

City of Saginaw

ARPA Community Engagement

May 2022

Process

Process

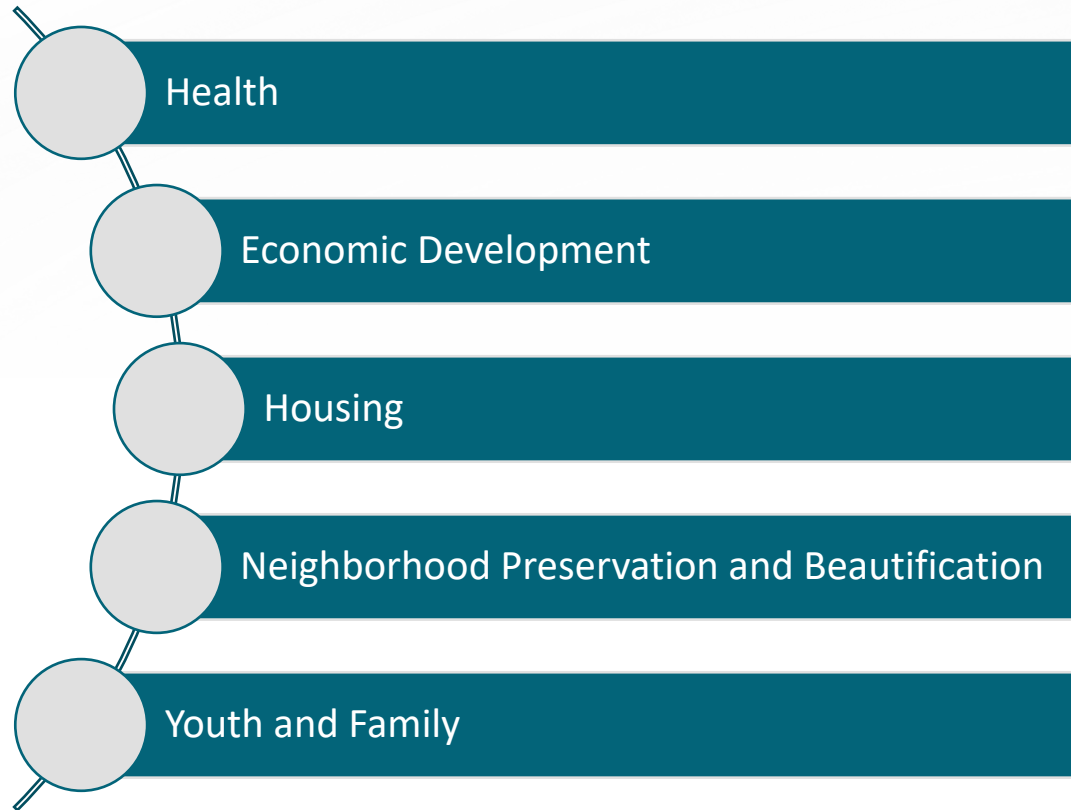

- Submit your ideas before June 13
- All of the ideas will be reviewed by the ARPA Committee
- The ARPA Committee will review all ideas and submit recommendations to City Council for funding

Context

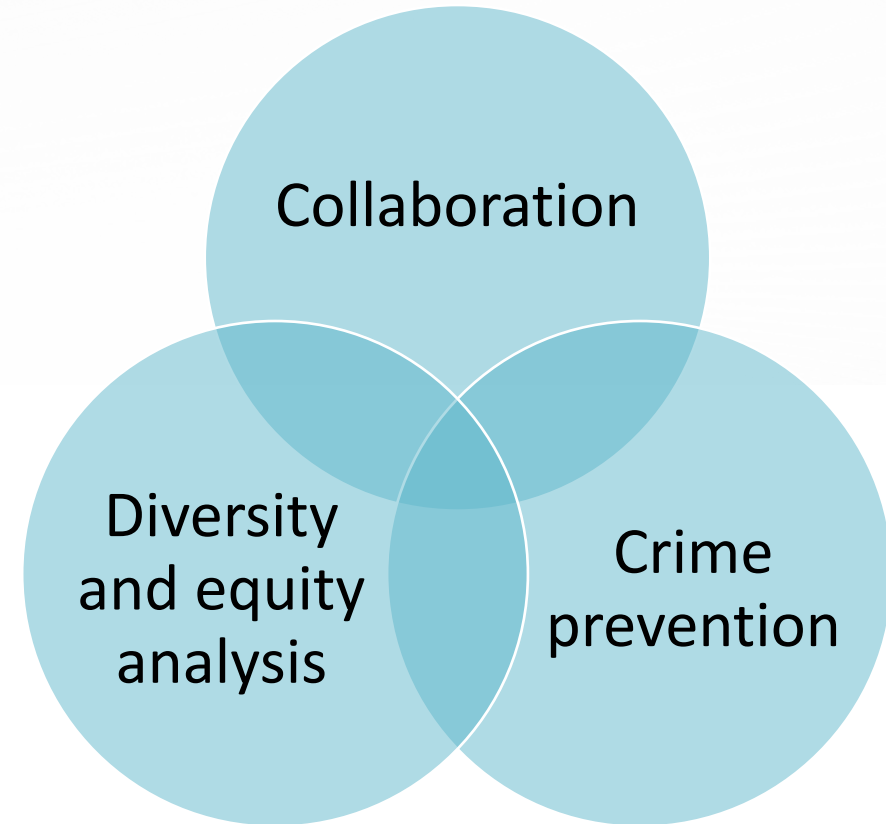

- The City has allocated roughly \$25mm in funding that can be used for these projects
- City Council will make the final choices on what gets funded
- Ideas will be judged on a variety of impacts, to name a few:
 - Feasibility
 - Sustainability
 - Impact
 - Alignment with Priority Groups

City Council Priorities from 2021 Survey and Session

- Crime reduction
- Community centers/conflict resolution training

How to submit your idea or proposal

Visit the online proposal portal.

If you would like a physical copy of the application, please request one from a Committee member.

You can submit an idea, or you can submit a full proposal. **All will be considered.**

A fully scoped idea with budget will have a better chance of being recommended by the Committee.

There may be follow up to clarify ideas or proposals.
