

Scavenger Mystery Finders!!

This four week scavenger hunt might just be the good excuse you need to take breaks and lunches outside. The goal of this scavenger hunt is to make us move, get some fresh air, have fun and of course find specific items. This scavenger hunt can also be done after work with family members, friends or while walking the dog.

Every week you will be on the lookout for 10 items. Find all 10 items and your name will be entered for a chance to win gift cards. Find all forty items and your name will be entered for the grand prize and title of "Scavenger of the Year".

The list of items to find and pictures due date will be sent out via email and posted on the intranet every week. Just email me pictures of your findings at mstamand@calhouncountymi.gov

Participate in all four weeks and get a point on your Ticket to Fitness!!

The 10 items for week 1 will be emailed June 6. Stay tune!!
