RE: Annual Report and Police Week Recognition Awards

During National Police Week we take the time to reflect upon the past year. As part of the events during the week we recognize officers and community members for their actions. The following awards were given:

**HONORARY OFFICER AWARD**

This award was presented to Kyla Barge a student at Maplewood Middle School. Based upon Kyla's upbringing she had a fear and mistrust of police officers. Through working with Officer Cook, she developed an appreciation and admiration for what law enforcement does for the community and has become an advocate for work the police do.

**TEAMWORK**

Officer Thorn, Officer Swenson and Officer Gallagher: The officers utilized a moving roadblock technique to successfully end a pursuit without injuries or damage. They were attempting to stop the vehicle after several 911 calls of the driver almost crashing into other vehicles, going through traffic signals and driving on the wrong side of the road.

Officer Groeschel and Lt. Hanchek: These officers took the idea of a Peer Support Program from concept to becoming operational. This group provides a support network for law enforcement employees and their families in Winnebago County.

**INDIVIDUAL ACCOMPLISHMENT**

Officer Schramper has been working on a Law Enforcement Memorial license plate for the past 5 ½ years. He attended several meetings in Madison and spent countless hours on the phone and sending emails to make this a reality. The plate is now a reality based upon all of his hard work and dedication.

**SERVICE AWARDS**

Mark Mauthe – 27 Years\* Missed getting the award in 2013

Jim Verkuilen – 25 Years

Ann Gollner – 20 Years

Amy Cook – 15 Years

**NEW OFFICERS**

John Abrahamson  
Raymond Berna

**CHIEF'S AWARD**

**OFFICER OF THE YEAR NOMINEES**

Officer Sara Swenson  
Inv. Pete Sawyer

**OFFICER OF THE YEAR**

Inv. Mark Mauthe

Our Community Liaison Aaron Zemlock has also completed the 2014 Annual Report. I have attached a copy for your review. This report looks back at the previous year and provides the information on programing and statics from the past year.

We would like to thank the community for their support over the past year, especially after the events on May 3<sup>rd</sup>. The tragedy on the Trestle Trail has been difficult for the community and especially for the families that have lost loved ones. However, the strength, support and caring that people has shown for each other makes us proud to serve such a wonderful community.

# CHIEF'S MESSAGE

Welcome and thank you for taking the time to look at our 2014 Annual Report. This is our second year of publishing this report. This is a great opportunity for us to provide information on what we have done to meet the needs of the community, addressing trends in crime and provide some highlights of projects or events from the past year.

2014 has been one of the most challenging years to work in law enforcement. Based upon a number of events which have taken place across the country there is high level of skepticism and mistrust of law enforcement. A look back at history shows similar issues back in the 1960's and 1970's. The solution to the community relations issues was the introduction of community policing. While I agree with the roots and philosophies of community policing, it has not continued to adapt as times have changed. Law enforcement is dealing with threats we thought we never would have seen, such as terrorism and active shooters. These added challenges moved us away from some of the successful strategies in the 1990's and 2000's.

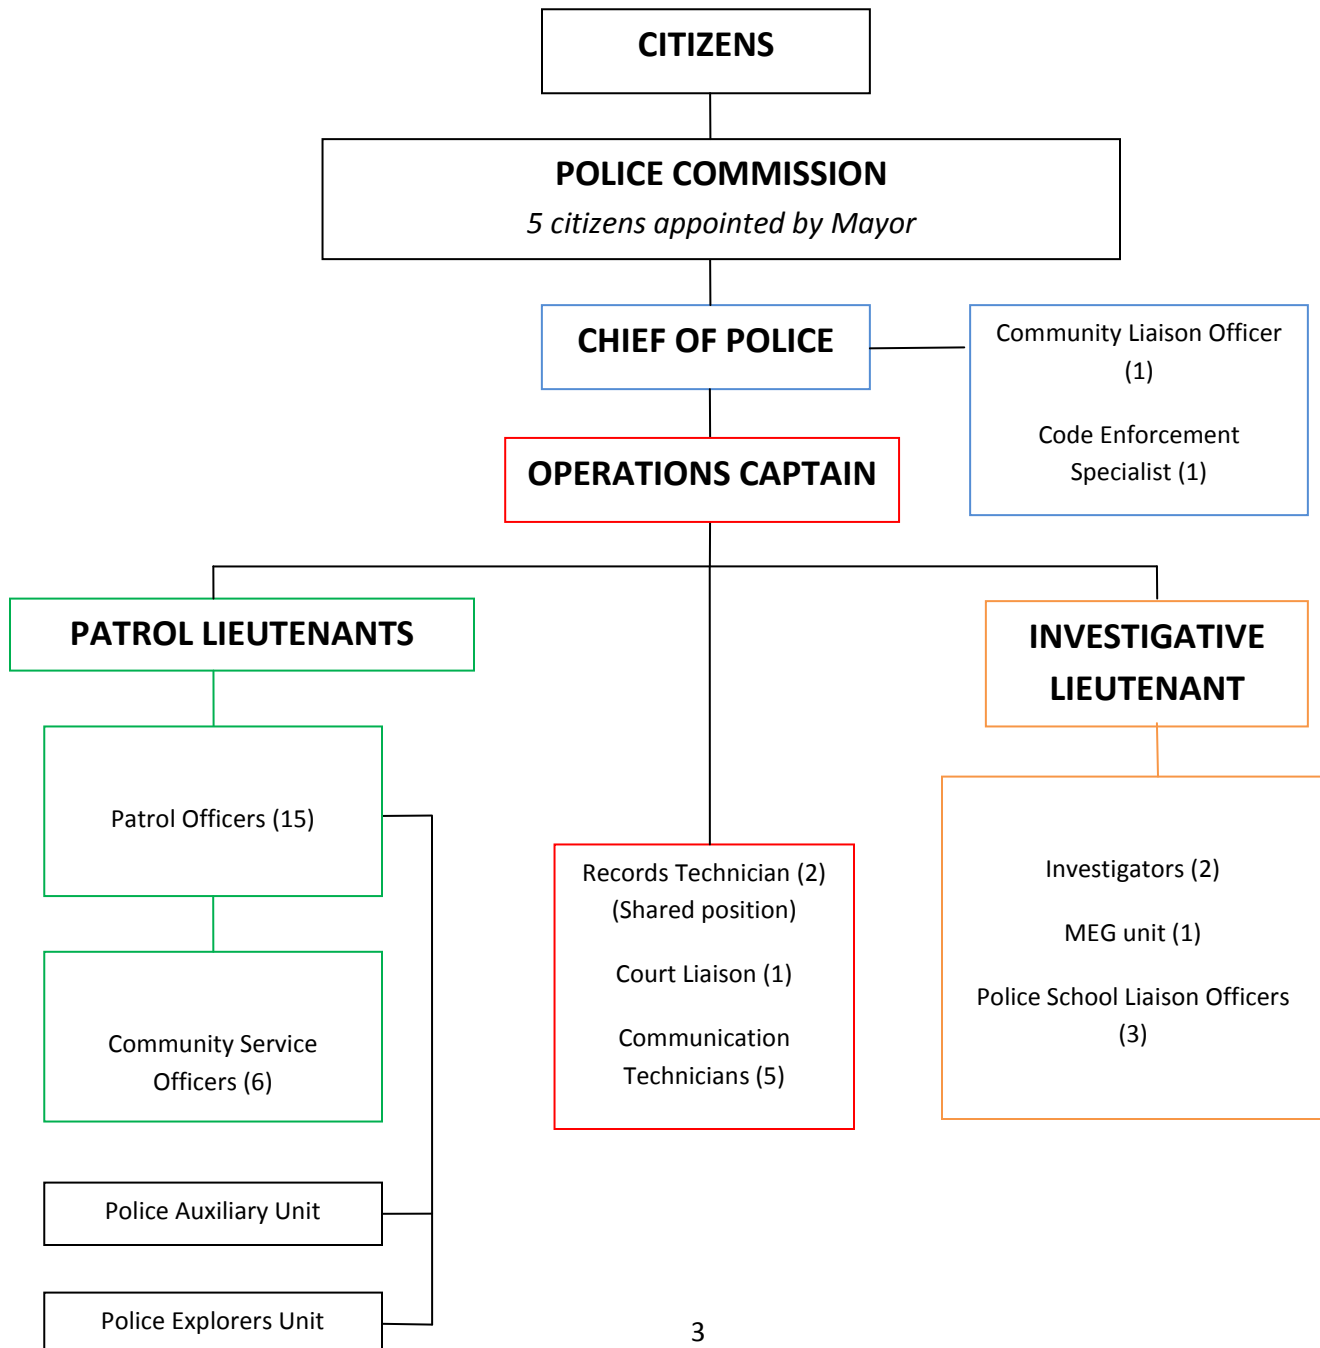

You may be asking, "Thanks for the history lesson Chief, what does this mean to me, a citizen in a safe community in Northeast Wisconsin?" I think this means a lot. I could sense this was coming and we have been working over the past few years to try and avoid the issues that have impacted other communities. It is essential for us to have an open line of communication with the community, provide clear and accurate documentation of activities we are involved in and treat members of the community with dignity and respect. Through initiatives such as social media discussions and Coffee with the Cops we do strive to keep the lines of communication open. We have taken steps to equip our officers with body cameras to ensure there is an unbiased record of events. Finally, for the past few years we have been emphasizing the concepts of "Procedural Justice" which underscores the importance of how we work with the community. The four pillars of procedural justice consist of: 1) fairness and consistency of rule application, 2) impartiality and unbiased decision maker neutrality, 3) voice and representation in process, and 4) transparency and openness in process.

While 2014 has been a challenging year for law enforcement, we are committed to being a model for modern police services. Stay tuned to new and innovative projects that we will be working on in 2015. On behalf of the employees of the Police Department, it is an honor to serve Menasha and as always I welcome your feedback.

Serving our community,

*Chief Timothy Styka*

# CITY SNAPSHOT

The City of Menasha is situated right in the heart of the Fox Valley on the north shore of Lake Winnebago. The 17,437 residents comprise a diverse and engaged community in which we are proud to serve. Menasha is in a period of economic revival and during this past year, many steps have been taken towards the continued revitalization of our downtown and other key areas of interest in the city.

The City of Menasha encompasses a total of 7.72 miles spanning both Winnebago and Calumet Counties. The various neighborhoods in the city range from a central core of traditional ranch and two-story homes, to large lakefront residences, and newer subdivided neighborhoods to the east. Each neighborhood has its own unique character and charm.

Our officers patrol just over 90 miles of streets within the corporate limits of Menasha. Our patrols cover every road from private streets to main thoroughfares like US Highway 10 and State Highways 47 and 114. The streets wind through our residential neighborhoods, industrial zones, downtown, and parks.

# YOUTH PROGRAMS

**MENASHA POLICE EXPLORERS** – Supporting and interacting with the youth in our community has always been a priority of the Menasha Police Department. We realized there was a gap in our ability to interact with our high school aged students and started looking at programs that would allow us to fulfill this goal. In fall of 2012, we started the Menasha Police Explorers program. Students from the Neenah and Menasha school districts who express an interest in the law enforcement career are sent invitation letters to attend an open house meeting. Since 2012, we have maintained an impressive number of youth interested. We currently have 15 youth actively participating in the program.

The program is supervised by Menasha Officers Nick Thorn and Anthony Edwards, as well as Officer Chad Gruenstern from Neenah Police Department, and Menasha Auxiliary Officer Jim Meyers. Funds for the unit from 2014 were generated through the dedicated fundraising efforts by the youth as well as a small annual membership fee.

Menasha Police Explorers assisted the police department with a variety of events that took place in the city like the Fourth of July fireworks, handing out candy for Halloween, assisting the Menasha Public Library with a children's story walk, and with pedestrian crossing during parades.

Students in the Neenah and Menasha school districts who are 15 ½ years old or older are eligible to join. Contact **Officer Nick Thorn**, [nthorn@ci.menasha.wi.us](mailto:nthorn@ci.menasha.wi.us), for additional info.

**YOUTH ACADEMY** – Our Youth Academy was not held in 2014 due to low registration. Between summer school and the many other activities kids are involved in, we didn't meet our minimum number to hold the program. It will return in 2015. The Youth Emergency Services Academy was created to provide middle school youth an opportunity to explore the fields of law enforcement, fire/rescue, and emergency medical services. Current year 6<sup>th</sup>, 7<sup>th</sup>, and 8<sup>th</sup> grade students apply and the first 15-20 students are selected to participate. Students spend an entire day with the fire department running drills and rappelling. A variety of police related topics are also taught that include: traffic stops, Simunitions, crime prevention, and OWI enforcement.

A large number of officers participate in teaching the various aspects of the job. The City of Menasha Health Department provides the first aid instruction as well as a health and nutrition piece. Neenah/Menasha Fire Rescue has been involved since the first session and provides a great insight into the fire/rescue profession.

## Engaging Our Youth

In June of 2014, Officer Matt Lenss, along with others from the department participated in the Free Fishing day event at Jefferson Park. As an informal Cops and Bobbers type event, Officers were there to lend a hand in baiting hooks, casting, removing fish, and any other need that arose with the young fishermen and fisherwomen. Community First is sponsoring the 2015 event with Heckrodt Wetland Reserve and you can bet we will be there again to help out!!

Our Chief and other officers have participated in book readings to our young ones at various schools and when time allows, our officers have been known to play a little catch with the neighborhood kids or shoot a few hoops. A great perk of the job.

# K9 PROGRAM

**K9 ATHOS** - Shortly after the first of the year our new K9 Officer arrived here in Menasha. Officer Spiegel began training immediately with Athos, a black German Shepherd, from the Czech Republic. We are truly fortunate to work for a community that saw the value of having a strong K9 program in the city and are confident that Athos and Officer Spiegel will continue to do great work for our community.

Athos and Officer Spiegel had their first official active duty work day together on March 30, 2014. Although the numbers of vehicles on the road during the night shift have declined, Athos has still been working hard. Of the 53 sniffs conducted, 28 resulted in arrests for various drug related crimes. He has also been involved in tracking two suspects and was able to locate the suspect in both cases. The team of Athos and Officer Spiegel are an incredible asset to our department and to the community.

## **Narcotics**

Total Narcotic Sniffs: 53

Marijuana: 117.51g

Ecstasy: 2 tab

Drug Paraphernalia: 40 items

Total Arrests: 28

Percentage of accuracy: 96%

## **Tracks**

Total Tracks: 2

Percentage of accuracy: 100%

Officer Spiegel and Athos have also been able to do several community events where adults and children alike were able to meet our K9. A January 13<sup>th</sup> event for the Menasha Library was held at Luigi's where Officer Spiegel and Athos read children's books to a large number of kids. Lines were forming outside the door. We believe Officer Spiegel did most of the reading...

# VOLUNTEERING FOR A CAUSE

Most officers when asked why they chose to work in this profession will tell you that they wanted to help people. As cliché as it may sound we believe that rings true with our staff. A fantastic thing about our officers and staff is that the desire to help others doesn't stop when the uniform comes off. Throughout the year, members of our department participated in many fundraising events for local, regional, and national causes.

national competition in Lincoln, Nebraska. Our officers participate in the Torch Run, the Polar Plunge, Lock-up-a-Cop, Dunk-a-Cop, Bowl-a-Thon, and other fundraising events for Special Olympics. The smile on the athletes' faces is a fantastic reward.

**SPECIAL OLYMPICS** - Investigator Mark Mauthe has been extensively involved with supporting adults with intellectual disabilities who are striving to realize their dream of becoming Special Olympic athletes. He was voted into the Special Olympics Volunteer Hall of Fame in 2013 and in the past represented the State of Wisconsin as a torch bearer in the

**ALS – ICE BUCKET CHALLENGE** – After a challenge was thrown down by the Town of Menasha Police Department, our department accepted and decided to participate in the Ice Bucket Challenge in grand fashion. The City of Menasha Public Works Department was more than happy to provide the very large bucket and freezing water for the successful challenge. Nineteen members of our department took part and donations by our Menasha Police Benevolent and individual officers were made.

