Elmira, NY— The safety and health of our youth, families and youth serving professionals is always our first priority. In light of information related to the evolving COVID-19 situation and growing school and community concerns, we have made the difficult decision to cancel the Chemung County Youth Bureaus’ Learn & Earn and Super Saturday Programs until further notice.

We apologize for any inconvenience and appreciate your understanding in this matter.

For questions or information on any Chemung County Youth Bureau programs please contact the Youth Bureau at 737-2907
