I. Review minutes for March 12, 2024 and December 5, 2023 meetings

- Motion to approve by Josue, seconded by Arianna

II. Call to order/roll call

- Called to order at 6:20pm

III. Center for Teen Empowerment debrief and next steps

- Meeting attendees appreciated the organization's message and felt it was one of the CYC's most engaging meetings. Attendees hoped the meeting would help the commission construct and organize future ideas. CYC members agreed that the meeting with the Center for Teen Empowerment was a great team-building exercise and would like to do something similar at the start of the new cycle.
- Attendees discussed plans to work with other organizations on bigger projects to help the community, such as a food drive. Arianna agreed to create a poster for an upcoming food drive and Josue and Daniel planned to promote the food drive at school.

IV. Recruitment plans

- Attendees suggested Abby and Alex search for new CYC recruits at the Chelsea High Research Festival. Members received posters to pass out to interested youth.
- Josue and Daniel suggested making an overhead announcement about CYC recruitment at Chelsea High.

V. Announcements

- Members felt that a two-meeting-per-month schedule better fit the goals of the CYC, rather than the current strategy of attending one CYC meeting and a second public meeting for another board/commission each month.

- Members discussed their availability for attending the Center for Teen Empowerment's Peace Conference.

VI. Adjournment

- Motion to adjourn made by Yurie, seconded by Josue. Meeting adjourned at 6:51pm
