

The Menasha Health Department is looking for volunteers for to assist with exercises and activities related to emergency preparedness. In particular, we are looking for individuals who are interested in helping us during our annual mass influenza vaccination clinic, which takes place in the Fall.

Possible roles and responsibilities

- Greeter
- Registration clerk
- Screener (asking medical questions)
- Runner for supplies, materials or equipment
- Security and traffic control
- Foreign language interpreter
- Escort

We encourage volunteers with a medical/healthcare background to apply.

No one will ever be asked to complete a task they are uncomfortable with.

If you are interested in becoming a volunteer for the Menasha Health Department, please complete the volunteer application and return to:

Menasha Health Department
Attn: Claire Opsteen, RDH
100 Main Street, Suite 131
Menasha, WI 54952

Or via email:
