Eye exams offered by DPA/DTA or DEA-certified optometrists and ophthalmologists. All certifications are verified by an NCOA-accredited credentials verification organization.

# We have the network for every pair of eyes

Whatever life sends your way, our vision network  
has solutions to help you see it to the fullest

"It's hard for me to get away  
during the workday."

To fit your busy schedule, many  
eye doctors in our network have  
weekend and evening hours.

"No thanks, I see perfectly fine."

An eye exam can help spot vision and  
health problems you may not know about.  
That's why you can get an eye exam with  
\$0 copay at PLUS Providers – so you can use  
your vision benefits to help you stay healthy.

"I wear contacts, my wife  
wants to get LASIK, and 2  
of our kids need glasses."

Our network has a wide variety  
of independent and retail providers,  
so everyone in your family can see  
the doctor they want.

"I'm in an airplane at  
30,000 feet and can't get  
to the eyeglasses store."

You can shop for eyewear online and  
use your in-network benefits—just like  
you would at the store.\* You can even  
use your additional frame allowance at  
these participating PLUS Providers.\*

\*At participating, in-network retailers
