The Menasha Police responded to the area of London Street and Lincoln Street at approximately 1:51 AM on Tuesday 5/30/17 for reports of shots fired into a home. The targeted home was 821 London Street. Several shots penetrated the outer south side wall of the home. A thirty year old Menasha man received non-life threatening injuries from the incident and was treated and released from a local hospital. Bullets and shell casings were recovered from the scene. Several adults live in the home and were interviewed regarding the incident.

This is an on-going investigation. The Menasha Police Department does not believe this was a random act and does not believe the public is in any danger.

The Department will release additional information if and when it becomes available so long as releasing that information does not compromise the investigation.
