Presentations

Settles presented on 2018 Environmental Health summer festivals. The presentation included:

- Summarized summer festivals and the increased tasks and sanitarian workload due to additional temporary food permits
- Summarized process and new facilitation structure along with developing opportunity for building relationships and reviewing layouts, facilities, etc.
- Presented current events including boil water advisory, small business development fund and potential increase in food facilities, MSU extension, and the 2019 Michigan Environmental Health Association (MEHA) conference

Financial Report

- Scott announced Michele Johnson's resignation.
- Watson presented the Financial Report.

- Medical Examiner will be allocated to 2610-Administration rather than allocating a portion to other programs such as Refugees
- Question was asked for clarification of Telemed and Medicaid insurance reimbursements which it was noted that they will be closely reviewed during FY19's budget process

Health Officer's Report

Pessell presented the Health Officer report. The report included:

- Manganese update
- PFAS investigation update
 - Sampling schools, potentially this week. Asked for delay to mid-summer for testing due to current other water-related issues
