Why do you like working for Calhoun County?

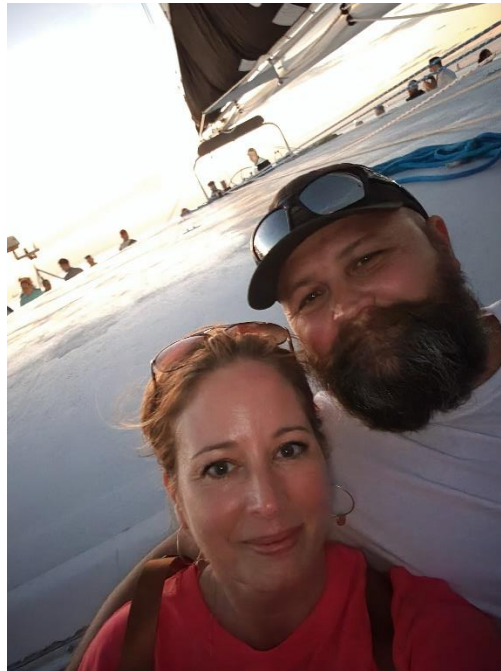

I enjoy being able to work with the public and helping those within the community.

Favorite thing about your job:

The best part about working at CCPHD is the amazing staff I get to work with each day. With Covid, the last couple of years have been quite challenging. Without this great group of people, I am not sure what I would have done.

Favorite hobbies:

I love to travel, and spending time with my 2 grandsons, family and friends.
