employee's accumulation of unused vacation and personal day benefits will be converted to PTO benefits the first day of the first pay period following ratification of members and approval by the Board of Commissioners.

Section 15.1 PTO Scheduling. Any request to use PTO must be made to the employee's manager as early as possible, unless an illness, injury or emergency exists which prevents giving the required notice. Illness, injury and emergency use of PTO may, upon reasonable request by the manager/Department Head, be made conditional upon the employee furnishing written documentation satisfactory to the Employer. Use of PTO will not be construed to relieve an employee of the responsibility to comply with the Employer's required procedures concerning notification of absence from work.

Consideration of employee preferences in scheduling non-emergency use of PTO will be given whenever possible and practical. However, non-emergency use of PTO will be at the discretion of the manager/department head and may be denied if the absence of the employee would unreasonably interfere with the efficient operations of the Employer or the Employer's obligations to the public. The Employer shall respond to the PTO request within a reasonable amount of time, but no more than fourteen (14) calendar days after the request is submitted.

An employee's request for non-emergency use of PTO will be considered granted if not responded to within ten (10) work days of submission.

The date the non-emergency use of PTO was requested and the employee's length of service may be criteria used for resolving scheduling conflicts when two or more employees request the

non-emergency use of PTO for the same periods of time, provided that the request(s) was submitted with as much advance notice as possible.

Only accrued PTO from previous pay periods can be utilized for time off. Current pay period accruals cannot be used for current pay period time off.

- (c) Full-time employees shall, upon proper written application, be eligible to participate in the optical benefit plan sponsored by the County. The Employer will pay the premiums and other costs of providing Single, Two-person or Family insurance for participating employees under this Section.

This coverage shall become effective on the first (1st) of the month following completion of thirty (30) calendar days of continuous employment with the Employer.

- (d) Full-time employees shall, upon proper written application, be eligible to participate in a life insurance plan provided by a carrier selected by the Employer. The plan shall provide the following coverages, provided they are, and continue to be, obtainable:

Life insurance coverage in the amount of \$50,000.00, subject to age-based reduction per carrier schedule.

Double indemnity for accidental death and dismemberment.

This coverage shall become effective on the first (1st) of the month following completion of thirty (30) calendar days of continuous employment with the Employer. The Employer will pay the premiums for this coverage. Participating employees may be eligible to purchase supplemental life insurance coverage if offered by the carrier, subject to requirements for evidence of insurability.

- (e) Full-time employees shall, upon proper written application, be eligible to participate in a sickness and accident plan provided by a carrier selected by the Employer. The plan shall provide the following coverages, provided they are, and continue to be, obtainable:

In order to qualify for benefits, the employee must submit the required claim information/documentation and establish to the satisfaction of the insurance carrier (or third party administrator if the plan is not insured) that, after taking into account all reasonable accommodations that could be made, the employee is totally disabled from performing the essential functions of their position and prevented by such disability from working for remuneration or profit. The plan shall provide for a dispute resolution procedure (similar to that used by Michigan Blue Cross/Blue Shield in disability benefit claims) which will entitle the parties to a determination by a neutral decision-maker whose decision shall be final and binding.

Bi-weekly payments consisting of 67% of the employee's normal gross weekly earnings, less any benefit payable from Social Security, any state or federal government disability or retirement plan, any other group disability income plan, and/or any wages or other paid time benefits paid by the Employer. Employees may supplement benefits with accrued paid time off benefits to receive their normal weekly wages. Benefits may be subject to age limits imposed by the carrier. Benefits shall be payable with the first day of disability due to injury or hospitalization, or the eighth consecutive day of disability due to illness, and continue for a period not to exceed twenty-six (26) weeks in any 12-month period.

This coverage shall become effective on the first (1st) of the month following completion of thirty (30) calendar days of continuous employment with the Employer. The Employer will pay the premiums for this coverage.

