

**MINUTES – REGULAR MEETING  
CITY OF CAMILLA, GEORGIA  
NOVEMBER 8, 2021**

The regular meeting of the Mayor and City Council of the City of Camilla was called to order at 6:30 p.m. on Monday, November 8, 2021 by Mayor Owens.

Roll call indicated the following present: Councilman Campbell, Councilwoman Willingham, Councilman Morgan, Councilman Twitty, Councilman Pollard, and Councilman Palmer.

City Manager Steve Sykes, City Attorney Tommy Coleman, and City Clerk Cheryl Ford were also present.

**OPENING PRAYER AND PLEDGE**

Councilman Pollard gave the invocation and the Mayor and Council led the Pledge of Allegiance to the Flag.

**CITIZENS AND GUESTS**

Sign-in Sheet Attached.

**APPROVAL OF AGENDA**

On motion by Councilman Pollard, seconded by Councilman Morgan, the November 8, 2021 agenda was approved as presented by a unanimous vote.

**APPROVAL OF MINUTES**

On motion by Councilman Campbell, seconded by Councilwoman Willingham, the minutes from the October 11, 2021 City Council Meeting were approved as presented by a unanimous vote.

**SPEAKER APPEARANCES**

Mayor Owens stated Mr. Eddie C. Toombs and Bonnie Odoms are scheduled as agenda item speakers. Ms. Bonnie Toombs Odoms introduced herself and stated Eddie C. Toombs is her brother. Their concern is in reference to Oakview Circle. It is located at Peachtree Street going north in the curve and if you turn left their residence is the black and white house in the middle of two other houses. With reference to resurfacing, since 2020 she has called several times and talked to Tammy, Carla, Cheryl, and Councilman Pollard about resurfacing. She cannot remember the last time the street was resurfaced but the house was built in 1968 and resurfaced maybe one time. The last time it was resurfaced it was in the very center of the street and gravel placed on the sides of the street, causing a problem with gravel getting stuck in the car tires and they would like for the street to be repaved. When it rains water runs into the yard. The house has a lower level on the ground and on the lower level is a garage, den, and bedroom. Water runs into the garage and they have to sweep it out. Water also settles in the yard and two times vehicles have gotten stuck in the yard and had to be towed out. She commented they would like for the items to be addressed and are good law abiding citizens, pay their taxes and keep their neighborhood clean and they hope the Council can do something. Mayor Owens and Councilman Pollard thanked Ms. Odoms for being present tonight.

## **ACTION ITEMS**

### **2022 ALCOHOL RENEWALS – BEER/WINE/LIQUOR POURING**

The Council reviewed a list of applicants for calendar year 2022 for on-premises and off-premises alcohol license renewals (beer/wine/liquor pouring). Police Chief Hendricks performed background checks as required and approved the applications as presented. The Council recommends approval of the list of 2022 applicants for beer/wine/liquor pouring license renewals.

On motion by Councilman Campbell and seconded by Councilman Pollard, the motion to approve the list of alcohol license renewals for 2022 passed by a unanimous vote.

### **ORDINANCE NO. 2021-11-8-1 – FOUR-WAY STOP SIGN AT ELLIS STREET/ BEACON STREET**

The Council reviewed Ordinance No. 2021-11-8-1 authorizing the placement of a four-way STOP sign at the intersection of Ellis Street at Beacon Street. A traffic study investigation based on traffic volume, traffic speed and roadway geometrics was conducted and results warranted installation of a traffic device. The Council recommends adoption of the Ordinance, to waive the second reading, and authorization for the Mayor to sign.

On motion by Councilman Campbell, seconded by Councilman Pollard, the motion to adopt Ordinance 2021-11-8-1, waive the second reading, and authorize the Mayor to sign passed by a unanimous vote.

### **2022 LOCAL MAINTENANCE IMPROVEMENT GRANT AND TRANSPORTATION SPECIAL PURPOSE LOCAL OPTION SALES TAX PAVING PROJECTS**

The Council reviewed the 2022 Local Maintenance Improvement Grant (LMIG) and Transportation Special Purpose Local Option Sales Tax (TSPLOST) street paving project lists. Recommended LMIG streets for paving include N. Harney Street and S. Underwood Street. Recommended TSPLOST streets include Cedar Lane, North Butler, Perry Street, Lincoln Street, Azalea Drive, Barrow Street, and Thomas Avenue. The Council recommends approval of the two paving projects and streets as presented and authorizes the Mayor to execute the Local Government Affidavit and Certification for the City's Fiscal Year 2022 LMIG application.

