

EMPLOYEE OF THE MONTH

Calhoun County encourages employee retention by promoting a culture of engagement through communication, appreciation and recognition.

Please join us in congratulating **SHERRI MASON** who has been recognized as Calhoun County's Employee of the Month for **SEPTEMBER!** Sherri, Operations Manager, has achieved almost 35 years of distinguished service with the County. She gives her best effort in everything she does for the County and the results speak for themselves. The County is blessed to have Sherri as an employee.

Sherri's communication, progress updates, logistical, and project management skills are truly exceptional! Usually, with the types of projects Sherri oversees, I add 3 months to any timeline I'm given, but through her expert planning and adaptability skills, projects are completed on time! The level of care she shows throughout the process makes me feel like mine is the only project Sherri is working on (even though I know that is far from true). Thank you for the opportunity to work alongside you!