- (f) Each regular full-time employee may have the ability to purchase supplemental long term disability insurance during the annual open enrollment period, according to a schedule provided by the insurance carrier upon meeting the required qualifications based on Evidence of Insurability.
- (g) All coverage provided under this Agreement shall be subject to such restrictions, definitions, rules, procedures, and other limitations as may be applied from time to time by the Employer's insurance carriers (or the County if self-insured). The Employer reserves the right to implement cost containment programs, provided they do not substantially diminish specified benefit levels and to change carriers or become self-insured. The Employer's liability hereunder shall be limited to tender of premiums for obtainable coverage as specified. If the employee and the employee's spouse are both eligible to participate as employees in group health plans funded directly or indirectly by or through Calhoun County, the employee and the employee's spouse shall elect coverage under only one such plan; coverage of the employee, the employee's spouse and/or the employee's dependents under two or more health care plans funded by or through the County shall not be permitted unless it is to the financial benefit of the

County to permit such. If the employee and the employee's spouse fail to make an effective election with two (2) weeks after being required to do so, the Employer shall have the right to determine the health plan in which the employee(s) and/or their dependents shall be eligible to participate. The Employer shall have no obligation whatsoever to pay or provide any benefits or claims, which are denied by any carrier. Disputes concerning the interpretation or application of insurance policies, or the granting or denial of coverage or benefits by insurers or administrators, of changes in carriers or plans shall not be subject to the Grievance Procedure. Only disputes relating to unjustifiable non-tender of premiums, or refusal of the County to pay benefits under self-insured plans for which it is the administrator, are subject to the Grievance Procedure.

- (h) Except with respect to those situations covered by this section, or as otherwise provided by law, there shall be no liability on the part of the Employer for any insurance premium payments of any nature whatsoever for an employee who is on a leave of absence, layoff, retires, or otherwise terminated beyond the date on which such layoff, leave of absence, layoff, retirement, or termination commenced or occurred. While a full-time, non-probationary employee is on an approved leave of absence and receiving sickness and accident benefits or workers compensation disability benefits from the Employer or its carrier, the Employer shall pay its regular share of the premiums to continue insurance coverage in effect until the end of the leave or the termination of such benefits, subject to a limit of six months or any longer period required by law. In all other cases, the employee must make arrangements for and bear the full cost of continuation of any desired insurance coverage while not actively working, except as otherwise provided by law. Upon loss of insurance coverage, the Employee may continue insurance coverage per COBRA rules and regulations.

Section 17.1. Payment in Lieu of Health Insurance. All full-time employees who elect at their own discretion not to participate in the group health benefit plan as set forth in Section 17.0(a) shall be eligible to receive a cash alternative in lieu of insurance coverage, of at least the amount of Fifty and 00/100 Dollars (\$50.00), each pay period if the employee is not covered by the insurance of a relative whose coverage is paid in whole or in part by the County or Court funds. Before any employee chooses to opt-out of the County insurance, the employee must provide proof of a reasonable level of health care coverage from another source.

Section 17.2. Flexible Benefit Plan. The Employer may offer all benefits addressed in this Article along with any additional benefits offered by the Employer as part of a flexible benefit plan. Employees may participate in, add, or delete a flexible benefit offered to County employees during open enrollment. As part of the flexible benefit plan employees may have the opportunity to opt out of a plan which may include a specified opt-in/opt-out time period. The Employer may at any time add to or delete an insurance benefit from the flexible benefit plan without opening the contract or engaging in negotiations, provided, health, dental, vision, sickness and accident, and life insurance shall not be deleted except by agreement with the Union.

Section 17.3. Flexible Spending Accounts. The Employer shall sponsor a flexible spending account plan which shall include provisions for medical and child care expenses and may include

other options, so as to permit such expenses and group health insurance premiums to be paid on a pre-tax basis in compliance with IRS regulations and limitations.

Employees are eligible to participate in the retirement plans offered by Calhoun County as defined by and subject to the terms, conditions, and limitations set forth in the Plans, as may be amended from time to time. All forfeitures due to non-vesting in a plan shall accrue to the Employer.

