

EMPLOYEE OF THE MONTH

Calhoun County encourages employee retention by promoting a culture of engagement through communication, appreciation and recognition.

Please join us in congratulating **CASSANDRA DEMOND** who has been recognized as Calhoun County's Employee of the Month for **FEBRUARY!** Cassi, Deputy Court Clerk, has gone above and beyond for the Civil Department within District Court. Cassi has continued to keep up her own job responsibilities, as well as training newer employees, and monitoring others' duties as they have not been able to make it into the office. She is selflessly assisting the Civil Department. Her outstanding work ethic is really on display during this difficult time.

Number of Years at Calhoun County:

4 years & 4 months

Why do you like working for Calhoun County?

I enjoy working for the County because I have made several lifelong friends and I feel accomplished in the work I do. Also, the perks of being able to spend weekends and holidays with my daughter. This is the first job I have had that allows me to do those things.

Favorite thing about your job:

I enjoy learning and I feel like there is so much more this job can teach me. In 2020 alone, I feel like my knowledge base doubled and I had already worked there almost 4 years. My job has not been boring yet, not to mention there is always work to be done which makes my days fly by! I also have to say my friends again, they make work much more enjoyable!

Favorite hobbies:

My favorite hobbies are spending time with my daughter and family. I also enjoy reading (when I have the time).
