Enjoy spending a day charter fishing with Willie Bee Charters, Maverick Charters, and Hooked Charters. Return with many “big fish” stories to tell!

Keith, owner of Willie Bee and winner of several fishing tournaments, will target all species, salmon, trout. You might just catch a record trophy fish!

The charter boats are 33’ long by 12’ wide which provides plenty of fishing space. You will have an opportunity to set the lines and learn a few of your guide’s fishing tricks. The photos on the left are from last year’s successful fishing trip!

Upon your return, the bus will pick you up and take you to Kurtz’s Pub and Grill where you can enjoy a fantastic home cooked dinner. While you enjoy your dinner, the crew from the charter boats will clean, tag and bag your fish. We will pick up the fish after dinner.
