

EMPLOYEE OF THE MONTH

Calhoun County encourages employee retention by promoting a culture of engagement through communication, appreciation and recognition.

Please join us in congratulating **SHANNON WAGNER** who has been recognized as Calhoun County's Employee of the Month for **DECEMBER!** Shannon, Case Manager with District Court, has taken the lead in organizing information, site visits, statistics, and team members as we research the potential of a Domestic Violence Treatment Court for Calhoun County. Without prompting or asking, Shannon has been invaluable to me in every aspect of this goal. She is exemplary in her passion for the work of DV related cases and the potential we have for furthering the services aimed at changing assaultive behaviors. Shannon has also demonstrated a commitment to continued learning that furthers her expertise. As if this were not enough, I have only observed Shannon to be positive and pleasant toward everyone with whom she interacts.

Shannon has helped to lead the growth of the Domestic Violence Intervention Court throughout 2020. She solely oversees each of the more than 70 participants. DVIC has also graduated 9 individuals, male and female, under her supervision, since February 2020. Despite the staggering caseload she manages, Shannon continues to perform at an outstanding level of detail and thoroughness. The DVIC participants consistently give her great praise for the manner in which she goes above and beyond to help them. Shannon is an invaluable member of DVIC, District Court Probation, and Calhoun County.
