

Menasha Police Department – PRESS RELEASE

FOR IMMEDIATE RELEASE

Case #22-1102

May 11, 2022

The Menasha Police Department is requesting assistance from the community to locate a black Labrador retriever and its owner regarding a dog bite incident that occurred in the 200 Block of Tayco Street on May 11, 2022.

Officers would like to speak with the owner of this animal and verify the animal's health. Anyone who witnessed this incident or can possibly identify a black Labrador retriever with a collar and tags that may have been involved is asked to contact the Menasha Police Department.

As we start to see more pedestrian traffic with the warm weather, the Menasha Police Department would like to remind everyone to keep domestic animals under their control and supervised to avoid animals from running at large and potentially jeopardizing the safety and health of our community members. If you see a domestic animal running at large or are concerned for an animal's welfare, please contact the Menasha Police Department.

If you have any information regarding this unidentified dog, please contact the Menasha Police Department non-emergency line at (920) 967-3500 or at police@ci.menasha.wi.us. If you wish to remain anonymous, report to Winnebago County Crime Stoppers at (920) 231-TIPS (8477). Thank you for your assistance.