# TECHNOLOGY USAGE

The Menasha Police Department has continually been at the forefront of new uses and designs of technology in the State of Wisconsin. By staying on the cutting edge of law enforcement technology, we are better able to provide higher levels of service to our community.

## MOBILE VIDEO CAMERAS

Menasha squad cars have been equipped with video recording systems for some time. Recent upgrades have included cameras which record prisoner activities in the backseat as well. In our efforts to further increase transparency and accountability we are in our third year using wearable body cameras while on patrol. These allow officers the ability to capture evidence while out of view of the squad cameras. They have proven to be an invaluable tool.

## FINGERPRINT IDENTIFICATION

Our department was fortunate to be one of the only agencies in the area to have a FastTrack fingerprint scanner which allowed us to quickly check for a person's identity if it was in question. We now have a portable unit in the supervisor's vehicle which brings this technology out onto the street. This allows for even quicker identification of a suspect which greatly increases officer safety and reduces time spent on the call.

## DIGITAL RADIO SYSTEM

Every police agency in Winnebago County switched from an analog to an 800 MHz digital radio system. The changeover was required in order to comply with the FCC's new frequency plan for public safety in the United States. A note to those who like to listen to police scanners: You will need to purchase a new digital scanner as the old scanners will not receive the new broadcasts.

## TRACS 10

The TRACS or Traffic and Criminal Software system went through a major overhaul this past year. Officer Martin Schramper was integral in getting the new system installed in our squads and station computers and provided valuable insight to the state regarding implementation issues. This system allows officers to complete warnings, citations, and accident reports in a digital format and even print out paperwork in the squad. All data is uploaded automatically.

# POLICE BENEVOLENT

The Menasha Police Benevolent Association (MPBA) is comprised of current police department employees and retirees. The benevolent exists to support its members by cultivating fellowship among its members and to provide a medium for the exchange of knowledge and experience that fosters high professional standards. A primary function of the MPBA is to conduct charitable, educational, and recreational activities for the benefit of its members and the public. Members pay dues and an annual fundraiser is held to support the benevolent association's activities.

The MPBA strives to support the members and their families by providing events that honor and reward their hard work during the year. A family picnic in the summer and a Christmas party in the winter give members and their families a chance to enjoy one another's company outside of the work environment. During National Police Week, a dinner and awards ceremony is held to honor those officers who went above and beyond their expected call of duty.

A primary function and focus of the MPBA is to give back to our community. Last year we were able to support over a dozen community and/or law enforcement organizations or members by providing money or goods they needed. In 2014 support was provided to the Menasha High School Post Prom, Police Unity Tour, Special Olympics Fox Valley, Suburban Athletics Baseball, Racine College Baseball, Menasha Auxiliary Easter Egg Hunt, Menasha K9 Corps, Brown Family, Pomeroy Family, Menasha Football banner, Victim Crisis Response Team, Menasha Library, and others. We also adopt several families for the Christmas Giving program and this year, rang a few bells for the Salvation Army's Red Kettle Campaign.

Thank you for your continued support of our organization. Save the date, Friday, October 2, 2015 for this year's concert at Waverly Beach. We will have Simply Elton who does an amazing Billy Joel/Elton John tribute performance!

# POLICE ADMINISTRATION

The administration division of the police department consists of the Chief of Police and our Operations Captain.

Managing the department budget, officer training, and writing procedures and policies are just a few of the tasks taken on by this division. Striving to provide the best and most fiscally responsible level of service is at the forefront of each decision they make.

Police Budget	
Year	Amount
2014	\$4,562,226
2013	\$4,571,493
2012	\$4,518,717

police department budget. As it is with most organizations, personnel costs make up the largest portion of the budget. The capital outlay and operating expenses provide the officers with the equipment they need to adequately serve the community.

In 2014, the police department continued to work at filling vacancies at the patrol level. The pool of applicants seeking law enforcement careers is getting smaller. Coupled with the rigorous standards for hiring, filling positions with the best possible candidates is an arduous task but one we will not compromise on.

The pie graph illustrates the general breakdown of spending areas within the

# PATROL DIVISION

Patrolling our streets remains a primary function of the department. The term “patrol” often conjures up images of officers driving through neighborhoods, making traffic stops, and running radar. All of those things happen on a daily basis but there is much more that happens with our officers on patrol.

Traffic enforcement is a high priority for our agency and is probably the number one complaint in any city. To address this more efficiently, we established a traffic reporting program where citizens can email or call in a specific complaint regarding a traffic issue in their neighborhood. A designated officer will share that complaint with the appropriate shift and officers are assigned to address it. A follow-up call is made to the citizen filing the complaint to let them know what was found and what enforcement action was taken. You can file a similar report by calling 920-967-3575 or email [rpicard@ci.menasha.wi.us](mailto:rpicard@ci.menasha.wi.us).

Responding to the more than 10,000 calls for service annually utilizes a significant portion of time for officers. Patrol officers respond to a multitude of calls for service ranging from citizen assists, disturbances, burglaries, robberies, drug and alcohol complaints, to homicides. In addition to responding to criminal complaints, officers often focus on preventative measures like checking business doors at night, patrolling parks and other public spaces like the trestle trail and school properties.

# INVESTIGATIONS

There are currently two full-time investigators on staff with our department. They are supervised by an Investigative Lieutenant. Patrol officers respond to initial complaints and are often able to complete the investigation on their own. There are other circumstances when either the seriousness of the crime or the scope of the incident is too large for patrol follow-up or

investigation. These cases are assigned to one or both investigators for follow-up.

There is no such thing as a “typical day” in any law

enforcement position. This is especially true for investigators. Contrary to the television portrayal of crime scene investigators, very little time is spent on actual evidence collection. The reality is that our investigators spend a lot of time talking to people. They chase down leads, interview witnesses and suspects, write subpoenas and search warrant requests, log evidence, and write reports. All of which is essential for a successful investigation and prosecution.

Investigators attend specialized training throughout the year to help hone their skills. By attending conferences and trainings for homicide investigations, investigating missing persons, evidence collection techniques they are able to learn about the latest advancements in crime fighting technology and the best practices being utilized for investigations. The ever-changing technology in the field of evidence collection and analysis is exciting and we are fortunate to work in a department that embraces adapting to what is considered the best practice.

As drug trends change, so does the focus of the MEG unit. The current increase in heroin use and distribution has once again changed the landscape of drug enforcement in the Fox Valley and surrounding area.

Our department also provides a full-time investigator to the Lake Winnebago Area Metropolitan Enforcement Group or MEG Unit. The MEG Unit is a 13 officer unit comprised of officers from Winnebago, Outagamie, Calumet and Fon du Lac. Their focus is on the distribution and manufacturing of illegal drugs within the four county area.

# COMMUNITY POLICING

2014 was another great year for our Community Liaison Officer, Aaron Zemlock. He had the opportunity to once again go out into the community and present to various groups on a variety of topics. The issue of workplace violence seemed to be of great concern to businesses small and large. In addition to physical security surveys for these business locations, assistance was provided in developing emergency response plans, and training was provided to employees in both the office and manufacturing/warehousing areas. This provides a great opportunity for private and public sector to collaborate on keeping their employees safe.

The implementation of the A.L.I.C.E program in our area schools was started and will continue through this upcoming year. Several of our parochial schools have asked for assistance in

implementing the A.L.I.C.E. programs in their schools as well.

Information is power. We have continued to expand our communication and connections with landlords in Menasha. Menasha has a significantly higher percentage of rental properties than surrounding communities. Due to the more transient nature of renters versus home owners, it is essential that landlords have a resource in the police department and in turn the department can look to landlords to assist with problem tenants. An E-lert system has been used to let landlords know of any police calls to their properties. Any rental property owner can sign up to receive the alerts. A new and improved version was put into place in 2014 and is working flawlessly thanks to the efforts of Officer Nick Oleszak.

# COMMUNITY POLICING

What about homeowners? How do they know what is going on in their neighborhood? There has been a decline in the traditional Neighborhood Watch Programs nationwide but it is still a viable and recommended way to meet and work with your neighbors to keep your home safe. We have several active neighborhood watch units in Menasha. We also offer a virtual neighborhood watch in which citizens can sign up to receive a weekly email which alerts them to property crimes happening in Menasha. To sign up: Contact Officer Zemlock at: [azemlock@ci.menasha.wi.us](mailto:azemlock@ci.menasha.wi.us).

We conducted several Coffee with the Cops events back in 2013. The idea behind the event is to create a casual atmosphere where citizens and officers can talk about issues in the community. We held one event in 2014 at the Menasha Library and

the turnout was fantastic. Locations to hold the event were scarce in 2014, causing us to reflect on how to best go forward with the program. Stay tuned for the return of this valuable program in 2015.

In our continued quest to be as transparent and accessible as we can we have continued to use social media and reach out to traditional media sources to keep Menasha citizens informed.

The police department Facebook page has surpassed 3200 followers. We can't think of another platform that allows us to reach so many people instantaneously. The posts may contain information about frauds or scams hitting the area, a request to help identify a suspect, wanted persons, department or community events, or sometimes something just for fun. Regardless of the post topic, our goal is to interact daily with the members of the community and provide a platform for information and discussion. We also utilize Twitter and Nixle to broadcast information via text.

# POLICE SCHOOL LIAISON

Another essential component of our police services are the two Police Liaison Officers that work in our middle and high schools. The job is very different from patrol and other investigative roles within the department and each position differs greatly from one level of school to the other. Our three liaison officers do an outstanding job adapting to the environment they are working in. Working with youth from ages 4 to 18 poses unique challenges when having to address the multitude of issues that arise during a school day.

Liaisons work hand in hand with school administrators to provide a safe learning environment. Interactions with parents, students, social workers, and counselors are part of every day. Establishing connections between the multiple groups is what makes the program so effective.

In addition to the law enforcement related activity that occurs, the liaisons prefer their role as mentors to the students and they work hard to build positive relationships with them. By presenting in classrooms, eating lunch with the students, or even just saying hello in the hallway, liaisons are able to effect a positive change in the school.

The infrastructure and safety upgrades to the high school and the other buildings are providing a safe atmosphere, conducive to learning and creating places for our children to thrive.

# A Word, From Our Liaisons

## Officer Jeff Jorgenson – Elementary School Liaison

*“2014 has brought renewed connections with the youth of our community. Since I am starting my 3rd school year I am already a recognizable part of each of the 5 schools. Thanks to the District's implementation of CHAMPS Classwide Positive Behavior Support program many of our nuisance behaviors have decreased. This program has had great success in the Green Bay School District and I have been able to see that replication occurring in Menasha as well.*

*Since educational success has always been a key ingredient of breaking the cycle of low socioeconomic status I have been working with social workers and principals to hold students and parents accountable for their timely arrival and unexcused absences. This effort does include a referral to the District Attorney's office which then initiates County services to assist families who struggle. The families on the fringe may receive a summons which will be dismissed providing their student's attendance improves. Making attendance a healthy habit at the elementary level will help children throughout their school years.*

*I continue to see an upswing on children suffering from mental health issues as well as limited access to psychiatric services and therapy sessions. In addition, we have numerous transiency issues with families arriving and leaving our school district throughout the year. Unfortunately, when children are too overwhelmed with these circumstances they have limited coping mechanisms and their frustration will show in a mental health crisis. My consistent response to these situations has helped me build trust and rapport with the students occasionally causing a de-escalation merely by my presence.*

*The elementary PSLO position has allowed me to gain a better perspective on our youth and challenged me to find and reinforce the positive in every student as well as challenge students to make sound decisions based on respect, responsibility and safety.” - Jeff Jorgenson*

## **Officer Amy Cook – Maplewood Middle School Liaison**

*"Greetings from Maplewood Middle School! It's hard to believe the 2014-2015 school year is already coming to a close. It has been a busy year with some great things happening, and sadly some not so great things.*

*On the positive side, I recently spent some time in the classroom teaching our 6<sup>th</sup> grade students about the dangers of drugs and alcohol. Utilizing displays borrowed from the MEG unit containing actual drugs and paraphernalia, the audience remained captivated while learning about drugs, the dangerous affects on the body, and hearing real life stories. Throughout the year I also teach segments on Internet Safety, Cyber bullying and Sexting, as well as a section on the Bill of Rights. I really enjoy the time I spend in the classroom and the positive interactions I have with students.*

*Citing many close calls with our crossing guard and concerned for the safety of her and the students crossing Midway Road every day, I wrote a mini grant to AAA of Wisconsin to purchase safety equipment. I received the grant money and was able to purchase an LED lighted safety vest, and two lighted LED STOP paddles for the crossing guard. On darker mornings, foggy days, and even in bright sunshine (which will happen again soon), our crossing guard and students are safer as they make their way to school each day.*

*Speaking of safety...there are many changes coming to MJSD with respect to how we handle emergency situations. You may or may not have heard about ALICE, which stands for Alert, Lockdown, Inform, Counter, Evacuate. This program has been adopted by MJSD and a group of us were trained in it last August. While it has taken time, we are beginning to introduce the new concept to our staff, then our students. ALICE offers more alternatives to a traditional lockdown when dealing with inside or outside threats to schools. Whenever we are looking at change it can be difficult, but when the end goal is the safety of our students and staff, it is worth it.*

*On the negative side, I have seen a large increase in the number of violent calls with students, drugs/alcohol, and weapons complaints. Statistically speaking, I have about the same number of arrests to date this year as all of last school year, and we still have two full months of school remaining. In 2013-2014, I had a total of 5 drug/alcohol arrests in the school, and 1 CCW (carrying a concealed weapon) arrest. In 2014-2015 so far, I have had 10 drug/alcohol arrests and 10 CCW arrests. I cannot say what is contributing to the increase, but I can say that overall there has been a decline in the respect shown to all adults in the building, and even from some of the parents of these students. In addition with the new seclusion and restraint laws, students know teachers will not touch them and therefore they push the envelope with their behaviors, often times requiring police to be called in. It is well known that drugs, alcohol, weapons, and violence are not welcome in school, but it continues to be an issue.*

*To finish on a positive, the Maplewood Music Department held a benefit concert in honor of Frehley Gilmore, a Maplewood student who died of cancer in August 2014. They raised over \$4500 for the Make-a-Wish Foundation, which also granted Frehley a wish during her illness. What an amazing tribute. It was an honor and a privilege to be a part of Frehley's life, and something that has impacted my life forever. Being a PSLO is not for everyone, but I can honestly say that it has been the best years of my career.*  
- Amy Cook

## **Officer Ann Gollner – Menasha High School Liaison**

*This year at Menasha High School has been one for the record books, literally. Like any high school, we have our issues we deal with, theft, fights, truancy, etc.. but the staff here is amazing and we are able to work through these issues and provide a safe and healthy learning environment for everyone. This only happens when a school comes together and watches out for one another, reports things that seem “not normal”, and support the efforts the school makes to provide a great place to learn.*

*This year was extra special thanks to an amazing season by our Menasha Bluejay football team. Coach Korth and his staff were able to guide a fantastic team of high school players to an undefeated season. The environment throughout the school this fall season was electric. But, unfinished business still needed to be finished and the Bluejays did just that. A trip to Madison and a well fought battle on the football field yielded the winning trophy for the State Championship. It was amazing to see the support from the students and the community as a whole as signs around the city wished the team good luck in their quest. Business had banners on their walls and the city hung a banner across Racine St to honor their efforts. It was a unique experience to be part of and made us all proud to be Bluejays!*

*As you are certainly aware, the high school has gone through (and continues to go through) a major transformation. The remodeling/construction project started last year and will be finishing up in the near future. Two major additions to the east and west sides of the building have added much needed classroom space and provide the students with a state-of-the-art learning facility. The improvements to the existing portion of the school are nothing less than extraordinary. The center of the building has become an open, inviting meeting place for students and staff. The construction also provided the opportunity to increase security within and around the school. An effective learning environment depends on many things and feeling safe while at school is one of them. In addition to the many programs designed to help kids through the high school world, there have been many upgrades to the physical security at the school. The main entry was upgraded to make access to the school, controlled, but friendly. Additional technology like cameras and network controlled access points have helped the school administrators and I resolve issues quickly and provide for faster ways to make the school safe if needed. Construction is slated to be completed by the beginning of the 2015-16 school year.*

*– Ann Gollner*

# SUPPORT SERVICES

## COMMUNICATIONS AND RECORDS

The City of Menasha Police Department is open 24 hours a day, 7 days a week. During that time, our front desk is staffed by one of our communication technicians. The front office staff is responsible for answering incoming calls for service, addressing issues that are brought into the lobby, and typing all reports from officers. They are also responsible for relaying information to officers, confirming warrants, and perform a variety of other tasks. They are an invaluable asset to our agency.

