To all Business Owners, Managers, and Employees:

The *Business Watch* Community Policing Program uses REACH Alert to send you timely information about issues affecting businesses throughout Ouray. When an issue arises, we immediately advise you of suspicious individuals and their activities or any other information that might have an impact on local businesses.

What does that mean for you? As a user of REACH Alert, you will be in control of how you receive your messages from us. This means you will be able to:

- **Choose up to three ways to receive your messages** – email, voice call, or text message.
- **Add up to four devices** – email addresses and/or phone numbers that you want to receive your messages with.
- **Update your contact information at any time** – add an email address & phone number when you register, then login to update your info.

However, if you don't register, you won't receive our messages or the benefits listed above.

Registration takes less than a minute to complete! To register: go to www.reachalert.com, click on "create account". When prompted, please use the following information to register for our Business Watch Network:

Network Name: Ouray Business Group

Role: Member

If you have difficulty registering, please contact REACH Alert at 877-307-9313 or info@reachalert.com. If you do not have access to a computer, just call Reach Alert and they will help you complete your registration.

We're proud to offer this service to our business community. Sign up today!