A motion was made by Councilman Campbell and seconded by Councilwoman Willingham. Councilman Twitty asked for a brief explanation from the City Manager. City Manager Sykes stated the approval of the list tonight allows them to prepare construction plans, bid documents and advertise for 30 days both on the State Registry and local newspaper. Anticipation is bids will be opened in the early part of 2022 and improvements will begin in April. This is the first of two projects planned for 2022 and the second project is using both TSPLOST and SPLOST funds and anticipated for October. Councilman Morgan commented he was sure they have seen the passing of the large infrastructure bill and asked if any communication had come down when the funds would be received. He further commented we have large plans on doing more resurfacing. City Manager Sykes stated nothing official and just a lot of speculation you would

## **2022 LOCAL MAINTENANCE IMPROVEMENT GRANT AND TRANSPORTATION SPECIAL PURPOSE LOCAL OPTION SALES TAX PAVING PROJECTS (cont.)**

see around the excitement of a lot of money coming toward local government. Through GMA and our Public Works Associations they will stay on top on any announcements made. As soon as funds are identified and released he will bring back to Council. They may receive information from other sources they get and they can discuss how to best identify and utilize those funds. The motion to approve the paving projects and streets as presented and authorize the Mayor to execute the Local Government Affidavit and Certification for the City's Fiscal Year 2022 LMIG application passed by a unanimous vote.

## **RESOLUTION NO. 2021-11-8-1 – CERTIFIED CITY OF ETHICS RECERTIFICATION**

The Council reviewed Resolution No. 2021-11-8-1 expressing the City's desire to recertify as a Certified City of Ethics under the Georgia Municipal Association's program. The Resolution includes the following ethics principles and pledges the Council, as a group and as individuals, subscribes to in conducting its affairs: serve others, not ourselves; use resources with efficiency and economy; treat all people fairly; use the power of our position for the well-being of our constituents; and create an environment of honesty, openness and integrity. The Council recommends approval of the Resolution and authorizes the Mayor to sign.

On motion by Councilman Campbell, seconded by Councilman Pollard, the motion to approve Resolution No. 2021-11-8-1 and authorization for the Mayor to sign passed by a unanimous vote.

## **CITY COUNCIL CHAMBER RENOVATIONS BUDGET APPROVAL**

City Manager Sykes provided a report on a proposed interior renovation project for the Council Chamber located on the first floor of City Hall. The project includes installation of a new Council table, glass top, plank flooring, picture molding, window shutters, wiring/microphones/sound/electrical, extension of Council area platform, and painting of walls and trim. The preliminary estimated total for the project is \$21,300. The Council recommends approval of the project with a budget to not exceed \$25,000.

A motion by Councilman Campbell and seconded by Councilman Pollard. City Manager Sykes commented the Mayor asked about monitors earlier and with Councilmembers sitting further apart there will not be the ability to share monitors. They would like to come back after the project is finished and spec and bid out a monitor AV system that will allow each councilmember a monitor. His plan is to present the information they currently have in front of them [agenda packet] on the monitor. PowerPoint presentations will be also be presented on the monitors. The monitors are not included in the budget and will be brought back as a separate item. Councilman Campbell asked if anything will be done with the pulldown screen and City Manager Sykes stated we could and will look at that. An option is it could be replaced with a large flat screen monitor. Mayor Owens stated the reason he asked the question related to the monitors is the pulldown screen. If they are sitting at the Council table they all have the ability to see the same thing in real time. Once they get the other items in place, with the budget at \$25,000 in conjunction with these items, if there is money left he could get the monitors at the same time.

### **CITY COUNCIL CHAMBER RENOVATIONS BUDGET APPROVAL (cont.)**

City Manager Sykes stated he believes funds will be available in the current budget for this. The motion to approve the Council Chamber renovation project with a budget not to exceed \$25,000 passed by a unanimous vote.

### **ORDINANCE NO. 2021-12-13-1 – NAME SELECTION FOR SPLASH PARK**

The Council discussed the name of the new splash park located on Oakland Avenue and scheduled for completion in December 2021. The City currently does not have a policy to govern the naming of parks. At the completion of the Committee Meeting discussion on November 1, 2021, the park name offered for consideration in ordinance form will be Camilla Splash Park with first reading tonight. A 30-day period will be made available for community feedback on the proposed name. After reviewing and discussing the feedback, Ordinance No. 2021-12-13-1 will be considered for adoption on second reading at the December 13, 2021 council meeting. Mayor Owens read the Ordinance for the record and commented as the Ordinance signifies, for the next 30 days the public can feel free to reach out and have their thoughts known on the name for the splash park.

