Application for Pre-Final Electrical Service

(Limited to 90 days)

Property Information:

Site Address: _____
Number Street City Zip

Property Identification # _____ Alt. Key # _____

Project Information: Residential Commercial Permit # _____

Describe Project Scope of Work:

In accordance with the provisions of the Citrus County Code of Ordinances, Part II, Chapter 18, Section 18-5, we hereby apply for temporary power for the above referenced building permit for a maximum of 90 days, commencing on connection of service by the power company. We will notify the Building Division on the date of connection and will request to the power company for power disconnection at the end of the 90 day period. We agree to comply with all provision of County Building Ordinance and the National Electrical Code.

We, the contractor and the property owner, assume all responsibility and liability for all damages resulting from this temporary connection of, and subsequent disconnection of electrical service; and relieve Citrus County and their lawful agents of any responsibility or liability as a result of the same. Furthermore, we understand that the building is not to be occupied until the issuance of a certificate of occupancy by the Citrus County Building Division.
