What could be more endearing ... and fun!

Thursday, March 21, 2024

- Our first stop is our beautiful Capital with a tour of the Rotunda, Supreme Court Room, Governor's Conference Room, Assembly, Senate, and North Hearing Room.
If you would like to meet with your legislators, call the Legislative Hotline at 800-362-9472 or visit www.legis.state.wi.us and see if they have time to meet with you during your visit between 10:00am - 11:00am.
- When you go to Madison, you have to eat on State Street. You will have two options to choose from, Nick's Restaurant, or Ian's Pizza. There will be menus at the Menasha Senior Center desk to help you make a food selection. We'll provide \$10 toward your lunch.
- Every veteran has a story. The Wisconsin Veteran's Museum arose from the desire of Wisconsin Civil War veterans to preserve the legacy of their accomplishments and memory of their fallen. The Wisconsin Veteran's Museum is dedicated to the people of Wisconsin who served in the armed forces and honors and affirms the role of ALL veterans in the shaping of Wisconsin.