### **CITY MANAGER'S REPORT**

City Manager Sykes stated he would highlight items in his report: the splash park is near completion and the building completed with the parking lot under construction. Once the parking lot is complete, the landscaping and fencing will begin. Toombs Park playground equipment is ordered and being manufactured. He has a preliminary plan where to place the equipment and plans to bring to the December Committee Meeting for their thoughts. He wants to fence in the playground area for the children's safety. Part of the Toombs Park installation was public Wi-Fi and as the splash park on Oakland nears completion they will begin the design and installation of a Wi-Fi system. The TSPLOST paving and sidewalk bids were received and awarded last month, they had a pre-construction meeting with the contractor and are preparing to resurface streets previously approved. The two locations for gateway signs are both on Highway 19, one coming in from Albany and one from Thomasville. For the Albany parcel we have an agreement with the property owner and he has put in his hand a quitclaim deed which will deed the property to us and construction easements allowing us to clear in front of the sign so it is fully visible. For the sign to the south he has a verbal agreement and our attorney is working with the Catholic Church. Once they have both signed quitclaim deeds the City will own the properties. He is collecting bid information to build the signs and will bring to Council for approval. Councilman Pollard asked about the sign near the church and City Manager Sykes stated the location is where MacArthur takes off at an angle to the right and the triangle property. The property is located there and owned by the Catholic Church. Councilman Campbell stated the COVID update looks good and City Manager Sykes stated the new numbers look good with no new positive cases, hospitalizations or deaths.

### **MAYOR'S COMMENTS**

Mayor Owens stated he wanted to acknowledge Veterans Day, which is later this week. As they approach Veterans Day they honor those who served and continue to serve our country and thank them. On behalf of the City Council and the citizens of Camilla they express their gratitude for the sacrifices they, and their families, make and have made in combat and in peace. As elected

**MAYOR'S COMMENTS (cont.)**

officials celebrating Veterans Day, service members teach them how to explore ways to find commonality and work as a team, transcending politics and recognizing there is strength in unity, even when they disagree. On Veterans Day they not only honor service members but also what they represent. On Veterans Day and beyond we can all practice empathy, unselfishness, courage, honor and commitment. May God bless our veterans and continue to bless our beautiful city.

**ADJOURNMENT**

On motion by Councilman Pollard, seconded by Councilman Twitty, the meeting adjourned at 6:57 p.m.

I, KELVIN M. OWENS (Name), the MAYOR (Title), on behalf of CITY OF CAMILLA (Local Government), who being duly sworn do swear that the information given herein is true to the best of his/her knowledge and belief. Local Government swears and certifies that it has read and understands the LMIG General Guidelines and Rules and that it has complied with and will comply with the same.

Local government further swears and certifies that it has read and understands the regulations for the Georgia Planning Act of 1989 (O.C.G.A. § 45-12-200, et seq.), Service Delivery Strategy Act (O.C.G.A. § 36-70-20, et seq.), and the Local Government Budgets and Audits Act (O.C.G.A. 36-81-7 et seq.) and will comply in full with said provisions. Local government further swears and certifies that the roads or sections of roads described and shown on the local government's Project List are dedicated public roads and are part of the Public Road System in said county/city. Local government further swears and certifies that it complied with federal and/or state environmental protection laws and at the completion of the project(s), it met the match requirements as stated in the Transportation Investment ACT (TIA).

Further, the local government shall be responsible for any claim, damage, loss or expense that is attributable to negligent acts, errors, or omissions related to the designs, drawings, specifications, work and other services furnished by or on behalf of the local government pursuant to this Application ("Loss"). To the extent provided by law, the local government further agrees to hold harmless and indemnify the DEPARTMENT and the State of Georgia from all suits or claims that may arise from said Loss.

If the local government fails to comply with these General Guidelines and Rules, or fails to comply with its Application and Certification, or fails to cooperate with the auditor(s) or fails to maintain and retain sufficient records, the DEPARTMENT may, at its discretion, prohibit the local government from participating in the LMIG program in the future and may pursue any available legal remedy to obtain reimbursement of the LMIG funds. Furthermore, if in the estimation of the DEPARTMENT, a roadway or bridge shows evidence of failure(s) due to poor workmanship, the use of substandard materials, or the failure to follow the required design and construction guidelines as set forth herein, the Department may pursue any available legal remedy to obtain reimbursement of the allocated LMIG funds or prohibit local government from participating in the LMIG program until such time as corrections are made to address the deficiencies or reimbursement is made. All projects identified on the Project list shall be constructed in accordance with the Department's Standard Specifications of Transportation Systems (Current Edition), Supplemental Specifications (Current Edition), and Special Provisions.
