OPERATIONS OF GOLF CARTS ORDINANCES

Sec. 28-20. Operation of golf carts.

(a) It shall be unlawful for a person to operate a golf cart upon the streets of the city unless:

(1) Such golf cart is being operated in a safe manner; and the operator of the golf cart holds a valid driver's license; or

(2) The person operating the golf cart is accompanied by an adult holding a valid driver's license.

(3) The conditions exist that meet the combined situation of:

a. Operator is an unlicensed person operating the golf cart during daylight hours;

b. Operator is accompanied by a front seat passenger consisting of an adult 21 years or older; and

c. Meeting a further condition that such qualified adult holds a valid driver's license.

For purposes of this restriction, the term "during daylight hours" is defined as the above operation having wholly occurred within the interval between the time corresponding to 30 minutes before sunrise and the time corresponding to 30 minutes after sunset, local time.

(b) The term "safe manner" means the operation of the golf cart is done in a manner so as to not violate the prohibitions of Rules of the Road contained in V.T.C.A., Transportation Code chs. 541 through 600, save and except those sections that require the installation of safety equipment required for automobiles and other licensed vehicles, save and except golf cart lighting requirements as defined in subsection (c)(2) of this section.

(c) Additional requirements and restrictions shall be in force as follows:

(1) All privately owned golf carts, which operate on streets within the city, are required to display a reflective and numbered decal that shall be affixed to the front and rear of the vehicle, and furthermore, owners are required to affix decals in conspicuous locations which are visible to an observer observing from the front and from the rear of the cart. The decals (2) shall be issued by the city, and affixed by the cart owner to allow unique owner identification of the golf cart when being operated on the streets of Meadowlakes. The effective date of enforcement of this requirement is April 15, 2010, after which time a person commits an offense if the person operates a golf cart on streets within the city without such city-issued decals so affixed. Ownership transfer of carts with existing city-issued decals requires that the new owner register with the city within 30 days of transfer. The city shall design the decal such that persons with normal vision can decipher decal-assigned numbers at a minimum distance of 50 feet during daylight hours.

(2) Golf carts are prohibited from operating during nighttime hours (nighttime hours as hereby defined includes operating within any portion of the time interval commencing 30 minutes after sundown and ending 30 minutes before sunrise, local time), unless the golf cart has in use fully operational golf cart manufacturer's equipped headlamps, tail lamps and brake lamps (or aftermarket lamps of equivalent illumination and functional performance).

(3) Additionally, any nighttime operator of golf carts on streets within the city shall be required to possess a valid driver's license.

(4) Cart shall be configured such that manufacture's standard seating provisions are provided for all intended passengers and when in use, all passengers shall remain continually seated on standard provisioned seats anytime cart is underway.

City of Meadowlakes

Property Owners Association

Dear New Resident:

The Meadowlakes Property Owners Association (POA) is a nonprofit corporation incorporated in the State of Texas. The purpose of the Association is to maintain and, where possible, enhance the aesthetic, economic, and social values of the community.

The seven members Board of Directors conduct the business of the association. The POA Annual Meeting is held at 10:00am on the second Saturday of October at which time Directors who serve staggered terms are elected. Officers of the Board are elected by the Directors immediately following the Annual Meeting.

The approximately eleven miles of streets within the City of Meadowlakes are owned and maintained by the POA. The POA operates a staffed security gate, which provides the community with controlled access 24 hours a day. Residents are issued identification decals for their windshields which allow them to proceed slowly through the gate area.

Non-resident visitors and commercial vehicles are required to stop at the gate, state their destination within the subdivision and sign a register to obtain a visitor's pass. Non-resident vehicles are not permitted to enter the gate after 9:00pm unless the gate has been notified of their arrival, or telephone approval has been given.

Appearance of the community is maintained by the Architectural Control Committee and the landscape maintenance crew. To maintain a tidy appearance, vacant lots are mowed and broken branches are removed from empty lots. Vacant lots are not to be used by residents to dispose of trash, broken tree limbs, or incidental pruning debris.

The POA maintains a covered park area featuring a boat launching ramp, fishing, boat dock, and covered picnic tables as well as a separate children's park. Property owners may request use of the picnic area for private gatherings. Please register with the Association Secretary in order to use the facility for private gatherings.

The above facilities and functions are financed by an annual assessment, determined by the Board of Directors.

POA maintains a 98 space storage area for resident's recreational vehicles. There is a nominal charge for using this area, which is normally full to capacity. Please contact the Meadowlakes POA RV Storage Coordinator, Jim Fowler, at 512-589-3964 for placement on the waiting list.

We sincerely hope that your stay in Meadowlakes is pleasant and prosperous.