- a) **Calhoun County Defined Benefit Pension Plan (“DB Plan”).** All eligible bargaining unit employees hired on or before February 29, 2020 shall participate in the Calhoun County Defined Benefit Pension Plan, as amended, unless the employee had previously made an authorized election not to participate in the plan. Participating employees that had attained 30 years of service credit prior to January 1, 2006 will be eligible for a late retirement benefit calculation as defined under the Plan. The parties acknowledge and mutually agree that the 7% Employee contribution beginning in 2020 is intended to be the maximum Employee contribution for future years as a result of the agreement to close the DB Plan to new hires in 2020.

- b) **Calhoun County 401(k) Savings Plan (“401(k) Plan”):** All Employees are eligible to participate in the 401(k) Plan. Contributions to the Employee’s 401(k) shall be made on a bi-weekly basis or as soon as administratively feasible.

For eligible Employees (.5 FTE and higher) that do not contribute to or receive a contribution under the DB Plan, the Employer shall contribute an amount equal to each eligible Employee’s elective contribution up to five percent (5%) of the Employee’s compensation (as defined by the Plan). If the Employee contributes at least five percent (5%) of their compensation, the Employer will contribute an additional amount equal to two percent (2%) of the Employee’s compensation, for a maximum Employer contribution of seven percent (7%). The Employer has no obligation to make any contributions to the 401(k) on behalf of Employees participating in and receiving a contribution under the DB Plan, or to any Employee with less than a .5 FTE status.

Advancement to the next salary Step and all subsequent Steps shall be placed into effect upon completion of one (1) year of full service at each Step.
- (b) Employees who are awarded a position pursuant to Section 10.6 which has a higher rated hourly maximum pay rate than the maximum hourly rate for their current classification shall initially be placed in the new pay grade which will result in a projected increase in pay of at least three percent (3%) more during the ensuing twelve (12) months than they would have received without the change in pay grade, except an employee returning to a higher rated position from which the Employee was laid off within the preceding 12 months shall be returned to the prior step. This advancement will result in a new “Next Review Date” meaning that the employee will receive their next step increase one (1) year from the date of the increase replacing the originally planned step increase prior to the position change.
- (c) Employees who are awarded a position pursuant to Section 10.6 which has an equal or lower rated hourly maximum pay rate than the maximum hourly rate for their current classification shall initially retain the same salary Step, but not necessarily the same pay rate, they were at immediately prior to the time they were awarded the new position. This change will not result in a new “Next Review Date” meaning that any future advancements within the employee’s wage scale will be governed by the planned step increase prior to the position change.

Section 19.2 Hiring Above the Minimum. Nothing contained in this Agreement shall in any way limit the Employer from hiring persons at up to and including the second (2nd) year Step, provided this becomes necessary in the recruitment of personnel who possess the qualification designated and required for the position.

A temporary assignment shall be considered the movement of an employee to a position and responsibilities which carry a salary grade the maximum of which is higher than the employee's current salary grade, provided such temporary assignment is in excess of thirty (30) calendar days and the employee has been specifically designated by the Health Officer as occupying the temporary assignment, the employee shall be paid at the higher rate as of the beginning date of the temporary assignment. The rate shall be the earliest step in the new range which will provide a projected increase in pay of at least three percent (3%) or more during the ensuing twelve (12) months than the employee would have received without the change in pay grade. A temporary assignment which continues for 180 calendar days will be considered a regular vacancy subject to Job Bidding under Section 10.6, unless otherwise agreed by the Employer and the Union (*e.g.*, if the temporary assignment is to replace an employee who is temporarily absent or the assignment is otherwise expected to end in the near future, etc.).

Section 19.4 Reclassifications. Any new requests for reclassification shall be considered under the following provisions:

Step #1:

Step #2:

The Human Resources Director has up to thirty (30) days to forward the request to the Reclassification Committee for review and then submit a recommendation to the Administrator/Controller.

Step #3:

Upon the Administrator/Controller being notified of the results of the Reclassification committee; the recommendation will be reviewed, taking into account the financial policies and capabilities of Calhoun County. The Administrator/Controller will notify the responsible Department Head and the position incumbent of the reclassification decision within fifteen (15) days of receiving the packet.
