

EMPLOYEE OF THE MONTH

Calhoun County encourages employee retention by promoting a culture of engagement through communication, appreciation and recognition.

Please join us in congratulating **ANGELA EASTERDAY** who has been recognized as Calhoun County's Employee of the Month for **AUGUST!** Angela, Assistant Public Defender II with the Public Defender's Office, is always there when needed and will always go above and beyond to help out. She is always in a great mood and the first to jump in and help when needed, even when it isn't her department. She truly makes working in our office a great place.

Number of Years at Calhoun County:

8 years and 7 months!!!

Why do you like working for Calhoun County?

I enjoy working at Calhoun County because even though you may work in one department, the ability to have interdepartmental cooperation is so high. You can build relationships and gain mentorships from people both within and outside your department. Within the past eight years, I've worked in the Prosecutor's Office and the Public Defender's Office and have been able to build relationships in so many of the other departments of the Courthouse and now, even outside the Courthouse. I'm so thankful for the family that Calhoun County provides.

Favorite thing about your job:

I find my job as an Assistant Public Defender rewarding most days. We never meet people on their best day, but by being able to address issues that people cannot address on their own or connecting them with services which they may not have had access to, I feel like my position and our office assists not just Defendants but the entire community.

Favorite hobbies:

When I'm not working, I love reading, spending time with my family and friends, musicals, traveling, or just heading out for a spontaneous adventure. You never know what a new day might bring!
