### **Statement to Media on President's Executive Order on Sanctuary Cities**

The decision by the President will have no impact on the City's treatment of nor policy toward immigrants in Chelsea, documented or undocumented. All will continue to be treated with dignity and respect. While we are disappointed in the actions of the President, particularly if they cost us the loss of federal funds, our core values are not for sale. We will not change our policies. Working closely with the City Council, we will find a way to make up for any loss of federal dollars.