Our records department is staffed by two part-time employees. They assist with issues that are brought into the lobby as well as help answer phones when it is busy. Their primary task is managing the voluminous amount of records produced each year. Abiding to State of Wisconsin records laws, they disperse reports to those who request copies as well as send all of the necessary documents to the District Attorney's office to be used during case prosecutions. The items being requested can consist of paper reports, photos, or videos. In addition, they also issue bartenders' licenses, parking permits, and perform additional tasks.

## COURT LIAISON

Another key component to the department is our Court Liaison. Her role is to process all of the citations, municipal summonses,

accidents, and parking citations written by officers. In addition, she makes ready all necessary materials needed for municipal court cases. Over **4,000** citations, summonses, accidents, and parking tickets were written by officers in 2014. We are thankful to have such an efficient and dedicated person in this role.

## EMERGENCY DISPATCH

The Winnebago County Sheriff's Department provides service for all 911 calls in the county. Typically, there are 5-6 Communication Technicians working in the 911 Communications Center. They work on the second floor of the Winnebago County Sheriff's Office. One technician is responsible for all of the calls in the City of

Menasha, City of Neenah, and Town of Menasha, often referred

to as the "north end". In addition calls they are also responsible for dispatching officers to calls.

The digital radio system has been fully implemented in Winnebago County. It provides for a larger number of channels to help increase communication.

## CODE ENFORCEMENT

Property values, living conditions, vermin, graffiti, junk vehicles are all issues that are of great concern to most residents. We are fortunate to have a highly trained, full-time Code Enforcement Specialist working for our department. Citizens are able to call in a complaint or download a complaint form to report conditions which violate City of Menasha Code. Specialist Joe Polzien works closely with Community Development and the Health Department in ensuring the places people reside are safe, healthy, and abide by city code.

**Before**

**After**

## COMMUNITY SERVICE OFFICERS

We employ four CSO's who work on a part-time basis assisting officers with calls for service. Typically, our CSO's handle calls for vehicle lockouts, animal complaints, and found property. They also assist officers with traffic direction during accident investigations as well as during major city events. Many of those working as CSO's have an ambition to work in the law enforcement field as a career.

## MENASHA AUXILIARY POLICE

Dating back to 1963, the City of Menasha has had an Auxiliary Police unit that provides community service to Menasha. The group is diverse in make-up, having members from 21 to over 50 years old from many different backgrounds. The group elects their own supervisors and has a full-time police officer as an advisor to the unit. They provide traffic control at events, security at public functions, and assist officers when requested. They receive significant training in law enforcement tactics and techniques. They also run a very successful Easter Egg Hunt each year at Smith Park.

## CITY OF MENASHA BOARD OF HEALTH

### Minutes

April 8, 2015

A. Meeting called to order at 8:08 AM by Chairman C. Rusin.

B. Present: Candyce Rusin, Lori Amus, Dianne Hotynski, Nancy McKenney, Mary Fritz, Linda Palmbach, Loretta Kjemmus, Kortney Dahm, Liz Rosin

#### C. MINUTES TO APPROVE

1. Motion to approve March 11, 2015 made by C. Rusin. Seconded by L. Asmus.

The motion carried.

#### D. REPORT OF DEPT HEADS/STAFF/CONSULTANTS

**Administrative:** Nancy McKenney reported on the Winnebago County Health Rankings. Winnebago County ranks in the middle of the pack for health in the state of Wisconsin. She noted that the Rankings compare counties across the United States. They are based on Health Outcomes (length and quality of life) and Health Factors (health behaviors; clinical care; social and economic; and physical environment). She noted that Winnebago County does well with clinical care, and at or below state average for health behaviors. Physical activity and obesity areas where we share concerns with other health departments and agencies. Nancy McKenney, Kurt Eggebrecht, City of Appleton Health Officer, and Doug Gieryn collaborated on statements in the press release. Nancy McKenney highlighted Menasha assets; incredible parks and trails for walking and biking; business climate that promotes job growth; the Menasha Senior Center; and the Menasha Joint School District partnership with the health department to provide school-based nursing and dental hygiene services. School-based mental health services are offered through a partnership with the United Way (PATH). With Cindy Draws, Winnebago County Health Department and Kurt Eggebrecht, City of Appleton, Nancy McKenney did a phone interview with WOSH Radio. Subjects discussed were Weight of the Fox Valley, poverty levels, vaccines and community assets (parks, biking trails) that if used, have the potential to improve health outcomes. Candyce Rusin asked if there was a "Share" program, (food supplementation) in Menasha. Dianne Hotynski requested further information about if there were a "Share" program and discussed the possibility of working with organizations to provide resources for recipients of a "Share" program.

Nancy McKenney noted that Chief Tim Styka is working on creating procedures for a drug drop box. He expects the drop box will be up and running May 1.

Linda Palmbach explained that she met with Chief Tim Styka about the feasibility of a needle exchange program. It was decided that the Menasha Health Department would not be the best location for this program. The Aids Resource Center in Appleton provides this service.

Nancy McKenney noted that Menasha Health Department cannot accept Marion College Nursing student this semester because of scheduling conflicts. This affiliation will be re-considered next fall. The University of Wisconsin Oshkosh (UWO) and University of Wisconsin Green Bay (UWGB) academic affiliations are going very well. Staff (nurses and dental hygienist) reported that the UWO students were involved in such as sexually transmitted disease talks, human growth and development, walking school bus, dental screening and fluorides. The UWGB Intern is managing policy, procedure and protocol development. Students and interns are meeting or exceeding expectations.

**Employee Safety Program:** The City will be offering hearing screening to at-risk employees on April 21, 2015. Candyce Rusin asked if there was a hearing protection policy for staff. Nancy McKenney will verify and provide a copy of the policy. Nancy McKenney reported that the City will be drafting policy for cell phone use while driving during work hours.

**Sealer of Weights and Measures:** A new scale was received.

**Environmental Health Program:** No report.

**Public Health Department:** The Communicable Disease Report was reviewed and School Health updates provided. Linda Palmbach described her experiences implementing new procedures during monitoring of a case. Mary Fritz, provided a status report on school absences. Absences remain relatively low across the schools. Liz Rosin noted that she is working with the City of Appleton to show "The Invisible Threat" at the Menasha Public Library on May 20<sup>th</sup>.

**Health Screening 60+ Program:** Nancy McKenney discussed that there will be blood pressure screenings offered at the Senior Center through out the month of April.

**Prevention Program:** Park and Recreation, Farmers Market, and Health Department (Vicki Schultz lead) are planning a community walk to promote physical activity on Menasha's walking trails on August 13, rain date August 20, 2015. Food and music will be included.

**Radon:** Report deferred to May 2015.

**Dental Program:** Loretta Kjemhus updated on a 9<sup>th</sup> grade screening being conducted by the Department of Health Services and Menasha Health Department. Parent/guardian letters and forms were discussed. It was agreed that letters and forms should be sent out 2 weeks prior to an event. There were 215 9<sup>th</sup> grade student screened by Loretta Kjemhus and Kathleen Endres.

**Dental Sealant Program:** No report

**Quality Improvement:** Nancy McKenney reported that Allison Rietzner is working on a Utility Services Procedure.

**Lead Prevention Program:** No report

**Immunization:** Liz Rosin noted there is a new vaccine for Meningitis Group B called Bexsero. Staff will evaluate.

**Emergency Preparedness:** Loretta Kjemhus and Kortney Dahm reported on a training that they attended in March with Vicki Schultz. This training took place in Anniston, Alabama at the Center for Domestic Preparedness training center (FEMA). This training involved lectures, table top exercises, facilitator assisted exercises and a full scale functional disaster exercise on the last day. This training will prove invaluable in preparing the health department's role in catastrophic events.

**Senior Center:** Nancy McKenney noted that the Menasha Senior Center renovation is complete. The Donor wall is not complete; Jean Wollerman will be setting up a donor date when project is complete.

#### E. ACTION ITEMS:

Procedures: The Radon Procedure was reviewed by the Board. There were no changes or amendments offered.

#### F. HELD OVER BUSINESS: None

#### G. ADJOURNMENT:

Dianne Hotynski moved to adjourn the meeting; seconded by Lori Asmus.

Motion passed.

Candyce Rusin adjourned the meeting at 9:20 am.

Moved by Ald. Taylor seconded by Ald. Rollins-Jump to recommend to Common Council Street Use Application for Diablo Cycling Criterium, Sunday June 7, 2015, 7:00 a.m. – 7:00 p.m. (Diablo Cycling).

Motion carried on roll call 8-0.

3. [Change Order – Commonwealth Construction; Project PF 13B-14; ADD: \\$92.74; Change Order No. 2 \(Senior Center\)](#)

PHD McKenney explained the change order amount of \$92.74 is the difference between the additional amount for curb installation and a cost savings for an exhaust fan not required.

Moved by Ald. Nichols seconded by Ald. Keehan to recommend to Common Council Change Order for Commonwealth Construction, Project PF 13B-14, ADD \$92.74. Change Order No. 2 (Senior Center).

Motion carried on roll call 8-0.

4. [Payment – Janke General Contractors; Gilbert Riverfront Trail; Contract No. 2014-03; \\$68,951.00 \(Payment No. 1\)](#)

DPW Radtke explained the payment is for work done on the Gilbert Trail mostly for the excavation of the area by the duck pond. Some staff time was spent on inspection and tree removal.

Moved by Ald. Nichols seconded by Ald. Keehan to recommend to Common Council payment to Janke General Contractors, Gilbert Riverfront Trail, Contract No. 2014-03, \$68,951.00 (Payment No. 1).

Motion carried on roll call 8-0.

5. [Payment – Janke General Contractors; Gilbert Trestle Improvements; Contract No. 2014-04; \\$98,087.50 \(Payment No. 1\)](#)

DPW Radtke explained the payment is for site preparation for the Gilbert Trestle. He also reported staff has recently been informed there is a temporary hold on the work until the consulting engineer can complete a structural investigation of the existing trestle piers that are to be used for this portion of the pedestrian/bike trail.

Moved by Ald. Nichols seconded by Ald. Rollins-Jump to recommend to Common Council payment to Janke General Contractors, Gilbert Trestle Improvements, Contract No. 2014-04, \$98,087.50 (Payment No. 1)

Motion carried on roll call 8-0.

6. [Recommendation to Award - Contract Unit No. 2015-02; Library/City Hall Re-Roofing Project; Borsche Roofing Professionals, Inc.; \\$106,659.78](#)

DPW Radtke explained the bid submitted by Borsche Roofing Professionals, including an alternate bid for the use of a single ply TPO roofing system, was the more favorable bid. Staff recommends awarding the project to Borsche Roofing Professionals.

Moved by Ald. Nichols seconded by Ald. Keehan to recommend to Common Council Recommendation to Award, Contract Unit No. 2015-02, Library/City Hall Re-Roofing Project to Borsche Roofing Professionals, Inc, for \$106,659.78.

Motion carried on roll call 8-0.

E. ADJOURNMENT

Moved by Ald. Taylor seconded by Ald. Rollins-Jump to adjourn at 9:45 p.m.

Motion carried on voice vote.

Respectfully submitted by Deborah A. Galeazzi, WCMC, City Clerk

Menasha aldermen occasionally attend meetings of this body. It is possible that a quorum of Common Council, Board of Public Works, Administration Committee, Personnel Committee may be attending this meeting. (No official action of any of those bodies will be taken).

**CITY OF MENASHA  
COMMITTEE ON AGING  
Menasha Senior Center

Minutes**

- A. Meeting called to order at 8:05 am.
- B. Present: Joyce Klundt, Mary Lueke, , Tom Stoffel, Brenda Marks, Todd Drew, Nancy McKenney, Jean Wollerman, Vicki Schultz, John Ruck
- C. MINUTES TO APPROVE  
Mary Lueke moved to approve the March 12, 2015 minutes, seconded by Brenda Marks.
- D. REPORT OF DEPT HEADS/STAFF/CONSULTANTS  
**Senior Center: Reports** - Jean Wollerman reviewed January, February, and March participation in Senior Center programs. There are new participants in programs. She noted that the YMCA does not have access to the City networks. Mary Fritz will post items on the Senior Center website. Jean Wollerman will maintain the Facebook page.  
**Public Health: Sixty Plus Grant** - Vicki Schultz noted that she is planning a Corny Community Walk with Brian Tungate, Director Parks and Recreation and Joanne Walsh, Farmers Market. This is planned for August 13<sup>th</sup> with a rain date of August 27<sup>th</sup>. All ages are welcome.
- E. NEW BUSINESS:  
**No Smoking Policy:** The Committee discussed policies related to tobacco, including e-cigarettes. City policies will be reviewed.
- F. HELD OVER BUSINESS  
**Renovation Project Update:** Todd noted that an exhaust fan was not needed which will result in a savings of approximately \$100.00 to the renovation. He noted that the most recent punch list was done. However, the heating was not quite right yet. The blinds are going to be redone. Eaves, gutters, downspout and landscaping will need to be completed. He noted that there had been some vandalism to the adjacent property using a brick from the Senior Center renovation. Motion lights were discussed. Who maintains the sidewalk between the Senior Center and adjacent property? Todd recommended that Jean Wollerman speak with Joanne Walsh regarding the Farmer's Market.  
**Fundraising Update:** Jean Wollerman provided a fundraising update.  
**Donor Wall:** Jean Wollerman is getting quotes and considering different materials for the donor wall. She anticipates the donor wall will cost approximately \$1,500.00.  
**Donor Night:** Jean Wollerman will set up the donor night when the donor wall is completed.
- G. ADJOURNMENT  
Tom Stoffel moved to adjourn the meeting, seconded by Mary Lueke. Motion passed. Meeting adjourned at 8:55 AM.  
The next meeting will be held on May 14, 2015 at 116 Main Street, Menasha.

"Menasha is committed to its diverse population. Our Non-English speaking population and those with disabilities are invited to contact the Menasha Senior Center at 967-3530 24-hours in advance of the meeting for the City to arrange special accommodations."

**April 13, 2015**  
**MINUTES**

---

**A. CALL TO ORDER**

The meeting was called to order by Chr. D Sturm at 6:01 pm.

**B. ROLL CALL/EXCUSED ABSENCES**

MEMBERS PRESENT: Chr. Dick Sturm, Sue Pawlowski, Lisa Hopwood, Tom Marshall, Cindy Schaefer-Kemps

MEMBERS EXCUSED: Ald. Michael Keehan

OTHERS PRESENT: PRD Tungate, PS Maas, Dick Loehning with the Historical Society.

**C. MINUTES TO APPROVE**

1. **Minutes of the March 9 and March 30, 2015 Park Board Meetings:** Moved by S. Pawlowski, seconded by L. Hopwood to approve the minutes of the March 9 and March 30, 2015 Park Board meetings. Motion carried.

**D. PUBLIC COMMENT ON ANY MATTER RELATED TO CITY PARKS AND RECREATION**

Dick Loehning asked about accent/security lighting on the newly painted caboose. PS Maas stated that a final decision on the type of lighting has not yet been made, but that some type of lighting will be installed this year. Mr. Loehning also asked about when repairs would be made to the roof that covers the caboose. Staff will look into some temporary repairs ahead of budgeting for a complete repair in the 2016 budget.

**E. REPORT OF DEPARTMENT HEADS/STAFF/OR CONSULTANTS**

1. **Department Report:** PRD Tungate gave an update on summer hiring at the pool and for recreation programs. Considerable time has been spent lately on writing a grant in cooperation with Neenah for the "Twin Trestle" project. Director's time has also been spent on planning for several upcoming summer projects including work at Koslo Park, tennis courts and play equipment.
2. **Park, Pool and Vandalism Report:** PS Maas reported that several park shelter roofs have been replaced. Hart Park, Marina building and the Caboose structure will likely be 2016 budget items. Contracted work has been completed on the Trestle Trail. City crew repaired the entrance monument signs on each end of the trail. A Park Laborer was hired and has started work. Rocks were used to break some windows at the Jefferson Park maintenance garage. Spring tree order has arrived, some of these trees will be planted as part of the April 24 Arbor Day ceremony.

