Staff commented on the area of road impacted, which is Plank Road from the railroad tracks to approximately Baldwin Street to aid in the rehab a 24-foot swath of the deteriorating pavement, as the Wis. DOT will not be working on repairing/replacing the part of the roadway until 2028.

Staff commented on the reasoning behind the updates from the prior version of this ordinance changed, which was presented to the Board of Public Works at the 8/4/23 meeting. DRAFT

General discussion ensued on specifics on changes to sanitary sewer charges (and the lateral replacement program):

- $11.40 per fixed meter charge $6.70 per 1,000 gallons
- Lateral replacement fixed rate is $3.49 per month per meter
- Tax levy would not be impacted nor could be an option for adding sewer lateral replacement rate, as the fee is for is a user charge system
- Lateral replacement to the road right of way is a first step in updating the City's sewer system (A resident interested in participating in the City's lateral replacement program with replacing their part of their private side lateral [from the curb stop to home] if it failed, can be assisted through the City's Deferred Assessment Policy)

F. ADJOURNMENT
