RE: Pre-Application Instructions

Enclosed is your Home Rehabilitation Form. Please fill in all information that is requested. **(Incomplete Applications will be rejected!)**

Please return the Pre-Application in the self-addressed stamped envelope provided for your convenience. **Please make sure that the name of your municipality is written on the Pre-Application form.**

Upon receipt of your pre-application, **we will add your name to the waiting list.** If you have any questions, feel free to contact our office at (570) 325-3671 between the hours of 8:30 a.m. and 4:30 p.m.

Please be aware that we have over 200 applications on file and it may be years before we can undertake your project. This program benefits low to moderate income people. Also, please note we cannot proceed with work on a mobile home not on a permanent foundation.

In the interim, there are (1%) very-low interest loans available through the USDA-Rural Development for home repairs to those qualifying. I have enclosed an information sheet for your reference. Should you consider this alternative, please contact the Lehigh Area Office at 484-795-7614. Also, if you have not done so, please contact Carbon County Weatherization at 610-377-6400. Additional assistance information is enclosed as well.