**F. DISCUSSION**

1. **Arbor Day Celebration:** April 24, 9:00am at Nicolet School. Final details are being worked out, but the ceremony will take place in the parking lot west of the school. Fourteen Nicolet School kids will present an Arbor Day poem or song and then help to plant about 20 trees in the neighborhood.
2. **New Park play equipment – preliminary results of public preferences:** PRD Tungate presented the results of the public equipment preference voting that took place on March 30 at the Heckrodt Nature Center. It was clear that those that voted really liked the rope climbing apparatus and the group swing type play events. The most overall votes were cast for the equipment provided by Landscape Structures. Voters also preferred brighter colors than was shown in some of the top three proposals. The Board asked staff to continue working with the Landscape Structure plan to

incorporate as many of the play features that kids liked as possible. The Board felt that emphasis should be placed on what kids voted for over what the adult preferences were and that adult oriented equipment such as a stair climber should be removed and replaced with more kid oriented features to stay within budget. Staff will provide a full set of voting responses to the Board. Also, design updates will be posted on the city's website and department Facebook page when they become available.

3. **Loop the Little Lake – update on grant application and fundraising:** PRD Tungate has been working with Neenah Park and Recreation Director Eileen McCoy on separate grant applications for this project. Good progress has been made and the grant will be submitted prior to the May 1 deadline.
4. **Gilbert Project update:** Janke General Contractors have begun work on the project, focusing mainly on the trestle structure rehabilitation.
5. **Pillar Committee Update:** Chairman Sturm updated the on Board on the progress made by the committee at their March 18 meeting. The group has started a public outreach campaign to seek ideas on what to do with the pillars. The plan as this point is to display the ideas at the Library.

**G. ACTION ITEMS**

None

**H. PUBLIC COMMENT ON ANY MATTER LISTED ON THE AGENDA**

**I. ADJOURNMENT**

Moved by CS- Kemps, seconded by N. Barker to adjourn at 7:28 pm. Motion carried.

**A. CALL TO ORDER**

The meeting was called to order by Chr. D Sturm at 6:04 pm.

**B. ROLL CALL/EXCUSED ABSENCES**

MEMBERS PRESENT: Chr. Dick Sturm, Sue Pawlowski, Lisa Hopwood, Tom Marshall, Cindy Schaefer-Kemps, Nancy Barker, Ald. Dan Zielinski

MEMBERS EXCUSED:

OTHERS PRESENT: PRD Tungate, PS Maas

**C. MINUTES TO APPROVE**

1. **Minutes of the April 13, 2015 Park Board Meeting:** Moved by N. Barker, seconded by T. Marshall to approve the minutes of the April 13, 2015 Park Board meetings. Motion carried.

**D. PUBLIC COMMENT ON ANY MATTER RELATED TO CITY PARKS AND RECREATION**

PRD Tungate was asked by the Board to look into who is currently managing the Tayco St. museum and report back on this matter next month. Chr. D. Sturm stated that the column committee met on May 4. 23 ideas for the reuse of the columns have been received and are on display at the Library. The committee hopes to narrow the choices at their June meeting. Summer Board meeting dates/locations were mentioned. Five possible sites include: Gilbert, Jefferson, Smith, Barker and Shepard parks.

**E. REPORT OF DEPARTMENT HEADS/STAFF/OR CONSULTANTS**

1. **Department Report:** PRD Tungate reported that the Twin Trestle grant has been submitted in cooperation with the city of Neenah. Next month the topic of Winz Park will be on the agenda. There is a futsal group that has interest in using a portion of the park. Coordination and planning for Koslo Park field improvements later this summer has consumed a fair amount of staff time. Hiring for the pool and recreation programs is nearly complete and work has begun to make sure all paperwork and payroll information is completed.
2. **Park, Pool and Vandalism Report:** PS Maas reported that inside of the Hart Park restroom was tagged with graffiti. Softball and baseball diamonds are now being groomed regularly for league play. Arbor Day celebration was held on April 24, 25 trees planted around the Nicolet School area. Jefferson Park shoreline rehabilitation is nearly complete, grass seed fertilizer has been put down. 75 trees coming for Menasha High School, the cost of the trees will be reimbursed.

**F. DISCUSSION**

1. **Review revised play equipment plans for new park: Two slightly different layouts were presented to the Board.** Both layouts took into consideration the public voting that took place on March 30. The Board preferred to see a second swing set and they liked the option that included some elevated hard decks and a rope bridge that was a feature that scored well in the public voting. Staff will make some minor modifications to the layout, then post the two color options on the city website and Facebook page and will seek some final public input, mainly on the color choices. The Board will be informed when the layouts are placed online.
2. **Park Department duties as they relate to the Trestle Trail shootings:** PRD Tungate informed the Board of the follow up duties performed by the park department following the shootings on the

Trestle trail. The department has been coordinating efforts with the Town of Menasha in the area of trail maintenance, establishing memorial protocol and attempting to keep track of all the follow up memorial events and vigils.

3. **Gilbert Project Update:** PRD Tungate gave a short summary on recent work activity on the project. The pond area has been the center of attention as of late. The pond has been dredged and re-shaped. Work will likely progress from west to east. The condition of the trestle structure is being re-examined to make sure it is sound. City engineering staff have been inspecting work on a daily basis.
4. **Adult Softball begins May 10:** PRD Tungate described the current status of the adult softball leagues. Twenty eight teams have registered for this year's leagues. That total is about the average over the past few years. Adult softball as a sport, while still popular, has dipped somewhat in the area in the past few years.

## REGULAR MEETING OF THE WATER AND LIGHT COMMISSION

April 22, 2015

**Draft**

Commission **President Allwardt** called the Regular Meeting of the Water and Light Commission to order at 8:00 a.m., with Commissioners **Don Merkes**, **Joanne Roush**, and **Dan Zelinski** present on roll call. Also present were **Melanie Krause**, General Manager; **Steve Grenell**, Engineering Manager; **William Menting**, Electric Manager; **Tim Gosz**, Water Utility Manager; **Kristin Hubertus**, Business Operations Accountant; **Paula Maurer**, Customer Services Manager; and **John Teale**, Technical Services Engineer.

Commissioner Kordus was excused. With the absence of Commission Secretary Kordus, Commission President Allwardt appointed Commissioner Zelinski as Acting Secretary.

Item II. No one from the Gallery was heard on any topic of public concern to the Utility.

Item III. Motion made by Comm. Roush, seconded by Comm. Merkes, was unanimous on roll call to approve the following:

- A. Minutes of the Regular Meeting of February 25, 2015
- B. Approve and warrant payments summarized by checks dated March 5-25, 2015, which includes Net Payroll Voucher Checks, and Operation and Maintenance Voucher Checks for a total of \$702,769.11, and Operation and Maintenance Vouchers and Rebates. Motion approved unanimously on roll call.
- C. Approve and warrant payments summarized by checks dated April 2-22, 2015, which include: Net Payroll Voucher Checks and Operation and Maintenance Voucher Checks for a total of \$719,802.20: and Operation and Maintenance Vouchers and Rebates to be paid prior to the next Regular Meeting. Motion approved unanimously on roll call.
- D. Correspondence March as listed:
  - Copy of email dated February 26 from Peggy Jension, Manager of Key Account WPPI Energy RE: SCA Menasha commitment to join the SEM Focus on Energy program .
  - Copy of email dated March 13 from Laura Cornwell RE: American Public Power Association's 2014 Safety Awards of Excellence.
  - Copy of invitation from Davis & Kuelthau RE: 37<sup>th</sup> Annual Public Officials Program.
  - Copy of Menasha Utilities Newsletter dated March 2015

  - Copy of letter dated April 10 from Dan Lambe RE: Tree Line USA Recognition.
  - Copy of letter dated March 16 from St. Mary's School RE: Thank You.
  - Copy of Menasha Utilities Newsletter dated April 2015.

Item IV. Claims Against The Utility – there were no claims discussed at this meeting.

Item V. Purchase Orders over \$10,000.00 issued since the last Commission meeting were presented along with an additional purchase order #8150 to KC Industries.

Motion by Comm. Allwardt, seconded by Comm. Merkes was unanimous on roll call to approve the purchase orders as presented with the addition of PO #8150 to KC Industries in the amount of \$18,896.67 for Fluoride.

Item VI. Unfinished Business, Lead & Copper Testing/Lead Water Service Ordinance – The PSC would like to see an ordinance in place prior to considering a deferred payment arrangement. Socialization of costs is the concern with the proposal and consideration of a deferred payment arrangement option. Staff was directed to continue to work on funding options with the PSC and City and bring the findings back to the Commission.

Due to the Business Operations Accountant Hubertus leaving early, Strategic Reports Items B & C were advanced for discussion.

Item VIII. Strategic Reports, February Financial and Project Status Reports – There were no additional questions on the February Financial reports.

March Financial and Project Status Reports – During the first quarter the cost of power was 5% higher than budget resulting in a Net Operating Income lower than budget. Most other operating expenses were under budget which helped offset the higher cost of power.

Water consumption was 12% higher than budget driven mainly by the Industrial class. Staff is monitoring the 12.56% system losses.

The Commission asked to have an estimated completion timeline created for older projects that are on the Project Status reports.

After discussion, the Commission accepted the February and March Financial and Project Status Reports as presented.

Item VII. New Business, 2014 Audit – The Utilities received a clean opinion with no reported instances of non-compliance on its financial statements and ended the year with a positive net position.

On the Statement of Net Position, the most significant change in Assets was the removal of the Steam Plant from Property held for sale under Noncurrent Assets. The largest changes in Liabilities were a decrease in Accrued Interest and General Obligation Notes from the transfer of outstanding debt on the Steam Plant to the City of Menasha.

On the Statement of Revenues Total Operating Income was up from 2013 due mainly from having a full year of new rates in effect. Special Items shows an increase from a combination of Debt assumed by City of Menasha and Loss on Impairment and Disposal of Assets from the Steam Plant.

The motion by Comm. Roush, seconded by Comm. Zelinski was unanimous to accept the 2014 audit.

Quarter Century Club Inductee – Commission President Allwardt recognized Gary Pagel, Water Plant Operator, for his 25 years of service; Gary was unable to attend this meeting.

Professional Services Agreement for Unidirectional Flushing Program – Agreement No. M0032-950001, from McMahon, is for professional services of a Unidirectional Flushing Program. Scope of services includes assisting staff with laying out segments, procedures for flushing, projecting flow rates, simulating conditions during flushing and assisting with evaluating results of the program in the amount of \$5,000.

Motion by Comm. Roush, seconded by Comm. Allwardt was unanimously approved to accept the agreement for professional services from McMahon for the Unidirectional Flushing Program project in the amount of \$5,000.

Ms. Hubertus departed at 9:00 a.m.

Human Resources Position – A copy of a memo regarding hiring a Human Resources Coordinator for the City of Menasha was included in the packet. Staff is looking into utilizing the City's Human Resources person on a project or time spent basis and would be included in the hiring process.

The Commission asked to have an expected number of hours per month the Utility would like to work with the Human Resources Coordinator created for budgetary purposes.

Motion by Comm. Roush, seconded by Comm. Merkes was unanimously approved to have the Utility Commission endorse the joint creation of the Human Resources Coordinator position in order to provide services to both the City and the Utility.

Lawn Care Services – Staff discussed the cost differences between outsourcing the lawn mower service and continuing to do it in house with the purchase of a new lawnmower.

The motion by Comm. Merkes, seconded by Comm. Zelinski was unanimously approved on roll call to purchase a new lawnmower and use summer help when available otherwise use internal staff to cut grass.

Digger Derrick Truck #42 Replacement – Electric Manager Menting discussed the differences between the two Digger Derrick trucks and recommended the purchase of the Versalift TMD2047T Digger Derrick with the options listed. Staff will look into selling the Digger Derrick Truck #42 outright before trading it in on a new model.

The motion by Comm. Roush, seconded by Comm. Zelinski was unanimous on roll call to approve the purchase of the Versalift TMD2047T from Utility Sales with the options listed.

Fox River Crossing – During approval of construction drawings for the two steel towers and assembled foundation cages the need for two addition structural arms to each structure were identified. In addition, original estimates of the total project cost were inadvertently missing work

that was scheduled to be completed on River Street and Lawson Street. The total cost increase to the project would be \$63,990.

The motion by Comm. Allwardt, seconded by Comm. Roush was unanimous on roll call to approve an additional \$63,990 for the Fox River Crossing project and re-allocate \$63,990 from the rebuild of the distribution system on Garfield Street and the Washington Street Parking Lot Project to the Fox River Crossing project.

Commission President Allwardt left the meeting at 9:50 a.m. Commission Vice-President Roush took over the meeting.

Tuition Reimbursement – Changes to the draft agreement would be the addition of language on page two, item 5, to cover employees who fail to complete the program as a Utility employee within the allotted time period. Language would also be added to the Employee Handbook that references a Tuition Reimbursement Agreement between employees and the Utility.

A motion was made by Comm. Roush, seconded by Comm. Zelinski to approve the Tuition Reimbursement Agreement subject to clarification of page 2, item 5.

General discussion ensued regarding utilizing a tuition reimbursement agreement for other apprentices of the Utility.

A motion was made by Comm. Merkes to amend the previous motion to update the document as appropriate for all apprentice programs of the Utility. Comm. Zelinski seconded the motion for discussion.

Motion to amend carried 4-0.

The motion, as amended, carried on roll call 4-0.

WE Acquisitions – The acquisition of 2 customers off of 10 & 114 located in the City of Menasha is finishing up; more details are needed with the Deerfield project; Valley Road is on hold pending additional planning; 3 customer acquisitions on Rue Reynard are being designed.

Item VIII. Strategic Reports - Monthly Strategic Initiative Update for February & March – The February and March reports were discussed.

Project Reports, Water Plant Projects – The Low Lift project is complete and staff is working on rebates through WPPI and Focus on Energy. There has been discussion with the DNR regarding the Source Water Study, additional information will be sent to them.

Notice of Non-Compliance, Monitoring – Water Utility Manager Gosz explained the water samples submitted to the DNR were required to be collected between 2/5/15 and 2/15/15. Staff collected the samples early on 2/4/15 which triggered a monitoring violation.

Metering Practice & Plan – Meter testing has continued through the month; an issue, which resulted in an undercharge to a customer, is being looked into. A letter from the PSC, included in the packet, explains the Net Coincident Billing which will affect 6 customers. A Rider was filed and approved with the PSC; affected customers are being contacted.

Item IX. No one from the Gallery was heard on any topic of public concern to the Utility.

Item X. The motion by Comm. Zelinski, seconded by Comm. Roush, was unanimously approved on roll call to adjourn at 10:18 a.m.

By:	MARK L. ALLWARDT	JOANNE ROUSH	DAN ZELINSKI

### **Joint Finance Committee Takes up Recycling Grants Tomorrow**

The funding level of the state's recycling grant program will be decided by the Joint Finance Committee when it meets tomorrow. The Governor recommends in his budget bill, [AB 21/SB 21](#), reducing funding for the program from \$19 million to \$15 million in the first year of the state budget and restoring it back to \$19 million in the second year.

The League opposes the \$4 million cut to the recycling program in the first year of the state budget. The proposed cut of nearly 22% falls on top of a 40% reduction in 2011. The result would be a cumulative reduction of over 50% in just 5 years' time. These cuts pose a risk to municipal and county recycling programs across the state. Even at the current funding level, the grants cover only 17.5% of responsible unit recycling program costs statewide. At \$15 million the grant program would cover only 15% of municipal and county recycling costs statewide.

**Take Action Now.** Contact your state legislators and tell them to make sure the Joint Finance Committee rejects the Governor's proposed \$4 million cut in the recycling grant program.

