

EMPLOYEE OF THE MONTH

Calhoun County encourages employee retention by promoting a culture of engagement through communication, appreciation and recognition.

Please join us in congratulating **SARAH PARKER** who has been recognized as Calhoun County's Employee of the Month for **MARCH!** Sarah, Administrative Secretary with Circuit Court Administration, is an outstanding employee and makes a positive impact in Circuit Court Administration. She is a hard worker who always goes above and beyond to help everyone and keeps a smile on her face. She is a fantastic note-taker and whenever I needed a procedure documented I would ask Sarah to take notes. Working with Sarah over the years has been a pleasure. She has time for everyone who comes to her door and she works tirelessly to keep everything caught up and organized. There have been times when two phones are ringing, someone is at her door and I've asked her something and she rarely appears frazzled on the outside. She not only has been a great Administrative Secretary but has become a friend as well.

Sarah has worked with the Circuit Court for over 33 years and always goes above and beyond to make sure every project is taken care of and every person is taken care of, both employees and the public. She is asked to handle all kinds of problems, projects and people and does so very well. We love having her here and appreciate her dedication and experience.
