CHEMUNG COUNTY NURSING FACILITY CAREERS

Start Your New Year with a New Career!

Chemung County Nursing Facility wants you to consider working in Long Term Care

Elmira, NY— Next week, Chemung County Nursing Facility will be hosting a couple of open houses. Scheduled for **Monday, January 27, 2020 from 2:00 PM to 6:00 PM and Thursday, January 30, 2020 from 7:00 AM to 11:00 AM at CCNF located at 103 Washington Street, Elmira NY**, these events are an opportunity to learn more about what Certified Nursing Assistants do, and provide on the spot interviews. Every year, Chemung County Nursing Facility hires and sponsors dozens of people to become certified as Nurse Aides, an entry level position, for those at least 18 years of age, which requires no specific level of schooling or experience.

Certified Nurse Aides are critical members to the long term care team. CNAs provide daily care to residents including: routine hygienic care, assistance in feeding, toileting, ambulating and transfers, they report resident condition, behavior and emotional state to the nurses. They provide emotional support, a listening ear, encouragement, a hand to hold, and a smiling face to those living in the facility.

Chemung County Nursing Facility is looking for dependable, compassionate people, who would like a chance to develop lasting relationships with residents and begin their career in nursing. Learn more about this great entry level position, and RSVP to the

Open House via e-mail mfretto@chemungcountyny.gov [or by phone 607-737-2077](tel:607-737-2077). Drop-ins are welcome.