We have made it easy for you to do this. **Simply click on the following link** and follow the instructions for sending a pre-written e-mail to your legislators urging them to support full funding of the recycling grant program: <http://bit.ly/LWMJFCRecycling>

### Joint Finance Committee Retains \$4 million Cut to Recycling Grant Program

This afternoon, the Joint Finance Committee voted along party lines to reject a motion that would have eliminated the Governor's recommended \$4 million cut to the recycling grant program in the first year of the state budget. The vote was 12 against and 4 in support. As a result of today's JFC action, funding for the recycling grant program will be reduced from \$19 million to \$15 million in the first year of the state budget and restored back to \$19 million in the second year.

Our thanks to all municipal officials who communicated with their legislators about this issue. Municipal officials sent over 160 emails to state legislators urging them to reject the \$4 million cut to recycling.

## Memorandum

DATE: May 14, 2015

TO: Menasha Common Council

FROM: Mark Radtke, Director of Public Works *MR*

RE: Gilbert Trail Project Costs

At the previous Board of Public Works meeting, Ald. Zelinski asked that a report be prepared estimating the increased cost to relocate the Gilbert Site trail around the duck pond. At this somewhat early stage of the project, a precise final cost difference projection may not be accurate because of possible unforeseen conditions. In addition, there is no separate itemized quantity for the pond excavation, construction staking, site mobilization or site preparation so our best conservative estimate of cost share was used in preparing the report.

The following increased project costs are attributable to the relocation of the trail around the pond.

- Site preparation/staking \$ 1,500
- Pond excavation \$15,600
- Flex-a-Mat installation \$12,000
- Additional trail length \$ 6,800
- Additional light pole \$ 1,300
- Storm sewer items \$ 8,560
- City crews (tree removal) \$ 6,200

Total = \$51,960

The original fiscal impact estimate provided to the Common Council in 2014 for the trail relocation is \$59,796. At this point in construction, our projected cost increase is well within the original estimate.

## PROCLAMATION

# National Public Works Week

May 17-23 2015

**WHEREAS**, Public Works infrastructure, facilities and services are of vital importance to the health, safety, and well being of the people of this community and the support of an understanding and informed citizenry is vital to the efficient operation of public works systems and programs ; and

**WHEREAS**, the efficiency of the qualified and dedicated employees who staff public works departments is materially influenced by the citizens' attitude and understanding of the importance of the work they perform; and

**WHEREAS**, the quality and effectiveness of these facilities and services, as well as their planning, design, and construction, are vitally dependent upon the efforts and skills of public works employees; and

**WHEREAS**, it is important that our young people know that public works has rewarding careers; from the professionals who envision future communities, to the engineers who design them, to operation and maintenance the facilities, infrastructure, and systems that protect and enhance our quality of life every day; and

**WHEREAS**, this year's theme "Community Begins Here" recognizes there would be no community without the quality of life public works provides. Public works plays a key role in the planning, building and maintenance of infrastructure projects in their communities that will allow future generations to enjoy a higher quality of life.

**NOW, THEREFORE, BE IT PROCLAIMED**, that I, Donald Merkes, Mayor of the City of Menasha, do hereby proclaim the week of May 17-23, 2015 to be

## MEMORANDUM

TO: City of Menasha Board of Public Works  
From: Nancy McKenney, RDH, MS, Public Health Director  
Date: April 28, 2015  
RE: City of Menasha Senior Center Renovation – Change Orders

### BACKGROUND

As you know, the Menasha Senior Center was included in the 2014 Budget. The funding for this project, as was laid out in the budget, is as follows:

CDBG Grant: \$175,000

City Share (2014 Capital Projects Budget – Borrowing): \$87,500

Donations: \$87,500

Estimated Total Project Cost: \$350,000

Current project costs:

\$330,358.50 Commonwealth Construction

\$ 92.74 **Proposed change order expenses**

\$330,451.24 Total current project costs

To date current grant obligations are:

\$ 165,225.62 Grant Share (50 percent)

\$ 82,612.81 City Share (25 percent)

\$ 82,612.81 Donations (25 percent)

Donations as of January 30th:

\$ 82,589.63 Goal

\$ 42,753.41 Raised

\$ 30,000.00 Pledged (Note: \$10,000 pledged in 2016)

\$ 9,826.22 Balance to raise

### ANALYSIS

Overall Senior Center renovation project costs are under budget. Additional curb installation will be over the contract amount (Commonwealth Construction \$335.74). An exhaust fan was not required and resulted in a cost savings (Engelos Heating and Cooling (-\$243.00)). The total change order is \$92.74.

### FISCAL IMPACT

Approving the change orders will allow the City of Menasha to leverage block grant funds for items not originally in the specifications.

### RECOMMENDATION

Staff recommends that project changes be approved.

RE: Recommendation to Award – Contract Unit No. 2015-02; Library/City Hall Re-roofing Project; Borsche Roofing Professionals, Inc.; \$106,659.78

The City of Menasha publicly opened bids on Tuesday, April 28<sup>th</sup> for Contract Unit No. 2015-02, Menasha Library/City Hall Re-Roofing Project. Two bids were received as indicated on the enclosed itemized bid tabulation.

The project consists of removing the existing roofing and insulation materials and placement of a new roofing system with new roof drains, flashing and appurtenances. The City requested an alternate bid for the use of a single ply TPO roofing system. The TPO roof offers a long life, highly reflective, energy efficient system. Seams are heat welded providing greater reliability and simple, long lasting repairs.

After reviewing the bids and finding them to be accurate and compliant, we recommend Contract Unit No. 2015-02, including Alternate Bid, be awarded to Borsche Roofing Professionals, Inc. of Hortonville, Wisconsin in the amount of \$106,659.78. The budgeted amount for this work is \$130,000.00 (\$85,000 Library and \$45,000 City Hall).

## Memorandum

Date: May 07, 2015  
To: City of Menasha Common Council  
From: Brian Haessly, Facilities Technician and Electrician  
Re: City of Menasha Public Library Roof Replacement

In light of some questions that were raised regarding the reroofing project at the Library and its scope, attached is a print distinguishing which portion of the roof will be replaced. The roof on the portion of the building built in 2003 is NOT being replaced. On the attached picture the pink outlined area is the original library and is the area that will be replaced.

The present roof on this portion of the library is a built-up asphalt roof, which commonly have a 15 to 20 year life span. As far as we know, there has been no replacement done on the original library roof at least as far back as the mid 1980's, with the roof potentially being original. There may have been a layer added over the top sometime prior to the mid 1980's, but we are unsure and regardless we are definitely at the end of its life expectancy and it is need of replacement to alleviate the leaks that keep occurring.

With a built-up asphalt roof like we have on the library, after aging and wear, common problems start to occur. There will be cracking and lifting at edges, flashings, and seams, therefore allowing water in where it then freezes and creates a chase for it to flow under the rubber and eventually into the building. This is especially prevalent in our area, since we are considered a "freeze-thaw" climate, where the smallest imperfection in the roof after aging can become an opening for the water and potentially causing a leak. It eventually becomes nearly impossible to pinpoint the leaks, as the water can travel in channels and such in the roofing base under the asphalt top coat and flow to any opening where it can enter the building. In addition repairing and "splicing" on an older roof is tricky and is difficult to create a water tight seal. There have been multiple repairs on the roof due to leaks we have experienced.

The TPO roofing we are installing is an energy efficient membrane that is "green", meaning it is eco-friendly and is also reflective, therefore helping drive air conditioning costs down as most of the heat is reflected away from the roof. It is durable, yet lightweight, and has a 30 year warranty. And it also retains its pliability well allowing for easy repairs if the need arises in the future.

RE: Beverage Operator License (Bartender) Applicants  
Date: May 13, 2015

The below individuals have applied for a bartender license to serve, dispense and/or sell alcohol at a licensed establishment within the City. They have all met the criteria under the "Guidelines for Operator Licenses" approved by the Common Council. Therefore, staff is recommending the following people be **APPROVED** for an Operator's License for the **2013-2015** licensing period:

Alexus Thomas  
Shaina Carlson  
Kristi Mattison (for remainder of May and June, 2015)  
Guilherme DeOliveira  
Suman Rijal

The below individuals have applied for a bartender license to serve, dispense and/or sell alcohol at a licensed establishment within the City. They have all met the criteria under the "Guidelines for Operator Licenses" approved by the Common Council. Therefore, staff is recommending the following people be **APPROVED** for an Operator's License for the **2015-2017** licensing period:

Becky Weber	Kimberly Mattison
Kristi Mattison (for 2015-2017)	Flavio Sanchez
Kimberley McFarland	Oscar Sanchez
Melissa Drawenek	Keenan, Brace
Nancy Vazquez Leon	Debbie Foth
Michael Smarzinski	Sandra Wyngaard
Stephanie Feavel	Monique Abram
John Rae	Steven Andrews
Suezete Ebben	Tyler DeBruin
Jaclyn Wright	David Schroeder
Melanie Fehn	Tori Francart
Victor Tello	Crystal Short
Todd Laflin	Janice Smarzinski
Derek Selle	

The following individual has applied for a bartender license to serve, dispense and/or sell alcohol at a licensed establishment in the city. They have not met the criteria under the "Guidelines for Operator Licenses" approved by the Common Council. Therefore, staff is recommending the following person be **DENIED** an Operator's License:

Ashley Rowsey (Denial Letter attached)

**Re: City of Menasha Alcohol Operators License Application**

Dear Ms. Rowsey,

Upon conducting a background investigation in relationship to your Alcohol Operators License Application, the following convictions were identified:

On April 1, 2008, you were convicted of Disorderly Conduct and Bail Jumping with additional charges of Possession of Cocaine and Bail Jumping read in. This resulted from an arrest that occurred on March 15, 2008 in Kenosha County, Wisconsin.

On July 24, 2008, you were convicted of Disorderly Conduct for an offense that occurred on June 30, 2008 in Kenosha County, Wisconsin.

On October 28, 2010, you were convicted of Criminal Damage to Property based on an arrest that occurred on September 15, 2009 in Lincoln County, Wisconsin.

On May 14, 2010, you were convicted of Criminal Trespass to a Dwelling and Bail Jumping with additional charges of Battery, Criminal Damage to Property and Bail Jumping dismissed, but read in. This resulted from an arrest on August 20, 2011 in Lincoln County, Wisconsin.

On May 23, 2012, you were convicted of Second Offense O.W.I. as a result of an arrest on March 17, 2011 in Lincoln County, Wisconsin.

On December 6, 2011, you were convicted of Operating While Suspended resulting from an arrest on August 20, 2011 in Lincoln County, Wisconsin.

On May 2013 you were convicted of Bail Jumping as a result of an arrest on February 19, 2012 in Lincoln County.

Based on your background investigation, I will be recommending that the city of Menasha Common Council deny your request for an Alcohol Operators License in the city of Menasha because under Guideline #3 you are considered a Habitual Law Offender.

Engaging in bartending involves the purchase and sale of a closely regulated substance/alcohol. Individuals granted an Alcohol Operators License must act in cooperation with Law Enforcement to enforce the Alcohol Beverage Laws, Drunk Driving

Laws and assist with minimizing disturbances of the peace and maintaining the safety of the community.

The incidents that you have been convicted of substantially relate to the license for which you have applied and arose out of separate incidents which occurred over the last seven (7) years.

The city of Menasha Police Department is recommending to the Common council that they deny your application for an Alcohol Operators License within the city of Menasha. The recommendation will be given to the Common Council at its next meeting on Monday, May 18, 2015 at 6:00 p.m. or shortly thereafter. Should you wish to provide comment to the Common Council on your application, you may do so during the public participation portion of the meeting.

Sincerely,

Lt. Ronald Bouchard

RE: Development Agreement with Menasha Downtown Development, LLC

Staff from the Community Development and Administrative Services departments as well as the Mayor have been working in earnest over the last several weeks to create a development agreement that will enable the redevelopment of properties at Main and Mill streets. I have previously communicated what I believe to be transformative effect the multi story office tower and 300 plus new employees will have on the physical, cultural and economic characteristics of our downtown, and the overall uplifting influence this project will have on our community as a whole. You have heard similar commentary at prior Administration and Common Council meetings from many of our Main Street business owners, as well as others who are wanting this project to move our community forward.

I am pleased to report that we have reached consensus on the terms of a development agreement with Menasha Downtown Development, LLC and are now presenting it to you for your consideration. The basic terms of the agreement contemplate the developer paying all of the development costs for the office tower and financing the cost of the parking structure necessary to accommodate employee parking generated thereby. The city is expected to make certain infrastructure improvements to enable the safe access of the office building employees to the parking structure as well as some utility relocations. The parking structure is planned to be turned over to the city at no cost in the year 2043.

The developer has requested assistance to help pay for its land assembly costs and for costs associated with building and maintaining the parking ramp. These costs are anticipated to be supported by the creation of Tax Incremental Finance District, the sharing of tax increment from another TIF district, a Community Development Investment Grant from the Wisconsin Economic Development Corporation and an advance from the city's general fund. The developer will be repaid its costs from the TIF district tax increments, grant sources and the advance of city funds. The city expects to be repaid its expenses for infrastructure improvements, utility relocations and the advance from the general fund from tax increment created by the office tower project.

Staff has taken due care in evaluating the financial projections and are satisfied that the amount of assistance provided to the developer as well as the city expenses can be met within the life of the proposed TID 13 using the financing schedule set forth in the development agreement. We have used the best information available to us in formulating our projections and represent to you that barring unforeseen circumstances the city's investment will be repaid.

Due to the critical timetable for the start of construction, we ask that the Common Council undertake its review of the proposed agreement and direct any questions or concerns to the appropriate city staff and/or the developer prior to Monday's Common Council meeting so we

can address them as effectively as possible. Our contact information is listed below. If outside of office hours, please contact us by email and we will reply either by phone or email.

While we understand that this project requires a substantial investment by the city and that there is a certain level of risk with a project of this nature, there is also the prospect for great reward. I urge you to be mindful of the possibilities the project will bring to Menasha and encourage your support for taking this next big step forward.

## DEVELOPMENT AGREEMENT

THIS DEVELOPMENT AGREEMENT (the "Agreement") is by and between MENASHA DOWNTOWN DEVELOPMENT, LLC ("Developer") and CITY OF MENASHA, WISCONSIN ("City").

### RECITALS

A. Developer owns or has rights to acquire certain real property legally described on Exhibit \_\_\_ attached hereto and made a part hereof (the "Property") and located within the City of Menasha (the "City").

B. The City desires to encourage economic development, expand its tax base, create new jobs and attract increased commerce to its downtown.

C. Section 66.1105 of the Wisconsin Statutes (the "Tax Increment Law") provides the authority and establishes procedures by which the City may exercise powers necessary and convenient to carry out the purposes of the Tax Increment Law, cause project plans to be prepared, approve such plans, implement provisions and effectuate the purposes of such plans, and finance such development through the use of Tax Incremental Financing.

D. The City Council of the City of Menasha proposes to, i) adopt resolutions authorizing creation of such district and project plan to include therein certain real property, and ii) ratifying and affirming the City's authority to enter into this Agreement. The district is referred to herein as the "District" and the project plan is referred to herein as the "Project Plan."

E. Developer proposes to develop within the Property a multi-story office building ("Building") as well as a 300 stall parking garage ("Parking Garage") on City-owned property near the Property (the Building, Parking Garage and related improvements to be completed by Developer hereunder are collectively referred to as the "Project"). Developer anticipates that the total cost of constructing the Project will be no less than Sixteen Million Eight Hundred Thousand Dollars (\$16,800,000.00), exclusive of land acquisition and development costs of One Million Seven Hundred Fifty Thousand Dollars (\$1,750,000.00).

F. All terms capitalized but not defined in this Agreement that are defined in the Tax Increment Law shall have the definitions assigned to those terms by the Tax Increment Law.

NOW THEREFORE, based on the foregoing recitals and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the City and Developer hereby agree as follows:

## ARTICLE I

### DEVELOPER OBLIGATIONS

- 1.1 Acquisition of Real Estate. On or before June 1, 2015, Developer shall: (i) acquire the Property, and (ii) enter into a ground lease with the City with respect to the real property upon which the Parking Garage will be constructed. Developer shall grant the City or any public utility such easements as are reasonably necessary for public improvements, infrastructure, ingress or egress, utilities, lighting or

landscaping or any other need necessary to effectuate the Project Plan at no cost to the City.

