

EMPLOYEE OF THE MONTH

Calhoun County encourages employee retention by promoting a culture of engagement through communication, appreciation and recognition.

Please join us in congratulating **DANE KNIGHT** who has been recognized as Calhoun County's Employee of the Month for **JUNE!** Dane, Systems Administrator for the Information Technology department, just helped the Circuit and Probate Courts complete a large installation of court recording systems in 6 courtrooms and 4 hearing rooms. He had to learn the installation and troubleshoot almost daily from the end of January to April. He is always helpful, kind, and thinking of better ways to do things. The Courts now have a much better recording system and an automated backup to a local server. We could not have completed this project without Dane's knowledge and tremendous contribution to the installation.
