CITRUS COUNTY
APPLICATION FOR STORMWATER UTILITY MITIGATION CREDIT

APPLICATION CHECKLIST

Completed application forms must be submitted prior to **May 1st** of each tax year to be eligible for mitigation credits in the following year. The subject stormwater management system must be in compliance with all applicable permits to be considered. The County reserves the right to request additional information within **15 days** of application submittal.

Please call (352) 527-5373 with questions

PLEASE INCLUDE ALL OF THE FOLLOWING ATTACHMENTS TO THIS APPLICATION:

- Applicant and Property Information (Page 1 of 3 of this document)
- Site survey or site plan with a signed and sealed statement by a qualified Florida licensed professional engineer asserting that the plan is reflective of current site conditions. The survey or site plan must depict stormwater storage volume and stormwater outfall system (if applicable).
- Detention System in open basin - Demonstration that stormwater discharge rate (peak flow) from the on-site detention system is less than or equal to the pre-development rate (peak flow) for the **25-year, 24-hour storm event** as required by the Southwest Florida Water Management District (SWFWMD). Certification with calculations must be signed and sealed by a qualified Florida licensed professional engineer.

OR

- Retention System in closed basin - Demonstration that the required stormwater runoff volume is retained within the on-site retention system for the **100-year, 24-hour storm event** as required by the Southwest Florida Water Management District (SWFWMD). Certification with calculations must be signed and sealed by a qualified Florida licensed professional engineer.
- Proof of current compliance with the Southwest Florida Water Management District permit requirements and certification of proper operation and maintenance of the facility.
- List of all parcels or a map applying for mitigation credit, if applicable.
- Signed Certification Statement (Page 3 of 3 of this document)

Note for renewals: Signed and sealed site survey/plan and calculations are only required for the initial application, all forms and other attachments are required for renewals.

APPLICATION FOR STORMWATER UTILITY MITIGATION CREDIT**

CERTIFICATION STATEMENTS

SIGN BELOW CERTIFYING THAT YOU HAVE READ THE FOLLOWING STATEMENTS AND UNDERSTAND EACH ONE:

- The information in this application is truthful and accurate.
- The credited stormwater management system will stay in compliance with its site plan and permit requirements.
- I hereby grant Citrus County staff access to the property referenced in this document to inspect the facility or facilities proposed for a mitigation credit.
- I will notify the Citrus County should any destruction or damage occur to the facility referenced in this mitigation credit application that prevents it from performing as credited.
- The credited stormwater management system complies with and is maintained in accordance with all permit and site plan requirements.