- 1.2 Construction of the Project. Developer shall begin construction of the Project no later than June 1, 2015 and such construction shall be completed no later than June 1, 2016. The Project shall be constructed in accordance with the Project Plan reviewed and approved by the City and in a good and workmanlike manner consistent with prevailing industry standards for construction in the Menasha, Wisconsin area. Developer construction shall be done in such a manner so as not interfere or delay the City's obligations hereunder.
- 1.3 Public Records Compliance. Developer understands and acknowledges that the City is subject to the Public Records Law of the State of Wisconsin. To the extent that Developer retains a record subject to the Public Record Law, Developer agrees to retain such record for a period of not less than seven (7) years. Developer agrees to provide reasonable assistance to the City in complying with any public records request that the City receives pertaining to this Agreement. Developers agrees to indemnify and hold the City, its officers, employees and authorized representatives harmless from and against any liability, including without limitation, reasonable attorney fees, relating to or in any way arising from Developer's breach of its obligations under this Section 1.3 which breach directly results in the City's inability to comply with the Public Records Law. This provision will survive termination of this Agreement.
- 1.4 Repair of City Property. Developer will repair and/or replace any damaged City-owned infrastructure or other City-owned property that may occur as a result of Developer's construction of the Project, except for those repairs/replacements that are defined as the City's responsibility pursuant to this Agreement in Section 2.7 below, which repair/replacement shall be solely at City's cost and expense.
- 1.5 Use of CDI Grant Funds. In the event that the City is awarded, accepts and receives a CDI Grant, the Developer agrees that, upon payment of such funds to Developer, such funds shall only be used for purposes of development of the Building and the terms and conditions of acceptance of the grant monies imposed by the Wisconsin Economic Development Corporation will be incorporated herein and made a part of this Agreement.

- 1.6 Public Use of Parking Garage. So long as Developer owns the Parking Garage, Developer shall allow the ground level of the Parking Garage to be used as public parking outside of its Tenants' normal business hours. City shall cause its insurance to be primary relative to the public use of the parking garage.
- 1.7 Maintenance of Parking Garage. At all times prior to conveyance to the City as set forth in Section 1.8 below, Developer shall maintain the Parking Garage in accordance with industry standards, which shall include regular maintenance and inspections. Developer shall keep a log of all such maintenance and inspections. The City shall be permitted to inspect the condition of the Parking Garage and review and receive a copy of all maintenance and inspection records of Developer relating to the Parking Garage at any time during the term of the Ground Lease upon reasonable advance notice.
- 1.8 Conveyance of Parking Garage. Upon the expiration of the ground lease between Developer and the City, Developer shall convey to the City the Parking Garage in exchange for the purchase price of \$1.00. Upon such transfer, Developer shall continue to have the right to use 300 stalls in the Parking Garage during normal business hours for a period no less than an additional 20 years thereafter by paying a mutually agreeable annual fee, which fee may be reviewed annually, but shall at all times be consistent with then prevailing rates for parking in the Fox Cities. Developer shall convey the Parking Garage to the City free and clear of all liens and encumbrances and in reasonable condition, including wear and tear, for a used parking garage of similar age and construction. Developer understands and acknowledges that, upon such transfer, the City may create a parking utility to fund maintenance and operation of the Parking Garage. Developer acknowledges that it benefits from the Parking Garage and that it will provide reasonable cooperation to the City in creating such parking utility.
- 1.9 Value of Building. The Developer and City expect that the initial assessed value of the Building (including land and buildings), commencing on the first full tax year following substantial completion shall be not less than the \$12,000,000. Until the the expiration of the statutory life of the District, Developer agrees that it shall not contest any assessment of the Building (including land and buildings) so long as that assessment does not exceed the then current Valuation Threshold. For purposes of this Section 1.9, the "Valuation Threshold" shall initially be an amount equal to

\$12,000,000 for the first tax year after substantial completion of the Building and such amount shall be increased by 1.5% for each tax year thereafter.

## ARTICLE II

### CITY'S OBLIGATIONS

- 2.1. Payment of Site Acquisition/Development Costs. The City shall pay to Developer site acquisition and development costs in the amount of One Million Seven Hundred Fifty Thousand Dollars (\$1,750,000.00) in the following manner: (i) the City shall pay Seven Hundred Fifty Thousand Dollars (\$750,000.00) upon approval of the TID #5 project plan amendment which will enable the sharing of increment to TID #13 , and (ii) the City shall pay One Million Dollars (\$1,000,000.00) no later than the one (1) year anniversary of commencement of construction of the Project (the "Second Incentive Payment"). In the event that the City receives funds from a CDI grant, the City shall immediately pay over such funds to the Developer as an installment payment towards the Second Incentive Payment and the balance due for such Second Incentive Payment shall be reduced by the amount of such CDI grant funds actually paid to Developer. The Second Incentive Payment shall not bear any interest so long as such amount is paid timely hereunder. In the event the CDI grant payment is conditioned upon completion of construction, then Developer will waive the terms of this section and require that the CDI grant funds are paid within 45 days of completion of the Project.
- 2.2. Creation of Tax Incremental District. The City finds that financial incentive is necessary to the implementation of the District. The City shall use its best efforts to create the District promptly upon execution of this Agreement. Until the Developer has been paid, in full, all amounts owed to it under this Agreement, the City covenants and agrees to refrain from causing the early termination of the District prior to the District's full statutory life. The District shall at all times comprise at least the properties described in the attached Exhibit C.
- 2.3. Performance Incentives Terms. The City shall, as a development incentive (collectively the "Performance Incentives"), provide financial assistance to Developer for the development of the Project

by making the payments in the amounts and upon the terms set forth below.

- 2.4. 2.3.01. General. Performance Incentives up to Seven Million Nine Hundred Forty-Two Thousand Six Hundred Twenty-Eight Dollars (\$7,942,628.00), including interest and ramp maintenance incentives, may be paid by the City to the Developer. In the event that the Developer is required to pay any real or personal property tax relating the Parking Garage and not attributed to the value of the Building during any tax year, the total amount of Performance Incentive shall automatically be increased by the amount of such tax paid by the Developer and the Performance Incentive payable to Developer in such tax year shall automatically be increased by such amount.

2.3.02. The Performance Incentive Terms shall take effect upon completion of construction in accordance with approved plans and this Agreement, as demonstrated by the issuance of an occupancy permit with respect to the Building and Parking Garage.

2.3.04. Payments to Developer shall be made only from ninety-five percent (95%) of the Tax Increment generated from the Project through 2041; and shall be made only from five (5%) of the Tax Increment generated from the Project from 2042 to the close of the District, along with any remaining Tax Increment after all City costs described on the attached Schedule 1 have been paid (the "Available Tax Increment").

2.3.05 Payments. Payments shall be due in annual installments beginning on October 1, 2017 and continuing on each October 1 thereafter through October 1, 2043.. Each October 1 payment date described in this Section is referred to as a "Performance Incentive Payment Date." Prepayment of the amounts evidenced by these Performance Incentive Terms may be made in full or in part at any time without penalty. If, by the final Performance Incentive Payment Date, there has been over the life hereof insufficient Tax Increment to pay all Performance Incentive due to Developer, the City shall have no further obligation to make any payments whatsoever under these Performance Incentive Terms. Notwithstanding anything contained herein to the contrary, in the event that the Developer is required to pay any real or personal property tax relating the Parking Garage and not attributed to the

value of the Building during any tax year, the total amount of Performance Incentive shall automatically be increased by the amount of such tax paid by the Developer and the Performance Incentive payable to Developer in such tax year shall automatically be increased by such amount.

2.3.06. Nature of Obligation. The principal and interest payments to be made on the Performance Incentive Payment Dates shall be payable solely from the Available Tax Increment from the District (a) accrued during the calendar year or years preceding the applicable Performance Incentive Payment Date, and (b) actually received by the City by such Performance Incentive Payment Date. The Performance Incentives shall be a special and limited obligation of the City and not a general obligation.

2.3.07. Subject to Appropriations. The City's obligation to make payments on these Performance Incentive Terms shall be conditioned on the requirements that: (i) the City's Common Council shall appropriate Available Tax Increment to make such payments, (ii) there shall not be an event of default on the part of the Developer under the Agreement, and (iii) all payments then due under any special assessments, if any, have been paid. If the condition described in (i) is not met upon a particular Performance Incentive Payment Date but subsequently is met, then the payment that had otherwise been due on such Performance Incentive Payment Date shall be made within ten (10) days after the date such condition is met.

2.3.08. Miscellaneous. These Performance Incentive Terms are subject to the Tax Increment Law.

2.5. Ground Lease. The City shall, on or before June 1, 2015, enter into a ground lease with Developer, with respect to the property described on Exhibit A for the purpose of allowing the construction and operation of the Parking Garage by Developer. The ground lease shall have a term that expires upon the termination of the District, and such ground lease shall have annual lease payments of no more than \$1.00.

2.6. Acquisition of Parking Garage. Upon the expiration of the ground lease between Developer and the City, the City shall purchase the Parking Garage in exchange for the payment of \$1.00. Upon such

purchase, Developer shall continue to have the right to use 300 stalls in the Parking Garage during normal business hours for a period no less than an additional 20 years thereafter by paying a mutually agreeable annual fee, which fee may be reviewed annually, but shall at all times be consistent with then prevailing rates for parking in the Fox Cities. Developer shall convey the Parking Garage to the City free and clear of all liens and encumbrances and in reasonable condition, including wear and tear, for a used parking garage of similar age and construction. The City may create a parking utility to fund maintenance and operation of the Parking Garage. In the event the City terminates operation of the Parking Garage, the City may substitute 300 surface parking stalls or other parking stalls within reasonable proximity to the Building for Building tenants' use and any charges for such parking shall be at then prevailing rates for parking in the Fox Cities.

2.7. City Improvements. The City shall perform the following improvements relating to the Project (collectively the "City Improvements") (Reference Exhibit G) all at the City's sole cost and expense:

- i) common dumpster removal and/or relocation,
- ii) reconstruction of crosswalk over Main Street and walkway link between Main Street and the Parking Garage,
- iii) gas line relocates servicing primarily other properties,
- iv) electrical service relocates servicing primarily other properties,
- v) sanitary connection related to the Building in an amount not to exceed \$6,300.00,
- vi) storm sewer connection related to the Parking Garage in an amount not to exceed \$4,000.00,
- vii) storm sewer connection related to the Building in an amount not to exceed \$6,150.00,
- viii) restoration and/or repair of all streets, sidewalks, gutters and curbs, adjacent to Building on Mill and Main Street and on the south side of Broad Street, necessary as a result of the construction of the Project. In the event that other utilities need to be relocated as a result of the Project, Developer shall pay for those which relocation is necessary to serve the Project and which primarily benefit the Project. The City shall be responsible for any other utility relocations. The City Improvements shall be performed in a good and workmanlike manner and consistent with prevailing industry standard for construction in the area of the City. The City Improvements shall be constructed in such a manner as is consistent

with the Project Plan and shall be done in such a manner so as not to interfere or delay the Developer's obligations hereunder. The City Improvements shall be completed on or before June 1, 2016.

- 2.8. Conveyance of Surface Parking Area. Within 15 days of execution of this Agreement, the City shall convey to the Developer the vacant land adjacent to the Property described on the attached Exhibit E ("Surface Parking Area") for use as surface parking in conjunction with the Project. The City shall convey the Surface Parking Area to the Developer free and clear of all liens and encumbrances (except utility easements of record, if any and the terms and conditions of this Agreement) with a reservation of rights to public parking and vehicular access as described below and necessary utility easements, if any and the purchase price shall be \$1.00. The City shall execute and deliver to the Developer all documents reasonably necessary to effectuate the conveyance of the Surface Parking Area to Developer. The City shall retain public use of six parking stalls at the west end of the Surface Parking Area at no cost to the City, which use shall contain a right of vehicular access to use such stalls along with the vehicular access for delivery vehicles to deliver goods and services to the rear of the buildings located at 163 Main Street, 165 Main Street and 167 Main Street, so long as such delivery vehicles do not block traffic or unreasonably interfere with the Developer's and its Tenants' use of the Surface Parking Area.
- 2.9. Construction Easement. Within 15 days of execution of this Agreement, the City by way of the Director of Public Works shall grant to Developer and its representatives and agents temporary construction easements over those portions of real property generally described in the attached Exhibit F to allow Developer to utilize such areas for staging, access, egress and related construction purposes for the Project. Such construction easements shall continue until June 1, 2016 and shall be in form and content reasonably agreeable to the parties.

## GENERAL

Madison, WI 53703

Notice shall be deemed delivered (a) in the case of personal delivery, on the date when personally delivered; or (b) in the case of certified or registered mail, on the date when deposited in the United States mail with sufficient postage to effectuate such delivery. Either party may change the address to which notice must be given by delivery of written notice to the other party in accordance with this Section 3.5.

- 3.6 Severability of Provisions. In case any one or more of the provisions contained in this Agreement shall, for any reason, be held to be invalid, illegal or unenforceable in any respect, such invalidity, illegality or unenforceability shall not affect any other provision hereof, and this Agreement shall be construed as if the invalid, illegal or unenforceable provision had never been contained herein.
- 3.7 Time of Essence. Time is of the essence.
- 3.8 Counterparts. This Agreement may be executed in any number of counterparts, each of which shall be deemed an original.
- 3.9 Defaults; Litigation. Neither party shall be deemed to be in default under this Agreement for failure to perform any term or condition of this Agreement unless the other party (the "Non-Defaulting Party") has first given the party alleged to be in default (the "Defaulting Party") written notice describing such failure, and the Defaulting Party does not, within thirty (30) days thereafter, cure such failure (an "Event of Default"). Following an Event of Default, the Non-Defaulting Party shall have all rights and remedies available to it under law or in equity against the Defaulting Party.
- 3.10 Headings. Descriptive headings are for convenience only and shall not control or affect the meaning or construction of any provision of this Agreement.
- 3.11 Recording. Either party may record this Agreement.
- 3.12 Compliance with Laws. In carrying out its obligations under this Agreement, Developer agrees to comply with all laws of all governmental authorities having jurisdiction.

- 3.13 Contingent Upon Approval. The Developer acknowledges that the undertakings of the City described in this Agreement require approvals from the City's Common Council and/or Planning Commission as well as from governmental bodies external to the City, some of which may require public hearings and other legal proceedings as conditions precedent thereto. The parties' respective obligations hereunder are conditioned upon the City obtaining all such approvals in the manner required by law. The City agrees to use good faith efforts to obtain such approvals on a timely basis.
- 3.14 In the event that all such approvals necessary for the TID #5 project plan amendment which will enable the sharing of increment to TID #13 and the creation of TID #13 have not been obtained on or before August 1, 2015, either party may terminate this Agreement upon written notice to the other party.

**REDEVELOPMENT AGREEMENT  
BETWEEN  
CITY OF MENASHA, WISCONSIN  
AND  
DEVELOPER**

**THIS AGREEMENT** is entered into on this 7th day of April, 1997, between the City of Menasha, a Wisconsin municipal corporation, ( hereinafter the "CITY") and McClone Downtown Development LLC (hereafter the "Developer"):

**WITNESSETH:**

**WHEREAS**, the CITY has determined that the development of office and commercial property in the Central Business District would be desirable for the City of Menasha; and,

**WHEREAS**, the DEVELOPER has contacted the CITY to express interest in investing in the redevelopment of this neighborhood, and the CITY has determined that the DEVELOPER is qualified to conduct this redevelopment project.

**NOW, THEREFORE**, the parties mutually agree as follows:

1. **PROJECT DESCRIPTION.** The Developer agrees to finance and construct an office and commercial building (hereafter the "Project") of not less than 50,000 square feet of masonry and brick construction on the property described as follows:

- SITE 1: That property now occupied by Household Rentals, Harder's Barbershop, and So' Cleaners more particularly described as:
- SITE 2: That property now occupied by Firststar Bank more particularly described as:
- SITE 3: That property which includes the Chute Street right-of-way more particularly described as:
- SITE 4: That property now owned by the City of Menasha which comprises Curtis Reed Square more particularly described as:
- SITE 5: That property now owned by the City which is a part of the current parking lot for the Menasha City Hall more particularly described as:
- SITE 6: That property now occupied by Randall's Auto Haus more particularly described as:

which site shall consist of not less than \_\_\_\_\_ square feet, (the "Site"). Dimensions and legal descriptions will appear on Attachment "A" as they become available.

