

# EMPLOYEE OF THE MONTH

*Calhoun County encourages employee retention by promoting a culture of engagement through communication, appreciation and recognition.*

Please join us in congratulating **KIM MUGGIO** who has been recognized as Calhoun County's Employee of the Month for **SEPTEMBER!** Between June 21 and July 21, Kim conducted nine First Aid/AED/CPR training classes that resulted in the certification of thirty eight Floor Monitors, eight maintenance employees, and five members of the Sheriff's Office. The training covered the administration of First Aid and CPR as well as the proper deployment and use of AEDs (automated external defibrillators) for not only adults, but also for children and infants. The certification of staff members helps to ensure that when a medical emergency arises at a County facility we will be able to appropriately respond. Kim's willingness, enthusiasm, and knowledge reflect credit upon her and the high level of excellence that is a foundation of Calhoun County. Kim is a top notch public health nurse and such a valuable member of our team at CCPHD.
