

## Overall Budget Summary

July 19, 2021

The focus of this year's budget process was to conservatively estimate revenues while carefully evaluating the need for capital purchases/projects and adjusting salaries and benefits. We started the budget process in April by developing a budget calendar and distributing budget templates to the department heads for their use in submitting their budget requests. Department heads were given until May 14th to submit their requests to the Finance Department. Input was also gathered from outside sources such as MEAG and MGAG. The Finance Department compiled the requests. The City Manager and the Chief Financial Officer met with each department head to determine priorities for their respective departments. Then the City Manager worked with Finance to develop the budget document presented here. The City Manager provided guidance as to funding priorities in the various departmental and fund budgets.

### Revenues:

**SPLOST:** The budget proposes using a portion of the accumulated SPLOST funds as well as estimated current receipts to match a CDBG grant and LMIG paving funds as well fund a portion of the splash pad project. In addition, we are funding the purchase of vehicles and equipment for both the police department and public works. Several projects not expected to be completed by September 30 have been carried over.

**Grants:** The City has been approved for three grants for the upcoming fiscal year. The CHIP grant that was awarded in the current fiscal year is still in effect for the upcoming fiscal year. We have been approved for a \$750,000 CDBG grant for the sewer upgrades on West Circle. The matching funds for this grant are being funded using SPLOST funds and will be used to build sidewalks in conjunction with the sewer project. In addition, the City has received notification from the Georgia Department of Transportation of CARES Act Funding from the FAA for improvements to the Camilla-Mitchell County Airport. These projects are not anticipated to be completed by September 30 and are being carried over into the upcoming budget year.

**Loans:** The City has been approved for three GEFA loans for Water and Sewer System improvements. These loans total \$3,500,000 with \$1,690,000 in loan forgiveness. Two of the loans are zero interest loans for 20 years and one is 1.94% for 20 years.

Interfund transfers have been maintained at the same level as the previous year.

Estimates for SPLOST have been estimated based on the current and prior years' receipts. TSPLOST receipts, which are new this year, have been estimated based on the prior SPLOST history as well. Other changes to the General Fund revenues are not necessarily operational changes but attributable to changes in revenue estimates for property taxes, motor vehicle taxes/TAVT, and LMIG revenues. The proposed budget does not anticipate any changes in the millage rate for property taxes. The revenue estimates were revised based solely on trend data.

## Overall Budget Summary

### Expenses:

The City of Camilla operates a partially self-funded group health insurance plan. In prior years, the City has routinely set aside 100% of the actuarially expected claims to pay any actual claims incurred during the fiscal year. The result of this is a surplus in the Health Insurance Trust account. While it is prudent to continue to set aside funds for claims, we continue to believe that a lower funding rate is a better option at this point. Funding at a lower level will decrease the accumulation of funds but at the same time will allow those funds to be freed up for other City initiatives. The proposed budget maintains the budgeted funding rate at 75%. The goal is to set the funding rate once per year and reevaluate the claims fund annually during the budget process.

Funding for a Youth Leadership program has been included in the City Council's budget. Additionally, funding for the annual maintenance for the new website and for legal review and codification of updated ordinances have been added to the City Clerk's budget.

The proposed budget includes little change in the staffing levels throughout the city. Although the number of positions remains stable, some of the positions have been reallocated between various departments. The salary projections include a three (3) percent merit increase for city employees.

The Economic Development budget was separated from the Downtown Camilla (Main Street) budget.

### Capital Outlay

Proposed capital purchases for the General Fund include the following:

- Recreation Improvements - \$235,500
- WiFi Hotspot Expansion - \$15,000
- Vehicles & Equipment- Police - \$96,000

## Progress Summary for Strategic Planning Initiatives

	Project has been completed
	Project has been started and not completed or is ongoing.
	Project has not been started.

The purpose of this summary is to highlight the progress of initiatives funded in the FYE 2021 budget and to highlight specific budgeted items included in the FYE 2022 budget to continue the process. It is not intended to be an all inclusive list reporting on all of the Strategic Plan Initiatives.

### 1. Strengthen our Marketing and Communications Strategies to be transparent and beneficial for all.

#### Project

#### Develop a Communication Plan

Update Website      Completed

*The City has signed a contract with Revize Software to redesign the City of Camilla website. The new design should be visible prior to the beginning of the new fiscal year, October 1, 2020.*

Update Social Media      In progress/Ongoing

*The Mainstreet program, the Camilla Fire Department, the City Clerk and the Mayor have ramped up posts on social media in the past few months.*

Add Informational Documents to the website      In progress/Ongoing

*The City is currently maintaining the documents that exist on the City website. Once the new site is launched, the City will have more flexibility to add and remove items from the website.*

Consider using FB Ads to Boost Posts, Amplifying Message      In progress/Ongoing

*The City currently uses a limited amount of targeted advertising on Facebook. We will be looking at additional targeted advertising in the upcoming budget year.*

Determine how to capture Emails for communicating with customers (NO. 1 way to contact based on Survey)

*As part of the rollout of the utility billing system, we are incorporating processes to request and record email addresses of our customers for the purpose of communicating with them concerning their account and for the purposes of communicating city event information.*

Consider using FB Ads to Boost Posts, Amplifying Message

*The City began using FB ads to amplify its message with respect to city events last fall. The current budget*

#### Develop a Marketing Plan

Develop Videos for the website

*Several videos have already been developed and placed on the city's redesigned website. The city has purchased video equipment to facilitate the in house creation of this content.*

Review Current Brand

*The city will continue to brand around the Growing Toward Tomorrow logo and city seal. The city became a Purple Heart City this past year as well.*

#### Citizens Academy Plan

Develop a Citizens Academy Curriculum

*The Mayor has begun development of the curriculum but the launch of the Citizen's Academy was delayed by the Covid 19 shutdown.*
