

Foods will add approximately 10% to the total number of devices (60) to the Weights & Measures program. Currently Drew is working on scanning systems (12 establishment inspections in the last 30 days).

Todd Drew attended a 2.5 day Foodborne Illness training put on by the FDA in Green Bay WI. **Public Health Department:** **The Communicable Disease Reports:** were reviewed by the Board. The Board reviewed monthly and year-to-date Communicable Disease reports. Nancy McKenney reported that chlamydia and gonorrhea cases have increased in 2016 in comparison to 2015. Adjacent communities have had cases of pertussis.

Nancy McKenney updated the Board on the Elizabethkingia Infection.

School Health: Given the incidence of pertussis in adjacent communities, the Menasha Health Department sent letters and information about pertussis to parents in the Menasha Joint School District and parochial schools. School absences remain low.

School Vision Screening: Candyce Rusin moved that the vision screening in the schools be conducted by the Appleton Lions Club, seconded by Diane Hotynski. Motion passed. It was noted that the school nurses would coordinate follow-up with parents after the screening was completed.

Menasha Health Department is in the process of setting up CPR and First Aid classes for the Menasha Joint School District and City of Menasha staff.

Health Screening 60+ Program: Vicki Schultz offered a wellness screening on May 17. Vicki offers monthly foot care at the Menasha Senior Center. Loretta Kjemhus did a dental talk at the Menasha Senior Center on May 17.

Prevention Program: The Prevention Program is in the process of planning the 2nd Annual Corny Community Walk which will be held August 11, 2016. The Menasha Health Department will be partnering with many local businesses, the Parks and Recreation Department, Neenah-Menasha Fire Department and the Menasha Police Department for this event.

Radon: No Report

School Health Aides: No report

Dental Program: Loretta Kjemhus reported that the second fluoride varnishes for 2016 are in the process of being completed at all the elementary schools in Menasha. Loretta attended a Community Dental Outreach on April 14th 2016, there were 300 participants. There will be 2 more events this summer in August.

Dental Sealant Program: Claire Opsteen is in the process of completing dental sealants and fluoride varnish placements for Maplewood and the elementary schools in Menasha. She will begin working on the Oral Health for Children and Youth with Special Health Care Needs program this spring.

Lead Prevention Program: Todd Drew reported on a lead case he and Liz Rosin provided follow up on. They provided education and a home visit to find possible sources of lead. The MHD is collaborating on lead information with Tim Gosz, Supervisor, Water Plant .

Immunization: The Health Department was able to secure additional funding for adult immunization. The objective for the Menasha Health Department is to increase adult Tdap vaccination from May 2016-May 2017.

Emergency Preparedness: Fatality Management Plan is scheduled for summer. Mass Clinic Review & Walk Thru scheduled at UW-Fox Valley on 6/6/2016.
