The meeting was called to order by Chr. D Sturm at 6:05pm.

B. ROLL CALL/EXCUSED ABSENCES

MEMBERS PRESENT: Lisa Hopwood, Tom Marshall, Ald. Ted Grade, Dick Sturm, Brian Adesso

MEMBERS ABSENT: Melissa Zwach

OTHERS PRESENT: PRD Tungate, DD Alix

C. MINUTES TO APPROVE

1. **Minutes of the November 13, 2018 Park Board Meeting:** Moved by Ald. T. Grade, seconded by L. Hopwood to approve the minutes of the November 13 Park Board meeting. Motion carried.

D. PUBLIC COMMENT ON ANY MATTER RELATED TO CITY PARKS AND RECREATION

E. REPORT OF DEPARTMENT HEADS/STAFF/OR CONSULTANTS

1. **Department Report:** PRD Tungate commented on progress made on the Treatment Plant trail, cameras are expected to be installed early in 2019. Director is working on a job description for a new part-time Recreation Supervisor position, an online survey seeking public input on the city's park system is now live. The survey will continue for at least the next two months. Hiring for the ice rink is also occurring. If the weather cooperates, the goal is to have the rink up and running over the holiday break.
2. **Park, Pool and Vandalism Report:** DD Alix was present and spoke about preparing for the Dec. 7 Holiday Hayride, staff planted about 50 arborvitae as part of the Treatment Plant trail project. Staff will be meeting soon to get a start on the Smith Park restroom rehabilitation. Tree trimming has been ongoing. Staff plans to identify ash trees that are in good to excellent condition. Chemical treatment is being considered for these trees as a way to mitigate the impact of the upcoming loss of so many public trees within the city. Several cities have treated trees successfully.

F. DISCUSSION

1. **Holiday Hayride Review:** PRD Tungate reported that despite cooler temperatures, this year's hayride was successful. All the rides were sold out. A new vendor for reindeer was used this year.
2. **Jefferson Park Playground and Parking Lot Update:** PRD Tungate reported that staff is working with an equipment vendor on producing a conceptual, eye-catching rendering of a light-house themed play system that will be suitable for fundraising purposes. This rendering will be done soon and will hopefully produce the fundraising dollars needed for the project to move forward in 2019. Staff and its consultant, Ayres Associates, have been working on a lot design that will meet the city's stormwater ordinance. A couple of test pits were recently dug near the pavilion lot to give engineers information on the soil in the area and how this would affect water infiltration.
3. **Province Terrace Trail Update:** PRD Tungate reported that this project will go out for bid this week. A pre-

bid meeting is scheduled for the week of December 17. The goal is to award this project by January which would allow contractors to potentially work off the ice and potentially save costs on mobilization and the use of more costly equipment.

G. ACTION ITEMS

1. **Motion to approve agreement for reciprocity between the City of Menasha and Village of Fox Crossing Parks and Recreation Departments for 2019-2020:** Moved by Ald. T. Grade, seconded by B. Adesso to approve the motion as written. The Board strongly supported a two year agreement, which they understood is a great benefit to city residents. Of note was the high number of park shelter and community center rentals by resident groups. Motion carried.

H. PUBLIC COMMENT ON ANY MATTER LISTED ON THE AGENDA

I. ADJOURNMENT

Moved by L. Hopwood, seconded by B. Adesso to adjourn at 7:16pm. Motion carried.

December 28, 2018

Dear Mayor Merkes,
I was recently made aware that there is an opening on the City of Menasha Parks Board, I would like to be considered for this opening.

I have owned my home in the city since April 2012 and have previously lived in an apartment in downtown Menasha from 2006-2007. I have two children, Spencer age 7 and Elliott age 5. I have been married since 2012 to my wife, Tiffany Hale.

My family has always enjoyed attending the various events that the parks department puts on throughout the year as well as visiting the municipal pool at Jefferson Park. A few years ago we made it a goal to bike to as many parks as possible in the Fox Cities, this has allowed us to visit every park in Menasha, with the exception of one. I have also coordinated the volunteers at Communityfest for the City of Neenah for the past 10 years.

I believe that the parks in Menasha are some of the best in the Fox Cities and I believe that I could provide some beneficial insight into future planning for our parks.

Thank you for your time and consideration for this position.

Sincerely,
Timothy Hale