2. **PLAN APPROVAL.** The Developer, prior to commencing construction, shall obtain the CITY'S approval of the plans for the redevelopment project which shall be in compliance with all codes and requirements of the City of Menasha, which shall be done not later than May 19, 1997. The City will cause all the Project parcels to be zoned for the intended uses of the Project and will expedite and facilitate all other necessary required plan approvals.

DEVELOPER agrees that it will not transfer the PROJECT or any of the property to any tax-exempt entity without prior approval of the CITY; however the City's approval shall not be required in connection with the granting of any mortgagees to finance the Project so long as that action does not cause the Project to be tax-exempt. The DEVELOPER will be responsible for any fees for zoning or building permits required under CITY ordinance or STATE law.

3. **TIME OF CONSTRUCTION.** Following timely acquisition of the Site by the CITY, the Developer agrees to complete construction of the Project not later than March 1, 1998. The City shall cooperate with the Developer to facilitate the Developer's performance. The City shall proceed with due diligence to construct and install all required public improvements and roadway modifications not later than March 1, 1998 or earlier as needed by the Developer, provided that any such requests shall be reasonable.

4. **SITE.** The DEVELOPER agrees at its sole expense to acquire the properties needed for the Project described in paragraph 1 as SITES 1 and 2, subject to the contribution of the City to such acquisition costs as may be required by the developer and further subject to the condition that all City contribution to the project not exceed \$1,100,000. The CITY agrees at its sole expense to acquire the properties need for the Project described in paragraph 1 as SITE 6 of this Agreement, utilizing its powers of eminent domain, if necessary, including the relocation of existing occupants, if required, agreed upon required infrastructure enhancements, and the clearance from the Site of existing improvements as set forth in demolition specifications to be prepared by the DEVELOPER and approved by the CITY. Any statutory imposed relocation cost sought or obtained by any relocated owner or tenant on any Project site shall be borne by the City. Such Site assembly shall be completed on or before March 1, 1998, or as soon thereafter as mutually agreed to by the parties.

The CITY agrees to sell to the DEVELOPER SITES 3, 5 and whatever portion of SITE 4 is necessary to complete the PROJECT. Whatever cost the CITY expends in purchasing SITE 6, including the demolition and removal of existing structures, backfilling with appropriate fill so as to support proposed parking lot, phase I, II, or III environmental assessments, any costs of environmental remediation not reimbursed through PECFA or other grants, and any cost to relocate existing utilities necessary for SITE 6 so as to comply with PROJECT shall be paid by the CITY, provided that such costs will be limited by a total contribution of the CITY to the PROJECT not to exceed \$1,100,000. The CITY shall provide street removal and replacement, curb and gutter removal and replacement, and backfilling appropriate to make SITES 3, 5 and that part of SITE 4 as has been transferred so as to support proposed structures and parking lots.

Any expense incurred by the CITY for these items shall not cause the total CITY contribution for the PROJECT to exceed \$1,100,000. Any cost to reconstruct the Broad Street Lot so as to provide the parking stalls included in the PROJECT plan will be borne by the CITY provided that the CITY'S entire contribution to the PROJECT does not exceed \$1,100,000. The City's total contribution of \$1,100,000 shall include only costs for outsourced services and amounts paid to third parties associated with the construction of the project. The City shall include in the eligible TIF expenses anything allowed under state law.

5. **PRICE.** The CITY shall sell SITES 3, 5 and whatever portion of SITE 4 as shall be necessary for the PROJECT to the DEVELOPER for \$5,000 at a closing to be held on or before June 10, 1997 at 10:00 a.m. at City Hall or such other place as the parties shall mutually agree. Should the PROJECT be not completed at any time for any reason, title to SITES 3, 5 and the part of SITE 4 which has been sold shall revert to the CITY. The CITY shall reimburse the DEVELOPER for any cost associated with DEVELOPER'S acquisition, structure demolition and removal, or site preparation for SITES 1 and 2 so long as CITY'S total PROJECT contribution does not exceed \$1,100,000.

6. **SITE PREPARATION.** The DEVELOPER shall demolish and remove any existing structures and foundations and shall backfill with appropriate fill to support proposed structures and parking lots for SITES 1 and 2.

7. **CLEAR TITLE.** For any property assembled by the CITY, the CITY shall provide clear title to the DEVELOPER upon closing, as evidenced by a commitment for title insurance consistent with comparable transactions containing only such standard exceptions as cannot be reasonably be waived under the circumstances.

8. **CERTIFIED SURVEY MAP.** DEVELOPER shall provide a Certified Survey Map of the site. If the CITY is asked to pay for the CSM, that cost shall not cause the CITY'S total contribution to the PROJECT to exceed \$1,100,000.

9. **PUBLIC PLAZA.** The CITY will develop a public plaza area as designated on the PROJECT description. The CITY has the right to incorporate a portion of the DEVELOPER'S property into the design of the public plaza upon the consent of Developer which consent shall not be unreasonably withheld. Any such property so used will be maintained by the CITY. The Developer shall prepare a conceptual design for the public plaza.

10. **SEWER.** The CITY will provide sanitary sewer, storm sewer, and water laterals to the property boundary or curb stop. The costs for all other utilities will be considered by separate agreement, if necessary. It is agreed that total CITY contribution to the PROJECT will not exceed \$1,100,000. DEVELOPER shall provide necessary easements for the portions of the relocated sanitary sewer, storm sewer and water main which may be located on DEVELOPER'S property.

11. **PARKING.** The CITY shall acquire the property now known as Randall's Auto Haus and reconfigure the Broad Street parking lot. One hundred twenty spaces of the Broad

Street parking lot shall be assigned to DEVELOPER'S tenants at a cost of \$1.00 per space per year for a term not to exceed 99 years. Such assignment shall be limited to the hours of 7:00 a.m. to 5:00 p.m. Monday through Friday. The City will assist Developer in policing the 120 spaces to prevent them from being occupied by the general public. The City will also provide all snow removal and maintenance services consistent with other City parking lots. At CITY'S option, the CITY will sell such portion of the Broad Street Lot as constitute 100 spaces to the DEVELOPER at a price to be agreed to in the future. The CITY shall have the ability to select the spaces which shall be so designated.

12. **SIGNAGE.** Any signage for such PROJECT buildings shall conform to applicable CITY ordinances.

13. **STAGING AREA.** The DEVELOPER may use existing CITY property as a staging area during PROJECT construction consistent with continued CITY operations.

14. **PROJECT SCOPE.** Any change in PROJECT scope shall be consistent with this agreement and any subsequent agreements of the parties.

15. **EQUAL OPPORTUNITY.** DEVELOPER hereby agrees on behalf of himself and his heirs and assigns that he will not permit the sale, lease or use of the property or facilities within the Project by any party who would act or permit discrimination or restriction on the basis of race, creed, color, sex, religion, national origin, or any other protected category under State or Federal law.

16. **CHANGES.** The parties agree that this agreement may require changes, from time to time. Such changes, which are mutually agreed upon between the Developer and the CITY, shall be incorporated in written amendment to this agreement.

17. **MATTERS TO BE DISREGARDED.** The titles of the several sections, subsections, and paragraphs of this agreement are inserted for convenience of reference only and shall be disregarded in construing or interpreting any of the provisions of this agreement.

18. **COMPLETENESS OF AGREEMENT.** This agreement and any additional or supplementary documents incorporated by specific reference contain all the terms and conditions of this agreement, and no other agreements, oral or otherwise, regarding this subject matter or any part shall have any validity or bind any of the parties hereto.

19. **NOTICES.** Any notices, bills, invoices, or reports required by this agreement shall be sufficient if sent by the parties in the United States mail, postage paid, to the addresses below:

DEVELOPER Name & Address

McClone Downtown Development LLC  
P. O. Box 389, Menasha, WI 54952

CITY Name and Address:

City of Menasha  
140 Main Street  
Menasha, Wisconsin 54952

20. **TERMINATION RIGHTS.** The CITY and the Developer recognize the development will require substantial financial resources, the commitments for which may not be available before the parties begin to perform under the terms of this agreement. The parties are nonetheless willing to proceed with the activities and undertaking described herein with full appreciation that the costs and risks of so doing are their own, respectively, and that a closing may not occur, unless otherwise specifically required by this agreement. If the CITY shall fail to acquire the Site and perform its other obligations or if the developer does not generate the required financing and perform its other obligations, the aggrieved party may terminate this agreement upon giving the other party thirty (30) days' written notice, and this agreement shall then automatically terminate. As evidence of the parties' confidence in each other, the parties are willing to begin performance under this agreement without absolute assurance the other party will be able or willing to raise and commit the necessary funds.

21. **PERSONAL LIABILITY.** Under no circumstance shall any alderman, officer, official, director, member, limited partner, or employee of the City or the Developer have any personal liability arising out of this agreement, and no party shall seek or claim any such personal liability.

22. **CITY CONTRIBUTION.** The Developer recognizes that the total City contribution is limited to \$1,100,000 toward the entire project subject to the following exceptions:

- a. the cost attributed toward the \$1,100,000 to be used for the development of the Plaza and the reconfiguration of the Broad Street Parking Lot is \$112,000.
- b. the City contribution is based on the estimates provided by the Hoffman Corporation in a document attached as Exhibit . Any reductions in those costs for any reason shall be shared with the City in a manner to be agreed to at a later date.

BENCH MARK #1  
BURY BOLT ON FIRE HYDRANT LOCATED ON THE SOUTH SIDE OF MARINA PLACE, 100' +/- WEST OF MILL STREET.  
ELEVATION 753.50

BENCH MARK #2  
BURY BOLT OF FIRE HYDRANT LOCATED IN THE SOUTHEAST QUADRANT OF MAIN STREET AND MILL STREET INTERSECTION.  
ELEVATION 758.36

#### DESCRIPTION

BEING ALL OF LOTS 25 AND 26, AND BEING PART OF LOTS 23, 24, 27 AND 28 OF BLOCK 2 OF THE ORIGINAL PLAT OF THE TOWN OF MENASHA, LOCATED IN PART OF THE NORTHEAST 1/4 OF SECTION 22, TOWNSHIP 20 NORTH, RANGE 17 EAST, CITY OF MENASHA, WINNEBAGO COUNTY, WISCONSIN.

#### GENERAL NOTES:

1. CONTACT DIGGER'S HOTLINE 5 WORKING DAYS PRIOR TO THE START OF DEMOLITION/CONSTRUCTION.
2. THE PROPOSED SITE PLAN FINISH FLOOR ELEVATION OF 757.50' EQUALS THE PROPOSED BUILDING ARCHITECTURAL FINISH FLOOR ELEVATION OF 100.00'.
3. GRADE, LINE, AND LEVEL TO BE REVIEWED IN THE FIELD BY THE CONSTRUCTION MANAGER.
4. INSTALL ALL REQUIRED EROSION CONTROL MEASURES IN ACCORDANCE WITH LOCAL AUTHORITIES AND THE DEPARTMENT OF NATURAL RESOURCES REGULATIONS.
5. ALL EROSION CONTROL MEASURES SHALL BE MAINTAINED IN ACCORDANCE WITH THE DEPARTMENT OF NATURAL RESOURCES, LOCAL AUTHORITIES REGULATIONS.
6. 6" OF TOPSOIL SHALL BE PROVIDED IN ALL GENERAL LAWN AREAS AND 12" SHALL BE PROVIDED IN ALL PLANTING BED AREAS.
7. ANY EXISTING UTILITIES NOT SHOWN ON THIS DOCUMENT WHICH NEED TO BE REMOVED, RELOCATED AND OR ADJUSTED SHALL BE THE RESPONSIBILITY OF THE SITE GRADING CONTRACTOR AND INCLUDED IN THE BASE BID CONTRACT.
8. COORDINATE ALL EARTHWORK ACTIVITIES WITH GAS, ELECTRIC, (INCLUDING MAIN SERVICE, SITE LIGHTING, CONDUITS AND SIGNAGE) CABLE AND TELEPHONE CONSTRUCTION AND RESPECTIVE TRADES FOR THE INSTALLATION OF SAID UTILITIES.
9. RIP RAP SHALL HAVE FILTER FABRIC PLACED BENEATH.
10. ALL TESTING AND INSPECTION SHALL BE DONE IN ACCORDANCE WITH SPS 382.21.
11. THE LOCAL MUNICIPALITY SHALL BE CONTACTED PRIOR TO ANY EXCAVATION IN THE PUBLIC RIGHT-OF-WAY. THE CONTRACTOR SHALL HAVE HIS TRAFFIC CONTROL PLAN APPROVED PRIOR TO WORK COMMENCING. THE LOCAL MUNICIPALITY SHALL OPERATE ALL EXISTING WATER VALVES IF NEEDED.
12. GRADES AT BUILDING EDGE SHALL BE 6" BELOW FINISHED FLOOR ELEVATION EXCEPT AT DOOR WAY ENTRANCES OR UNLESS OTHERWISE NOTED.
13. INSTALL ALL TEMPORARY EROSION CONTROL ELEMENTS PRIOR TO THE START OF DEMOLITION/CONSTRUCTION.
14. ALL ACTIVITIES SHALL BE CONDUCTED IN A LOGICAL SEQUENCE AS TO MINIMIZE THE AMOUNT OF BARE SOIL EXPOSED AT ANY ONE TIME. MAINTAIN EXISTING VEGETATION AS LONG AS POSSIBLE.
15. OFF SITE SEDIMENT DEPOSITS OCCURRING AS A RESULT OF A STORM EVENT SHALL BE CLEANED UP BY THE END OF THE NEXT WORK DAY. ALL OFF SITE SEDIMENT DEPOSITS OCCURRING AS A RESULT OF CONSTRUCTION ACTIVITIES, INCLUDING SOIL TRACKED BY CONSTRUCTION TRAFFIC, SHALL AT A MINIMUM BE CLEANED BY THE END OF EACH WORK DAY. EXCESSIVE AMOUNTS OF SEDIMENT OR OTHER DEBRIS TRACKED ONTO ADJACENT STREETS SHALL BE CLEANED BY THE END OF EACH WORK DAY. EXCESSIVE AMOUNTS OF SEDIMENT OR OTHER DEBRIS TRACKED ONTO ADJACENT STREETS SHALL BE CLEANED IMMEDIATELY. FINE SEDIMENT ACCUMULATIONS SHALL BE CLEANED FROM ADJACENT STREETS BY THE USE OF MECHANICAL OR MANUAL SWEEPING OPERATIONS ONCE A WEEK AT A MINIMUM AND BEFORE IMMINENT RAIN EVENTS.
16. DISTURBED GROUND OUTSIDE OF THE EVERYDAY CONSTRUCTION AREAS, INCLUDING SOIL STOCKPILES, THAT ARE LEFT INACTIVE FOR MORE THAN 7 DAYS SHALL BE TEMPORARILY STABILIZED BY SEEDING/MULCHING OR OTHER APPROVED METHODS.
17. WASTE MATERIAL THAT IS GENERATED ON THE CONSTRUCTION SITE SHALL BE PROPERLY DISPOSED OF AND NOT ALLOWED TO RUN INTO RECEIVING WATERS.
18. EROSION CONTROL DEVICES DESTROYED AS A RESULT OF CONSTRUCTION ACTIVITIES SHALL BE REPAIRED BY THE END OF EACH WORK DAY.
19. INSPECT ALL EROSION CONTROL MEASURES AT LEAST ONCE A WEEK AND AFTER ANY RAINFALL OF 0.5" OR MORE. MAKE NEEDED REPAIRS AND DOCUMENT ALL ACTIVITIES AS PER THE REQUIREMENTS OF THE NOTICE OF INTENT SUBMITTED BY THE PROJECT CIVIL ENGINEER.
20. ALL TEMPORARY EROSION CONTROL ELEMENTS SHALL REMAIN IN PLACE UNTIL A SUFFICIENT GROWTH OF VEGETATION IS ESTABLISHED AND THEN BE REMOVED AS PART OF THE BASE BID.
21. IF SEDIMENT LADEN WATER NEEDS TO BE REMOVED FROM THE SITE, FILTER BAGS OR SCREENING SHALL BE USED IN ACCORDANCE WITH THE WI DNR TECHNICAL STANDARDS 1051 TO PREVENT THE DISCHARGE OF SEDIMENT TO THE MAXIMUM EXTENT PRACTICABLE.
22. IF BARE SOIL IS EXPOSED DURING THE WINTER MONTHS, STABILIZATION BY MULCHING OR ANIONIC POLYACRYLAMIDE SHALL OCCUR PRIOR TO SNOW OR FROZEN GROUND.
23. THE CONTRACTOR SHALL ONLY USE PHOSPHORUS FREE FERTILIZER FOR ALL LANDSCAPE APPLICATIONS.
24. THE CONTRACTOR SHALL PERFORM INSPECTIONS AND MONITORING OF EROSION CONTROL PRACTICES IN ACCORDANCE WITH THE WI DNR "CONSTRUCTION SITE INSPECTION REPORT" FORM 3400-187. THIS FORM CAN BE FOUND IN THE CONSTRUCTION SPECIFICATIONS.

