

CITRUS COUNTY CITIZEN PARTICIPATION PLAN

In order to provide citizens with information concerning the Community Development Block Grant (CDBG) program, Citrus County will take the following actions:

- a.** Make available to the public, in a reasonable and timely manner; information concerning the amount of funds available for various activities and the range of activities that may be undertaken.
- b.** Provide citizens with adequate notice of public hearings; which are to be held at times and locations convenient to potential or actual beneficiaries, and with accommodations for the handicapped. If a significant number of non-English speaking residents could reasonably be expected to attend a public hearing, an interpreter will be provided for the language expected to be represented.
- c.** If any party representing low to moderate income persons requests assistance for developing a proposal for the CDBG, the governing body shall determine the eligibility of the proposed activity. If such activity is eligible for funding, the party's ideas will be discussed at the First Public Hearing in the CDBG application or amendment stage. Information available from the state regarding the application process will be provided to interested parties.
- d.** Hold at least one Public Hearing to obtain the views of citizens on community development needs.
- e.** A citizen advisory task force (CATF) is established (composed of citizens within the jurisdiction) to provide input relative to all phases of the project process. Residents of low and moderate income neighborhoods shall be included in this task force. The task force members are appointed by the governing body before the Second Public Hearing on the project. Members may be reappointed as a standing committee.
- f.** Develop and publish a summary of the proposed application that will provide citizens with an opportunity to examine its contents and submit their comments.
- g.** Consider any comments and views expressed by citizens on the proposed application and, if appropriate; modify the proposed application.
- h.** Hold at least one Public Hearing to obtain the views of citizens on the final application prior to its submission to the department.

- i. Hold at least one Public Hearing during the grant implementation process to review the program performance. This may be combined with the Public Hearing on amendments, if any such hearings are required.

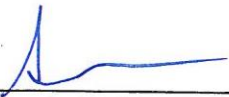

The following Complaint/Grievance Procedure will be followed for the CDBG program:

- a. Complaints or grievances may be filed by local citizens, property or business owners, or their representatives, on the basis of their belief that the CDBG program design or implementation is inappropriate or illegal based upon such factors as environmental considerations or civil rights.
- b. Complaints shall be issued in writing to the Chairman of the Board of County Commissioners within 30 days of the perceived problem and delivered or mailed to 3600 W. Sovereign Path, Lecanto, Florida 34461.
- c. The County shall investigate the complaint/grievance and respond in writing within 15 days, although a conclusion of the matter may take more than 15 days.
- d. The investigation may be performed by local officials, staff, consultants, the citizen advisory task force, or others as determined appropriate by the County.
- e. If the party filing the complaint or grievance is not satisfied with the response, they may appeal to the Florida Department of Economic Opportunity (DEO).
- f. Nothing in this policy shall prohibit a person from filing a complaint with HUD or any regulatory agency or court. Housing discrimination complaints may be filed directly by calling the discrimination hotlines.
