CT Bus is a fixed route service that runs on designated bus stops and times. The bus operates on a set route throughout Carbon County and provides connections to LANtaBus. Schedules for each route are available digitally or printed. Carbon Transit now has connections to LANtaBus in Palmerton. Please see LANtaBus.com for scheduled times.

### How to read this schedule:

Determine the time points closest to where you want to depart and arrive from the list of stops on the left. If your departure stop is above your arrive stop on the list, find your time points on the other list to ensure you're traveling in the right direction. Read across from your departure stop to find your departure time. From your departure time, read down to find the arrival time at your arrival time point. A route map is provided to help you relate to the time points shown. Please plan to arrive at your bus stop 3-5 minutes prior to scheduled time to ensure you catch your intended bus. Arrival times can vary due to variations in traffic conditions.
