Why do you like working for Calhoun County?

Working for Calhoun County has been so rewarding for many reasons!

First of all, I love the collaborative environment. We all put in a great deal of effort to make Calhoun County a great place to live and it takes all of us.

Additionally, there is such a positive culture here, and to me, that is key to feeling motivated and inspired!

Lastly, the county has provided a healthy work-life balance for me. My supervisor and the administration at the 10th District Court trusts me to produce high-quality work and results, which keeps me engaged and excited to work even harder, especially during these challenging times. It feels good to be listened to and appreciated!

Favorite thing about your job:

There are many aspects of my job that I get to enjoy but I would have to say the best thing about my job would be that I get to help people. As a Judicial Enforcement Officer, I am able to offer positive assistance to the public in an atmosphere where it can be stressful and unfamiliar. All of us here at the courthouse and many other departments within the county, are acquainted with the array of emotions that can be involved with life's circumstances, both good and bad. Being in a position where I am able to assist in getting someone through a difficult situation has really made me more compassionate and understanding.

I would also like to add that my co-workers are also a favorite thing about my job. I work alongside some of the most hardworking and caring individuals. Without them, my days would not be the same!

Favorite hobbies:

I love spending time with my husband, my children (9 and 7 years old) and my family. We enjoy camping, traveling to off-road trails and parks with our camper and UTV, and just generally spending as much time as possible outdoors. I also love cooking, art, horses and gardening.