#### EROSION CONTROL SEQUENCING

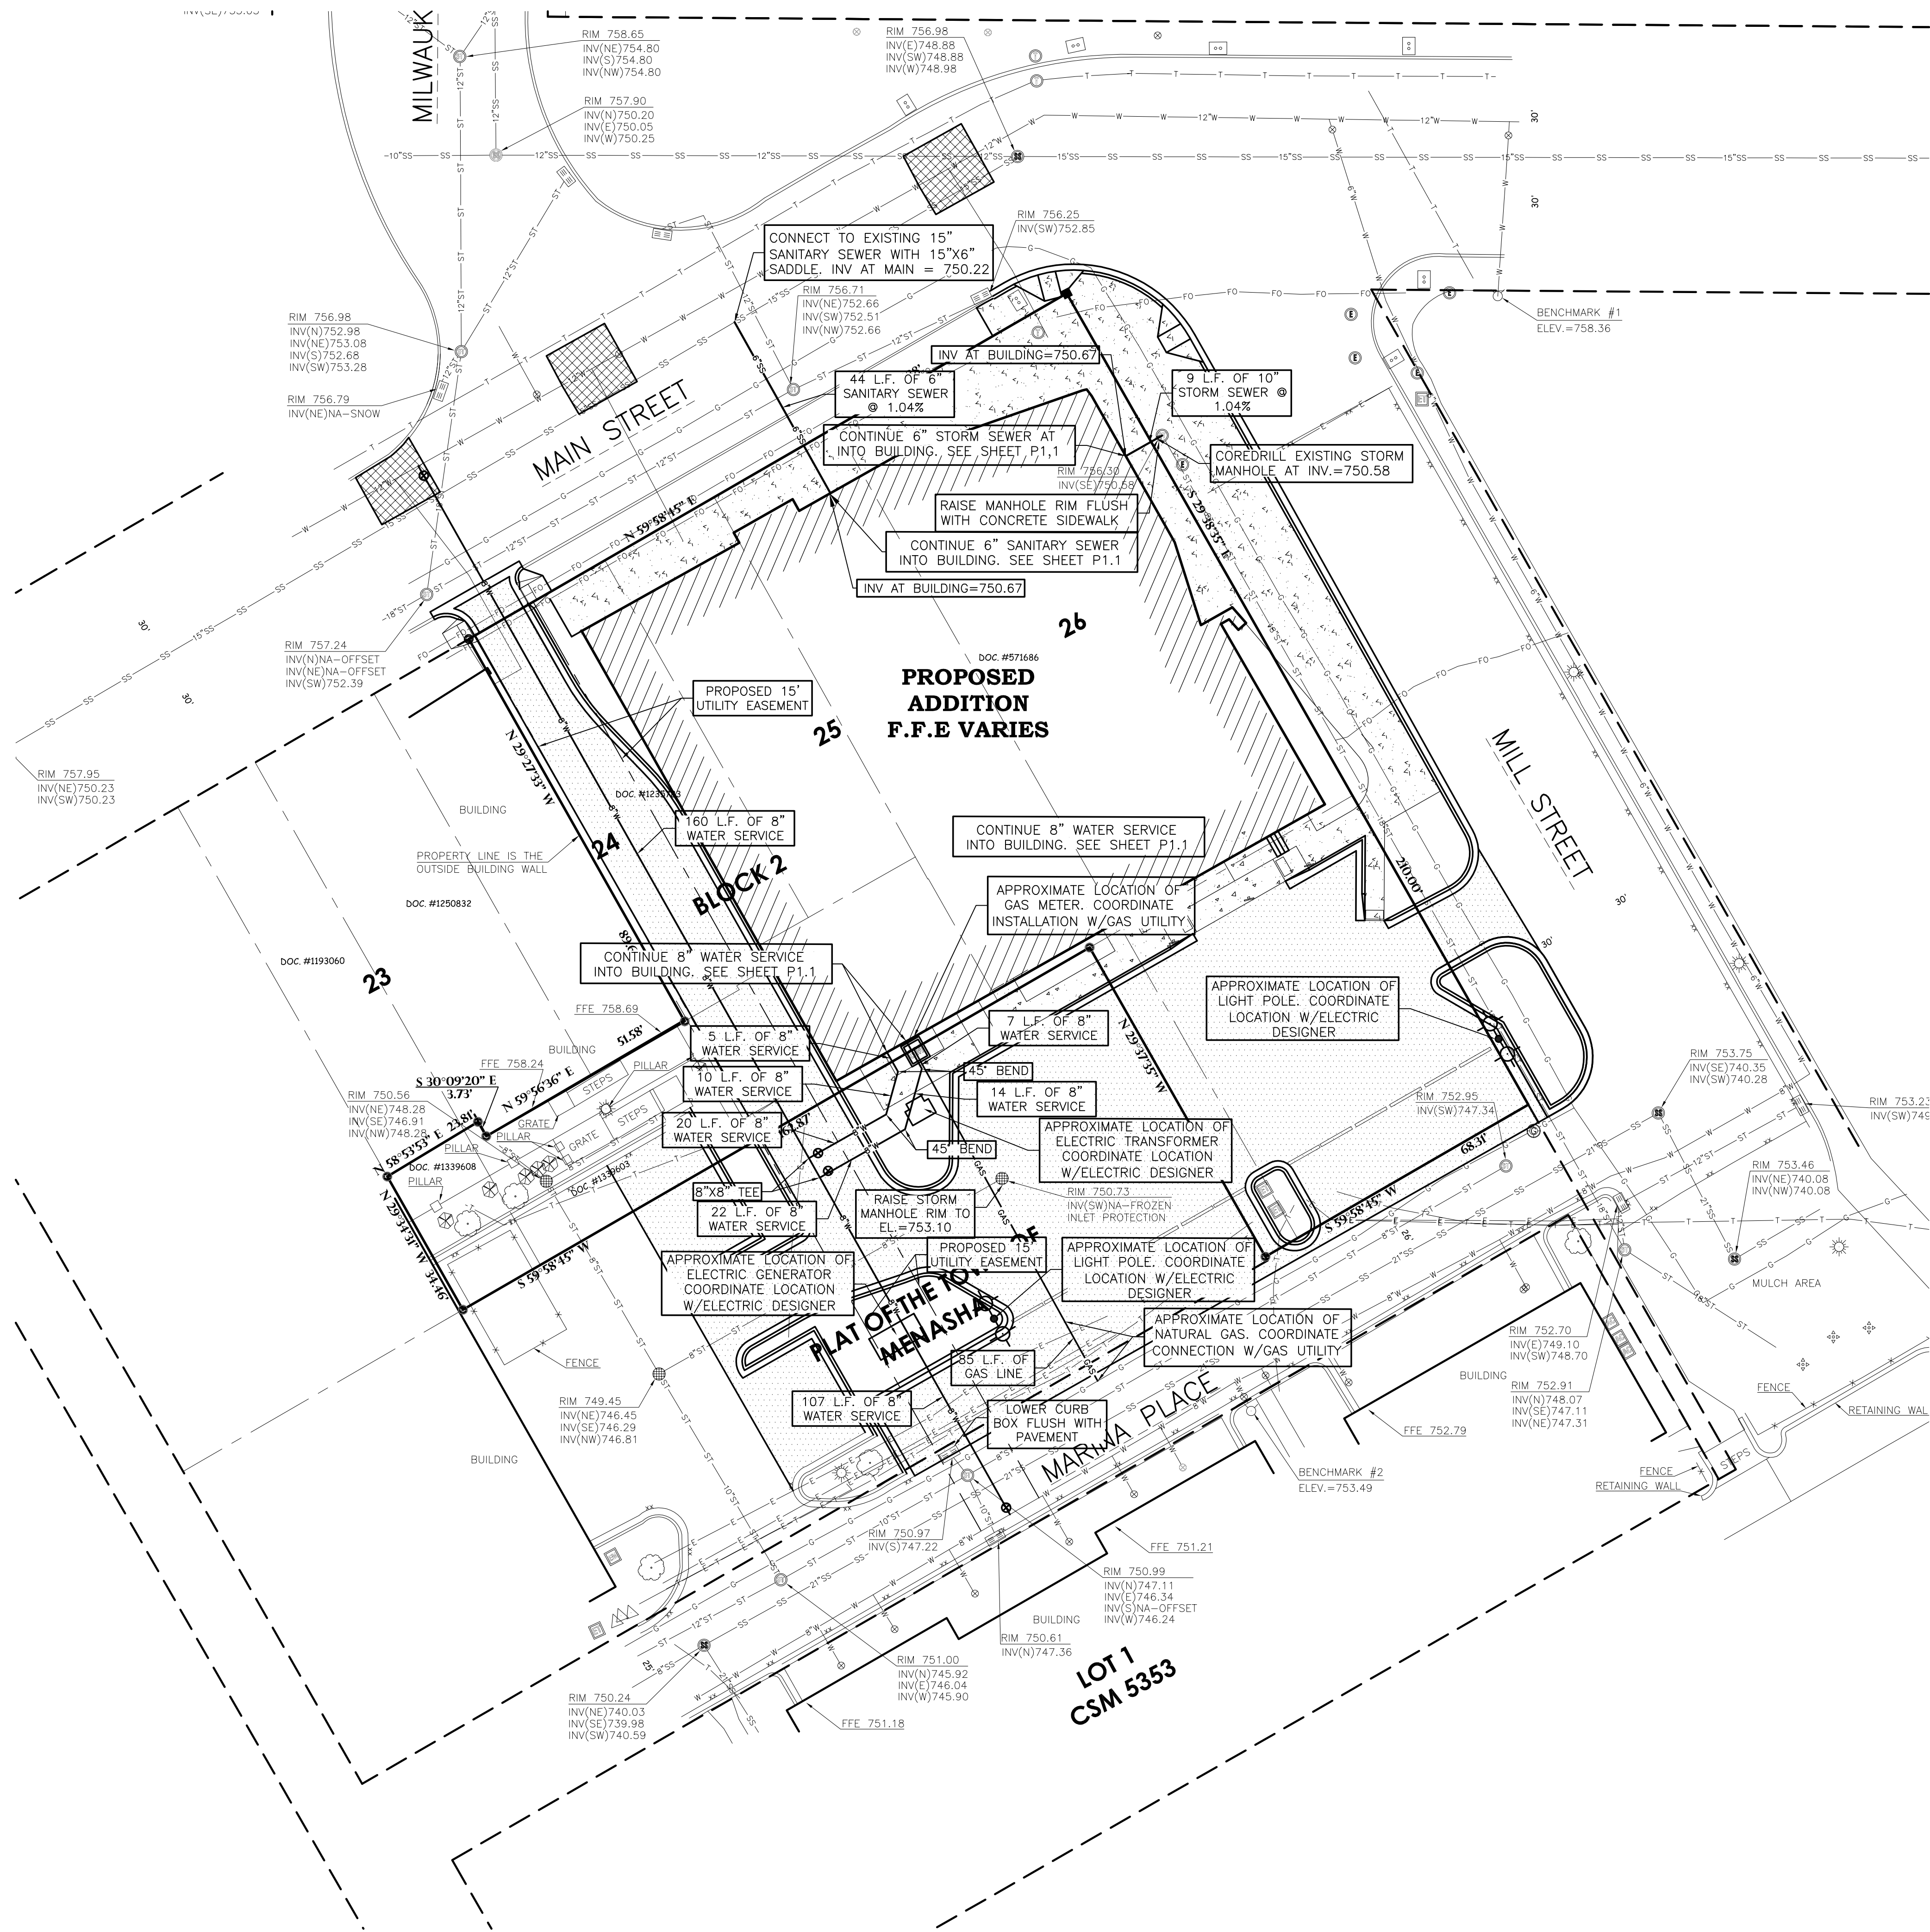

1. INSTALL PERIMETER EROSION CONTROL.
2. BEGIN DEMOLITION.
3. BEGIN ROUGH GRADING AND UTILITY INSTALLATION.
4. DURING GRADING ACTIVITIES EXISTING GRASS AND VEGETATION, TO BE REMOVED, SHALL REMAIN IN PLACE FOR AS LONG AS POSSIBLE, TO AVOID SEDIMENT TRANSPORT.
5. ALL DISTURBED AREAS SHALL BE STABILIZED, TEMPORARILY AND/OR PERMANENT, WITHIN 30 DAYS OF DISTURBANCE, OR PERMANENTLY STABILIZED WITHIN 7 DAYS OF ACHIEVING FINISHED GRADE.
6. ALL DISTURBED AREAS SHALL BE FULLY STABILIZED PRIOR TO COMMENCEMENT OF PHASE 2.
7. IF DISTURBED AREAS MUST BE LEFT OVER WINTER, AN ANIONIC POLYACRYLAMIDE SHALL BE APPLIED TO ALL DISTURBED AREAS PRIOR TO GROUND FREEZE. SEE SPECIFICATIONS FOR DETAILS.

ORDINANCE O-10-15

AN ORDINANCE AMENDING TITLE 2, CHAPTER 2  
OF THE CODE OF ORDINANCES  
(Mayor; Common Council)

Introduced by Alderman Benner.

The Common Council of the City of Menasha does hereby ordain as follows:

SECTION 1: Amend Title 2, Chapter 2, SEC. 2-2-16(d)(2) of the Code of Ordinances of the City of Menasha, Wisconsin repealing paragraphs b., c. and d. as follows:

**Title 2 – Government and Administration**

**CHAPTER 2**

Mayor; Common Council

**SEC. 2-2-16 INTRODUCTION OF BUSINESS, RESOLUTIONS AND ORDINANCES;  
DISPOSITION OF COMMUNICATIONS.**

...

(d) **NOTICE.**

...

- (2) a. No ordinance may be passed by the Common Council until the next Council meeting following its introduction at either a Committee or Council level. When said ordinance on its face does not adequately advise the public of its contents, the City Attorney shall add a brief note of explanation.
- b. ~~Any Alderman may request that any issue be held for two weeks in addition to the requirements of Sec. 2-2-16 (d)(2)a. When so requested, the Mayor shall inquire as to whether another Alderman also wished the hold. If another Alderman does so request, the issue shall be placed on the agenda of the next regularly scheduled meeting. Once invoked, no other Alderman may attempt to use this procedure to delay any action. Any further delay requires a majority vote of the Common Council or Committee. An issue held in Committee may not be held in the Common Council, an item held in the Common Council may not be held in Committee. Once the motion to hold is made and seconded it is no longer debatable.~~
- c. ~~This Section shall not apply if such holding results in the item being moot because of any other deadline imposed by some other party or organization outside the control of the City.~~
- d. ~~Any resolution may be acted upon at the meeting at which it is introduced unless one alderman holds such resolution until the succeeding Council meeting. This delay may only be used one time for any resolution.~~

...

SECTION 2: This ordinance shall become effective upon its passage and publication as provided by law.

Passed and approved this      day of      2015.
